CSBS Star Shines Bright with Amazon Offer

Ms. G. Likitha Chuvya (211FA20002), a final-year CSBS student from the Department of ACSE, has brought immense pride to the institution by securing a prestigious role as a System Development Engineer at Amazon with an impressive package of ₹40 LPA. Her dedication, exceptional technical skills, and relentless hard work have culminated in this remarkable achievement. The Dean, Head of the Department, Deputy HoD, and faculty members of ACSE wholeheartedly congratulated Chuvya and commended her outstanding accomplishment.

Her success serves as a shining inspiration for her peers, motivating them to aim high and persevere in their academic and professional pursuits. The department extends its best wishes to her for a bright and successful career at Amazon.

Empowered by Excellence: Amazon Recruits Varsha and Ansariya

The Department of Advanced Computer Science and Engineering congratulated C. Varsha and Ansariya, final-year students of the Artificial Intelligence and Machine Learning program, on securing exceptional placements at Amazon, recognizing their hard work, dedication, and remarkable achievements. Varsha secured an outstanding offer of ₹35 LPA, while Ansariya received an impressive ₹29 LPA, reflecting their exceptional technical expertise, dedication, and consistent hard work.

Their success stands as a testament to the quality education, guidance, and mentorship provided by the department. The Dean, Head of the Department, and Deputy HoD commended their perseverance, passion for excellence,

and remarkable achievements in the field of AI and Machine Learning.

These accomplishments not only serve as an inspiration to fellow students but also highlight the growing strength of the AIML program in producing industry-ready talent. The department extends its heartfelt congratulations and best wishes to both for a rewarding and successful career at Amazon.

From Campus to Career: Siraj Shaik Secures ₹21 LPA at JusPay

The Department of Advanced Computer Science and Engineering is proud to announce the exceptional achievement of Mr. Siraj Shaik, a 2025 graduate from the Artificial Intelligence and Machine Learning program. Siraj has secured full-time employment with JusPay, earning an impressive package of ₹21 LPA. His dedication, technical expertise, and consistent performance have set

a remarkable benchmark for his peers.

The faculty, Head of the Department, and Dean of ACSE deeply appreciate his hard work and commitment. His success serves as a source of inspiration for aspiring engineers and reflects the department's strong focus on academic excellence and industry readiness. The ACSE fraternity extends its heartfelt congratulations and best wishes to Siraj for a bright and successful career at JusPay.

Rising Star from AIML Shines at Asset Sense

Venu Vardhan Kantheti (221FA8117), a final-year B.Tech AIML student from Section A, has secured a prestigious offer from AssetSense as a Product Development Engineer with an impressive package of ₹9.5 LPA. His remarkable achievement is a testament to his technical expertise, dedication, and innovative mindset. AssetSense, renowned for its advanced solutions in asset intelligence and digital transformation, provides an

excellent platform for his professional growth.

The Dean, Head of the Department, Deputy HoD, and faculty members of the ACSE department proudly commend his efforts and

success. Venu Vardhan's accomplishment serves as an inspiration to all aspiring engineers. The department extends its heartfelt congratulations and best wishes for his bright and successful professional journey ahead.

as his dedication to robust defensive security practices. By mastering these critical domains, he not only advances his professional capabilities but also strengthens the department's overall cybersecurity expertise.

His achievement stands as a source of inspiration for both students and colleagues. The Dean, HoD, Deputy HoD, and faculty members commended his efforts and congratulated him on this remarkable success.

ACSE Faculty Secures Prestigious Blue Team Level 1 Certification

Mr. Sai Krishna Teki, Assistant Professor in the Department of Advanced Computer Science and Engineering (ACSE), has earned the prestigious Blue Team Level 1 (BTL1) certification. This intensive 24-hour hands-on assessment evaluates expertise in phishing analysis, threat intelligence, digital forensics, SIEM operations, and incident response. This accomplishment underscores his proficiency in detecting, analyzing, and mitigating cyberattacks, as well

Cybersecurity Innovators Bag ₹1 Lakh for Video Conferencing Solution

Yerilkala Venkata Pranay Kumar (211FA19002), Koppineedi Lokesh (211FA19069), and Kotamraju Umesh Chandra (211FA19001) from the Cybersecurity stream (2021–2025 batch) of the Department of Advanced Computer Science and Engineering have been awarded a cash prize of ₹1,00,000 for their outstanding and innovative project titled “Development of a GUI-based Video Conferencing Application.”

Their project, which made a significant contribution to the

university, showcased exceptional technical expertise and creativity by delivering a robust real-time communication platform. The Chairman, CEO, and Vice-Chancellor congratulated and commended the team for their dedication to innovation and practical problem-solving.

The department takes immense pride in their remarkable achievement and extends its best wishes for their continued success in future technological endeavors.

MoU Signed Between Vignan University and IIT Hyderabad

Vignan University, Vadlamudi, has signed a Memorandum of Understanding (MoU) with the Indian Institute of Technology Hyderabad (IIT-H) to strengthen academic and research collaboration. Registrar Dr. P. M. V. Rao exchanged the MoU documents with Prof. G. Narahari Sastry, Dean of Sponsored Consultancy and Research at IIT-H. The partnership aims

to focus on interdisciplinary R&D projects in emerging and niche areas, the exchange of research materials, publications, and intellectual property, as well as the joint development of innovative intellectual properties through collaborative projects.

This agreement is expected to enhance knowledge sharing,

promote cutting-edge innovations, and create impactful solutions for real-world challenges. It also marks a significant step towards fostering stronger ties between academia and industry. The event was attended by IIT-H Biotechnology faculty, deans.
