ABOUT THE UNIVERSITY

K.R. Mangalam University is the fastest-growing higher education institute in Gurugram, India. Since its inception in 2013, the University has been striving to fulfil its prime objective of transforming young lives through ground-breaking pedagogy, global collaborations, and world-class infrastructure.

As K R Mangalam University stepped into the innovative world, and gained exposure to unlimited learning with employment opportunities beyond the social and geographical boundaries. KRMU being a progressive learning platform is a host to knowledge-seekers from across the globe. KRMU has signed MOU with Middlesex University, London, Houston University, Roehampton University and many more under which many articulations are being designed for advanced learning programmes.

ABOUT THE IQAC

Quality enhancement is a continuous process, the IQAC become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance.

The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation in all the constituents of the University. It will not be yet another hierarchical structure or a record-keeping exercise in the University.

IQAC will be a facilitative and participative voluntary system/unit/organ of the University. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies by IQAC to remove deficiencies and enhance quality like the "Quality Circles" in industries.

2-Day National Workshop on "Mentoring to NBA Documents Preparation"

9th & 10th January, 2021

Organized by

Internal Quality Assurance Cell
K R Mangalam University, Gurugram

SEMINAR THEME

Indian education system is evolving and the National Board of Accreditation(NBA) is leading the transformation. It is by far the most important criteria to judge the efficacy for diploma, undergraduate and post-graduate programs taught in India. The government recognises this and even AICTE has made getting NBA accredited for engineering and management programs by 2022 a mandate now checks out complete NBA Accreditation Process below.

The National Board of Accreditation (NBA) is the major accreditation body for Engineering and Management Programs in India. It was established in 1994 by the AICTE and became autonomous in 2010.

NBA's vision is to be an accreditation agency of international standards. Since 2014, it has been a member of the Washington Accords. Becoming a member of the Accords ensures substantial equivalency of programs that have been accredited by the other members.

However, an important point to note is that only the programs with Tier I institutions are eligible for this recognition.

Given the importance of getting NBA accredited, it's only fair that you would want to take a deeper look at the NBA. Go ahead and read our blog on Understanding NBA Accreditation to get some better insights on this subject.

NBA Accreditation Process

Having understood the importance, we now look at the process of getting your programs NBA accredited. These are the six steps of the supposedly cumbersome process:

- * Checking readiness for NBA and registering
- * Preparation of Self Assessment Report (SAR)
- * Applying for NBA and submission of SAR
- * NBA team visit and evaluation
- * Submission of evaluation report and recommendation by EAC
- * Accreditation decision by Academic Advisory Committee

About the Resource Persons:

Dr. M. Ramakrishna, Dean, IQAC and Professor in Mechanical Engineering, with a vast experience in handling quality aspects and exposure with accreditation bodies.

Dr. V Srinivasadesikan, Associate Dean, IQAC and Associate Professor in Chemistry. He is expert in computational chemistry and visited countries like Taiwan, USA, S.Korea. He is involved in activities related to NAAC, UGC.

Dr. K. Balamurugan, Associate Dean, IQAC and Professor in Mechanical Engineering. His research area includes Materials and Optimization of Materials. For the last two years he is looking after NAAC, AICTE.

Dr. Y. Jyothi, Associate Dean, IQAC and Assistant Professor in Mechanical Engg. She is actively involved in IQAC activities such as NAAC, NIRF.

All correspondence may be addressed to:

Dr. Meena Bhandari

Director of IQAC,
K R Mangalam University
Sohna Rd., Sohna Rural - 122103
Haryana, India.

Chief Patron:

Yash Dev Guptha

Chairman, K R MANGALAM UNIVERSITY

Patrons:

Prof. Adithya Malik

Vice-Chancellor, K R MANGALAM UNIVERSITY

Prof. Avireni Srinivasulu

Pro Vice-Chancellor, K R MANGALAM UNIVERSITY

Convenor:

Dr. Meena Bhandari

Director of IQAC, K R MANGALAM UNIVERSITY

Co-Convenor:

Ms. Richa Agarwal

Assistant Professor

Executive Committee:

Dr. Shyam Sunder Sharma, Professor & Dean

Ms. Hemani Singh, Professor & Dean

Prof. M P Verma, Professor & Dean

Dr. Arun Garg, Professor & Dean

Dr. Kiran Bala, Professor & Dean

Dr. Meena Bhandari, Associate Professor & Dean

Prof. Vijay Anand Dubey, Professor

Dr. Prakash Chandra Jena, Associate Professor

Ar. Nisha Sharma, Assistant Professor

Ms. Ritika Saxena, Assistant Professor
