Workshop on Data Visualization using Power BI

The Department of Computer Applications successfully organized a 3-day national workshop on data visualization using Power BI titled “Transforming Data into Insights. The workshop was conducted in collaboration with SIS Software (India) Pvt. Ltd., Hyderabad, aiming to equip students with practical knowledge of modern business intelligence (BI) tools widely used in industry.

The resource person, Mr. Mallampati Venugopal, Technology Analyst at SIS Software (India) Pvt. Ltd., delivered expert sessions drawing from his extensive experience in enterprise analytics, dashboard development and BI implementations. His industry-oriented approach provided students with valuable real-time exposure to corporate BI practices.

He emphasized the growing demand for data analytics and visualization tools in today’s digital era. He highlighted how organizations increasingly rely on analytical dashboards for strategic decision-making and encouraged

students to actively engage in the hands-on sessions.

The first two days were dedicated to Power BI. Sessions covered business intelligence fundamentals, types of analytics and Power BI architecture. Students gained practical exposure to Power BI Desktop, data connectivity and Power Query Editor for data transformation. Concepts such as data cleaning, data modeling, establishing table relationships and schema design were explained in detail.

Special emphasis was placed on DAX (Data Analysis Expressions), enabling students to create calculated columns, measures and time-intelligence functions. Interactive dashboards were developed using various visualizations and report publishing through Power BI Service was demonstrated. The third day introduced QlikView and Qlik Sense, providing insights into their associative data models, scripting, ETL processes and self-service analytics features. Comparative analysis

helped students understand future innovations and evolving trends in BI platforms.

The workshop concluded with a valedictory session and certificate distribution. The program was organized under the guidance of Prof. N. Veeranjanyulu, Head of the Department, and effectively coordinated by Mr. K. Raghavendra Murali and Mr. Sayyad Irfan, ensuring the successful execution of all sessions.

Staff Attendance Details on 04-03-2026

Staff	VIMS Total	Present	Dynamic Thumb	OD	Total Attended	% of Attendance
