NAAC

VISION

To make quality the defining element of higher education in India through a combination of self and external quality evaluation, promotion and sustenance initiatives.

MISSION

- ☞ To arrange for periodic assessment and accreditation of institutions of higher education or units thereof, or specific academic programmes or projects;*
- ☞ To stimulate the academic environment for promotion of quality of teaching-learning and research in higher education institutions;*
- ☞ To encourage self-evaluation, accountability, autonomy and innovations in higher education;*
- ☞ To undertake quality-related research studies, consultancy and training programmes, and*
- ☞ To collaborate with other stakeholders of higher education for quality evaluation, promotion and sustenance.*

Value Framework

To promote the following core values among the HEIs of the country:

- Contributing to National Development*
- Fostering Global Competencies among Students*
- Inculcating a Value System among Students*
- Promoting the Use of Technology*
- Quest for Excellence*

Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions

Introduction

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts and measures of the institution towards promoting its holistic academic excellence.

The guidelines provided in the following pages will guide and facilitate the institution in the creation and operation of the Internal Quality Assurance Cell (IQAC). The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation it can inculcate in all the constituents of the institution. It will not be yet another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies to remove deficiencies and enhance quality like the "Quality Circles" in industries.

Objective

The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Strategies

IQAC shall evolve mechanisms and procedures for

- a) Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;

- b) The relevance and quality of academic and research programmes;
- c) Equitable access to and affordability of academic programmes for various sections of society;
- d) Optimization and integration of modern methods of teaching and learning;
- e) The credibility of evaluation procedures;
- f) Ensuring the adequacy, maintenance and proper allocation of support structure and services;
- g) Sharing of research findings and networking with other institutions in India and abroad.

Functions

Some of the functions expected of the IQAC are:

- a) Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution;
- b) Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- c) Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes;
- d) Dissemination of information on various quality parameters of higher education;
- e) Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- f) Documentation of the various programmes/activities leading to quality improvement;
- g) Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- h) Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- i) Development of Quality Culture in the institution;
- j) Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

Benefits

IQAC will facilitate / contribute

- a) Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement;
- b) Ensure internalization of the quality culture;
- b) Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- c) Provide a sound basis for decision-making to improve institutional functioning;

- d) Act as a dynamic system for quality changes in HEIs;
- e) Build an organised methodology of documentation and internal communication.

Composition of the IQAC

IQAC may be constituted in every institution under the Chairmanship of the Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

The composition of the IQAC may be as follows:

1. Chairperson: Head of the Institution
2. A few senior administrative officers
3. Three to eight teachers
4. One member from the Management
5. One/two nominees from local society, Students and Alumni
6. One/two nominees from Employers /Industrialists/stakeholders
7. One of the senior teachers as the coordinator/Director of the IQAC

The composition of the IQAC will depend on the size and complexity of the institution. It helps the institutions in planning and monitoring. IQAC also gives stakeholders or beneficiaries a cross-sectional participation in the institution's quality enhancement activities. The guidelines given here are only indicative and will help the institutions for quality sustenance activities.

The membership of such nominated members shall be for a period of two years. The IQAC should meet at least once in every quarter. The quorum for the meeting shall be two-third of the total number of members. The agenda, minutes and Action Taken Reports are to be documented with official signatures and maintained electronically in a retrievable format.

It is necessary for the members of the IQAC to shoulder the responsibilities of generating and promoting awareness in the institution and to devote time for working out the procedural details. While selecting these members several precautions need to be taken. A few of them are listed below:

- ♦ It is advisable to choose persons from various backgrounds who have earned respect for integrity and excellence in their teaching and research. Moreover, they should be aware of the ground realities of the institutional environment. They should be known for their commitment to improving the quality of teaching and learning.
- ♦ It would be appropriate to choose as senior administrators, persons in charge of institutional services such as library, computer center, estate, student welfare, administration, academic tasks, examination and planning and development.

- ▶ The management representative should be a person who is aware of the institution's objectives, limitations and strengths and is committed to its improvement. The local society representatives should be of high social standing and should have made significant contributions to society and in particular to education.

The role of coordinator

The role of the coordinator of the IQAC is crucial in ensuring the effective functioning of all the members. The coordinator of the IQAC may be a senior person with expertise in quality aspects. She/he may be a full-time functionary or, to start with, she/he may be a senior academic /administrator entrusted with the IQAC as an additional responsibility. Secretarial assistance may be facilitated by the administration. It is preferable that the coordinator may have sound knowledge about the computer, its various functions and usage for effective communication.

Operational Features of the IQAC

Quality assurance is a by-product of ongoing efforts to define the objectives of an institution, to have a work plan to achieve them and to specify the checks and balances to evaluate the degree to which each of the tasks is fulfilled. Hence devotion and commitment to improvement rather than mere institutional control is the basis for devising procedures and instruments for assuring quality. The right balance between the health and growth of an institution needs to be struck. The IQAC has to ensure that whatever is done in the institution for "education" is done efficiently and effectively with high standards. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on various aspects of institutional functioning.

The coordinator of the IQAC and the secretary will have a major role in implementing these functions. The IQAC may derive major support from the already existing units and mechanisms that contribute to the functions listed above. The operational features and functions discussed so far are broad-based to facilitate institutions towards academic excellence and institutions may adapt them to their specific needs.

The institutions need to submit yearly the Annual Quality Assurance Report (AQAR) to NAAC. A functional Internal Quality Assurance Cell (IQAC) and timely submission of Annual Quality Assurance Reports (AQARs) are the Minimum Institutional Requirements (MIR) to volunteer for second, third or subsequent cycle's accreditation. During the institutional visit the NAAC peer teams will interact with the IQACs to know the progress, functioning as well quality sustenance initiatives undertaken by them.

The Annual Quality Assurance Reports (AQAR) may be the part of the Annual Report. The AQAR shall be approved by the statutory bodies of the HEIs (such as Syndicate, Governing Council/Board) for the follow up action for necessary quality enhancement measures.

The Higher Education Institutions (HEI) shall submit the AQAR regularly to NAAC. The IQACs may create its exclusive window on its institutional website and regularly upload/ report on its activities, as well as for hosting the AQAR.

The NAAC Accredited institutions need to submit only the soft copy as word file (.doc/.docx) through e-mail (capuaqar@gmail.com). The file name needs to be submitted with Track ID of the institution and College Name or EC number. For example MHCOGN16601-Samudra Arts and Science College, Taliamegu-Maharashtra.doc or EC_32_A&A_143 dated 3-5-2004-Samudra Arts and Science College, Taliamegu-Maharashtra.doc. The Higher Education Institutions need not submit the printed/hard copy to NAAC. The acknowledgements would be sent to the institutions through e-mail.

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

Part – A

AQAR for the year (for example 2013-14)

2015-16

2.14 Significant Activities and contributions made by IQAC.

1. Auditing of admission process for adherence to policies and procedures
2. Verification of learning materials with the help of external experts
3. Continuous verification of teaching learning process in all departments
4. Monitoring of conduct and announcement of MID examination results
5. Monthly students' feedback reports for academic performance evaluation
6. Automation of data collection at University level
7. Preparation of Annual Performance Report (APR) for faculty
8. Auditing of question papers and answer papers using external experts

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year

Parameter	Target	Achieved
Pass Percentage	85%	85.99 %
Publications	200	208
Presentations at conferences	160	168
Organization of workshops	11	17
Organization of conferences	05	07
Establishment of new laboratories	05	05
Campus placements	550	572
Organization of co-curricular activities	15	18
Organization of extracurricular activities	18	23
Consultancy projects	50	60
Research projects	03	03
New B.Tech / M.Tech programs to be introduced	03	03
Guest lectures / invited lectures	25	27
Value added programs	13	19
National Festivals	08	08
Regulation revisions	01	01
Learning Management Systems (MOODLE)	01	01
Content Management Systems (MOOCS)	01	01
Student exchange programmes	20	20
International fellowships	02	02
No. of scholarships (fee waivers)	180	200
Oversees faculty	03	03
No. of books/chapters published	08	08

2.16 Whether the AQAR was placed in statutory body Yes No

Management Syndicate Any other body Academic Council

Provide the details of the action taken

The AQAR for the academic year 2015-16 was placed before the DDH on 30th November 2016. The Chairman of DDH has advised IQAC, Co-ordinator to send the AQAR soft copy to NAAC as soon as possible after uploading it on the website of the University i.e. www.vignanuniversity.org

Part – B

Criterion – I

I. Curricular Aspects

1.1 Details about Academic Programmes

Level of the Programme	Number of existing Programmes	Number of programmes added during the year	Number of self-financing programmes	Number of value added / Career Oriented programmes
PhD	12	1	All	-
PG	19	1	All	2
UG	19	2	All	44
PG Diploma	-	-	All	-
Advanced Diploma	-	-	All	-
Diploma	-	1	All	1
Certificate	-	1	All	1
Others	-	-	-	-
Total	50	6	All	48

Interdisciplinary	10	2	All	-
Innovative	10	2	All	-

1.2 (i) Flexibility of the Curriculum: **CBCS/ Core/Elective option / Open options**

(ii) Pattern of programmes:

Pattern	Number of programmes
Semester	All Programmes
Trimester	--
Annual	--

1.3 Feedback from stakeholders Alumni Parents Employers Students
(On all aspects)

Mode of feedback : Online Manual Co-operating schools (for PEI)

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

Yes

- A comprehensive curriculum and course content review R16 was made for all B.Tech. programs and implemented with effect from odd semester 2016-17.
- Outcome based curriculum.
- 80% of the courses offered in R16 are theory and lab integrated.
- Skill acquisition through activity-based learning.

1.5 Any new Department/Centre introduced during the year. If yes, give details.

Yes

Centre of Excellence (3)

1. Advanced Materials, Manufacturing, Processing and Characterization
- 2 Composite Materials
- 3 Bio-resource Utilization and Management

Research Centres (10)

- 1 Centre for Big Data Science and Cloud Computing
- 2 Centre for Hybrid Vehicle Research
- 3 Centre for Wireless Sensors Network
- 4 Centre for DSP & Machine Vision
- 5 Centre for Machine Tool & Diagnostics
- 6 Centre for Advanced Mechanical System, Design & Analysis
- 7 Centre for VLSI Design
- 8 Centre for Assistive Technologies
- 9 Centre for Asymmetric Reactions
- 10 Centre for Thin Films Research

University Scientific Instrumentation Centres. USIC (3)

- 1 USIC-I
- 2 USIC-II
- 3 USIC-III Design Centre

Criterion – II

2. Teaching, Learning and Evaluation

2.1 Total No. of permanent faculty

Total	Asst. Professors	Associate Professors	Professors	Others
472	352	81	39	-

2.2 No. of permanent faculty with Ph.D.

73

2.3 No. of Faculty Positions Recruited (R) and Vacant (V) during the year

Asst. Professors		Associate Professors		Professors		Others		Total	
R	V	R	V	R	V	R	V	R	V
91	-	15	-	5	-	8	-	119	-

2.4 No. of Guest and Visiting faculty and Temporary faculty

18	8	18
----	---	----

2.5 Faculty participation in conferences and symposia:

No. of Faculty	International level	National level	State level
Attended	79	32	-
Presented papers	126	42	-
Resource Persons	0	05	-

2.6 Innovative processes adopted by the institution in Teaching and Learning:

- Learning management system (MOODLE)
- Introduction of Smart Boards
- Usage of ICT facility in every class room
- Academic and Emotional Progression of Students (AEPS) - Student counselling
- Faculty Induction Programme (FIP)
- Faculty recruitment drives at IITs and NITs
- Academic Audit System
- Seed money for research work
- Centers of excellence
- Industrial Internships to Industry through industry visits
- Organization of Project Exhibition
- Outcome based instruction
- Activity based learning
- Focused group discussion
- Live case study
- Flipped classroom
- Role Play
- Video based learning

- Experiential learning
- Games and Simulation

2.7 Total No. of actual teaching days

180

during this academic year

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

- Coding
- Double Valuation
- Photocopy
- Online Multiple Choice Questions
- Double Valuation
- Coding & Decoding
- Weekly examinations
- Online multiple choice questions
- Re-totalling
- Photocopy
- Revaluation
- Summer semester supplementary examinations

2.9 No. of faculty members involved in curriculum restructuring/revision/syllabus development as member of Board of Study/Faculty/Curriculum Development workshop

All faculty members were involved in framing R16 Regulation

2.10 Average percentage of attendance of students

89.9

2.11 Course/Programme wise distribution of pass percentage:

Title of the Programme	Total no. of students appeared	Division				
		Distinction %	I %	II %	III %	Pass %
B.Tech	1064	61.09 (559/915)	38.69 (354/915)	0.22 (2/915)	---	85.99 (915/1064)
M.Tech	124	100.00 (90/90)	--	--	--	72.58 (90/124)
BBM	31	76.66 (23/30)	23.33 (7/30)	--	--	96.77
MBA	57	63.27 (31/49)	36.73 (18/49)	--	--	85.96 (49/57)
MCA	13	91.66 (11/12)	8.33 (1/12)	--	--	92.31 (12/13)

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

- Development and application of quality benchmarks/parameters for the various academic activities.
- Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Arrangement for feedback responses from students, parents and other stakeholders on quality related processes.
- Dissemination of information on the various quality parameters of higher education.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmes/activities of the University, leading to quality improvement.
- Acting as a nodal agency of the University for coordinating quality-related activities, including adoption and dissemination of good practices.
- Development and maintenance of University database through MIS for the purpose of maintaining / enhancing the teaching learning quality.

2.13 Initiatives undertaken towards faculty development

<i>Faculty / Staff Development Programmes</i>	<i>Number of faculty benefitted</i>
Refresher courses	75
UGC – Faculty Improvement Programme	-
HRD programmes	348
Orientation programmes	75
Faculty exchange programme	5
Staff training conducted by the University	75
Staff training conducted by other institutions	128
Summer / Winter schools, Workshops, etc.	100
Others	-

2.14 Details of Administrative and Technical staff

Category	Number of Permanent Employees	Number of Vacant Positions	Number of permanent positions filled during the Year	Number of positions filled temporarily
Administrative Staff	112	0	0	2
Technical Staff	78	0	1	1

Criterion – III

3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

- Dean, IQAC is a member of the Board of Management and other administrative bodies of the University with the focus on research related aspects.
- Conducted the following seminars / training / workshops for the benefit of faculty members.
 - Intellectual Property Rights (IPR)
 - Search for online database of Research articles
 - Use of plagiarism software including Turnit-in
 - Technical paper writing, report preparation, project preparation
- Provision of information on various national and international funding agencies, period at which the projects are to be submitted and details about schemes and thrust areas.
- Dean, IQAC Coordinates with two tier research committees to monitor and address the issues related to research as given below:
 - Research Advisory Committee
 - University Research Board

3.2 Details regarding major projects

	Completed	Ongoing	Sanctioned	Submitted
Number	7	12	4	13
Outlay in Rs. Lakhs	120	426.52	112.32	1691

3.26 Major Activities during the year in the sphere of extension activities and Institutional Social Responsibility

- Conduct of Swatcha Vignan once in a month
- Blood donation and health camps conducted in the University campus
- Awareness campaign on cashless society in the after math of demonetization
- Funds to old age homes in surrounding villages
- ETV-Swarabhishekam volunteers
- Pushkars volunteers
- Schools adaptations- (supplying nutrition foods to 10th class)
- Literacy survey in pedanandipadu village and its surroundings
- NCC Cadets have provided support services for the inauguration of Capital City
- Celebration of National festivals and other important events such as Yoga day, Youth day, Science day, Engineers day, Teachers day etc.
- Campaign on Energy and water conservation in the surrounding villages of the University.

Criterion – IV

4. Infrastructure and Learning Resources

4.1 Details of increase in infrastructure facilities:

Facilities	Existing	Newly created	Source of Fund	Total
Campus area	42.06 Acres	Nil	Nil	42.06 Acres
Class rooms	71	34	VFSTRU	105
Laboratories	72	17	VFSTRU	89
Seminar Halls	5	3	VFSTRU	8
No. of important equipments purchased (\geq 1-0 lakh) during the current year.	150	33	VFSTRU	183
Value of the equipment purchased during the year (Rs. in Lakhs)	202.13 lakhs	543.96 lakhs	VFSTR	746.09 lakhs
Others	-	-	-	-

4.2 Computerization of administration and library

Automation of teaching, learning, evaluation, research, staff leaves, staff and student attendance etc. Vignan's Information and Management Systems (VIMS)

Library Automation software is available with the following features:

- 1) Acquisition
- 2) Cataloguing
- 3) Circulation
- 4) Serial control
- 5) Late fine collection
- 6) Online opinion poll
- 7) Order processing
- 8) Usage statistics
- 9) OPAC
- 10) Various report generation facilities

4.3 Library services:

	Existing		Newly added		Total	
	No.	Value	No.	Value	No.	Value
Text Books	49082	11349392.00	5582	2510050.00	54664	13859442.00
Reference Books	10297	6590414.00	452	1059504.00	10749	7649918.00
e-Books	232	1276911.00	-	-	232	1276911.00
Journals	202	1437903.00	Renewal in 2016	270949.00	202	1708852.00
e-Journals	2922	11335470.00	Renewal in 2016	4046487.00	2922	15381957.00
Digital Database	2	117500.00	Renewal in 2016	29639.00	2	147139.00
CD & Video	4333	-	1257	-	5590	-
Others (specify)	Presentation and consultation rooms, Research scholars cubicles					

4.4 Technology upgradation (overall)

	Total Computers	Computer Labs	Internet	Browsing Centres	Computer Centres	Office	Depts.	Systems at others locations	OTHERS		
									LCD Projectors	LCD Projector screens	Smart Boards
Existing	1176	14	1Gbps	1	0	17	11	43	30	3	3
Added	276	3	-	0	0	01	0	13	47	74	50
Total	1452	17	1Gbps	1	0	18	11	56	77	77	53

4.5 Computer, Internet access, training to teachers and students and any other programme for technology upgradation (Networking, e-Governance etc.)

- Internet access provided to all the desktop systems through LAN and Laptops through Wi-Fi.
- Cyberoam Firewall Security available to protect from Virus, Malware & Spyware.
- Moodle platform (www.vumoodle.org) is available to faculty members & students for sharing knowledge resources, assignments and assessment tests.
- List of MOOCs courses information provided for the students to access online learning resources.
- National Digital Library (NDL portal www.iitkgp.ac.in) access available to the students.
- National Knowledge Network connectivity (NKN) available.

4.6 Amount spent on maintenance in lakhs :

i) ICT	Rs. 56,86,550/-
ii) Campus Infrastructure and facilities	Rs.15,00,00,000/-
iii) Equipments	Rs. 4,00,00,000/-
iv) Others	Rs. 6,95,445/-
Total :	Rs.19,63,81,995 /-

Criterion – V

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

Office of IQAC monitors and receives the reports, suggest corrective actions on all academic and administrative activities:-

- Formation of Students Activities Council (SAC)
- Constitution of various students clubs such as Sports, Music, Cultural, Dance etc.
- Conduct of functions by the students
- Use of social media and news letters
- Conduct of CMC meetings at department level, parent meets, counselling (AEPS) system, slow learner and backlog classes, MOODLE and student portals.
- Counseling and grievance redressal of students
- Anti-Ragging measures to curb the menace of ragging in the campus.
- Orientation to fresher's about students support services like Mentorship Programme, availability of Counsellor, remedial class for slow learners etc.
- Collection of feedback from stakeholders.
- Conduct of Parent Teacher Association (PTA) meetings.
- Safety and security of girl students.
- Encouragement to students to publish articles in magazine and newsletters.
- Mentoring of students

5.2 Efforts made by the institution for tracking the progression

- Monitoring of Daily attendance Reports – Subject Wise
- Analysis of Mid and Weekly test marks
- Monitoring attendance in counseling sessions
- Analysis of students feedback
- Monitoring slow learners and backlog students performance
- Regular meetings with mentors to asses the progress of students
- Encouraged student's participation in co-curricular and extra-curricular activities.

5.3 (a) Total Number of students

UG	PG	Ph. D.	Others
4234	299	278	-

(b) No. of students outside the state

1163

(c) No. of international students

23

5.6 Details of student counselling and career guidance

- A faculty counsellor is appointed for every 20 students of department.
- Counselling of students by faculty based on attendance, class performance, Continuous assessment of students using the progression tracking mechanisms mentioned above and counselling base on the same. Career guidance and company specific coaching and counselling based on the students interests and needs.
- Two placement coordinators for every department: one coordinator to take care training programme, one for placements who regularly conduct mock tests and asses the students.
- Continuous monitoring, counselling and basic inputs are given to those students having backlogs to enable them to clear their backlogs.
- The progress of the students in academics, co-curricular and extracurricular activities is guided, counselled and monitored by the faculty counsellors. Faculty counsellors help and support students in all aspects throughout their academic programme. The faculty counsellors counsel the needy students and based on the interest of the students, they guide them in choosing the elective courses, Preparation for competitive examination, planning for higher studies etc.

No. of students benefitted

635

5.7 Details of campus placement

<i>On campus</i>			<i>Off Campus</i>
Number of Organizations Visited	Number of Students Participated	Number of Students Placed	Number of Students Placed
38	636	527	55

5.8 Details of gender sensitization programmes

- Gender sensitization awareness programmes conducted by Women Empowerment Protection Cell
- Women’s day celebration
- Stress management programs conducted for girls students and women faculty
- A regular Taekwondo training programme (Self defence programme for girls)
- Organized several traditional programmes for festivals to inculcate regional cultural and traditions among girl students
- Frequent Medical checkups were conducted by Doctors from Multi speciality Hospitals
- Motivational seminars organized by eminent speakers in Andhra Pradesh such as Dr. Yendamuri Veerendranadh, Dr. Pattabhi and Mr. Naga Prasad

5.9 Students Activities

5.9.1 No. of students participated in Sports, Games and other events

State/ University level National level International level

No. of students participated in cultural events

State/ University level National level International level

5.9.2 No. of medals /awards won by students in Sports, Games and other events

Sports : State/ University level National level International level

Cultural: State/ University level National level International level

5.10 Scholarships and Financial Support

	Number of students	Amount
Financial support from institution	902	57157250/-
Scholarship from institution	176	5533500/-
Financial support from other sources	-	-
Number of students who received International / National recognitions	-	-

5.11 Student organised / initiatives

Fairs : State/ University level National level International level

Exhibition: State/ University level National level International level

5.12 No. of social initiatives undertaken by the students

5.13 Major grievances of students (if any) redressed:

1. Mess menu in student hostels
2. Academic work timings
3. Wi-Fi provision in campus

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

VISION:

To evolve into a Centre of Excellence in Science & Technology through creative and innovative practices in teaching – learning, towards promoting academic achievement and research excellence to produce internationally accepted, competitive and world class professionals who are psychologically strong and emotionally balanced, imbued with social consciousness and ethical values.

MISSION:

To provide high quality academic programmes, training activities, research facilities and opportunities supported by continuous industry– institute interaction aimed at promoting employability, entrepreneurship, leadership and research aptitude among students and contribute to the economic and technological development of the region, state and nation.

6.2 Does the Institution has a management Information System

YES - computerized data base – Vignan’s Information and Management System (VIMS)

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- Feedback from the Stake Holders
- Consolidated feedback and faculty inputs are discussed in the Board of studies meeting (BOS includes persons from industry and eminent academicians from reputed organisations like IIT and NIT).
- Recommendations are discussed in Academic council for approval and implementation.
- Finally it will be approved by the Board of management.

6.3.2 Teaching and Learning

- All courses are available in MOODLE
- Usage of ICT learning tools
- Mini projects
- Industry internships

6.3.3 Examination and Evaluation

- Conduct of three MID examinations
- Conduct of weekly tests in all courses
- Publication of results in time
- Double evaluation of answer scripts
- Continuous evaluation

6.3.4 Research and Development

- Encouraging faculty for Ph.D registrations
- Seed money for projects
- Incentives for project investigators
- Financial support for presenting papers at conferences

- Procurement of advanced equipment and software
- Organization of conferences and workshops

6.3.5 Library, ICT and physical infrastructure / instrumentation

- ICT facility is provided in all class rooms to enable faculty members for effective delivery of the lectures.
- E-books from leading publishers are available for access to students
- Access to E-journals for all students and faculty members.
- Adequate number of titles and volumes for all programmes
- Campus wide back bone and network connected to National Knowledge Network (NKN).

6.3.6 Human Resource Management

- Well qualified staff
- Filling up of vacancies without delay
- Orientation programmes for staff
- Development programmes for staff

6.3.7 Faculty and Staff recruitment

- Campus recruitment at IITs and NITs
- Advertisement through National dailies and popular websites
- Filling up of vacancies without delay
- Orientation programmes for newly recruited staff

6.3.8 Industry Interaction / Collaboration

- MoUs with industries
- Collaborative research with other institutes and industries
- Organization of conferences and workshops in collaboration with industries
- Offering consultancy services to industries.
- Guest lectures, value added programmes, modular courses and training.
- Internships and projects.

6.3.9 Admission of Students

- Students are admitted through nationally conducted V-SAT and V-JET entrance.
- Preference is given to JEE / EAMCET / GATE / ICET/CAT / MAT ranked students.

6.4 Welfare schemes for

Teaching	Provident fund Insurance Seed money for research QIP Reimbursement of registration fee for professional bodies Registration, TA and DA for attending conferences, workshops Free medical checkups Fee concession for wards
Non teaching	Provident fund Insurance Encouragement to pursue higher qualification Skill development training programmes Free uniforms and related allowances Festival incentives and advances Fee concession for wards
Students	Insurance Fee waiver and scholarships

	Seed money for research Assistantship for scholars
--	---

6.5 Total corpus fund generated

Rs.5,14,42,941/-

6.6 Whether annual financial audit has been done Yes No

6.7 Whether Academic and Administrative Audit (AAA) have been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	Yes	TUV Rhienland India Pvt. Ltd.	Yes	IQAC
Administrative	Yes	TUV Rhienland India Pvt. Ltd.	Yes	IQAC

6.8 Does the University/ Autonomous College declare results within 30 days?

For UG Programmes Yes No

For PG Programmes Yes No

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

- Paper setting by external experts of premier institutions
- Regular weekly tests in all courses
- Double evaluation of answer scripts
- Continuous evaluation is implemented

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

Not Applicable

6.11 Activities and support from the Alumni Association

- Regular alumni interaction with students at least once in a semester
- Awards for academic toppers
- Support for campus recruitments
- Guest lectures
- Internships

6.12 Activities and support from the Parent – Teacher Association

- Scholarships for meritorious students
- Involvement in cultural festivals
- Actively participation during felicitation of placed students
- Participating in large numbers during induction programme for first year students
- Support for student counselling towards maintaining the discipline among students

6.13 Development programmes for support staff

- Sponsorship for higher education
- Sponsorship for off and on campus training programmes on areas such as:
 - Office automation
 - Desk Top Publication (DTP)
 - Sophisticated equipment
 - Safety management and practices

6.14 Initiatives taken by the institution to make the campus eco-friendly

- Swatch Vignan
- Paperless office
- Use of solar lighting
- Recycling of waste water
- Vermi composting
- Electric vehicles
- Well maintained greenery
- Treated drinking water
- Ban on plastic usage
- Bio-gas plant
- Hydroponics garden

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Innovative Practices	Impact
Automation software in all divisions / departments	Speedy and smooth implementation of activities
Teacher-guardian system for counselling the students	Students take part enthusiastically in curricular and extra-curricular activities
VFSTRU became a member of IndoUS collaboration for Engineering Education (IUCEE) through which two or three workshops were conducted every year for faculty members during the last four years with resource persons from premier USA universities	It has improved the faculty morale and performance tremendously
Providing seed money to the students and staff to pursue research projects	Three faculty are given seed money to tune of Rs.5Lakhs and about Rs.20 lakhs given to students
Financial assistance to faculty members to become members of professional bodies such as IEEE, ASME, IETE, ISTE	Faculty members are aware of journals published, national and international conference organized by such bodies.
Student magazine – Voice	Students have honed creative writing skills by composing, editing and design the magazine.
About 90% of classrooms are ICT enabled.	The teachers make best use of facilities such as PPT presentation, videos, animations, Internet information, importance links, etc., to have quality delivery in the class rooms.
There is a unique practice of compulsory six months Internship in industries to pursue the projects for the final year students of all branches	Students have gained enormous practical exposure and confidence to face placement interview resulting in increased placement percentage.
Organizing self development programmes such as Art of Living, Meditation, and Yoga for students and faculty.	Campus has become extremely peaceful with disciplined behaviour of student. Faculty members have become interactive, healthier, stress free and friendly.
The lecture materials, course plan are all provided in the internet well in advance.	Results have considerably improved.
Minor stream in IT, Management of Humanities	To enhance their job potential

- Syllabus was updated / modified by considering the feedback from industry/academic experts which includes skill oriented curriculum.
- MOODLE has been introduced in present academic year.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Organized the following activities in the campus:

- Three International Conferences
- Four National Conferences
- South Zone Vice-Chancellors' meet
- Eighteen Co-curricular activities
- Twenty three extra-curricular activities
- Twenty seven guest lectures

- Seventeen workshops
- Four faculty development programs

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

PRACTICE - I

The university has devised a comprehensive scientific system, 'Academic and Emotional Progression of Students (AEPS)' to monitor regularly and confidentially the academic progress and emotional quotient through trained faculty mentors.

The concept:

- The system involves regular collection of feedback through personal interaction with the students on 'learning difficulties, clearing the backlogs, ambition towards higher education, and career plans etc'.
- It also helps the faculty to monitor the student's emotional progress in terms of personal problems, peer pressures, emotional disturbances, excessive and unreasonable parental demands on student's academic performance, incidents of ragging, personality disorders and deviant behavior.

Outcome

- Identification of distinct academic talent and nurturing at early stages.
- Identification of slow learners/deviant behavior to take up remedial measures.
- Improvement in attendance and discipline.
- Cordial and harmonious relationship with peers.
- Personality development.
- Clearance of backlogs

PRACTICE - II

Tie-up with the Cambridge University for enhancing students' overall personality development especially addressing the need to improve the confidence levels of students drawn from rural background. A MoU signed with the Cambridge University to provide the following:

1. Business English Communication (BEC) course
2. Certification course in English Proficiency

The student profile is carefully assessed on the first week of his/her entry into the university in order to find out his/her level of personality, including levels of English language proficiency. On completion of this assessment, the students are put through 100 hour English proficiency course, designed in consultation with experts from the Cambridge University and the same is conducted by specially trained in-house faculty. The student progression is continuously monitored by the faculty and tested by external experts. Those students who lag behind are counseled and adequate retraining is imparted by the faculty.

Outcome

- Coping up with the regular academic rigour.
- Enhanced levels of student confidence.
- Better performance in campus interviews and national level competitions.
- Championship in Hindu E-Plus
- Most of the students take part in organizing and participating in all the curricular, co-curricular and extra-curricular activities enthusiastically.

7.4 Contribution to environmental awareness / protection

1. Conducted Swacha Bharath programmes in surrounding villages of University.
2. Conducted Swacha Vignan programmes by NSS volunteers in the campus every week.
3. Massive tree plantation (fruit bearing, non fruit bearing and ornamental species)
4. Environmental awareness among the students through guest lectures, nature walks, video shows, discussions and debates, essay contests, posters and hoardings.
5. Naturally ventilated Green House facility for vegetable crops.
6. Setting up of vermi compost pit.
7. Usage of hybrid vehicles was encouraged for local transportation in the campus.
8. Usage of plastics in the campus and hostels minimized.
9. Promoting paperless office.

7.5 Whether environmental audit was conducted? Yes No

A team comprising of: HOD, EEE – Chairman, HoD, Civil and Senior Faculty, BT as members along with other faculty members conducts a survey every year and forwards recommendations to maintain eco friendly campus. Based on the recommendations, following steps are taken:

i) Green campus

- a) 80% of campus ground is filled with lush green grass, excluding playgrounds
- b) Driving powered vehicles is banned to control air and noise pollution on campus

ii) Power

- a) All class room buildings have high roofs with provision of natural light and air. Wide corridors and stairways enable free movement of the students
- b) Solar water heaters are available for hostel buildings and guest house which reduces consumption of power to 1/10th
- c) A part of administrative block is solar powered.
- d) A solar battery vehicle is used by campus visitors and handicapped students for shuttling around the campus.

iii) Water

- a) Water consumption is on higher side, but waste water is stored in a separate tank to facilitate percolation, that is recycled for watering plants.
- b) A separate tank for rain water harvesting is maintained.
- c) A 30 acre land of Zilla Parishad adjacent to the campus is taken on lease to harvest water to maintain ground water table.
- d) Despite drought like conditions in the surrounding regions during the current year, the campus has never faced any water scarcity.

iv) Waste disposal:

- a) A strict regulation is in force on campus to avoid use of plastic products.
- b) There is a project to treat the waste generated from hostels on campus and make it into a useful natural fertilizer.

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Based on the recommendations of the audit committee, following initiatives are taken in last four years to make campus eco friendly:

- i) Massive tree plantation creating beautiful avenues on campus.

- ii) Promoting the spirit of 'Swacch Bharat' on campus through involving the students and the faculty in 'Swacch Vignan' programme.

Energy conservation:

- i) Provision for master switch system is established to all classrooms and buildings to control wastage of power.
- ii) To sensitize the students and the faculty on power consumption, the quantum of electrical energy consumed is published in daily campus chronicle 'VU Today'.
- iii) A maintenance team for the upkeep of campus, building wise.
- iv) Display of 'Save Energy' stickers/posters in prominent places of the campus and the Hostels
- v) Awareness programmes on 'Save Energy' are conducted.
- vi) Energy campaign day is celebrated by NSS unit
- vii) For all new buildings LED lights are used to save power
- viii) 20% of hostel consumption is achieved through solar power
- ix) DST project of Rs. 3 crores is in process to make the entire campus solar powered.
- x) Pathways/courtyards of eco-friendly facilitating rainwater recharging
- xi) The campus is marvel of modern architecture surrounded by green farm lands

Water Conservation:

- i) Enough awareness is created among the hostel students through meetings where the student leaders themselves have addressed not to waste water. With controls of main lines, water supply is controlled during their class hours.
- ii) Usage of automatic taps to the extent of 50% to old; and 100% to new blocks.

With all these measures water consumption is reduced from 1, 00,000 gallons to 70,000 gallons per day.

Waste Material Management:

- i) The institution is successful in minimizing the use of plastic material.
- ii) Waste materials are collected in one place to convert them into vermi compost.
- iii) E-waste materials are disposed regularly through buyback policy with vendors and also in collaboration with AP state pollution control board.

With all these efforts the institution is made an eco-friendly, energy efficient, pollution free green university campus with planting of trees as proposed by modern environmental policy and by Indian traditional value system in tune with our institution slogan 'Global standards with Indian values'.

Some of the initiatives carried out are listed below:

- 10. Massive tree plantation (fruit bearing, non fruit bearing and ornamental species)
- 11. Environmental awareness among the students through guest lectures, nature walks, video shows, discussions and debates, essay contests, posters and hoardings.
- 12. Naturally ventilated Green House facility for vegetable crops.
- 13. Setting up of vermi compost pit.
- 14. Usage of powered vehicles within campus is banned.
- 15. Usage of plastics in the campus and hostels minimized.
- 16. Promoting paperless office.

Energy Conservation:

- 1. The provision of master switch in all the classrooms
- 2. Energy audit is being conducted regularly by a committee under the EEE dept. as a part of energy conservation procedures.
- 3. Dedicated Save Energy campaigns like "Earth Hour Day".

Renewable Energy:

1. Guest house and all hostels utilize solar water heating.
2. Installation of biomass plant using solid waste, including hostel wastage.

Rain Water Harvesting:

1. A pond measuring approximately 12, 25,000 cubic feet constructed to collect and conserve the rain water on campus.
2. Rainwater is harvested and stored in a 15,000 liter capacity tank for use in hydraulics and other laboratories.

Hazardous waste management:

An incinerator is to be installed for effective disposal of hazardous **waste** generated in the campus.

E-waste management:

1. E-waste is disposed through buyback schemes.
2. Initiatives taken to dispose of e-waste in collaboration with the Andhra Pradesh State Pollution Control Board.

8. Plans of institution for next year

- Establishment of an Off-campus at Hyderabad
- Establishment of School of Pharmacy
- Three International Conferences
- Four National Conferences / Workshops / Seminars
- International Technical Fest (SRUJANANKURA 2017)
- Operationalization of technical Skill Development Institute (tSDI)
- Construction of Nagarjuna Bhavan for Research Park, centralized lecture halls and research laboratories (3.8 lakhs sft. at a cost of Rs.105 crores)
- Atal incubation centre
- Construction of new girls hostel
- Inter university research collaboration
- Centres of Excellence in Structural Engineering
- Centre of Excellence in RF – Communication Technologies
- Integrated sports complex
- 3D printing laboratory
- Establishment of Medicinal Garden
