## ABOUT THE UNIVERSITY

Vijaya Institute of Pharmaceutical Sciences for Women (VIPW) is established in the year 2009 by S.R.K. FOUNDATION under the Chairmanship of Sri Boyapati Srinivasa Appa Rao, a renowned educationalist and industrialist having more than three decades of rich experience in promoting and administering the professional colleges.

The institution is committed to provide quality education and empower women in the field of pharmacy to cater to the needs of the society in health care sector and also to uplift the socio-economic status of women through quality education.

The institution is permitted by Govt. of Andhra Pradesh, AICTE New Delhi, approved by Pharmacy Council of India-New Delhi, affiliated to JNTU Kakinada and is certified by ISO 9001-2015.

The college offers B. Pharmacy (100 seats), Pharm D (30 seats) and M. Pharmacy in Pharmacology (15 seats), Pharmaceutics (15 seats), Pharmaceutical Analysis (15 seats) and Pharm D (PB 10 seats).

## ABOUT THE IQAC

Quality enhancement is a continuous process, the IQAC become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance.

The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation in all the constituents of the University. It will not be yet another hierarchical structure or a record-keeping exercise in the University.

IQAC will be a facilitative and participative voluntary system/unit/organ of the University. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies by IQAC to remove deficiencies and enhance quality like the "Quality Circles" in industries.

### 2-Day National Workshop on "Awareness on NIRF Ranking"

10<sup>th</sup> & 11<sup>th</sup> December, 2020

Organized by

Internal Quality Assurance Cell

Vijaya Institute of Pharmaceutical Sciences for  
Women

## SEMINAR THEME

The National Institutional Ranking Framework (NIRF) was approved by the MHRD and launched by Honourable Minister of Human Resource Development on 29th September 2015.

This framework outlines a methodology to rank institutions across the country. The methodology draws from the overall recommendations broad understanding arrived at by a Core Committee set up by MHRD, to identify the broad parameters for ranking various universities and institutions. The parameters broadly cover "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," "Outreach and Inclusivity," and "Perception".

India Rankings – 2016 based on this framework were released on 4th April 2016.

For India Rankings – 2017, the main ranking parameters remain the same. However, there are a few significant changes in a few sub-parameters. Also, this year every large institution will be given a common overall rank as well as a discipline specific rank as applicable.

## About the Resource Persons:

**Dr. M. Ramakrishna**, Dean, IQAC and Professor in Mechanical Engineering, with a vast experience in handling quality aspects and exposure with accreditation bodies.
