

### CIRCULAR

#### **Inter Departmental Project (IDP) Guidelines (B.Tech. III Year)**

Inter-departmental project work is undertaken in the 5<sup>th</sup> semester and continued till the end of 6<sup>th</sup> semester for earning two credits by each candidate. It is expected that the interdepartmental projects result in publication of a technical paper in a peer reviewed journal.

#### **Formative Assessment (60 M)**

**Total 4 reviews to be conducted in the current academic year: Two reviews in each semester and each review carries 15 marks.**

**Table 1: Schedule and parameters maybe considered during formative assessment**

Schedule	Review	Points to be considered	Formative assessment marks
5 <sup>th</sup> October 2024	Review -1	<ul style="list-style-type: none"><li>• Identification of specific area out of broad areas under the supervisor.</li><li>• Identification of outcomes in line with programme objectives.</li><li>• Identification of tools / equipment / surveys / training needs / etc.</li></ul>	15
2 <sup>nd</sup> week of November-2024 (Tentative)	Review -2	<ul style="list-style-type: none"><li>• Understanding by individual students on the overall aspect of the project.</li><li>• Completion of literature survey</li><li>• Design of equipment setup.</li><li>• Acquisition/Learning of the tool required.</li><li>• Readiness of about 25% documentation.</li></ul>	15

February-2025(Tentative)	Review -3	<ul style="list-style-type: none"> <li>• Progress review as per mechanism/schedule identified.</li> <li>• Evaluation or validation techniques of the project.</li> <li>• Structure of the Project report</li> <li>• Individual student contribution.</li> </ul>	15
April-2025(Tentative)	Review -4	<ul style="list-style-type: none"> <li>• Presentation of results analyses and conclusions.</li> <li>• Meeting of objectives defined in first review.</li> <li>• Preparation of report.</li> <li>• Understanding by individual students on the overall project.</li> <li>• Submission of technical article.</li> </ul>	15

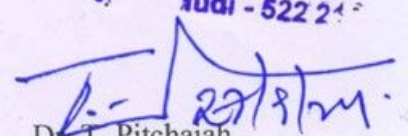

**Summative Assessment (40 M) : (May-2025: Tentative)**

The scheme of assessment will be report (15 marks), presentation (10 marks) and demonstration (15 marks) respectively. Points to be considered during the review.

- Presentation of results, analyses and conclusions.
- Meeting of objectives defined in first review.
- Preparation of report.
- Understanding by individual students on the overall project.
- Individual student contribution.
