3. Student grievances (Retotalling, Revaluation and answer scripts verification):

Even after thorough scrutiny for ensuring the correct transfer of the marks on to the cover page of answer booklet and award sheet, there may be some cases, where this process has failed, leading to posting of wrong marks. The purpose of re-totalling is to correct this mistake. Re-totalling has to be done in the presence of the student by referring to photo copy of the answer booklet. Original booklet should not be used for re-totalling.

Even with the availability of comprehensive scheme of valuation, there may be chances that the valuation may not have proceeded as per the scheme. There may also be chances that some questions / pages are missed by the valuator during evaluation, due to oversight. The purpose of re-valuation is to see that these mistakes are corrected and justice is done to student.
