## Inauguration - ICSSR-Sponsored Two-Week Capacity Building Programme in the Dept of EOFL

The Department of English and Other Indian and Foreign Languages, VFSTR), inaugurated the ICSSR-Sponsored Two-Week Capacity Building Programme for Faculty on May 19, 2025. This national-level initiative is designed to strengthen the academic and research competencies of faculty working in various domains of social sciences and humanities.

With a structured and holistic department, the programme aimed to broaden participants' academic perspectives, improve research capabilities, and introduce innovative teaching strategies. A cohort of thirty faculty members and research scholars from esteemed institutions across India, including participants from VFSTR, are taking part in this academic enrichment programme.

The inaugural session was marked by insightful addresses from eminent scholars. Prof. CSR Prabhu emphasized the holistic and inclusive essence of the Indian Knowledge System, urging educators to harness its relevance in contemporary research.

Prof. Balaganapathi Devarakonda advocated for a multidisciplinary framework to address the complexities of modern education and societal development.

Prof. Col. P. Nagabhushan, Vice Chancellor, highlighted the imperative of fusing traditional Indian values with modern technological knowledge to bring meaningful reform to the current education system. He emphasized that the evolving needs of society and the nation call for an educational model

that not only imparts knowledge but also empowers individuals to create and innovate for future challenges.

The programme curriculum covers a diverse range of themes, including research design, academic writing, theoretical foundations, and emerging areas in social science inquiry. Participants are enriched with practical training in advanced tools such as SPSS, NVivo, and GIS, which are vital for empirical research and data analysis. Furthermore, the sessions are equipping educators with learner-

centric pedagogical methods that enhance classroom engagement and instructional effectiveness.

Key outcomes of the programme include improved methodological expertise, technological proficiency, and greater readiness to contribute to academic publications and research projects. The initiative also aims to build capacity for grant writing and securing competitive research funding.

By promoting collaborative learning and interdisciplinary exchange,

this ICSSR-supported endeavour is not only enriching individual participants but also contributing to the broader goal of elevating the standards of education and research in India. The programme stands as a testament to VFSTR's commitment to academic excellence and national development in the fields of social sciences and humanities.

### Birthday Wishes

Students, Staff and Management wishes

Happy Birthday to

18.05.2025

**Mr.Vejendla Ravi Teja**

Attender, GUEST HOUSE

**Ms.Swathi Koganti**

CAS, CSE

**Dr.Manepalli Sekhar**

Asst. Prof., ECE

**Dr. A. Selvam**

Asst.Prof., Mathematics

19.05.2025

**Mr. Yedukondalu Dokku**

Asst. Prof., MBA

20.05.2025

**Ms.J.J.Haritha**

Jr. Asst., CHEMICAL

**Mr.T.Sridhar**

Office Suptd., EXAMCELL

**Mr.M.S.Kishan Varma**

Asst. Prof., MBA

**Dr.Venkata Kishore K**

Assoc. Prof., ECE

**Ms.J.Deva Kumari**

Lab Asst., CSE

**Dr.Sannu Venkateswarlu**

Asst.Prof., MATHEMATICS

**Dr.Kommoju Vallayachari**

Asst. Prof., BT

**Mr.Panakalu Sontti**

Jr. Asst., IT

21.05.2025

**Mr. Venkata Pandu Ranga Rao H**
