Information for students who require a Tier 4 visa to study in the UK

If you require a Tier 4 visa to study in the UK, we will be in contact with you by email with a link to our online pre-CAS questionnaire which you will need to complete before we can issue your CAS. Once you have completed and we have approved your CAS questionnaire responses, and you have provided all required documentation, you will be able to access your CAS statement on your myEssex applicant portal. Please note that if we find that you are unable to meet all Tier 4 requirements (including when there have been changes to these requirements made by the UK Home Office), we may not be able to issue you a CAS.

If you are self-funding all of your tuition fees, or you are funded by an unrecognised body, you will be required to pay a non-refundable tuition fee deposit before a CAS can be assigned. Further information is available on our website about our tuition fee policy and payment process <https://www1.essex.ac.uk/fees-and-funding/current/payments/>.

Academic Excellence Scholarship

Congratulations, you will be eligible for the award of the University of Essex Academic Excellence Scholarship when you fulfil the condition(s) specified in this offer. The scholarship is worth £5000 and is awarded on academic merit to students who are fully self-funded. The amount awarded will be discounted from your tuition fee payment at Registration. More information about all funding opportunities, including award terms and conditions, can be seen here: www.essex.ac.uk/fees-and-funding/.

Fee Status

Your fee status has been determined from the information provided in your application. The University may review your fee status during the admissions process and reserves the right to amend your fee status in accordance with UK Fees and Awards legislation. Information about fee status assessment is available on the University websites' [fee status guidance](#). If you have been classified as UK Home or EU Home fees, this does not guarantee Student Finance funding for fees or living costs. The Student Loans Company will conduct their own eligibility assessment.

Tuition Fees

If your course is longer than one year, the tuition fee quoted is for the first year of study. Tuition fees normally increase each academic year. More information is available on our website [fees and funding guidance](#).

English Language assessment

If English is not your first language, you will be required to take an English language assessment upon arrival at the University. This is to identify where students may require additional English language support.

internationalsupport@napier.ac.uk

We are delighted that you have accepted our offer of admission and that you have met our entry conditions. The CAS (Confirmation of Acceptance for Studies) number and other information provided in the CAS Statement below can be used to complete your visa application. You may choose to include this copy of your CAS Statement with your visa application but it is not compulsory.

You will find some useful information to help with your visa application attached.

Checking for corrections

Please check that the CAS statement is correct and let us know immediately if any details are wrong or have changed (such as fees paid recently) prior to applying for your visa. If you do not request any necessary corrections before making your visa application, we cannot be held responsible for any subsequent problems with your visa. If you intend to make a further payment towards your tuition fees, please do not use your CAS until the payment has cleared and you have been advised to proceed by the relevant Admissions Team.

Important information

If you are coming to the UK for a period of study of more than six months, you will receive a multiple entry 30 day sticker in your passport if your visa application is successful. When your visa is granted, you will receive details on where you must collect your student visa after your arrival in the UK. More information is contained in the email attached.

As part of your application for a Tier 4 (General) Student visa, it is likely you will be required to attend a Credibility Interview with an Entry Clearance Officer. You should check your email (including the 'junk' folder) regularly as your visa application is likely to be refused if you are asked to attend an interview and you fail to do so without good reason. More information is contained in the email attached.

If you have an official financial sponsor you must provide an original copy of your sponsorship letter with your visa application.

Enrolling at the University

You must register at the University before the latest start date as stated on your CAS Statement. If you fail to do this, the University is required to report your non-attendance to UK Visas and Immigration. In such circumstances your visa will be withdrawn by UKVI and if you have entered the UK you will be required to return home immediately. It is very important that you register as soon as possible following your arrival in the UK.

You should contact us immediately if your visa application is unsuccessful (refused) and you must include the refusal notification.

Congratulations! You have met the requirements for admission to the masters program in Information Technology and Management at The University of Texas at Dallas' Naveen Jindal School of Management for the Spring 2021 semester. We share your excitement as you begin this next stage in your educational career. Your program director, Mark Thouin (msitm@utdallas.edu), and academic advisors will be here to assist you with any questions or concerns you may have throughout the course of your program.

Please note that as a graduate student, you carry certain responsibilities that may not have been present in your undergraduate experience. Be aware of the information contained in the Graduate Catalog, JSOM Policies page, and on the Academic Calendar, all of which are available online. Failure to read them does not exempt you from the rules and regulations therein pertaining to your academic experience.

- As part of your degree program prerequisites, you will need to complete a one credit hour Professional Development course. Details on the course can be viewed on the Jindal School of Management page.
- Plan time to visit the Advising Office to review the requirements of your degree plan and to remove your advising hold. Please try to plan several visits while you are a student.
- Closer to the beginning of your semester, you will receive an email with information regarding the Jindal School of Management's Graduate Orientation. Please make it a priority to attend this important event. It will provide an opportunity for you to meet your program director.
- When you reach the final semester of degree plan requirements you must fill out a graduation application by the posted deadline of your graduating semester. Failure to apply for graduation by the applicable deadline will result in a semester's delay in your graduation.

Our faculty and staff look forward to assisting you during your educational journey. We are confident that your experience at UT Dallas will include a welcoming environment, an intellectual challenge and a first-rate faculty in your field of study.

Sincerely,

Monica Powell - Associate Dean, Graduate Programs
