## Awareness Program on Water Protection

An outreach extension activity was organized in Sekuru Village on the occasion of World Water Day by the Central Pollution Control Board (CPCB) in collaboration with the Department of Chemistry and the University Extension Activity Council (UEAC). The program aimed to create awareness among the local community about the importance of water conservation, protection of water resources, and prevention of water pollution.

As part of the initiative, B.Tech students actively participated in spreading awareness among villagers about the responsible use of water and the need to protect natural water sources. The students interacted with residents and explained practical and simple water-saving practices that can be adopted in daily life. They emphasized the importance of conserving water for future generations and maintaining clean water bodies for sustainable development and public health. During the outreach activity, students and faculty members conducted informative discussions and demonstrations highlighting the causes and effects of water pollution. The villagers were educated on responsible water usage, proper sanitation practices, and the importance of preventing contamination of drinking water sources.

The program encouraged active participation from the local community, who showed interest in learning about sustainable water management practices. Through interactive sessions, the villagers gained a better understanding of the need to safeguard water resources and adopt eco-friendly habits.

Overall, the outreach activity served as a meaningful platform for students to connect with the community while promoting environmental awareness and responsible water management practices at the grassroots level. The event was convened by Dr. M.S.S.R. Tejaswini, Dr. M.V.K. Srivani, and Mr. Ramana.

# Admissions Open

FOUNDATION FOR SCIENCE, TECHNOLOGY AND RESEARCH  
Guntur - Hyderabad

## V-SAT 2026

### ADMISSIONS OPEN

Based on Intermediate 1st Year Marks

**Your Dreams**  
Deserve a **Head Start**  
— Take the V-SAT 2026!

Courses Offered

- ▶ Engineering
- ▶ Pharmacy
- ▶ B.Sc.(Hons) Agriculture
- ▶ Business & Management
- ▶ Social Sciences & Humanities

APPLY NOW!

For V-SAT 2026 and grab up to **75% scholarship**

For More Details Contact:  
**7799 427 427**

Vignan's University has announced that admissions are open for various undergraduate programs, and students can also appear for V-SAT 2026, the university's entrance test for eligible courses. The university offers a wide range of programs, including engineering, pharmacy, B.Sc. (Hons) agriculture, business & management, and social sciences & Humanities. Through V-SAT 2026, students have the opportunity to secure scholarships of up to 75%, supporting talented students in pursuing quality education. With strong academic standards, modern infrastructure, and national recognitions like NAAC A+ and NIRF ranking, Vignan's University continues to provide students a strong foundation to achieve their dreams and build successful careers. Apply now to take the next step toward a bright future.
