Cambridge Agrees to Extend Further Support to VFSTR

South Asia Cambridge Certification Executives from the Chennai office of Cambridge, Mr. Kevin Harold Jude Coyne and Mr. Manish Puri, visited Vignan's University on May 25, 2023, to meet the Core Committee of Cambridge Centre IN269, VFSTR. The Committee comprises the Head of the English Department, Prof. A. Sharada, (also the Team Lead for IN269), the Centre Exams Manager, Dr. A. Suresh Babu, and Dr. K.V.B. Ravindra Babu, Dr. P. Vijay Babu, Dr. G. Nageswara Rao, Mr. U. Sree Ranganath, and Mr. K. Sree Raghu Ram interacted with the visiting delegates on the previously circulated agenda.

The visiting delegates of Cambridge assured teacher and student support activities that had been suggested by the Chairman, Dr. Lavu Rathaiah, in an earlier meeting that the delegates had had with him.

The delegates proposed a list of student and teacher support activities for the year 2023.

The proposed activities are:

S.No	Proposed activity	Timelines
1	Delegates promised to send a team of language experts to monitor the English Teachers' classes and offer their feedback to improve English language teaching and learning process.	October 2023
2	A series of lectures by native English Language Expert(s) for students on <ul style="list-style-type: none"> Preparing for Work Email Etiquette Presentation Skills Business Etiquette Negotiation Skills *Through online platform such as webinars	Two talks in a semester for II and III year students
3	An external resource person would be deputed from Cambridge to orient the University students on communicative skills in general and PET and BEC Certification in particular during the bridge course.	For all I-Year students in June or July 2023

4	As a way of extending teacher support, they expressed willingness to share online learning materials with the English faculty of the University	July and August 2023
5	They agreed to provide 4 tokens for Lingua skill to VFSTR faculty during the annual teacher training programs	Every academic year
6	They confirmed that they were ready to provide exclusive Teacher Support Training (TSP) for the English faculty of Vignan Group	As and when needed
7	Impact study would be conducted to assess the efficacy of PET Certificate at the entry level and BEC Certificate at the advanced level to advise faculty on the instructional strategies and no of instructional hours to be offered to students	2023-2024/2025 academic year
8	An annual event to be planned to honour the Toppers of PET and BEC with a Certificate Distribution Ceremony where a dignitary on behalf of Cambridge shall be invited to felicitate the toppers and grace the occasion.	Once a year

Other points discussed and finalised in the meeting were:

- From this December 2023, as the Business English Certificate is to be phased out and dropped from the main suite of Cambridge English exams, the Vignan team raised the topic of other certificates that could be introduced to the III

year students to promote their employability in the industry and higher education opportunities overseas. After deliberations, the committee decided to offer B2 first certificate training for the Vignan Students as an alternative to BEC, as the certificate has global level recognition and would aid students seeking admissions for their Master's programme into

foreign universities and would help them garner job opportunities with business corporations, both in India and abroad. The Cambridge delegates agreed that they would depute Master Trainers for the Teacher Support Program (TSP) free of cost, to enable teachers towards becoming B2 First trainers and Speaking Assessors.

2. The committee also

expressed their interest to make Vignan University a Centre for Teacher Knowledge Test (TKT) course and certifications and requested support from the visiting delegates to support the centre in terms of course material, text books for it.
