WISE Tech India Pitchathon 2026 - Andhra Edition Launched at Vignan

The Wise Tech Pitchathon Season 2 – Andhra Edition was successfully hosted by Vignan Technology Business Incubator (Vignan TBI) at Vignan's Foundation for Science, Technology & Research, bringing together startups, mentors, and ecosystem leaders for a day of innovation and entrepreneurial learning. The event was organized in collaboration with the Wise Tech team from SP Jain Institute of Management and Research (SPJIMR).

The pitchathon provided a valuable platform for emerging startups to present their innovative ideas and receive feedback from experienced industry experts. Ten promising startups from across Andhra Pradesh participated in the competition, including Vetdiag Genomix, Grassip, Anjio MedTech, Hanumax Technologies, Reaidy.io, ONYEG, Magicteams, SAIDA Wind Power Solutions, Bid Alert, and ALERT24.

The startups showcased solutions across sectors such as healthcare, deep technology, and digital platforms. After evaluation by the jury panel, Vetdiag Genomix won the first prize of ₹30,000. Anjio MedTech secured the second prize of

₹20,000, while Grassip received the third prize of ₹10,000. The winning teams will advance to the national stage to compete for a prize of ₹5 lakhs and gain opportunities for investor funding, along with access to a specialized acceleration bootcamp. Addressing the gathering, Dr. Siddharth Jain from SPJIMR delivered an insightful session on business model development. The event concluded with enthusiastic participation, reinforcing Vignan TBI's commitment to promoting innovation and startup growth in the region. The program witnessed the participation of Dr. Vijayaramu, Principal Investigator of DST-supported Vignan TBI, along with startup founders, mentors, and ecosystem experts who actively engaged in discussions and interactions during the event.

Value-Added Course on Salesforce

The Department of Information Technology, VFSTR, organized a Five - Day Value-Added Course on "Cloud Computing with Salesforce & Salesforce-Based Cloud Application Development." The program began with sessions delivered by Mr. G. Sravan Kumar, Senior Software Engineer at LTIMindtree, Hyderabad, who introduced students to cloud computing fundamentals and practical application development using Salesforce. During the sessions, students learned about CRM platforms, automation tools, reports, dashboards, and real-time application development through hands-

on demonstrations and industry-oriented examples. The course also highlighted the growing importance of cloud technologies and their role in future innovations, encouraging students to explore careers in cloud computing and enterprise software development. The program was organized under the guidance of Dr. K. Sujatha, Head of the Department, with coordination by Mr. B. Naga Sudheer, Assistant Professor, and support from Dr. M. Srikanth Yadav, Associate Professor and Deputy HoD, Department of Information Technology.
