International Women's Day was celebrated with enthusiasm at Vignan's University in Vadlamudi, Chebrolu mandal, where the programme began with the ceremonial lighting of the lamp by the dignitaries.

The celebrations were held under the theme "Give for Gain – Empowering Women for a Strong and Inclusive Future," which emphasised that investing in women's education, safety, welfare, and leadership abilities contributes to social progress and prosperity. Addressing the gathering as the chief guest, Richa Verma, Programme Director at the Indian School

of Business, said that leadership is not merely about holding positions of authority but about responsibility, values, sound decision-making, and the ability to inspire others.

She emphasised that educational institutions play a crucial role in nurturing leadership qualities among youth, particularly among female students, and encouraged them to recognise their abilities and move forward with confidence. Speaking on the occasion, Dr. Jyotsna Vinukonda, from Health Hospital in Tenali, said that true development can be

achieved only when women are given equal opportunities in all fields, including education, business, technology, and administration. She advised young women to set clear goals and work with determination to overcome challenges. Social and environmental activist Korrapati Vanisri highlighted the importance of values such as patience, cooperation, and adaptability in women's lives. She noted that empowering women strengthens families and contributes to the overall development of society. The programme was organised by the Women Empowerment and Development Cell. Distinguished

guests including DRDO Joint Director and Scientist F. Anita Puri Mohindra, Padma Shri awardee and Prajwala Foundation founder Dr. Sunitha Krishnan, and In-charge Vice-Chancellor Prof. K. V. Krishna Kishore, along with deans, heads of departments, faculty members, staff, and students attended the event.
