Awareness Programme on Quality of Drinking Water

Date: 14.07.2018

Place: V N Palam

Water deprivation of the poorest is a widely recognised phenomenon all over the world. It is estimated that over one billion people across the world do not have access to safe, clean drinking water, although as a basic human need it is an integral constituent of the right to life. Reducing this number by half by 2015 is one of the United Nations' Millennium Development Goals – which India has committed to achieve.

The health burden of poor water quality is enormous. It is estimated that around 37.7 million Indians are affected by waterborne diseases annually, 1.5 million children are estimated to die of diarrhoea alone and 73 million working days are lost due to waterborne disease each year. The resulting economic burden is estimated at \$600 million a year. The nature of contamination of drinking water in India varies from region to region - bacteriological contamination being more common in regions where open defecation is the norm. Chemical contamination being more common in regions where there has been high use of fertilizers and pesticides in agriculture over the past few decades.

There is clearly an urgent need to take steps to protect our poorer populations from unnecessary health risks, medical expenditures and morbidity caused by consumption of unsafe water. It has been estimated for instance that improved quality of water supply reduces diarrhoeal morbidity by between 6% to 25%, if severe outcomes are included. Hygiene interventions including hygiene education and promotion of hand washing can lead to reduction of diarrhoea cases by upto 45%. Improvements in drinking water quality through household water treatment such as chlorination at a point of use, can lead to a reduction of diarrhoeal episodes by between 35% and 39%. And an integrated approach of providing water, sanitation and hygiene reduces the number of deaths caused by diarrhoeal diseases by an average of 65%.

SEVA BHARATHI

Date: 23&24 July 2018

Venue: VFSTR, Vadlamudi

The UEAC (University Extension Activities Council) of Vignan's University has given a platform to the Seva Bharathi team for conducting two days training program in the university premises on Literacy to **150 women** hail from the surrounding districts during **23rd & 24th July 2018**. These two days training program was created awareness on techniques of teaching to the children of slum areas. PowerPoint slides were used in the presentation. The object of the program is to reach thousands of children in surrounding districts. Dr. K. V. Krishna Kishore, UEAC addressed the gathering. Dr. D. Hari Prasad, District secretary Seva Bharathi and sate coordinator also participated in this program. UEAC volunteers took an active part in the program.

The objective of this program is giving special coaching for the dropout students studying in the schools run by the government in small towns and slums of Guntur, Krishna, and Prakasam districts. This program helped a lot in motivating the students. The parents of such students go to work for livelihood during day time so they are not taken care of during day time. They are being neglected due to not aware of the importance of education. Generally, unemployed youth or housewives are appointed as teachers in the schools as teachers for this kind of child education. These teachers select 20 to 25 drop out students of 3rd to 8th grade in their area and conduct classes every day from 5.00 PM to 7:00 PM. Two hours of the program include teaching lessons, helping in doing homework, practicing good habits, creating awareness of hygienic, good social life, human values, patriotic songs, and stories. These teachers take classes on language, articulation, complimentary songs, and harmonious patriotism on every first Sunday morning for 2 hours. They also conduct games for physical exercise and yoga.

Activities:

- **Affection Homes:** Home for destitute children, orphans, poor and needy children belonging to BC/SC/ST. Seva Bharathi has 15 affection homes providing boarding, lodging, and education for more than 1000 children in the state.
- **Education:** Seva Bharathi has a special focus on Education for children living in slums, remote and tribal places. Seva Bharathi Focusing on running non-formal schools, after school education in the slums and rural interiors. Thousands of children benefit from these activities daily.
- **Women Empowerment:** Bringing them together and train them to become financially independent. Seva Bharathi runs the Kishori Vikas program for adolescent girls in slums and rural areas to train them on Education, Health, Hygiene, Vocational training, and Values. We run vocational training centers for women on sewing, embroidery, etc.
- **Health:** Health services are provided by running Health Camps, Mobile Medical Van and Help Desks in government-run hospitals.

Need-based activity: In times of need during crises, Seva Bharathi volunteers are the first to reach out to the victims in floods, accidents or calamities.

Chief Guest, Dr.Daggubati. Venkateswara Rao (Ex-MLA): In the inauguration, Daggubati Venkateswara Rao appreciated the VFSTR for organizing such a training program. He has advised all the participants to make use of a training program for sharpening their skills. Abhyasika is a student-centered activity in which the study room facility is located near or in the Seva Basti. Places such as schools or community halls where no activity is carried out during late evening are selected for this activity. Students from the Seva Bharathi are invited to the Abhyasika and study there from 6 PM to 8 PM.

Dr.L.Rattaiah: The Chairman of Vignan's Educational Institutions, said, "It is a good thing to prepare future citizens of India in right direction at that early age. He emphasized the good manners in childhood leads to a better society. Values are the *guiding principles* of our lives. They are essential for positive human behavior and actions in our daily lives.

Training Programme on Public Libraries.

Date: 24 & 25th July 2018

Place: VFSTR

The Management is proud to offer these training programs for free to all public libraries. These training programs are designed to give the student critical business skills. These skills can help increase job prospects and a general understanding of how to be successful in the corporate environment. 164 librarians have participated in the programme.

Libraries play a vital role in our communities. They serve the general public's information needs through access to books, computers, and educational programs for free or minimal cost. Public libraries also help bridge the digital divide. Libraries help bring access to the internet via public computers and free Wi-Fi access. Forty student volunteers ushered the delegates on campus.

Teaching, Cleaning & Sapling Plantation Programme

Date: 28.07.2018

Venue: ZPHS Sangamjagarlamudi

28th July, 2018 in our adopted school sangamjagarlamudi launched an extensive Plantation Program in different parts of in school locality. The 25 students and one teacher have selected the empty places and the roadsides to plant saplings in a well-organized way. The saplings were supplied by the VFSTR, Vadlamudi. In order to restore the eco-balance of the afforestation drive was taken with all seriousness. Anyway, participants were highly enthusiastic to make it a big success. The students planted saplings and fenced them and watered the plants. Every step of the programme was appreciated by the representatives of the administration and the local forest department officials. The program created a great stir among the general public too. At the end of the program the school held a seminar to observe the trees.

Tree plantation program on 28.07.2018 at Sangamjagaralamudi village and School

Outcome of the event: Students got to know about the importance of tree plantation. With the deforestation, the globalization, temperature, and pollution increase. If everyone plants the trees, then the temperature and pollution may decrease, and the rainfall increases.

Venue: VFSTR

AP Skill Development Programme is a joint venture Programme in collaboration with AP Government and VFSTR. The main objective of the Skill India Programme is to provide adequate training in market-relevant skills to the youth. It also aims to create opportunities for the development of talent within the country and improve the overall scope and space for underdeveloped sectors.

Skills development is the process of identifying your skill gaps and developing and honing these skills. It is important because your skills determine your ability to execute your plans with success. Imagine a carpenter trying to build a house.

Key advantages of Essential Skills training: It increases profits, improve performance, improve accuracy and quality, improve communication, comply with regulations, improve recruitment, develop good customer relations.

Community-based APSDC skill development programs for unemployed youth on: Home Electrical training, Computer numerical control (CMC) to design on Lathe, Computer-Based Tutorials (CBT) for videos and animations, Training on gas and arc welding, Training on Home and Office Electronics, Training on Refrigeration and Air Condition (R&A/C)

To create opportunities for the development of talent within the country and improve the overall scope and space for underdeveloped sectors.

BLOOD DONATION CAMP

Date: 28.07.2018

Venue: VFSTR

As a part of Chairman Sir's birthday, the UEAC unit of VFSTR organized a blood donation camp on university campus at the library, pharmacy and U block's on 28.07.2018. Blood Donation Camp by the UEAC Wing from 8:30 AM to 4:00 PM. On this occasion, Vice-chairman, Sri Krishna Devarayulu and UEAC Program Officer, Dr. K. V. Krishna Kishore was participated and encouraged the students to participate in many events to have an understanding of societal real-time problems. 50 UEAC volunteers and 15 faculty actively participated and motivated the donors. The honourable Vice-Chancellor, Dr. YVS Prasad expressed his happiness towards the bubbling response of the students in participating in the event. The students have made the blood donation camp a grand success. Every time like this time also there is a huge response it is about 454 members have donated the blood during the event; it was conducted at various blocks on the campus: Pharmacy Block (125), 'U' block (97) and the library block (232) the event is embarked with lots of joy and willpower.

Inauguration of the "Blood Donation Camp" by the UEAC Program Officer, Dr. K V Krishna Kishore.

Registrar of the VFSTR, Cmde. Dr. MS. Raghunathan addressed the blood donars.

JAGHANNADHA RATHA YATRA PROGRAM

Date: 02.08.2018

Venue: Tenali

On the auspicious day of **Sri Krishna Radha Yatra**, VFSTR, Deemed to be University, the UEAC (University Extension Activity Council) extended its helping hand to the organizers, Iskcon group. The event successfully conducted at **Tenali on 02.08.2018**, under the guidance of Dr. K.V. Krishna Kishore, the UEAC Program Officer and Mr. P. Anandha Kumar from IT dept. The Ratha Yatra took Jagannath, Baladev, and Subadhra in a palanquin through the roads of the town starting from Nazerpet - ISKCON reaching Shivaji Chowk. Volunteers were assigned to control the people for completion of the rally in a peaceful way. Some volunteers were allocated the responsibility of guiding the vehicles without troubling the traffic and some other volunteers distributed ISKCON prasadam to all the public.

Volunteers were involved in various activities like distribution of the food, controlling traffic, pulling the palanquin; supplying water for the thirsty Public; serving food, Kolatam and some other miscellaneous works needed. Traffic Police appreciated VIGNAN Students for traffic control by HUMAN CHAIN.

All the 54 volunteers participated actively and made the auspicious day more delightful. In this way, the event ended with a lot of energy, devotion, and willpower. Our VFSTR University has provided the transportation facility for the volunteers.

JUST 10

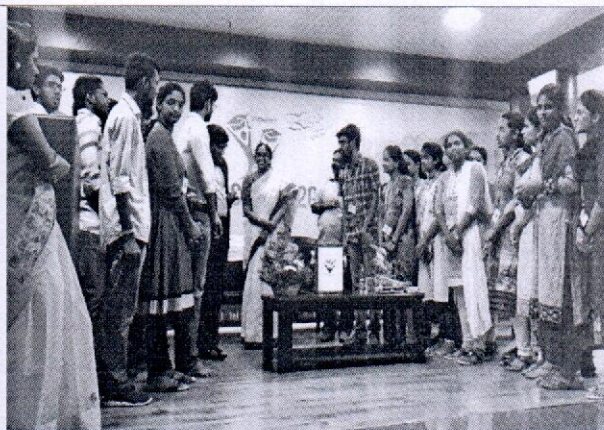

Venue: VFSTR

Date 04.08.2018

The best way to find you is to indulge yourself in the service of others. The very act of giving back to society boosts your happiness and gives pleasure with the prime motto of "helping hands are better than praying lips." The students of Vignan University on behalf of the UEAC (University Extension Activity Council) planned for a new idea called "JUST 10". We feel that the saying of Mother Teresa "I alone cannot change the world, but I can last a stone across the water to create many ripples". This inspired us to give shape to this budding idea, said the student initiators of this awful idea Vamsi Krishna and Divakar Reddy of the final year of the ECE Department. Volunteering the time, money and energy to help others does not make you better but inspires others to take part and contribute themselves with the spirit of service. The work of "JUST 10" is to collect an amount of ten rupees from students who are willing to help. With the collected fund, it will be used for social welfare organizations. On the occasion of the 6th convocation of Vignan's, the students brought up the logo of "JUST 10" in the presence of Addanki Sridhar Babu, IAS officer. The students have much appreciated the initiation and encouraged to start many such ideas. The IAS officer stated, "This shows your passion and love of service. It will give inspiration to your juniors even to take part in such programs in the future". The man with a great compassionate heart shared his collaboration with Anurag organization. He gives donations to develop the infrastructure and providing basic facilities to the orphans. He said that the best moments are made with the children. We hope all such driving forces and unconditional support of yours makes our idea successful and provides a path in shaping a bright future of such needy and unprivileged kids. "If 'I' is replaced with 'We' even the "Illness" will become "Wellness".

Inauguration of the "Just 10" Program by the IAS Officer, Addanki Sridhar Babu.

Professor, Dr. A Sharada appreciated the students by organizing the event.

Awareness Program on Seasonal Diseases in Adopted Villages

Date: July-August 2018.

Venue: Vadlamudi, Vejendla, Selapadu, Sekuru and VN Palem

Ministry for Public Health and Family Welfare, Government of India has recognized the adverse effects of the seasonal diseases like influenza, dengue, swine flu, etc., and therefore stresses on the Public-Awareness campaigns. The impact of seasonal diseases is particularly high during the rainy season due to flow of new water in drinking water sources, contamination of water, problems such as breeding of mosquitoes with stagnation of water near habitations, lack of personal hygiene and sanitation. Contamination of water and food due to flies and mosquitoes results in several diseases such as gastroenteritis, typhoid, cholera, malaria, dengue, swine flu and others, but proper awareness and simple preventive measures would save people from falling prey to them. Children aged less than 5 years especially < 2 years of age, old age; pregnant mothers, health workers, co-morbid conditions (lung disease, heart disease, liver disease, kidney disease, blood disorders, diabetes); immune-compromised; long term steroid therapy treatment individuals come under high risk category. In the same purview, the five villages (Vadlamudi, Vejendla, Selapadu, Sekuru and Veeranayakuni Palem) that the University has undertaken for development were brought to awareness about the risks associated with the disease and how to take precautions to avoid the onset itself. The awareness program spanned from July to August, 2018.

SERVING HEARTS

(Outreach Program by the Department of Biotechnology)

Date: 05.08.2018

Venue: Mangalagiri

The students of 3rd-year Bio-Informatics and Department of Biotechnology formed a charity club titled "Serving Hearts" intending to serve the needy. On 5th August 2018, along with the UEAC students from the Department of Bio-Technology had visited PGM Orphanage in Mangalagiri. The students interacted with 20 children who are school going kids and distributed stationery kits and snacks. The students from VFSTR shared their feelings that the happiness which is seen on the faces of the children was a touching moment for the students. The Delicious lunch was also sponsored by Dr. Benet Bosco Dhas, Assistant Professor and Department of Biotechnology. Post lunch, a few activities & cultural programs were conducted to entertain and refresh the mind of school going kids. During the thanksgiving ceremony, the PGM Orphanage children showed their deep gratitude on Serving Hearts team when they felicitated the students & faculty. Serving Hearts team was planning to conduct such events every month. The four students who belong to the club namely Sowmya, Geethika Sai, Sai Sindhu, and Vasu Priya heartfully thanked HOD of the department, all the faculty who had supported this event and made it a grand success.

The UEAC Students of VFSTR visited PGM Orphanage in Mangalagiri and distributed the stationery kits and snacks to the children.

Medical Camp for University Employees

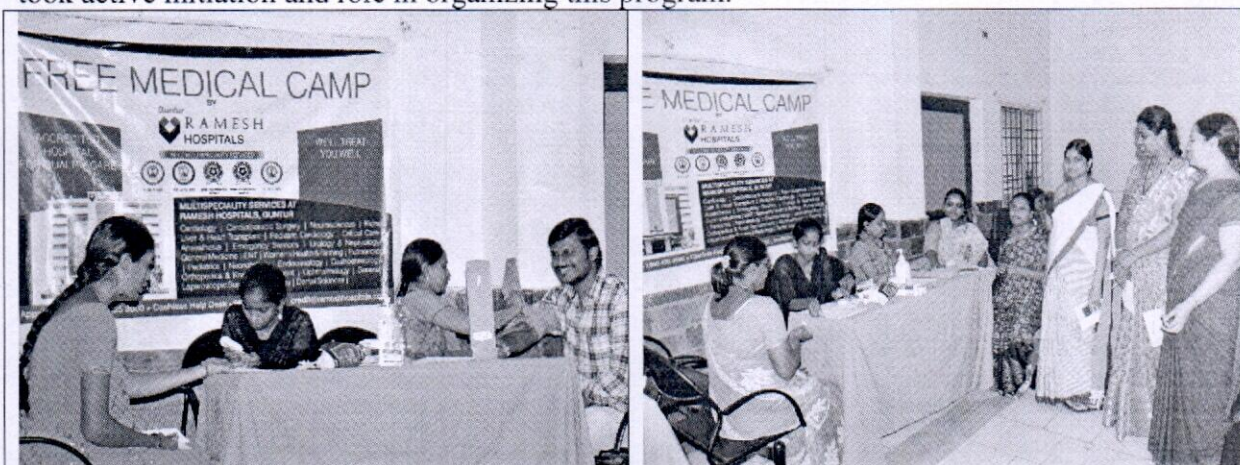

Date: 10th and 11th of August 2018

Venue: VFSTR

A two-day free Health check-up camp was conducted at VU on 10th and 11th of August on the Varsity campus for all the teaching and non-teaching staff. The camp was organized by **Ramesh Hospital, Guntur**.

The free Health check-up camp was a social service rendered by Ramesh Hospital aiming for better health status of the people. Nearly 500 teaching and non-teaching staff members had their blood test for diabetes. Fasting and post meal blood sugar check-up was done for all the people. Along with that, blood pressure check-up, Body Mass Index (BMI), consultancy in special diet for obese people was also offered in the camp to all the people. Many people consulted with the dietician for a healthy body and eating habit.

A team of 25 including doctor, pharmacist, lab technician, dietician and 10 UEAC volunteers were engaged in this camp to ensure better health awareness among university staff members. Even the university authorities, such as the Registrar and Dean IT Services were also a part of this program. All blood reports would be given this afternoon. The UEAC unit of the university took active initiation and role in organizing this program.

Flood victims of Kerala

Venue: Kerala

Date: 24.08.2018

The students of Vignan had set their journey forward on a mission to support and rehabilitate the flood victims of Kerala. The ideal mission is flagged by Registrar Cmdre M S Raghunathan, Dean Student affairs Dr. M S S. Rukmini here on Friday. A team of 23 students, 2 Faculty and a Doctor are associated with the students. The Pride Vignanites will spend about a week days of time in Idukki district of support the victims rather than donating commodities and supplies and the point was clearly caught by the team for the journey to begun. The team in a way of supporting and donating them, they are carrying 500 ration kits weighing about 1000 kgs of rice, 500 kgs of dal, 500 kgs of sugar, 1500 packets of sanitary napkins, medicines and toiletry items. The entire journey is being fall during the monsoon season. It was the worst flooding in Kerala in nearly a century, in which over 373 people died within a fortnight, while at least 280,679 people were evacuated, mainly from Chengannur, Pandanad, Aranmula, Aluva, Chalakudy, Kuttanad and Pandalam. All 14 districts of the state were placed on high alert. According to Kerala government sources, one-sixth of the total population of Kerala had been directly affected by the floods and related incidents. Thirty-five out of forty-two dams within the state were opened for the first time in history. All five overflow gates of the Idukki Dam were opened at the same time, for the first time in 26 years. Heavy rains in Wayanad and Idukki have Kerala and will participate in flood relief camps in coordination with the local NGO's. The Local NGO's have expressed their gratitude and happiness to the team who are coming from Vadlamudi at this needy hour. Considering the present situation in Kerala, there is acute need of manpower to monitored by Assistant Registrar Mr Gowri Sankar at the operation room set up in Registrar office, the entire management, staff and students conveyed their wishes for the team towards a safer journey.

Flood condition: Severe flooding affected the state due to unusually high rain- caused severe landslides and has left the hilly districts isolated. The situation was regularly monitored by the Prime Minister and the National Crisis Management Committee coordinated the rescue and relief operations.

Responding to the chaos around the issue of rejecting foreign assistance to the Kerala floods, the government of India, in line with the existing foreign as well as domestic policy, made it

clear that it won't accept any assistance from foreign governments but is fully committed to the relief and rehabilitation by domestic re- sources and efforts. However, it accepts all sorts of contributions as well as humanitarian aid from individuals, NGOs and PIOs worldwide.

Donation of 25 lakhs by the Varsity

The university had donated 25 lakhs to the victims of Kerala floods. Dr. L. Rathaiah, said "Kerala along with amount, food items at this hour, there is acute need of volunteers to help the victimized people across Kerala towards cleaning and other activities.

He specially thanked and appreciated the university staff for the donation of "one day salary" from all of them towards the CM relief fund which made up together to 25 lakhs in totality.

Awareness Programme on Higher Education in surrounding High School

Venue: Vejendla, SJM, Sekuru, ANGK,

Date: 29.08.2018 to 13.10.2018

Students in government schools nowadays are facing a problem of not having an idea on what to do after the completion of their high school studies. This was noticed by the students of the Department of Information Technology, Vignan's University and took an initiative and organized an awareness campaign on higher education for the students in Vejendla, Sangamjagarlamudi, Sekuru, Angalakuduru, Tenali, Narakoduru and Chebrolu ZPH School. A total of 20 students who are pursuing their B.Tech degree in the branch of Information Technology and Electrical & Electronics Engineering were participated in this campaign in every Saturday and addressed the total of more than 1000 SSC students. Initially, an inquiry session was started to know the amount of knowledge they know before the conduction of the camp at 11:30 AM. After completion of inquiry session, shared information on different types of courses, eligibility criteria and the steps to follow to reach after X class to the 10th Class Students. Student volunteers gave a detailed explanation of further studies i.e., on under graduation and post-graduation courses and availability of scholarships. After that, a small introduction about the importance of sports was also explained and the event was ended up at 1:00 PM. All the students were actively participated in the session and made it a grand success.

Awareness program on Higher Education at Vejendla and Chanukya High school

The Outcome of the event: The government school students are facing a problem of not having an idea on what course to do, after the completion of their 10th standard. 200 schools students are benefitted by this event. Volunteers understand standards of school students and their academic standards. Volunteers learned organising, management and communication skills by demonstration and involvement in this event.

Teaching, cleaning, activities, and competitions for kids Narakoduru school

Date: 13.10.2018

Venue: Narakoduru

It was a great session today that the UEAC Unit had gone through ZPHS Narakoduru. High school children, as cleanliness are playing a key role in good health. So we had involved in this session to encourage the students to involve in cleanliness activities and competitions. Some of our volunteers involved in games like kho-kho, Kabaddi with the children. It was a great time that we had spent with the children. The children had also participated actively in the sports. Most of the students had shown so much interest in sports competition. They concluded that including academics they should also involve in sports. By this session, I hope that they can have at least one cleaning activity, 4 games competition period for a week which improves their health. The event ended up at 1:30 pm and all the students were back to their regular academic works.

Outcomes: UEAC volunteers to explain awareness on the sports for school student and involve them to play games with us. Student gets to know about the importance of sports and by playing sports students will be in healthy and fit. By playing sports for nationals' students will get a job in government sector also.

SWACHH VIGNAN

Date: 01.09.2018

Venue: Animal House of the VFSTR

To accelerate the efforts to achieve universal sanitation coverage and to put a focus on sanitation, the Prime Minister of India, Mr. Narendra Modi, launched the Swachh Bharat Mission. In this regard, the university had organized Cleanliness Drive on 1st September at "Animal House of the VFSTR". The Registrar of the VFSTR had inaugurated the program by cleaning the corners of the Animal House ground followed by the faculty and students. The main purpose of the program is to create awareness among the students regarding cleanliness and its benefits. Under this program, NCC Cadets, UEAC Volunteers, students of Pharmacy total 350 students, the maintenance staff had participated. NCC and UEAC coordinators were played an essential role in the program. Dr. M.S. Raghunathan had delivered the speech mentioning the importance of sanitation. He told the saying 'Cleanliness is next to Godliness' to the students. "It plays a vital role in our daily lives. It the state of keeping clean and remains away from dirt to achieve and maintain the good physical and mental health", said the registrar. He honored the Program Coordinators, NCC cadets, UEAC Volunteers, other students, the maintenance staff for the successful noble job.

The Registrar, Cmde. Dr. M.S. Raghunathan had delivered the speech about the importance of sanitation.

Students and staff members of VFSTR were actively participated in "Swachh Vignan" at the Animal House of the VFSTR.

RALLY- "SAY NO TO BAD HABITS... SAVE THE YOUTH"

Date: 07-09- 2018

Venue: Guntur

The famous organization, ISKCON is back again with another social event. The team of ISKCON decided to spread awareness about the bad habits for which people in the society especially youth are being addicted to and try to eradicate their usage in the form of a rally.

VFSTR, UEAC volunteers extended its helping hand by actively participating in this rally. A total of 250 UEAC volunteers from all the departments and a few faculty coordinators took part in this rally. The rally started at 10 AM from ISKCON temple, NGO'S colony and headed towards NTR stadium via Lakshmipuram for about four hours. All the students have added strength to this event by participating with energy & enthusiasm to save society.

All the students held placards with slogans and did the rally by constantly yelled the slogan "Say No To Bad Habits, Save the Youth", which depicted the essence of the rally. The members of ISKCON thanked everyone who participated in the rally and end up the event with the vote of thanks speech delivered by the members of the organization.

The outcome of the event is to create awareness for the present-day youth, to get rid of bad habits, and should not incorporate into bad habits.

The UEAC faculty coordinators, Mr. P. M. Venkatesh from EEE Department, Mr. V. Nagireddy from the IT department, and the UEAC coordinator, Mr. D. Suresh Babu have participated in this rally. The UEAC Programme Officer, Dr. K. V. Krishna Kishore appreciated all the student volunteers and the faculty coordinators for making this event a grand success.

The Chief Guest, Mr. Kanna Lakshmi Narayana and the ISKCON Followers participated in the rally at Guntur.

Creating awareness on "Say No To Bad Habits, Save the Youth" by the students of VFSTR and other colleges.

SWACHHATA PAKHWADA

Date: 01.09.2018 to 15.09.2018

Venue: Vadlamudi, Sangam Jagarlamudi, Selapadu, Sekuru, Siddapalli, and VN Palem

University Extension Activity Council (UEAC) Unit of Vignan's Foundation for Science, Technology and Research (deemed to be university) has organized many programmes under **"SWACHHATA PAKHWADA"** floated by MHRD for **"spreading message of cleanliness not only among the students but also in the surrounding areas"**. The programme has given an opportunity to realize the important facts about cleanliness and responded many students voluntarily to partake in the programme. 250 student volunteers along with the faculty/staff made the programme successful. As per the guidelines of MHRD and UGC Vignan's Foundation for Science, Technology and Research has conducted Swachhata awareness drives in the nearby villages and mainly concentrated on campus. As per the given schedule and plan of action, we started from **1st September 2018 to 15th September 2018**. Students have registered and actively participated in all the programmes. Awareness program was conducted on **"CLEANLINESS"** in the VFSTR and nearby villages. Awareness programmes on cleanliness of classrooms, laboratory, Seminar halls, office premises, hostel, improving toilets facility, garbage collection, good drainage system, CCTV and Fire safety equipment. The object of this program is to create awareness of making cleanliness. This is the need of the hour for good health, and to overcome the health problems with the best environment surrounding their neighborhood.

The students of the University Extension Activity Center (UEAC) unit of VFSTR actively participated in the 'SWACHHATA PAKHWADA' campaign, organized in this event successfully.

2018-19 Report

Cleanliness of class rooms, laboratories, Seminar halls.

Date: 02.09.2018

Venue: VFSTR

University Extension Activity Center (UEAC) Unit of Vignan's Foundation for Science, Technology and Research (deemed to be university) has organized many programmes under "SWACHHATA PAKHWADA" floated by MHRD for "spreading message of cleanliness not only among the students but also in the surrounding areas". The program has given an opportunity to realize the important facts about cleanliness and responded many students voluntarily to partake in the program. 1635 student volunteers along with the faculty/staff made the program successful. As per the guidelines of MHRD and UGC Vignan's Foundation for Science, Technology and Research has conducted **Cleanliness of class rooms, laboratories, Seminar halls** mainly concentrated on campus. Students have registered and actively participated in the entire program. Awareness program was conducted on "CLEANLINESS" in the VFSTR. Awareness program on cleanliness of classrooms, laboratory, Seminar halls, office premises, hostel. The object of this program is to create awareness of making cleanliness. This is the need of the hour for good health, and to overcome the health problems with the best environment surrounding their neighborhood.

The students of the University Extension Activity Center (UEAC) unit of VFSTR actively participated in the 'Cleanliness of class rooms, laboratories, Seminar halls' campaign, successfully complete the event.

SWACHHATA HI SEVA 2018 Report

Date: 15th Sep to 2nd Oct 2018.

Venue: Sekuru, Veernayaknipalem, Selapadu, Vadlamudi.

University Extension Activity Center (UEAC) is a Unit of Vignan's Foundation for Science, Technology and Research (Deemed to be University) has organized the **"SWACHHATA HI SEVA"** programme floated by UGC for **"Spreading Message of Cleanliness Not Only among the Students but Also in the Surrounding Areas"**. Student volunteers along with the faculty / staff volunteers made the programme successful. As per the guidelines of UGC the 150th birthday celebrations of Mahatma Gandhi and in the run up to the 4th anniversary of Swachha Bharat Mission, it has been decided to observe **"SWACHHATA HI SEVA 2018"** during **15th September, 2018 and 2nd October, 2018**. The VFSTR has conducted many programmes like, campus cleaning drives, streets of village cleaning drives, drains cleaning in addition to that we have organized waste collection drives, Conducted door to door Swachhta Awareness Campaign, organized awareness campaigns in and around the campus on better sanitation practice like using the toilets, hand wash, health and hygiene, conducted village and school level rallies to mobilize community and to build compost pits. Students have registered and actively participated in all the programmes. Special program was conducted on **"Hygiene and Sanitation"** in the adopted Schools and villages (Adopted village). In some of the slum areas also we have conducted awareness programmes on the hygiene and sanitation. The object of this program is fulfilled by improving the existing measures ensuring hygiene and we are trying to accomplish the mission with a mindset of zero tolerance towards unhygienic.

The student volunteers of Vignan's Foundation for Science, Technology and Research (Deemed to be University) under University Extension Activity Center (UEAC) actively participated in the 'SWACHHATA HI SEVA' campaign.

CONDUCTING GRAMA SABHA

Date: 18.09.2018

Venue: Veeranayakunipalem

As part of UBA activities, one of the teams of VFSTR a Gram Sabha was called in 18 Sept 2018, at Veeranayakunipalem village which was attended by the Village Development Secretary, 30 members of the VFSTR team students and staff, and more than 50 villagers including men and women of all age groups. Many problems were brought out through discussion. A few of these are as follows:

1. No proper roads in the village.
2. Severe shortage of drinking water
3. No drainage of wastewater (grey water). It flows through the streets resulting in all roads being slushy.
4. No place for putting garbage.
5. No primary health centre in the village.
6. Very few families have a toilet.

This village had generally been neglected and hence the village was very backward having lack or inadequacy of even basic amenities.

The faculty in-charge for the PI Dr. Vijaya Babu Palukuri himself took the charge and leads the team for conducting house-to-house survey. NSS VFSTR students helped in the carrying out the survey and analysis of the data for the same. Prior to beginning the survey, all students were trained on the processes and survey forms. Also Students had a clear plan of work and timeline in their mind before going to the village.

University Extension Activity Center (UEAC)**2018-19 Report****Lauh Yatra****Date of event conducted: 16.10.2018****Venue : VFSTR , Time: 2.00PM to 4.00PM**

The main vision of Lauh Yatra is **"FOOD SAFETY AND HEALTHY DIETS FOR ALL"** and the theme of this yatra is **"Eat Right India"**. Swasth Bharat Yatra, a Pan India Cycle rally, is inspired by Mahatma Gandhi's Dandi March and 'Salt Satyagraha' of 1930. Through his tireless yatras, Mahatma Gandhi led the nation towards freedom from Colonial Rule. This yatra would also lead the nation towards freedom from diseases by cascading the message of Eat Right India to every corner of the country. NCC cadets and ANOs participated actively in this yatra.

Conducted Lauh Yatra by the NCC Unit in VFSTR premises

Outcome of the event: 31 NCC cadets and 2 faculty involved in the event. By this event, the students got to know about the importance of food in our life and not to waste food.

Led by our University Extension Activity Council (UEAC) unit, our students took part in Swachh Bharat Programme, a mega cleanliness drive at Vegendla village on 11/ 10/2018 between 2.00 - 4:00 PM. As per the schedule, student-volunteers from ECE Department took Swachh Bharat pledge and participated in maintaining the clean surroundings in Vegendlavillage. Each & Every individual participated in this program and volunteered their services in clearing the village roads and temples. They cleared the wild growth of plants and removed garbage. On this occasion, UEAC Program Officer Dr. K.V. Krishna Kishor, ECE Dept. UEAC Faculty coordinator, Mr. B. Manikandhan, and UEAC Coordinator Mr. D. Suresh Babu motivated the students and created awareness on the importance of clean environment asking them to organise these kind of events not only in the college, but advised them to undertake the similar programmes in the surrounding villages also. 'Swachh Bharat programme facilitates a clean India, the vision of our father of India, Mahatma Gandhi,' students were told. All the students participated with activity to the core and were well connected to the people over there and to the program.

UEAC organized HIV/AIDS awareness Programme

Date: 01.12.2018

Venue: VN Palem, Vadlamudi, Vejendla and Selapadu.

1st DECEMBER 2018, **WORLD AIDS DAY**: The UEAC of VFSTR organized an awareness programme to aware the students of VN Palem, Vadlamudi, Vejendla and Selapadu about the ill-effects of AIDS. The programme started at 10:15 am. Volunteers of UEAC and two teaching staff along with the NSS co-ordinator Mr. Suresh Babu and 250 villagers attended the programme. Even red ribbon was seen and wore by volunteers, stands for expressing 'solidarity with HIV-positive people and those living with AIDS'. The programme begun with Dr. Krishna Kishore's speech, followed by a song "THE CLIMB" addressing the victimized people. Then, brief information was given about HIV/AIDS through PowerPoint presentation. There was some quiz session on some basic data of HIV/AIDS for the students. The 25 NSS volunteers also prepared a documentary. HIV/AIDS is not curable but can be treated and life-span can be extended for certain period. Lastly, a skit was put up to give a message that mostly, "patients die out of ignorance and not the actual disease". They even mentioned love, care and proper treatment prolongs the age of the victim. The programme was conducted in the adopted villages and response from the villagers and students from the schools was enormous. The programme was concluded by Dr. Vijayababu Palukuri NSS co-ordinator S&H Department giving a vote of thanks saying 'we should spread positive thoughts of life and not HIV positive'. "SPREAD THE MESSAGE AND NOT THE VIRUS".

To create awareness about HIV/AIDS to VN Palem villagers.

Blood Donation Camp on The Occasion of Republic Day

Date: 25.01.2019

Giving blood saves lives. The blood you give is a lifeline in an emergency and for people who need long-term treatments. Many people would not be alive today if donors had not generously given their blood. A blood donation occurs when a person voluntarily has blood drawn and used for transfusions. A blood transfusion can be a lifesaving treatment for patients with cancer, patients undergoing surgery, children with severe anaemia, women who have complications with their pregnancy, and accident victims. Today in the developed world, most blood donors are unpaid volunteers who donate blood for a community supply. By donating blood there are many benefits like burning calories, better blood flow, and balances iron levels. So by considering all these needs and advantages our university conducted a **BLOOD DONATION CAMP** making **70th Republic Day** as occasion, in the university premises at Library on 25th of this month. It had been a great event which was organized by the University Extension Activity Center (UEAC) Volunteers with the help of NEEDS BLOOD BANK from Guntur under the guidance of UEAC Program Officer Dr. K.V. Krishna Kishore. On this occasion, Cmd. Dr. M.S. Raghunathan, Registrar, and Dr. K. V. Krishna Kishore, Dean-IT Services inaugurate the camp. The students from various branches had taken an active part in the event and made the event successful. Nearly 221 students donated their blood for a big cause.

Conduct Blood Donation Camp on 25.01.2019.

Energy Conservation Awareness at Chebrolu.

Date: 09.02.2019

Venue: Chebrolu

The UEAC unit of VFSTR conducting awareness program on energy conservation at Chebrolu village. Total 25 student volunteers from EEE department were conducting this event. Energy is very important in the entire process of evolution, growth and survival of the world. The increasing energy demand has an adverse effect on the environment and also an increasing pressure for a government. For a developing country like India, the energy criterion decides the growth of the country. Being the third largest power producer in the world, energy demand and scarcity rules the country. Energy demand in our country is increasing exponentially. Energy conservation can be the best solution for the raising energy demand. Energy conservation is reducing the energy consumption by using less of an energy service. One of the important ways of to improve the energy conservation is energy audit. Energy conservation without compromising the usage is a great task. The paper focuses on the importance of energy conservation by considering the loads of a class room of an educational institution and considering the energy consumed by the present loads and recommending energy efficient appliances and an efficient yet simple sensor based model to reduce the energy consumption and comparing the results.

Organ Donation day in govt. school

Date of event conducted: 16.02.2018

Venue: Tenali

The event was held on 16.02.2018 i.e., on Friday at Sri Chaitanya and Narayana schools, Tenali. The UEAC team of ECE department carried out this event under the guidance of Mr. Manikandhan department coordinator. The event was started at from 10:00 AM and continued till 11:00 AM. 30 student volunteers in the team took permission from the principals of the concerned schools, interacted with students and started the session about the organ donation.

The Session was started by explaining the importance of Organ donation and the process in society. Later we explained to them which organs they can donate, how the organ functions after removing it from the body, and what is the maximum period that the organs can function. And also we discussed the real-life stories of organ donors. Student's interaction with us was also pretty good. We have asked them to create awareness to their parents and neighbors of their locality.

Awareness on the importance of Organ donation.

Outcome of the event: Students got awareness on the importance of Organ donation i.e., which organs they can donate, how the organ functions after removing it from the body, and what is the maximum period that the organs can function. We have asked them to create awareness to their parents and neighbors of their locality.

Traffic Awareness Programme in Tenali Town

Date: 23.02.2019

Place: Tenali

UEAC Unit of VFSTR organized 'Traffic awareness program' on **23.02.2019**, at **Tenali town** by representatives from Traffic Police. Tenali traffic police gave informative lectures to the local peoples. They informed the students that owing to the violation of traffic rules on roads by underage driving roads have become very unsafe, especially for school children. They presented shocking statistics connected with road rage. According to Road Accident Statistics India 1214 road crashes occur every day in India. 20 children under the age of 14 die every day due to road crashes in the country. One serious road accident in the country occurs every minute and 16 people die on Indian roads every hour. Safe Drive Safe Life campaign was first launched by the West Bengal government to inculcate a sense of safe driving and responsible road behavior among people in the state. According to the philosophy of the campaign roads are an integral part of our life. Each one of us uses them to go to school, offices, markets, hospitals, and then to reach home back. Safe driving is an essential component of road safety. Every day, so many people lose lives due to irresponsible and reckless driving. So the purpose of the campaign is to ensure road safety by sensitizing the concept of safe driving among people, especially the youngsters and children. If you omit slightest precautions of safety, your life can be in jeopardy. Be extremely cautious when you drive on road. Follow all the traffic rules meticulously.

ACTIVITIES AND GAMES IN CHITHANNYA HIGH SCHOOL

Date: 16.03.2019

Venue: Chithannya High School

It was a great session today that the UEAC Unit had gone through Chithannya High School Tenali. UEAC volunteers involved with school children in games like kho-kho, Kabaddi with the children. It was a great time that we had spent with the children. The children had also participated actively in the sports. Most of the students had shown so much interest in sports competition. By this session, we hope that they can have at least one cleaning activity, 4 games competition period for a week which improves their health. The event ended up at 4:30 pm and all the students were back to their regular academic works. Total 30 UEAC volunteers are participated in this event.

Training for Kho-Kho

Outcomes: UEAC volunteers to explain awareness on the sports for school student and involve them to play games with us. Student gets to know about the importance of sports and by playing sports students will be in healthy and fit. By playing sports for nationals' students will get a job.

Government schools in remote/rural locations in India do not provide transportation facility to the students. As a policy, many a times the students need to travel to different a location which is assigned as their exam center. For the same, no separate conveyance is provided by the government and the students are all on their own. To ease their transportation, both in terms of monetary and safety, a larger institution in the vicinity could be helpful. Since Vejendla is one of the villages that VFSTR has undertaken, this service was thought to benefit such students and hence, the event was taken up. With just two buses to spare, a safe transportation was provided to the students appearing for board exam from ZPH School, Vejendla to Narakoduru. The service spanned from 18.03.2019 to 02.04.2019.

Venue: VN Palem

Civil department UEAC volunteers of VFSTR conducting **World Water Day** is held annually on **22 March** as a means of focusing attention on the importance of freshwater and advocating for the sustainable management of freshwater resources in our adopted village Veernayakunipalem. This Day is an opportunity to learn more about water related issues, be inspired to tell others and take action to make a difference. Water is an essential building block of life. It is more than just essential to quench thirst or protect health; water is vital for creating jobs and supporting economic, social, and human development.

- Village rally
- Village cleaning
- Demo and Cleaning of hand pump areas
- Discussion on restore, reuse, recharge and recycle the house hold water
- Demo on personal hygiene prevent diarrhoea and water borne diseases
- Accelerate individual house hold latrine and make the Gram panchayat ODF
- Meeting with community and PRIs on mainstreaming on water , sanitation and plantation linking to livelihood resilience

UEAC Program Officer Dr .K .V. Krishna Kishore, S&H faculty coordinator Dr. Vijaya Babu Palukuri said that with the help of student volunteers we have been doing this program in every year spending one day with few hours for this program.

Awareness Program on Child Labour

Date: 23.03.2019

Venue: Vadlamudi, Vejendla, Narakoduru and Chebrolu

The **UEAC unit** conducting awareness program on **Child Labour** in surrounding Govt schools from **23.03.2019**. Child labour is an abuse of children's rights and it is a vast and urgent problem all around the world. As child labour is so widespread and so complex, the only way we can put a stop to it is to all act together, at the same time. Governments, workers' and employers' organizations, law enforcement agencies, teachers, parents, community members, and especially children and young people themselves, must take a stance together, across the world, to demand the elimination of child labour!

Below are some suggestions on what you can do in your community, in your region, in your country to take action and get involved in the fight against child labour:

The first thing you can do is **BE AWARE** about the state of child labour in the world, and be informed about the abuses and injustices that go on. It affects you more than you would think. Then you are in a position to go and inform other people about child labour. In your region, establish contact with other young people in schools and community groups who could work with you in your action against child labour. Create a presentation pack to raise awareness on child labour using the resources material and photos available on the **IPEC Information resources** section. You could organize an activity with friends in your community to raise awareness about child labour. This could be a play, concert or public debate and you could involve local musicians, actors and artists in your community. Remember to also involve parents and family members, who can be precious sources of knowledge and inspiration. Perhaps you could make posters or write to newspapers or magazines about the issue. What ideas can you come up with to raise awareness about child labour? The **SCREAM** education pack will give you lots of ideas.

Awareness Program on Online Transactions in Surrounding Villages

Date: 28.03.2019

Venue: Narakoduru

UEAC team has conducted an awareness programme on online transactions in near by villages. Total 225 volunteers mix up with different departments conducted the programme in surrounding villages on 28.03.2019. Government of India has been implementing the scheme Digital India Programme. The volunteers have visited shops and households for creating an awareness and propagating the benefits in using digital transactions. Students were also demonstrated some mobile banking applications and online transactions among the rural citizens.

The UEAC volunteers of VFSTR explaining the online transaction in Kirana shops at Narakoduru Market

Outcome: Volunteers have pre-planned about the event and collected literature on different issues related to online banking transactions. The program helps the student to communicate with others and also how to convince the other person by their speech.

SWACHHATA HI SEVA AT V N PALEM BY I YEAR STUDENTS

Date: 28.03.2019

Venue: Veeranayakunipalem

UEAC volunteers of B.Tech I year have actively participated in 'Swachhhata Hi Seva' programme on Thursday, 28th March 2019 at our university adopted village Veeranayakunipalem. Student volunteers from section 1, 3, 6, 7, 14, 15 and 18 (total 85 volunteers) have participated. It was observed that some of the places especially near the temples and water tank in the village were very unhygienic and the garbage was thrown on both sides of the streets. Our volunteers divided into five teams cleared all the garbage from five places. Volunteers try to explain the importance of cleanliness and consequences to the villagers. Villagers appreciated the efforts made by the engineering students. The former surpanch of the village also extended his support to our team members. Dr. Vijayababu Palukuri, S&H department UEAC Coordinator and UBA Nodal officer, along with senior student volunteers, Leela, Madhav, Gowtham and Ahimamsh participated in the programme.

VFSTR Students of BTech I Year participated and organized the Cleanliness Awareness Program i.e., Swachhata Hi Seva at the Veeranayakunipalem Village.

SWACHH BHARATH SUMMER INTERNSHIP PROGRAMME: 2018

Dates: 13-06-2018 to 31-07-2018

"A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019", said Shri Narendra Modi as he launched the Swachh Bharat mission at Rajghat in New Delhi." This campaign aims to clean up the streets, roads and infrastructure of India's cities, smaller towns, and rural areas.

On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement. While leading the mass movement for cleanliness, the Prime Minister exhorted people to fulfil Mahatma Gandhi's dream of a clean and hygienic India. Shri Narendra Modi himself initiated the cleanliness drive at Mandir Marg Police Station. Picking up the broom to clean the dirt, making Swachh Bharat Abhiyan a mass movement across the nation, the Prime Minister said people should neither litter, nor let others litter.

Volunteers have planned different events in the selected villages like Awareness Campaigns, Nutakkad Natak, Swachhatha Melas, Door-To-Door Meetings, School Level Rallies and Street Cleaning And Waste Cleaning Drives.

AWARENESS CAMPAIGNS: In the village we found very unhygienic things where the whole garbage of more than two streets was thrown in an open area and that too which will be cleaned only once a week. We've talked to people and explained the consequences they're going to face if they continue in the same way without being hygienic, throwing garbage in front of their houses. Some realized and accepted their fault and tried their best to keep their surroundings clean.

NUTAKKAD NATAKS: we've played a skit for children regarding swachh bharath to make them which will intensifies them than our words so that even they could be more involved in that.

SWACHHATHA MELAS: we've campaigned in the village and made people to know the purpose for what we've came and the need to know about the harm caused due to unhygienic things like open defecation, being untidy and gave them suggestions of keeping their surroundings clean...etc

DOOR-TO-DOOR MEETINGS: In these meetings we have knocked many doors and talked to many people, they've thanked and appreciated for our voluntary service. Some explained their problems and requested us to take them to the panchayath secretary's notice. We've also talked to the secretary and even from her we got a positive response, she made the open garbage area cleaned by the next day.

SCHOOL LEVEL RALLIES: With the permission of the principle of government high school Garuvupalem we've took more than 100 students for rally along with their teacher. Those students actively participated in the rally. All of us did rally in the streets with a slogan **okka adugu swachhatha deesaga** and sensitized students, made them to know about the importance of cleanliness. We've also requested the students to pass and spread it's importance

STREET CLEANING AND WASTE COLLECTION DRIVES: this is the last part in which we've cleaned the roads where the garbage is spilled on to the roads and collected the waste into the trash bags provided. While we're doing this villager's felt guilt asked us for not to do this but helped us and took a little bit care without repeating it again.

TEAM REFLECTION

After streets cleaning we've collected the waste, we've complained about the irregular garbage collection. We've seen the result very fastely. When we go there it was cleaned by the next day, we felt happy. Villagers thanked and appreciated us for our awareness programme and voluntary service. Apart from all these when we conducted rally while leaving, students themselves were sensitized and thanked us for teaching them to be clean. It gave us a lot of satisfaction. Our Swachh Bharath internship is completed but not our attachment with that area even after this we're thinking to set up a dustbin with our college support and continue our relationship and still whatever we can do. Really this is a good opportunity where we find many things which can't be known by education.

International Yoga Day

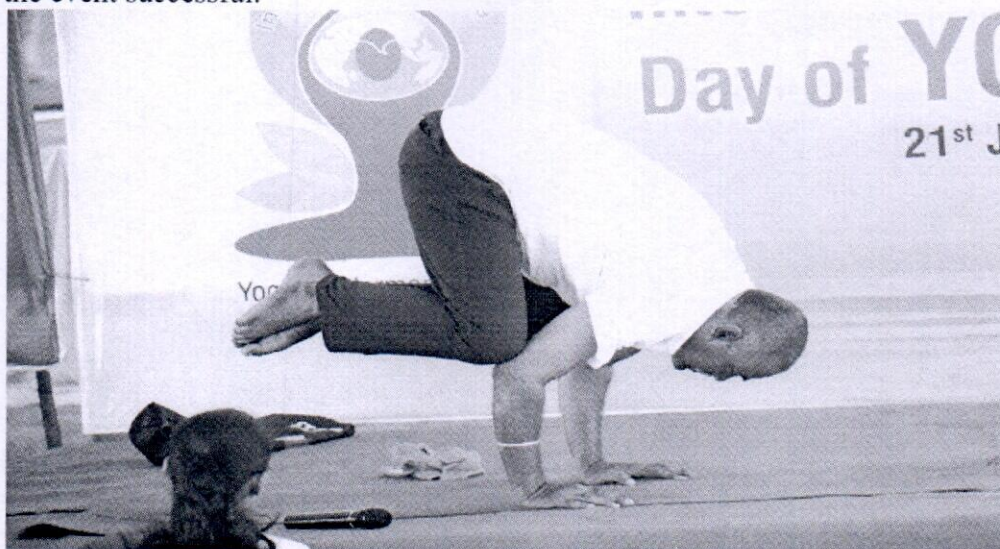

Date: 21.06.2020

Place: VFSTR

International yoga day was celebrated in a grand manner at 10 AM in convocation hall by following the protocol published by the department of Applied Engineering.

Ms. A. Radhika, Asst. Professor in the yoga practitioner at Acharya Nagarjuna University who was invited as chief guest stated in her speech that yoga, is not just a practice to lead a healthy life, but it itself is the way of life.

All the internal dignitaries, faculty and around 76 students participated and played their role in making the event successful.
