School of Applied Science and Humanities
Department of English and Other Indian and Foreign Languages
A Visit to Kondapalli Fort
English: Vocabulary Building Activity (IT)
30th July 2022
Report

The Department of English of and Other Indian and Foreign Languages organised a visit to Kondapalli Fort. It is locally known Kondapalli Kota, lies to the west of Vijayawada, the second largest city of Andhra Pradesh. It was built in 14th century. It is around 70 kilometres away from the university. The fort is situated on the hill range looks a pictures beautiful place to visit and enjoy the surroundings.

The aim of conducting the visit to Kondapalli Fort is to create awareness among the students about our rich cultural and heritage and its preservation by the government agencies. Wide open spaces and landscaped sprawling lawns are good enough to spend value time with friends and family members.

The students were made to know about the fort, its architecture antiquities. After having seen the fort students of Information Technology were asked to gather at one of the beautiful spots for organising “Vocabulary Quiz”.

The faculty divided the students into teams and started the quiz. It is considered as one of the best activities to build one’s vocabulary. Spelling of word, meaning and pronunciation are to be said by the team members when they were asked by the faculty. Overwhelmingly, the passionate enthusiastic students participated in the quiz even and had a wonderful closure of the day.

The quiz enabled the student to know the word, its meaning and pronunciation. These kinds of activities are certainly going enrich knowledge and help students to improve their word power.

A total of 121 students from IT department participated in the quiz competition. It was really a fun-loving quiz filled with amusement and entertainment.
