Hygiene and Health Awareness on Independence Day

Date:15.08.2021

Venue: VFSTR

In connection to Independence day, UEAC has conducted different awareness events related to health and hygiene on Aug 15, 2021. The gamut of event commenced at 9:00 AM. After hoisting the flag, conducted the awareness programme on safety measures during the pandemic and distributed masks.

Actually, Independence Day is a way to remind us of the sacrifices our freedom fighters but present times cautions all of us the importance of cleanliness. Indeed, it was a day of joy, a day to love and respect our country and make it a better place for Indians to live and experience the freedom, peace, and unity diversity.

Honourable Vice-Chancellor, Dr. M. Y. S Prasad, hoisted the National Flag, appreciated all the staff members for acting responsible way during this pandemic and giving their best efforts for educating the students, and urged them to take pride in being an Indian and fulfilling one's duty with responsibility. The Registrar, Cmde. Dr. M. S. Raghunathan, mentioned that our institute has decided to honour the freedom fighters by visiting them at their house. Honourable Chairman, Dr. Lavu Rathaiah, addressed the gathering, elucidating what it took for our nation to achieve. The event concluded at 11:00 AM after a splendid morning of celebrating love and respect towards the nation.

COVID-19 Vaccination Drive

Date: 31-08-2021

Venue: VFSTR

In the view of Covid-19 pandemic, VFSTR organized a Vaccination Drive for students and staff at VFSTR premises, to keep them protected from corona virus. Covid-19 Vaccination programme was organized for the students, staff members and workers of VFSTR in the campus from 10 am to 4 pm in collaboration Primary Health Center Vadlamudi. As a part of this all UEAC Volunteer and NCC cadets participated in the event.

Around 458 staff members including teaching and non-teaching members were given Covishield as vaccine as first and second doses. The Health Minister of Andhra Pradesh, Mr. Alla. Nani announced about special inoculation drive for the students age group of 18 to 25, that the Covid-19 vaccination among the youth is the need of the hour as colleges and universities have started to open in the state from 31st August 2021. The UEAC volunteers of VFSTR have participated in this online survey conducted through Google Form.

Self-defense for Girls students in ZPH School, Vejendla

Date: 1.09.2021

Venue: ZPH School Vejendla

UEAC Volunteers of ECE Dept. conducted an awareness on “**Self Defense for girl students**” at **ZPH School, Vejendla**. UEAC Program Officer along with volunteers and faculty coordinators involved in the event. UEAC volunteers in prior met the principal of school and took permission. UEAC volunteers who are good at taekwondo demonstrated the techniques for self-defence. Girl students must aware of some techniques to be able to protect themselves against anything that's unacceptable in terms of social conduct. There is nothing more empowering than having the confidence to analyse a dangerous situation and take actions to overcome them effectively. a set of awareness, assertiveness, verbal confrontation skills, safety strategies, and physical techniques that enable someone to successfully escape, resist, and survive violent attacks.it makes independent, helping you protect yourself in every situation.

Volunteers educated the girl students about the precautionary steps for safety and given awareness on DISA app for women teasing/violence, including sexual and gender-based violence. The students are very happy with the information and benefited a lot.

AWARENESS ON POSHAN ABHIYAAN

Date: 07-09-2021

Venue: Online

POSHAN Abhiyaan is the Government of India's flagship programme to improve nutritional outcomes for children, adolescents, pregnant women and lactating mothers by leveraging technology, a targeted approach and convergence. The UEAC Volunteers participated in webinar on best practices and success stories from "Poshan Abhiyaan" which was conducted by the Ministry of Women and Child Development. The Webinar has specific targets for reducing stunting, anaemia, under-nutrition and low birth weight. According to the National Nutrition Mission aims to achieve a reduction in stunting from 38.4% to 25% by 2022.

The Ministry of Women & Child Development, Government of India, is organizing a series of webinars during the Third Poshan Maah being celebrated. The first webinar on Best Practices and Success Stories from Poshan Abhiyaan was organized on 7th September. The second webinar was held today on the topic of Nutrient Requirement for Children and Mothers during first 1000 days.

The webinars were presided over by Smt. Smriti Zubin Irani, Union Minister of Women & Child Development and Textiles. Participants included Smt. Debasree Chaudhuri, Union Minister of State for Women & Child Development, Shri Ram Mohan Mishra, Secretary, Women & Child Development, Government of India, representatives of Partner Ministries and State Governments, representatives from International Organizations and Development Partners, PRI members, ICDS functionaries, State WCD representatives, Domain experts, Nutritionists, Ministry officers and others.

2021-22 Report

Smt.Smruti Zubin Irani, Union Minister, appreciated the efforts of the coordinating ministries and appealed to all to promote Jan Bhagidari in making all-out efforts to make the Poshan Abhiyaan a success. She said that the Ministry of Women & Child Development plans to compile best practices and success stories into an E-book.

The thematic agenda for the Webinar on Best Practices and Success Stories of Poshan Abhiyaan.

FIT INDIA PLOGGING RUN

Date: 02.10.2021

Venue: VFSTR

Vignan's University organized "FIT INDIA PLOGGING RUN" on 2nd October 2021 as part of the Nations mission on Swachh and Swacchata - Staying Fit and Keeping country clean. This Fitness campaign was organised in connection with the 152nd Birth Anniversary Celebrations of MAHATMA GANDHI. The word Plogging refers to plucking the waste in surroundings while jogging. All the staff members of the University have actively participated in the event. The event was started by Registrar, Cmde. Dr M.S Raghunathan by waving the flag. All the Deans and Heads of the Departments have taken an active part in it.

The activity of going around the roads in the campus for picking up litter (= small pieces of rubbish lying on the ground). To increase the energy and physical ability by improving the body's oxygenation. It increases bone density and reduces the risk of arthritis and osteoporosis. When we run, we burn calories, but we also do so when we finish exercising.

In partnership with Keep America Beautiful, a non-profit dedicated to litter prevention, Life sum conducted a study and found that plogging for 30 minutes burns 288 calories for the average user. Littering is a significant problem. Trash isn't just an eyesore - it also harms the planet and the animals that inhabit it.

Seminar on Role of Youth in Nation Building

Date: 05.10.2021

Venue: VFSTR

UEAC unit of VFSTR conducted a Seminar on “**The Role of Youth in Nation Building**”. The development of any nation lies in the future generation. The democracy, economy, technology and the improvement of the medical science, all lies in the hand of the youth. Poverty, unemployment, global warming, and pollution of many types are the problems which the world is facing today. The answer to all these problems is in the hands of next generation.

As time passes by it is required to adapt to the changes and bring a change in the society. The seminar went on well with useful discussions on capacity of youth to bring a change in society and role of youth for a better tomorrow. Essay writing competitions were conducted two questions such as what are the qualities that are required to bring a change in society? What is the capacity of youth in bringing a change in the society? Good response is seen from the students.

Swachh Bharat Programme at Veeranayakunipalem

Date: 31.10.2021

Venue: Veernayakunipalem

UEAC Unit of VFSTR Deemed to be University has organized Swachh Bharat Programme at Veeranayakunipalem village. The IT, FT and ECE departments have organised the event at Veeranayakunipalem village. Good number of villagers has participated in this program to clean their surroundings. In this event, UEAC Program Officer Dr .K .V. Krishna Kishore, IT Dept. faculty coordinator Mr. Nagireddy participated and motivated the student volunteers. They could also give awareness to the villagers about importance of cleanliness. UEAC Program Officer, IT Faculty coordinator lead this program and UEAC student volunteers coordinated this program in a grand way.

School ground and village roads are cleaning in Veeranayakunipalem village

Webinar on Befriending Stress and Anxiety

Date: 06.11.2021

Venue: VFSTR

In connection with “International Stress Awareness Day” on 6th November, an awareness programme was conducted to the students and parents along with staff members. on behalf of UEAC and Student Counselling Centre (SCC), office of the Dean Student Affairs and the department of Science & Humanities conducted the webinar at 3:30 to 4:30 PM. Students of different departments belong to different years have joined the online session. The topic “Befriending Stress and Anxiety” was dealt by an eminent speaker Ms. Samyuktha Annamraju who is a practitioner of counselling psychologist.

She shared the possible reasons and solutions to overcome the stress in day to day life. She said that Stress & Anxiety are natural in student's life but it is possible to manage the academic stress by having positive aspirations about future. A student's life is subjected to different kinds of anxieties and tensions, such as the pressure of academics with an obligation of success, uncertain future and difficulties envisaged for integration into the system. These students face social, emotional, physical and family problems which may affect their learning ability and academic performance. It is important to keep our mind always to lead a harmonious, a happy and meaningful life.

Awareness on Rain Water Harvesting

Date: 08.11.2021

Venue: VFSTR

UEAC volunteers have conducted awareness programme on “**Rain Water Harvesting**”. In this program all UEAC core team members and 2 faculty members have participated. The main motto of this program is to bring the awareness among the students to give the solution to the problems in adopted village people for water. Groundwater recharge is a hydrologic process where water moves downward from surface water to groundwater.

In many places they have drinking water problems because lack of water storage in the earth layers. In order to overcome the drinking water problems the awareness on rain water harvesting is very essential and helpful to the ways of capturing the rain water and preparing a catchment area diverting them to the soil properly. New techniques like Surface Runoff Harvesting, have been discussed in the meeting. Students and faculty members have attended in this programme.

ENERGY SAVED IS ENERGY GENERATED

Date: 15.11.2021

Venue: Sangam Jagarlamudi

The University Extension Activity Council (UEAC) volunteers in the department of EEE conducted an awareness programme in nearby government offices to educate the people about power consumption and saving the power. Part of it team has conducted awareness on electricity crises and measures to save or minimize the wastage. People at Panchayat Office, Sangam Jagarlamudi Village received the team happily the session.

Around 36 students from VFSTR participated in this awareness programme on Save Electricity, Save Energy. The team divided into three batches and covered four officers and some of the farmers also. The team also explained about Safety Precautions and their advantages of the Electricity. We showed some farmers about operation of the equipment and advantages of earthing. The main aim of our session is to bring awareness in them about electricity usage to avoid the misuse. Totally around students are attended this session.

EARTHING:

In almost every electrical installation made, earthing is used. The earthing system, also known as the grounding system, is a circuit connecting parts of the electrical system to the ground. The earthing system thus regulates the conductors with respect to the earth's conducting surface. Hence, the term, 'earthing' is also quite appropriate and indicative.

SAFETY PRECAUTIONS OF ELECTRICITY:

We have explained the safety precautions of electricity as follows:

1. Avoid water at all times when working with electricity. Never touch or try repairing any electrical equipment or circuits with wet hands. It increases the conductivity of the electric current.
2. Never use equipment with frayed cords, damaged insulation or broken plugs.
3. If you are working on any receptacle at your home then always turn off the mains. It is also a good idea to put up a sign on the service panel so that nobody turns the main switch ON by accident.
4. Always use insulated tools while working.

5. Electrical Hazards include exposed energized parts and unguarded electrical equipment which may become energized unexpectedly. Such equipment always carries warning signs like “Shock Risk”. Always be observant of such signs and follow the safety rules established by the electrical code followed by the country you’re in.
6. Always use appropriate insulated rubber gloves and goggles while working on any branch circuit or any other electrical circuit.
7. Never try repairing energized equipment. Always check that it is de-energized first by using a tester. Check all the wires, the outer metallic covering of the service panel and any other hanging wires with an electrical tester before proceeding with your work.
8. Never use an aluminum or steel ladder if you are working on any receptacle at height in your home. An electrical surge will ground you and the whole electric current will pass through your body. Use a bamboo, wooden or a fiberglass ladder instead.

Awareness on Pollution Control

Date: 2&3rd December 2021

Venue: VFSTR

The Environmental Science Forum of the department of Sciences and Humanities (S&H) in association with Internal Quality Assurance Cell (IQAC) has conducted national an awareness programme on pollution control. The webinar is on “Air Pollution and Air Quality Management” students and faculty participated.

Welcome remarks given by Dr.Srinivasadesikan, convener of the Webinar. He has welcomed formally the Chief guest and the speaker Prof. Anjaneyulu Yarramilli and he re-called the importance of National Pollution Control Day. It is observed in the memory of the people who lost their lives in the Bhopal gas calamity in 1984 because of Methyl Isocyanate a poisonous gas which is one of the most horrific industrial pollution disasters. The webinar has created awareness among the faculty and students.

A commitment to social Responsibility

University Extension Activity Council (UEAC) unit organized a mega cleanliness drive at Vegendla village between 2.00 - 4:00 PM, our students took part in Swachh Bharat Programme. Created awareness on cleanliness to the student-volunteers of first year. They also took Swachh Bharat pledge and participated in the cleanliness drive near ZPH School, Vejendla. Volunteers have cleaned the surrounding areas of the school by clearing the garbage on the road side. School ground and Ganesh temple area also observed Swachh Bharath. They cleared the wild growth of plants and removed garbage. H M Mrs. Vijaya Sree and school staff also joined in the programme. The UEAC coordinators played a key role in motivating the volunteers. UEAC Program Officer Dr. K.V. Krishna Kishore, UEAC Faculty coordinator, Dr. Vijayababu Palukuri and UEAC Coordinator Mr. D. Suresh Babu participated in the event. Student volunteers have participated actively to the core and were well connected to the people through the programme.

విజ్ఞాన్ విద్యార్థుల శ్రమదానం

చేబ్రోలు: ఆరోగ్యంగా ఉండేందుకు పరిసరాల పరిశుభ్రత పాటించాలని విజ్ఞాన్ యూనివర్సిటీ వైస్ చాన్సలర్ ఎంవై ఎస్ ప్రసాద్ తెలిపారు. చేబ్రోలు మండలం వడ్లమూడి విజ్ఞాన్ యూనివర్సిటీ బీటెక్ మొదటి సంవత్సరం, ఎన్ఎస్ ఎస్ విద్యార్థులు శనివారం స్వచ్ఛభారత్ కార్యక్రమంలో భాగంగా వేజండ్ల గ్రామంలో శ్రమదానం చేపట్టారు. ఈ సందర్భంగా చెత్తను ఊడ్చి, రోడ్లను శుభ్రం చేశారు. మురుగు తొలగించారు. స్వచ్ఛతే శరణ్యం అంటూ నినదించారు. ప్రభుత్వ పాఠశాల క్రీడా ప్రాంగణం, ప్రహరీ చుట్టు పక్కల, ఆంజనేయ స్వామి దేవాలయం ప్రాంగణాన్ని శుభ్రం చేశారు. గ్రామస్థులకు విద్యార్థులు పరిశుభ్రతపై అవగాహన కల్పించారు. కార్యక్రమంలో ఎన్ఎస్ఎస్ పీవో కేవీకే కిషోర్, జెడ్పీ హైస్కూల్ హెచ్ఎం విజయశ్రీ, ఎన్ఎస్ఎస్ కోఆర్డినేటర్లు, విద్యార్థులు పాల్గొన్నారు.

వేజండ్ల గ్రామంలో స్వచ్ఛభారత్ కార్యక్రమంలో పాల్గొన్న విద్యార్థులు

Free Dental Check-up Camp at our Adopted village

Date: 10.01.2022

Venue: Vejendla

UEAC Unit of VFSTR has organized a **Free Dental Check-up Camp** in Vejendla, one of our adopted villages with collaboration of **Partha Dental Clinic, Tenali**. UEAC Program officer Dr. K.V.Krishna Kishore, Mrs. Juvva Hymavathi, Sarpanch of Vejendla village and UEAC volunteers inaugurated the camp at 09:00am and went on up to 2:00pm.. Dr. A.Rohini, (BDS) Head of Bachelor of Dental Surgery with her team of two technicians from Partha Dental Clinic attended the camp. They rendered the health care and conducted screening and treatment to the problems of teeth to the village people. 50 UEAC volunteers participated in the camp and they have divided into 7 teams for campaign in the village. Dr.A. Rohini conducted the tests & for the affected member they gave an appointment card to treat at their Hospital. A total of 225 people have been examined and given free medicine. 70 people have suspected of having a serious dental problem. Most of the people are affected with the Gingivitis (stains, calculus). And all of these 70 members were given appointments to visit their hospital for further treatment. The team has given awareness on the reasons of gingivitis and explained the prevention methods. The UEAC Coordinator Mr. Suresh Babu coordinated this camp.

Awareness Programme on Skill and Harmony

Date: 12.01.2022

Venue: VFSTR

With a theme of Skill and Harmony a session of awareness was conducted to the students of VFSTR. Taking the spirit of Swami Vivekananda on his birthday conducted the programme. Students of different departments have participated and encouraged them. Chief guest Dr. Mohanacharylu, motivational speaker, in his speech mentioned the words of Vivekananda that fill the brain with high thoughts, highest ideals, place them day and night before you and out of that will come Great work.

This day reminds us the importance of Swami Vivekananda in our life. It is celebrated to commemorate the dynamism, truthfulness and patriotism of Swami Vivekananda on his birth day. He was one of the most distinguished personalities of India. Every Indian can take inspiration from him.

Pulse Polio Awareness Program at Selapadu Primary School

Date: 17.01.2022

Venue: Selapadu

Pulse Polio Awareness programme was conducted at Selapadu Primary School. The importance of immunization was explained and the benefits of vaccination was explained to all the students. They were reminded that the children under the age of five years should be vaccinated at their place. The children were given information that India is one of the largest countries where children are affected with Polio. Mr. D. Suresh Babu NSS Coordinator coordinated and guided the volunteers. There are always constant efforts by the government by providing polio drops across the country in large scale for free but sadly it is not being utilized by many of the citizens. Team UEAC of VFSTR understood the cause and decided that it would be great if the children, who can directly reach their parents. For this, a total of 35 student coordinators and 2 faculty coordinators worked and made things possible with a very professional and understandable manner.

University Extension Activity Council (UEAC)

2021-22 Report

Date: 23rd Jan 2022

Venue: VFSTR

UEAC (University Extension Activity council) Unit of VFSTR was organized Blood Donation Camp in University premises. It was held at three places (NTR library video conference hall, 1st floor, U block ground floor and civil lab in Pharmacy block). A team of 2 doctors and 30 lab technicians of New City Blood Bank Vijayawada came for collection of blood.

Dr. MYS Prasad, Vice Chancellor inaugurated the camp. Comdr. Dr. Raghunadhan, Registrar encouraged the students and staff by donating his blood at the camp. Dr. K. V. Krishna Kishore the Programme officer explained the benefits of blood donation to students. He also said that every donor can save the lives of people at emergency. 224 students and 10 faculty members from the different departments donated the blood in the camp. The New City Blood Bank has given the appreciation certificates to all the donors for their voluntary generous responsibility. The camp completed around 4pm.

రక్తదానం ప్రాణదానంతో సమానం

గుంటూరు(విద్య), జనవరి 23: రక్తదానం ప్రాణదానం తో సమానమని, యువత రక్తదానం చేసేందుకు ముందు కు రావాలని విజ్ఞాన్ విశ్వవిద్యాలయం వీసీ డాక్టర్ ఎంవై ఎస్ ప్రసాద్ పేర్కొన్నారు. శనివారం పద్దమూడిలోని విజ్ఞాన్ విశ్వవిద్యాలయంలో గణతంత్ర వేడుకల్ని పురస్కరించుకుని నిర్వహించిన రక్తదాన శిబిరాన్ని ఆయన ప్రారంభించారు. ప్రపంచవ్యాప్తంగా ప్రతి రెండుసెకన్లకు ఎక్కడో ఒకచోట ప్రమాదాలు జరుగుతున్నాయని, ప్రమాదంలో గా యవడిన వారికి రక్తం ఎంతో అవసరమని తెలిపారు. వారి ప్రాణాలను కాపాడవచ్చునని తెలిపారు. ఈ సందర్భంగా రిజిస్ట్రార్ ఎం ఎస్ రఘునాథన్తోపాటు 234 మంది విద్యార్థులు రక్తదానం చేశారు. కార్యక్రమంలో ఎన్ఎస్ఎస్ ప్రో గ్రాం ఆఫీసర్ డాక్టర్ కేవీ కృష్ణకిషోర్, సమన్వయకర్త డి.సు రేషబాబు, డాక్టర్ విజయ్బాబు తదితరులు పాల్గొన్నారు.

● విజ్ఞాన్ వీసీ డాక్టర్ ఎంవైఎస్ ప్రసాద్

2021-22 Report

SWACHH VIGNAN

Date of the event: 26-01-2022

Venue: VFSTR

To accelerate the efforts to achieve universal sanitation concentrated focus on sanitation on the occasion of Republic Day. Swachh Vignan Programme was conducted in the University premises by UEAC (University Extension Activity Council) team. The Cleanliness Drive conducted in between 11.00 am and 1:00 pm at A Block to Lara gate. Vice Chancellor Dr. M.Y.S. Prasad and UEAC Program Officer Dr. K. V. Krishna Kishore delivered a speech mentioning the importance of hygiene and sanitation. Dr. Vijayababu Palukuri faculty coordinator of S&H Dept. delivered the speech about the importance of sanitation. UEAC Volunteers participated in the programme and covered the corners of the 'H' block (Bike parking place), surrounding of the Library, Main road in VFSTR, 'U' block surroundings and Herbal garden followed by the faculty and UEAC student volunteers. In this program, UEAC Volunteers altogether 150 and staff participated in this event. UEAC coordinator Mr. D. Suresh Babu has coordinated the event.

List of volunteers:

Swachh Vignan in VFSTR Premises

Awareness on Organic Farming

Date:31-01-2022

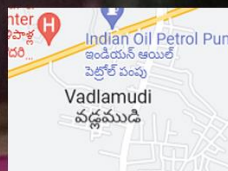

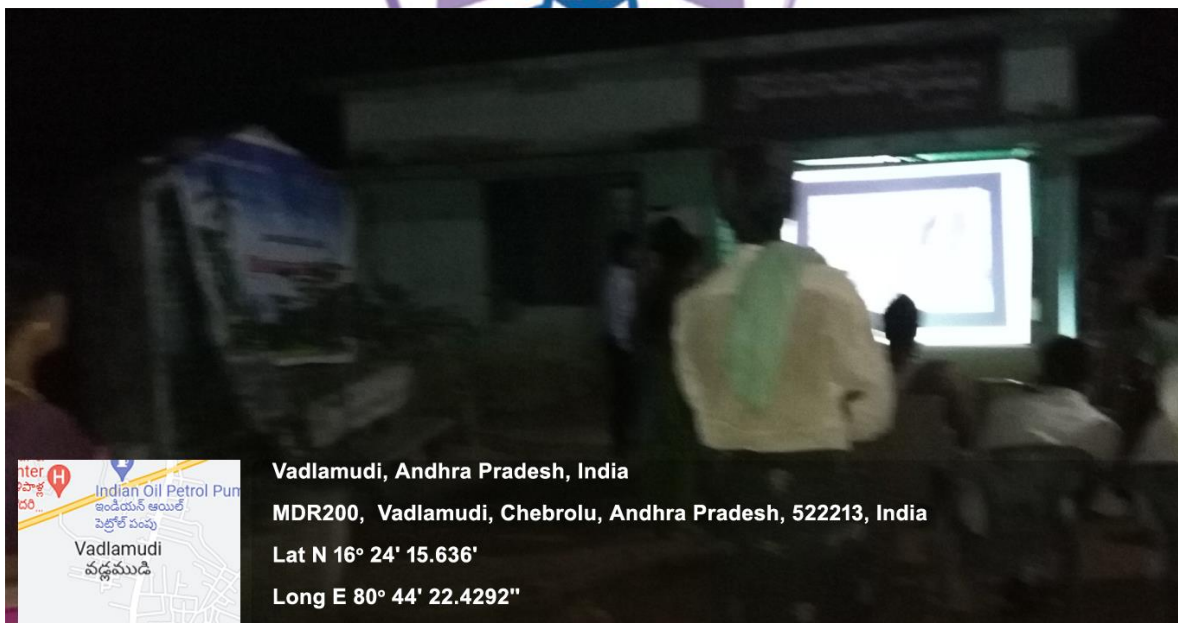

Venue: Vadlamudi

UEAC student volunteers from Applied & Mechanical Engineering visited Vadlamudi Village to give awareness on "Organic Farming" to the villagers on 31-01-2021. The purpose of the camp is to create awareness about natural farming to the students.

Organic farming is an agricultural system that uses fertilizers of organic origin such as compost manure, green manure, and bone meal and places emphasis on techniques such as crop rotation and companion planting. It originated early in the 20th century in reaction to rapidly changing farming practices. Compared with conventional agriculture, organic farming uses fewer pesticides, reduces soil erosion, decreases nitrate leaching into groundwater and surface water, and recycles animal wastes back into the farm.

Discussed detailed way using power point presentation about the health of the ecosystem, people, and communities. The right balance between ecosystem and environment or nature. Good human relationships and quality of life. The considerations about the environment and environment of the future.

The session closed with the concluding words of Dr. Vijayababu Palukuri S&H Dept. Mr.D.Suresh Babu, UEAC Coordinator.

Importance of Education Awareness for Drop Outs

Date 14-02-2022

Venue: Vejendla

UEAC Computer Science Engineering (CSE) volunteers have conducted a counselling session on “**Importance of Education for Awareness to Drop Outs**” at Vejendla. As a part of this UEAC volunteers from CSE students participated in the event. Objective of this Programme: To educate people about importance of education for dropout student. The program was initiated to create awareness about importance of education for dropout students, that it will benefit the society and themselves as well. Many of us are better regarding financial condition so we are able to continue education till now...but this is not same for everyone. Many people are unable to make their children educate due to their financial conditions, gender bias and many other reasons. To witness the true side of society why many drop outs are still occurring especially in case of girls. So we planned this event. We went home to home in village and asked whether their children are studying or not? If no, we asked for the reasons and we told them the importance of education and how it creates impacts on life.

National Road Safety Week

Date: 21.02.2022

Venue: Vadlamudi, Vejendla

The volunteers of UEAC (University Extension Activities Council) from four departments conducted **National Road Safety week** at Vadlamudi and Vejendla. On the occasion of 32nd National Road Safety month, volunteers have given awareness on the road safety and making roads safer to all vehicle passers. They also shared some measures to prevent road accidents.

A huge number of participants turned up who enthusiastically participated in quiz, a total of 144 members enrolled for the quiz which were divided into 42 teams. And quiz included a total of 4 rounds i.e. elimination round, anagram based round and the final deciding round being the rapid fire. A total of 18 teams from various departments participated out of which 3 teams emerged victorious by bagging the 1st, 2nd and 3rd places. Participation certificates were provided to all the top 10 teams who made it through the qualifying round. For both story writing and painting a total of 155 participants participated with the theme on National Road safety month.

Team UEAC believes that it would be a small yet significant step forward in developing an understanding and spreading awareness in the community.

ROAD SAFETY MEASURES

STOP OR SLOW DOWN

Allow Pedestrian to cross first at uncontrolled zebra crossings. They have the Right of Way.

BUCKLE UP

So that your family and you are safe in the car. Seat Belt reduces chances of death of a car occupant in accident by over 60%.

OBEY TRAFFIC RULES AND SIGNS

To prevent road accidents.

OBEY SPEED LIMITS

For your own safety and that of others. In residential areas and market places the ideal speed is 20 kmph and the limit is 30 kmph.

KEEP VEHICLE FIT

To prevent frequent breakdowns and difficulty in controlling vehicle which may lead to accidents on road.

NEVER USE MOBILE WHILE DRIVING

To avoid distractions that lead to accidents.

WEAR HELMET

To protect your head while riding a two wheeler. A good quality helmet reduces the chances of severe head injury by over 70%.

NEVER DRIVE DANGEROUSLY

To ensure your own safety and that of other road users.

BE COURTEOUS

Share the road with all and be considerate. Never rage on the road. It is dangerous for you and other road users.

NEVER MIX DRINKING AND DRIVING

Be Responsible, Don't Drink and Drive.

Donate Blood but not on Roads

JUST 10: A Charity Extension Programme

25-02-2022

Venue: Tenali

“Helping hands are better than praying lips”

Just 10 is a fund rise unique programme on campus. UEAC volunteers will collect money department wise just 10 rupees from students who are willing to help the people who are in need. The students of the ECE department have implemented 'Just 10' program with the cooperation of Head, Department of ECE. When the idea JUST 10 was proposed, not only the students but also the staff members of the ECE department wholeheartedly came forward and contributed a total of Rs. 14,000/-. The amount was used to purchase a mixer grinder, pressure cooker, stationery and fruits to the members of JMJ Swadhar Home, Tenali Swadhar I a Scheme for Rescue of Victims of Trafficking and Women in Difficult Circumstances with the objective of the scheme to comprehensively rehabilitate widows, victims of trafficking, victims of natural calamities, mentally disordered and destitute women introduced "Swadhar" scheme in 2005. At present we are providing shelter to 102 girls and women who are in difficult circumstances. In addition, they are given formal education in Schools, College, Vocational Training in Tailoring, Medical Lab Technology etc. UEAC team interacted with the members of the Swadhar home by exploring their crafts and gardening plans. Finally, handed over the things to the people there. The programme was organized under the guidance

EDUCATING YOUNG MINDS

Date of the event: 27-02-2022

Venue: Sangam Jagaralamudi High school

The team UEAC (University Extension Activities Council) has come up with a new initiative of conducting a program on children's literacy at Sangam Jagarlamudi.

UEAC volunteers took part actively in the program by conducting examinations in various subjects like English and Mathematics to analyze their skills in the subjects. Mathematics as well as their logical thinking skills also tested to know the standards of the students in a way to prepare and design the programme. It was certainly the right time to come up with this noble initiative on measuring their skills and providing the right path so that the children would rely on them to improve their skills in a much better way. After analyzing their skills in the above examinations, team UEAC conducted classes to guide and solve the problems of the students. Questions were prepared to get an idea over important topics and even provided them some material. Volunteers also shared some techniques and tricks to solve some of the logical problems. This initiative conducted in leveraging change in children.

This initiative was found to be very successful in imparting knowledge to the students.

AWARENESS ON CHILD LABOUR

Date of the event: 27-02-2022

Venue: Vejendala

University Extension Activity Council (UEAC) team of the chemical department has planned an event on Child Labour at government school.

It is observed and understood that students are discontinuing their education to become labourer not only due to their economic conditions but also with no motivation and less care given to the students. Parents are not realizing the importance of education. Hence, volunteers have planned this programme and conducted motivation sessions to the students and their parents to make aware of the importance of education. They were also told the importance of maintaining the neatness and hygiene.

University Extension Activity Council (UEAC)**2021-22 Report****AWARENESS ON FOOD BORNE ILLNESS****Date of the event: 03-03-2022****Venue: SangamJagarlamudi**

University Extension activity council (UEAC) team of the chemical department has planned the event on food borne illness and children are asked to attend a surprise test. Children gave excellent performance in the test. The event was held in Jagarlamudi government school.

Awareness was created on Food borne illness. Which is referred to food poisoning, resulting from the spoilage of contaminated food, pathogenic bacteria, viruses (or) parasites that contaminate food. Food borne illness can be eradicated by hygiene practices. Prevention is always better than cure. A proper food practice can also improve mental health. Students have actively participated in the interactive programme.

**Students List:**

Awareness on Food Borne Illness			
S.No	Reg.No	Name of the Student	Branch
1	191FA01137	GULIPALLI HIMA SUSHMA	BIOTECH
2	191FA01138	ANNABATHUNI SAI BHANU SIVA PRASAD	BIOTECH

**పరిశుభ్రత కార్యక్రమంలో
అందరూ భాగస్వాములు కావాలి**

**విజ్ఞాన్‌లో పరిసరాలను
శుభ్రపరుస్తున్న విద్యార్థులు**

పోస్టూరు, న్యూస్‌టుడే: పరిసరాల పరిశుభ్రతలో ప్రతి ఒక్కరూ భాగస్వాములు కావాలని విజ్ఞాన్ డీప్ట్ టు టీ యూనివర్సిటీ రిజిస్ట్రార్ డాక్టర్ ఎంఎస్ రఘునాథన్ పేర్కొన్నారు. గురువారం చేబ్రోలు మండల పరిధిలోని వర్సిటీలో ఎన్‌ఎస్సీ, ఎన్‌ఎస్ఎస్ విద్యార్థులు పరిసరాలను శుభ్రపరిచారు.

స్వచ్ఛతతో రోగాలు దూరం

విజ్ఞాన్‌లో ఘనంగా 'స్వచ్ఛ విజ్ఞాన్' కార్యక్రమం

వడ్డమూడి (సత్కాగ్రహం) :

పరిసరాల శుభ్రంగా ఉంటే రోగాలు దరిచేరవని విజ్ఞాన్ యూనివర్సిటీ రిజిస్ట్రార్ డాక్టర్ ఎంఎస్ రఘునాథన్ తెలిపారు. చేబ్రోలు మండలం వడ్డమూడిలోని విజ్ఞాన్ యూనివర్సిటీలోని స్వచ్ఛ భారత్‌లో భాగంగా గురువారం స్వచ్ఛ విజ్ఞాన్ కార్యక్రమం నిర్వహించారు. ఈ సందర్భంగా వర్సిటీ ఎన్‌ఎస్సీ, ఎన్‌ఎస్ఎస్ విద్యార్థులు యూనివర్సిటీలోని రోడ్లను ఊడ్చి శుభ్రం చేశారు. చెత్తాచెదారాన్ని తొలగించారు. కార్యక్రమంలో పాల్గొన్న రిజిస్ట్రార్ డాక్టర్ ఎంఎస్ రఘునాథన్ మాట్లాడుతూ విద్యార్థులు చదువుతోపాటు సామాజిక సేవా కార్యక్రమాల్లోనూ పాల్గొనాలని సూచించారు. శారీరక శ్రమ వల్ల ఆరోగ్యం పదిలంగా ఉంటుందని తెలిపారు. పరిశుభ్రతా కార్యక్రమాల్లో పాల్గొనడం వల్ల శారీరక శ్రమతోపాటు పదిమందికి మంచి పనిచేసినట్లవుతుందని వెల్లడించారు. ఎన్‌ఎస్ఎస్ ప్రధాన అధికారి డాక్టర్ కేవీ కృష్ణకిషోర్ మాట్లాడుతూ విద్యార్థులు ఇళ్లు, హాస్టల్ గదులు కూడా శుభ్రంగా ఉండేలా చూసుకోవాలని చెప్పారు. అప్పుడే భారత ప్రభుత్వం ప్రారంభించిన స్వచ్ఛ భారత్ కార్యక్రమం లక్ష్యాలు నెరవేరతాయని తెలిపారు. కార్యక్రమంలో ఎన్‌ఎస్ఎస్ ప్రధాన అధికారి డాక్టర్ కేవీ కృష్ణకిషోర్, ఎంఎస్ శివకోటేశ్వరరావు, విజిలెన్స్ ఆఫీసర్ కొండవీటి శ్రీనివాసరావు, వర్సిటీ ఎన్‌ఎస్ఎస్ కన్వీనర్ డి.సురేష్‌బాబు ఆయా విభాగాల డీన్లు, అధిపతులు పాల్గొన్నారు.

PANEL DISCUSSION ON EMPOWERMENT OF WOMEN

Date of the event:08-03-2022

Venue: VFSTR

WEDC (Women Empowerment Development Cell) in collaboration with UEAC (University Extension Activities Council) celebrated conducted a panel discussion on different women problems in connection with International Women's Day 2022 at Sangamam Seminar Hall.

Speaking on the occasion, panellist Dr.Lakshmi Jagarlamudi, hoped that the discussion ushered a new and positive thought process through the experiences of the resource persons in various fields at grass root level. The occasion was graced by Registrar, Commodore, Dr.M.S.Raghunathan, Registrar who highlighted on the statistical percentage of women's participation in different spheres in India and emphasized on women's contribution in the overall development and empowerment.

The session was chaired by Dr. A. Sharada, Vice-Chairperson who highlighted the poor scenario of participation of women in politics and also mentioned the dilemma in relation to women's efforts in bringing about change in the traditional rules and on the other hand adhering to keep the traditional rules intact.

This year women's day is celebrated to highlight the impact of all the women worldwide who contributed their part during the pandemic.

This event proceeded with several cultural performances like the Instrumental music performance along with the western and classical dance performances and the special ring dance. Prize distribution ceremony was conducted for all the winners of various competitions. A huge number of students, staff and sub staff gathered making this event a grand success.

It was indeed being a commemorative event with the presence of Registrar, Commodore, Dr.M.S.Raghunathan, Chairperson of WEDC, Dr. Usha Rani, Co-Chairperson, Dr.Sharada, Vice-Chairperson, Dr.Satyasree and the esteemed Guests of Honor Dr.Lakshmi Jagarlamudi, Ms.D.Prasanthi and Ms.Madhuri Nallapaneni. The discussions were enlightening by all the dignitaries and made the event more commemorative.

2021-22 Report

Educating Young Minds

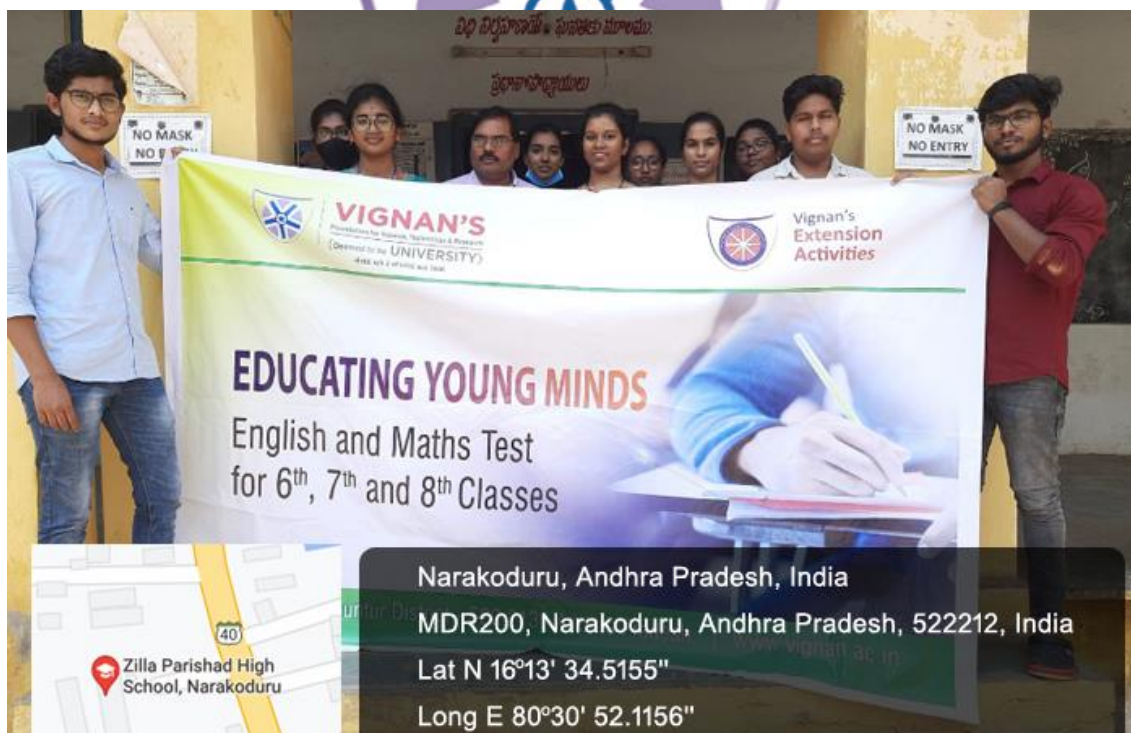

Date of the event: 08-03-2022

Venue: Narakoduru

Team UEAC (University Extension Activities Council) has come up with a good initiative of spreading awareness on summer dehydration. This programme was conducted at Narakoduru.

Team UEAC explained the importance of staying hydrated as hydration is always important in this hot and humid weather, as we tend to lose a lot of our body fluids through sweat. The reason dehydration becomes a threat to our bodies is due to the fact that the body is made up of more than 60 percent water. When the levels of body fluids decrease, our body is in great harm. They even explained the importance of consuming water and even beverages containing electrolytes such as sodium and potassium and also urged to include consume coconut water as it is the good substitute for the sodium and potassium which are lost from the sweat.

Team UEAC distributed bubble top cans and explained the entire significance of being hydrated. A good number of volunteers came forward to support this initiative. The Head of the Department of Biotechnology, Professor S. Krupanidhi for granting us permission for conducting us this initiative and Associate professor, Dr. Charles. David encouraged and supported the programme.

STUDENT DEVELOPMENT: A MOTIVATIONAL DISCUSSION

Date of the event: 08-03-2022

Venue: Vejandla

UEAC organized an event on motivation to the students who are studying in government High School at Vejandla for giving an awareness on higher education in view of the holistic development to the students of 6th, 7th and 8th standard. A good number of volunteers participated by dividing them into teams to conduct sessions in different classrooms. It was started around 11:30 am, which began with an interaction session so as to know the amount of knowledge they know.

Then interaction session continued by giving examples of success stories. They also discussed the importance of positive thinking and attitude which brings optimism into life and such constructive changes can make one brighter and more successful. This programme helped the students to be guided by a positive mind and driven by self-motivation. Volunteers were very much delighted by observing the the way students have received them and they decided to conduct similar sessions in other government schools in the adopted villages. The programme was guided by NSS coordinator Mr. Suresh Babu.

STAY HYDRATED AT CHEBROLU

Date of the event: 08-03-2022

Venue: Chebrolu

UEAC (University Extension Activities Council) team of Biotech has come up with a new initiative of spreading awareness on Staying Hydrated an awareness programme at Chebrolu.

As the humid weather is approaching, it was certainly the right time to come up with this noble initiative of creating awareness on Staying Hydrated. Staying hydrated is necessary for good health. Dehydration can lead to serious medical complications such as urinary and kidney problems, low blood volume, and heat exhaustion. Yet over 75% of Americans suffer from chronic dehydration. A study by the Center for Disease Control and Prevention revealed most American adults only drink about 39 ounces (less than 5 glasses) of water per day.

Team UEAC explained the importance of staying hydrated as hydration is always important in this hot and humid weather, as we tend to lose a lot of our body fluids through sweat. The reason dehydration becomes a threat to our bodies is due to the fact that the body is made up of more than 60 percent water. When the levels of body fluids decrease, our body is in great harm. They even explained the importance of consuming water and even beverages containing electrolytes such as sodium and potassium and also urged to include consume coconut water as it is the good substitute for the sodium and potassium which are lost from the sweat.

UEAC Team donated bubble top cans to the school for making availability of the water in the corridors. A good number of volunteers came forward to support this initiative. An appreciable cooperation received from the Head of the Department of Biotechnology, Prof.S.Krupanidhi for granting the permission for conducting this initiative and also Associate professor, Dr. Charles David for volunteering his part for this notable work.

**EDUCATING YOUNG MINDS AT CHANIKKAY HIGH SCHOOL****Date of the event:08-03-2022****Venue: vadlamudi.**

Team UEAC (University Extension Activities Council) has come up with another new initiative of conducting a program on children's literacy. 71 volunteers from team UEAC took part actively in the program by conducting some tests to test their understanding their knowledge in various subjects like English and Mathematics to analyze their reading skills as well as their logical skills. It was certainly the right time to come up with this noble initiative on measuring their skills and providing the right path so that the children would rely on them

and improve their skills in a much better way. After analyzing their skills in the above examinations, team UEAC explained how their approach has to be in solving some of the questions and even provided them with some techniques and tricks to solve some of the logical problems. This initiative conducted led in leveraging change in children.

As a part of this initiative, team UEAC helped in crafting a new global development goal on education and provided them with specific materials after analyzing their skills which would be further used in their long run in shaping their future, so that every child can learn to read and solve different logical questions and that the learning gaps between the poorest and richest children would significantly reduce. This initiative was found to be very successful in imparting knowledge to the students.

University Extension Activity Council (UEAC)**2021-22 Report****SWACHH BHARAT****Date of the event:09-03-2022****Venue:Quarry village, Vadlamudi.**

Elaborate arrangements are being made for the annual celebration of Mahashivaratri. UEAC volunteers participated in the highly structured arrangements at the Shiva temple, Quarry, Vadlamudi. In view of congregation of huge number of devotees at this temple, 175 Students from different departments attended the programme from 10.00 AM to 12.00. The garbage was collected from the place and deposited at place for the conveniently carrying it for dispose. The in and around the temple area was made spike and span by the volunteers.

UEAC coordinator, Mr. D. Suresh Babu coordinated the event. Dr. K. V. Krishna Kishore, UEAC programme officer motivated the student volunteers Secretary Mr. Y. Prasad and village president and sanitation workers were also participated in the event.

EDUCATING YOUNG MINDS

Date of the event:13-03-2022

Venue:Vejandla high school

UEAC (University Extension Activities Council) has come up with another new initiative of conducting a program on children's literacy.

40 volunteers from team UEAC took part actively in the program by conducting examinations in various subjects like English and Mathematics to analyze their language and logical skills. It was certainly the right time to come up with this noble initiative. It is to measure their skills and to guide the right path so that the children would become self reliant and improve their skills in a better way. After analyzing their skills, the team UEAC guided the children, the easy way to solve the mathematics problems and provided some techniques and tricks to solve easily. Explained some procedures to solve the logical problems. This initiative helped the students to have a change in learning procedure.

Awareness on Child Empowerment

Date: 15.03.2022

Venue: Guntur

UEAC volunteers conducted an awareness programme on **Child Empowerment** at **Anurag orphanage home, Guntur**. The children residential home has 40 + orphans of at age from 5 to 15 years, most of them were abandoned from parents and relatives. The ANURAG home is interestingly nurturing the children with preliminary skills to make them educational ready. On 15th March 2021, UEAC students and staff reached the campus around 11am over a bus. The team's main idea is to motivate the students in the home. Team carried some saplings and stationary to meet the needs of the children at home, volunteers collected money for stationary like books 1 to 5th standard, drawing books, pencils chalk pieces etc. Volunteers conducted some activities to motivate the students in the home. The home warden and Ms. Kumargaru felt happy to see the volunteer work of UEAC team. Our volunteers interacted with teachers and children there and spend some valuable time. Home caretaker expressed her appreciation for the initiation to have the presence of the team. We felt warmed to see the happiness in children faces. Team expressed our willingness to plan activities for student knowledge improvement.

WASTE MANAGEMENT

Date of the event:16-03-2022

Venue:Selapadu

UEAC (University Extension Activities Council) team has conducted an awareness programme on "Segregation of Dry-waste and Wet-waste" at Selapadu.

"Waste segregation" means dividing waste into dry and wet. Dry waste includes wood and related products, metals and glass. Wet waste typically refers to organic waste usually generated by eating establishments and is heavy in weight due to dampness. Waste segregation is different from waste sorting.

Villagers were told that when we segregate waste, there is reduction of waste that reaches landfills and occupies space. Air and water pollution rates are considerably reduced, and makes it easier to apply different processes – composting, recycling and incineration can be applied to different kinds of waste. Items like aluminum foils, tetra packs, glass, paper, plastics, metals, etc. fall under the dry waste category, whereas kitchen waste such as stale food, fruits and vegetables come under wet waste.

As the most of rural people don't have idea about segregation of Dry – waste and Wet – waste, it is the right time to creating awareness on maintaining two dust bins separately (one for dry waste and other for wet waste). Team UEAC explained the importance of segregation of wastes. The mixing of wastes leads to house flies, mosquitoes and some harmful creatures lie on the waste and travel to different areas and cause diseases such as malaria, typhoid etc. So if we segregate dry waste and wet waste separately problem will be reduced to the most. Dustbin demonstration was given and received a very good response.

The team distributed the pamphlets and explained the importance of segregation of wastes. The Head of Department of Civil, Associate Professor, Dr. N.Ruben has granted permission to conduct this programme. Mr. R.V Ramana, Assistant Professor accompanied the volunteers to the venue.

TEACHING ENGLISH VOCABULARY AND GRAMMAR

Date of the event: 18-03-2022

Venue: Angalakuduru

UEAC (University Extension Activities Council) planned to teach English vocabulary and grammar to the students of government schools at Angalakuduru.

Vocabulary plays a crucial role when it comes to express ideas in English. It boosts the confidence of a child if one is good at vocabulary. This turn is focused to help the students to improve their language proficiency.

Volunteers have conducted different activities for teaching and practising English grammar, vocabulary, sentences, listening and pronunciation skills. By playing some fun educational games, students learn English vocabulary, sentence structures, grammar, listening, pronunciation and phonics. To increase the students' English language proficiency volunteers of Information Technology conducted a session. Volunteers taught some useful tips to improve vocabulary. Team helped them to understand the prominence of the English language and guided them on how to gain mastery over language so that they don't feel inferior when it comes to communicate in English.

MEDICAL CAMP

Date of the event: 19-03-2022

Venue:VFSTR

UEAC in collaboration with Star Health & Allied Insurance Co Ltd organized a medical camp at Vignan University. Health checkup has been done for both teaching and non-teaching staff. The staff members participated with more enthusiasm to know their health condition.

General Health checkup and dental checkup conducted for staff and free drugs were dispensed. Main complaints among the adult population were related to back pain and knee pain and were treated symptomatically. All adults were screened for hypertension and follow up was done for the known hypertensive. Complaints regarding vision and other ophthalmic complaints were screened and treated by ophthalmologist from Star hospital.

125 students from the Team participated in this event as volunteers and involved in the camp. The health camp helped to know the functions of different glands in the body. The blood pressure, eye and dental care and overall health condition of every teaching and non-teaching staff of Vignan university has been checked. She gave a talk to girl students separately regarding menstruation and menstrual hygiene she gave talk to boys separately about general hygiene and substance abuse.

Awareness on Helmet and Safety Driving

Date: 19.03.2022

Venue: Narakoduru

Volunteers of UEAC conducted a road safety and helmet awareness campaign at Narakoduru Junction on Saturday.

Volunteers from the different departments of university rewarded motorists who were wearing helmet by giving them a sapling. Those who did not wear helmet were stopped and counseled in the form of an awareness pamphlet. Forty-two volunteers and a faculty member joined hands with police personnel and conducted the awareness programme.

Chebrole Circle Police Inspector Mr. Ramesh appreciated the efforts of volunteers. The UEAC coordinator Mr. D. Suresh Babu and Narakoduru police officials from the Traffic wing took part in the campaign.

EDUCATING YOUNG MINDS AT CHEBROLU

Date of the event:19-03-2022

Venue: Chebrole high school

Team UEAC (University Extension Activities Council) conducted an awareness program on school going child literacy.

UEAC volunteers took part actively in the program by conducting examinations in various subjects like English and Mathematics to analyze their skills in the subjects. Mathematics as well as their logical thinking skills also tested to know the standards of the students in a way to prepare and design the programme. It was certainly the right time to come up with this noble initiative on measuring their skills and providing the right path so that the children would rely on them to improve their skills in a much better way. After analyzing their skills in the above examinations, team UEAC conducted classes to guide and solve the problems of the students. Questions were prepared to get an idea over important topics and even provided them some material. Volunteers also shared some techniques and tricks to solve some of the logical problems. This initiative conducted in leveraging change in children.

40 volunteers from team UEAC took part actively in the program. The feedback is an evident that this programme was very useful and befitted by the pupil. This initiative was found to be very successful in imparting knowledge to the students.

Awareness on Solar Power Generation

Date: 22-03-2022

Venue: Online

UEAC (University Extension Activity Center) volunteers from Civil Engineering department conducted an awareness programme on “Solar Power Generation” using the online platform. Awareness created among students on renewable energy and its urgency. The main objective of this programme is to sensitize the energy crises and moving to the alternative power like solar power. The newly joined students participated in the programme and question and answer session was also conducted. The discussions went for new techniques on Solar power generation and its feasibility to install. Students of Civil and faculty members were attended to this programme.

EDUCATING YOUNG MINDS AT SEKURU

Date of the event:26-03-2022

Venue:Sekuru high school

Team UEAC (University Extension Activities Council) has come up with an initiation of conducting an awareness program on children literacy.

UEAC volunteers took part actively in the program by conducting examinations in various subjects like English and Mathematics to analyze their skills in the subjects. Mathematics as well as their logical thinking skills also tested to know the standards of the students in a way to prepare and design the programme. It was certainly the right time to come up with this noble initiative on measuring their skills and providing the right path so that the children would rely on them to improve their skills in a much better way. After analyzing their skills in the above examinations, team UEAC conducted classes to guide and solve the problems of the students. questions were prepared to get an idea over important topics and even provided them some material. Volunteers also shared some techniques and tricks to solve some of the logical problems. This initiative conducted in leveraging change in children.

30 volunteers from team UEAC took part actively in the program. This initiative conducted led in leveraging change in children. This initiative was found to be very successful in imparting knowledge to the students.

Awareness on Water at ZPH School

Date: 31.03.2022

Venue: ZPH School Sekuru

Indeed, some children in the schools are not aware of the importance of water and its advantages that plays a better role on our daily life. UEAC volunteers from IT department came forward to create an awareness among the children. They began the session for lower classes by interacting with them and explained the importance of water. In the session students started that water is an essential nutrient and plays a key role in the human body, can survive up to several weeks without food, but only a few days without water. Students also elaborate that every system in the body, from cells and tissues, to vital organs required water to function. They also mentioned that water carries nutrients to all cells in our body and oxygen to our brain and allows the body to absorb and assimilate minerals, vitamins, amino acids, glucose and other substances. Students explained that water flushes out toxins and waste, helps to regulate body temperature, and acts as a lubricant for joints and muscles. Team also answered for queries the students has been asked.

Recommendation to improve drinking water qualities are as follows:

- 1) Drinking water quality must be checked at regular interval of time.
- 2) Ground water sources must be checked carefully.
- 3) Source of contamination of ground water pollution should be searched with flow direction.
- 4) Proper treatment must be done as ground water before drinking.
- 5) Industrial and municipal waste disposal locations should be decided according to flow pattern of water and water table level of that area.
- 6) Location of dug well or bore well should be decided very carefully. The location of contamination sources, distance from well, flow direction all should be considered.
- 7) Ground water must be filter to remove solid and colloidal particular.
- 8) Water must be treated with Alum to coagulate impurities.
- 9) Bore well water must be treated with KMnO_4 before use.
- 10) Pipe lines must be to good quality.

ENGLISH VOCABULARY AND GRAMMER TEACHING

Date of the event: 03-04-2021

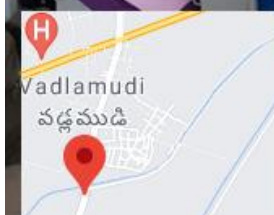

Venue: Chanikya high school

Team UEAC (University Extension Activities Council) has come up with a great initiative of conducting a program on children's literacy.

Volunteers have conducted different activities for teaching and practising English grammar, vocabulary, sentences, listening and pronunciation skills. By playing some fun educational games, students learn English vocabulary, sentence structures, grammar, listening, pronunciation and phonics. To increase the students' English language proficiency volunteers of Information Technology conducted a session. Volunteers taught some useful tips to improve vocabulary. Team helped them to understand the prominence of the English language and guided them on how to gain mastery over language so that they don't feel inferior when it comes to communicate in English.

Vocabulary plays a crucial role when it comes to express ideas in English. It boosts the confidence of a child if one is good at vocabulary. This turn is focused to help the students to improve their language proficiency.

30 volunteers from team UEAC took part actively in the program. This initiative was found to be very successful in imparting knowledge to the students.

EDUCATING YOUNG MINDS AT ANGALAKUDURU

Date of the event:09-04-2022

Venue: Angalakuduru high school

Team UEAC (University Extension Activities Council) has come up with a great initiative of conducting a program on children's literacy. 30 volunteers from team UEAC took part actively in the program by conducting some tests to test their understanding their knowledge in various subjects like English and Mathematics to analyze their reading skills as well as their logical skills. It was certainly the right time to come up with this noble initiative on measuring their skills and providing the right path so that the children would rely on them and improve their skills in a much better way. After analyzing their skills in the above examinations, team UEAC explained how their approach has to be in solving some of the questions and even provided them with some techniques and tricks to solve some of the logical problems. This initiative conducted led in leveraging change in children.

As a part of this initiative, Team UEAC helped in crafting a new global development goal on education and provided them with specific materials after analyzing their skills which would be further used in their long run in shaping their future, so that every child can learn to read and solve different logical questions and that the learning gaps between the poorest and richest children would significantly reduce. This initiative was found to be very successful in imparting knowledge to the students.

Online Campaign on Immunization

Date: 25th April to 30th April 2022

Venue: Online

The UEAC (University Extension Activity Center) team has conducted "Online Campaign" on immunization, in connection with "**World Immunization Day**". Faculty of VFSTR and student volunteers have been participated in the event. They have given awareness regarding the immunity and its benefits particularly tough times like pandemic. National Immunization week is celebrated. Volunteers have created awareness on the importance of taking timely vaccine and its benefits.

They also tried to familiarize some disease preventive vaccines. Volunteers have propagated the following points: Immunization is the process whereby a person is made immune or resistant to an infectious disease, typically by the administration of a vaccine. Immunization helps to protect a person from life threatening diseases. It also helps reduce the spread of disease to others. Vaccines stimulate the body's own immune system to protect the person against subsequent infection or disease. The total 35 volunteers and 2 faculty members are presented in this event.

**National Immunization
Awareness Week**
April 25 - 30, 2022

According to WHO, Immunization is a proven tool for controlling and eliminating life-threatening infectious diseases and is estimated to avert between 2 and 3 million deaths each year but an estimated 18.7 million infants worldwide are still missing out on basic vaccines. India has one of the largest Universal Immunization Programs (UIP) in the world in terms of the quantities of vaccines used, number of beneficiaries covered, geographical spread and human resources involved. Despite being operational for over 30 years, UIP has been able to fully immunize only 65% children in the first year of their life and the increase in coverage has stagnated.

Awareness on Fitness @ Home

Date: 2-05-2022

Venue: Online

VFSTR Deemed to be University UEAC Volunteers in the challenge “Fitness @ Home” with the motto of “**New India Fit India**”. The Fit India Youth Club, is a movement envisioned by Prime Minister Narendra Modi, endeavors to harness the power of youth to create mass awareness about the importance of fitness, across the country. VFSTR UEAC unit is organized online Fitness Challenge on the eve of “**National Fitness Day**”.

Online challenge is to create awareness regarding fitness Physical activity or exercise can improve your health and reduce the risk of developing several diseases like type 2 diabetes, cancer and cardiovascular disease. Physical activity and exercise can have immediate and long-term health benefits. Most importantly, regular activity can improve your quality of life. Exercise can help prevent excess weight gain or help maintain weight loss. When you engage in physical activity, you burn calories.

It can also help improve cognitive function and helps lower the risk of death from all causes. Exercise delivers oxygen and nutrients to your tissues and helps your cardiovascular system work more efficiently. Exercise and physical activity are great ways to feel better, boost your health and have fun.

AWARENESS PROGRAM ON COVID-19

Date of the event:05-05-2022

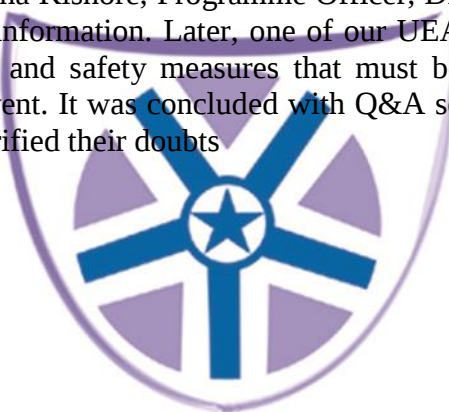

(Online event)

UEAC has planned an online awareness programme to students. The main objective of this programme is to create "Awareness on covid-19" for the students. Mainly about

- How the Covid virus can enter our body
- What safety measures must be taken to prevent the spreading of virus

With this knowledge they can be capable of protecting themselves and their family members from the covid-19

In this programme Dr. Krishna Kishore, Programme Officer, Dr. VijayaBabu and Mr. Suresh have shared some valuable information. Later, one of our UEAC coordinators delivered the information about covid-19 and safety measures that must be followed. 66 students took active participation in the event. It was concluded with Q&A session in which students have actively participated and clarified their doubts

We Support CORONA Warriors

Date: 07.05.2022

Venue: Online

UEAC volunteers conducted online event “**We Support CORONA Warriors**” that we follow all the preventive measures so that the spread of the virus will be reduced. The outbreak of corona virus disease (COVID-19 Second wave) has been declared a pandemic and the virus has now spread too many countries and territories. While COVID-19 continues to spread it is important that communities take action to prevent further transmission, reduce the impacts of the outbreak and support control measures.

All take a pledge to follow the prevention methods. The aim of the campaign is to encourage people's participation and a Covid-19 pledge taken by hand hygiene. Masks, physical distancing and washing hands are the three ways to remain safe in the absence of any vaccine. COVID PLEDGE: I Commit to be vigilant and bear in mind at all times, the risk to myself and my colleagues from COVID – 19. I promise to take all necessary precautions that prevent the spread of this deadly virus. I promise to follow and encourage others to follow the key COVID – 19 appropriate behaviors, to always wear a mask/face cover, especially when in public places. To maintain a minimum distance of 6 feet from others. To wash my hands, frequently and thoroughly with soap and water. Together we will win this fight against COVID – 19. everyone. It endeavors to be a low-cost but high-intensity campaign with the key messages to wear mask, follow physical distancing, and maintain Together we will win this fight. 45 Students volunteers, 5 Faculty also expressed their sincere gratitude towards the Corona warriors i.e. doctors, paramedics, nurses, vendors, suppliers, sweepers and many others who are working selflessly day and night to save the countrymen. We will overcome this pandemic together soon! “**Stay Home Stay Safe**” “Follow All the Precautions to Reduce the Spread of Virus”. Extended support to frontline worriers by creating the awareness to the students.

AWARENESS ON PLASMA DONATION

Date of the event:09-05-2022

(Online event)

Team UEAC (University Extension Activities Council) has come up with a new initiative of spreading awareness on Plasma Donation and conducted this awareness scheme on virtual platform through Zoom.

As the need of the hour, it was certainly the right time to come up with initiative of creating awareness on Plasma Donation. Team UEAC explained the importance of donating plasma from the COVID-19 recovered persons who have tested negative. They were given awareness of donating plasma only 600ml of blood would be taken to extract it. As the antibodies from the plasma will help clearing infection from the affected recipient's system. As the plasma donations could save many lives, hence this programme meant to be very crucial.

The Team UEAC volunteers encouraged many through this online platform and urged all the eligible persons to donate their plasma and be a lifesaver in this hour of crisis. Nearly 66 volunteers came forward to support this initiative.

AWARENESS ON FAKE MEDICATION AT THE TIME OF COVID

Date of the event:10-05-2022
(Online event)

UEAC team has conducted online zoom meeting regarding fake medication during pandemic time. Quack doctors are prescribing some irrelevant and harmful medication to the people who have some covid symptoms like fever, cold and cough. Awareness was given on proper health tips to safeguard health on their own. To maintain good health proper diet is required keep body fit. In this meeting we have created awareness regarding what kind of food to take for maintaining health conditions. Diet plan includes the dry fruits, fruits which contain high Vitamins in C,E,D and other important minerals. So by giving awareness we can protect ourselves from harmful diseases and maintain good health conditions.

HONOR PARENTS AND THEIR COMMITMENT

Date of the event: 31/05/2022 to 1/06/2022
(Online event)

UEAC has arranged a two day online programme to acknowledge and express the respect towards parents. Parents are the guiding light in a child's life and lay the foundation for children to nurture and grow. They equip them with the necessary skills in life. They pass on their legacies, protect and make endless sacrifices for their kids. The biggest blessing for every child is their Parents. This is a special opportunity for all the students to recollect and thank their parents for their selfless commitment and sacrifice towards their children. Flowers never blooms twice, births never twice, thousands of people get to meet in our lives, but those who forgive thousands of mistakes are "PARENTS"

On the occasion of global Parents' Day UEAC team made this day a special one for their parents. Students have shared a picture with their parents and a few lines about memory for display. The entire activity was conducted online and got successfully completed by receiving positive feedback from everyone.

Save Nature & Save Humanity

Date: 04.06.2022

Venue: VFSTR (Online)

UEAC (University Extension Activity Center) conducted an awareness programme online with a slogan "Save Nature & Save Humanity" on 5th June 2021. In this connection honorable Vice Chancellor Dr. M.Y.S. Prasad addressed the gathering and he said the ongoing destruction of the planet's biodiversity also quickens climate change and makes us even more vulnerable to it. This is because the ecosystems – such as forests – providing habitats to other species also absorb our greenhouse gases. Climate change in turn, also harms biodiversity, making these two challenges two sides of the same coin. NSS Program Officer Dr. K.V. Krishna Kishore, in his speech advised the students to protect Environment by conduction plantation drives. S&H Faculty coordinator Dr.Vijayababu Palukuri, IT Faculty coordinator Dr. Subba Rao, NSS Coordinator Mr. D. Suresh Babu, Maintenance Incharge Mr.Hanumantha Rao, faculty and 55 NSS volunteers have participated in this program.

WORKSHOP PROGRAM ON ARDUINO

Date of the event:11-06-2022

(Online event)

**VIGNAN'S**
Foundation for Science, Technology & Research
(Deemed to be University)
-Estd. u/s 3 of UGC Act 1956

The third year ECE volunteers have observed that the students of second year were struggling in understanding a programme ARDUINO, which is an open-source electronics platform based on easy-to-use hardware and software. Volunteers would like to help them by conducting a workshop programme on ARDUINO” with the inputs an insights taken from their honorable head of the department. The main objective of this programme is to create awareness on the basics of Arduino programming and Interfacing Arduino with sensors for second year students. If the second year students have the knowledge on it they are capable of doing their mini projects and also they will understand the Arduino related subjects.

Dr. Pitchaih, HoD and Dr. G. Sathyanarayana shared some valuable information regarding Arduino. Later, Hari Krishna took an initiative to deliver his lecture. The students of second year and some of the faculty members have participated and made this event successful. Second year students showed their power packed enthusiasm towards learning Arduino. Nearly 100 students participated in the event

The programme was concluded with Q&A session in which students have actively participated and clarified their doubts. Finally, this event has become a grand success the with help and efforts made by the second-year coordinators under the guidance of department co-coordinator Mr. Mohammad Taj.

Awareness on Elimination of Single Use Plastic

Date: 16.06.2022

Venue: Vadlamudi

An awareness programme on **"Elimination of Single use plastic"** and road show was conducted at Vadlamudi village. In the road show displayed a Banner conveying the dangers of single use plastic and volunteers have given some slogans to make aware of the dangers in using plastic. Students from hostel actively participated in the road show. The program started with the introduction to volunteers in organizing a rally. The plastic materials and its impact upon human health and environment was explained. The two-way communication between the presenter and the students gave outstanding result in terms of learning and sharing knowledge. Students became clear the doubts about the effects of plastics on human health. More information was given on its effect on body like endocrine glands causing obesity, heart disease, male genital abnormalities, cancer and autism.

In the interaction session the students given solutions on "How can we save our environment from poly bags? and minimization of using single use plastic bags, instead suggested to use eco friendly bags like cloth, jute bags, paper bags, cotton bags. The overall program was fruitful. The concern of the children and teachers towards the campaign made it successful. In this event the NSS Coordinator Mr.D. Suresh Babu participated.
