Women Health and Safety

Date:06.10.2023
Venue: Angalakuduru

The UEAC team from the Biomedical branch conducted an awareness event on Women's Health & Safety in Angalakuduru village on October 6, 2023. The event aimed to promote awareness on women's safety and empowerment, emphasizing the need for proactive measures to prevent lifelong trauma and ensure a secure environment for all.

The NSS section coordinators, chief coordinators, and volunteers conducted an awareness camp on Women's Health & Safety, emphasizing the importance of women's well-being and security. The team engaged with community members through house visits, highlighting the need for strategies, policies, and safe spaces to reduce gender-based violence and ensure safety. The session saw active participation from 15 attendees, contributing to the goal of fostering a safer and more informed society.

UEAC team members including section and chief organizers and coordinators and 35 volunteers gathered in college. The event started at 11:30 PM by gathering the people. Finally, the event was completed at 2:00 PM.

Awareness on Women Empowerment

Date:29.02.2024
Venue: ZPH School Vejendla

We, the team UEAC, conducted the "Women Empowerment" event on 29 February 2024. The aim of the event is to advocate for gender equality, empower women, and promote their participation in all spheres of life. The event aimed to address challenges faced by women, celebrate their achievements and inspire action towards creating a more inclusive and equitable society.

25 members including the chief organizers and chief coordinators took part in this event. This event commenced with an inspiring opening address emphasizing the significance of women's empowerment in building inclusive and equitable societies. They explored key issues affecting women, including access to education, healthcare, economic opportunities, and representation in decision-making processes. This event serves as a platform to voice their concerns, celebrate their achievements, and access resources and support, the event contributed to fostering a culture of empowerment and inclusivity where women can thrive and contribute their full potential to society.

Our UEAC team members including chief organizers, chief coordinators, section coordinators and volunteers gathered in college. They have split into groups, and each group has contributed their efforts to bring awareness to students. The event started at 2:00 PM and completed at 4:00 PM.

PROCEEDING OF THE REGISTRAR

F.No: VFSTR/Reg/A8/Policy/2023 **Date: 12.09.2023**

Sub: VFSTR – A Policy for Promoting Women's Participation in Under-Represented - Reg

ORDER

PROMOTING WOMEN'S PARTICIPATION IN UNDER-REPRESENTED POLICY

1.0 Preamble

Aligned with the United Nations Sustainable Development Goal 5 (Gender Equality) and Vignan's commitment to inclusive excellence, this policy aims to systematically address the gender gap in Science, Technology, Engineering, and Mathematics (STEM) and other under-represented fields. The university recognizes the need for proactive measures to encourage, support, and retain female students and faculty in these disciplines.

2.0 Objective

To significantly increase the enrollment, retention, and academic success of female students in under-represented STEM and technology-focused programs at Vignan University through targeted recruitment, robust support systems, and a conducive learning environment.

3.0 Key Strategic Initiatives (AY 2023-24)

3.1 Targeted Outreach and Admissions

- **School Connect Program:** Collaborate with local and regional schools to organize specialized workshops, coding camps, and seminars for female high school students, showcasing successful female alumni and career opportunities in STEM.
- **Merit-Cum-Means Scholarships:** Offer "Women in Tech" scholarships specifically for female students enrolling in under-represented programs like Computer Science, Artificial Intelligence, Mechanical Engineering, and Electronics.

3.2 Academic and Mentorship Support

- **Structured Mentorship Program:** Pair incoming female students in these disciplines with senior female student mentors and faculty advisors to provide guidance, academic support, and career counseling.
- **Dedicated Academic Support:** Organize exclusive tutorial sessions and peer-assisted learning groups for foundational courses in programming, mathematics, and core engineering to build confidence and competence.

3.3 Professional Development and Industry Linkage

- **"Women in STEM" Guest Lecture Series:** Invite leading female scientists, engineers, and entrepreneurs from industry and academia to share their experiences and insights.
- **Guaranteed Internship Initiative:** Partner with corporations committed to diversity to ensure internship opportunities are prioritized for high-achieving female students from these streams.

3.4 Institutional Responsibility

- **Sensitization Workshops:** Conduct mandatory gender sensitization workshops for faculty and staff to foster an inclusive and bias-free classroom and campus environment.
- **Formation of a Committee:** Establish a "Gender Advancement and Equity Cell" to monitor the implementation of this policy, address grievances, and compile an annual progress report.

4.0 Monitoring and Review

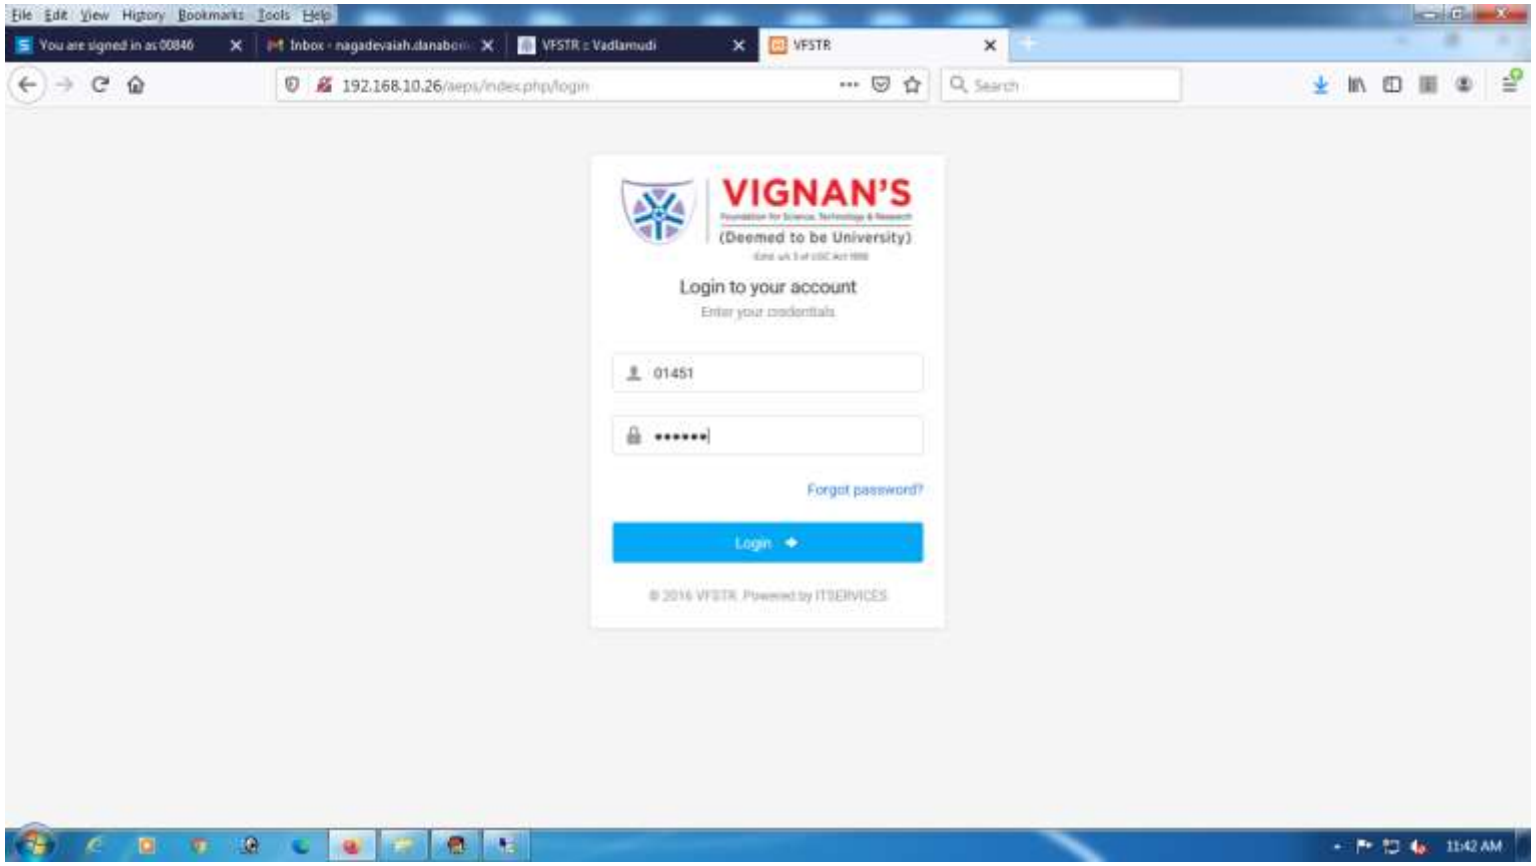

The Dean of Academics, in conjunction with the Dean of Student Affairs, will be responsible for the execution of this policy. The progress and outcomes will be reviewed bi-annually by the university's executive council to ensure the set objectives are being met effectively.

Sub: VFSTR - Access and Participation Plan for Women --Reg

Order

Access and Participation Plan for Women

Short Description: This policy aims to promote gender equality (SDG5) by addressing issues related to the application, admission, and participation of women at Vignan's Foundation for Science, Technology and Research (Deemed to be University).

Scope: This policy applies to all applicants, students, faculty, and staff of Vignan's Foundation for Science, Technology and Research.

Our principles: Advancing Women's Access and Participation

Vignan University is committed to ensuring equitable opportunities for women in education, research, and leadership.

This plan aims to eliminate gender-based disparities and foster an inclusive, empowering environment for all female students and staff.

Women's Access: Applications, Acceptance, and Entry

Admissions at Vignan University are based on merit through entrance examinations such as V-SAT, EAMCET, GATE, and other national or state-level exams.

To enhance women's access, the university implements initiatives such as:

- Scholarships and financial aid for women from economically weaker backgrounds.
- Mentoring and career guidance programs for female students.
- Flexible academic options for female Ph.D. scholars during maternity or family commitments.
- Availability of on-campus childcare facilities.
- Equal access to technology, accommodation, and transportation services

Systematic Monitoring and Assessment

Vignan University ensures ongoing evaluation of women's participation through:

- Annual data reviews on female enrollment, retention, and placement.

- Periodic surveys assessing inclusivity, accessibility, and satisfaction among women students.
- Departmental monitoring of female student progress and performance.
- Publication of annual gender equity reports.

Additional Measures to Enhance Women's Participation

Vignan University will adopt the following measures to enhance women's participation:

- Encouragement of women in leadership roles across student councils and committees.
- Annual awareness programs on gender equality and safety.
- Gender sensitization workshops and curriculum integration.
- Collaboration with industries to promote women in STEM and non-traditional fields.
- Safe campus policy ensuring a secure environment through security personnel, lighting, and reporting systems.
- Recognition of outstanding women achievers among students and faculty.

Tracking and Reporting Mechanisms

Key Performance Indicators (KPIs) will include:
- Female student enrollment percentage.
- Retention and graduation rates of women students.
- Representation of women in leadership and faculty positions.
- Feedback scores on inclusivity and support services.

These metrics will be reviewed annually and included in the university's Gender Equity Report.

Monitoring

Women Empowerment and Development Cell (WEDC) monitors the implementation of this policy.

WOMEN EMPOWERMENT AND DEVELOPMENT CELL

Cervical Cancer Training 5-6 August 2023

Training Session Report

Conducted by Dr. Harish N L - Consultant Surgical Oncologist and Robotic Surgeon

*Date: August 5th,2023

*Venue: Srujana Seminar Hall

The training aimed to educate attendees, primarily students, as part of a "train the trainers" session on various aspects of cancer. The session covered essential topics such as cell biology, differences between normal and cancer cells, the genesis of cancer, its types, factors influencing cancer, a detailed exploration of breast cancer, and a separate discussion on cervical cancer awareness presented by Dr. Chinnababu.

Cancer is a complex and multifaceted disease that affects millions of lives worldwide. Understanding its basics, causes, and prevention is crucial. Dr. Harish N L, with over ten years of experience in surgical oncology, conducted a training session to equip attendees with the knowledge necessary to educate others about cancer and its various aspects. Dr. Harish N L, an accomplished Consultant Surgical Oncologist and Robotic Surgeon with a rich academic background and over ten years of experience, conducted an enlightening training session. This session was designed to equip medical professionals with advanced knowledge and techniques in the field of Surgical Oncology. Dr. Harish's qualifications, including MBBS, MS (Gen Surg), MRCS (A), MCh (Surg Onco-GCRI), FMAS, and SIF (Korea), make him a highly esteemed expert in the realm of cancer surgery and treatment.

Dr. Harish initiated the session by providing a comprehensive overview of Surgical Oncology, its significance in modern medicine, and its role in the multidisciplinary approach to cancer treatment. Then discussed by providing an overview of cells and their fundamental characteristics. He emphasized the key differences between normal cells and cancer cells, highlighting their abnormal growth, uncontrolled division, and ability to invade surrounding tissues.

The session delved into the mechanisms underlying cancer formation, discussing genetic mutations and factors that contribute to the development of cancer. He explained the various types of cancer, such as carcinoma, sarcoma, lymphoma, and leukemia, and elaborated on their distinct characteristics. The factors that influence the onset of cancer were discussed, including genetic predisposition, environmental factors (like smoking and exposure to carcinogens), and lifestyle choices (diet and physical activity). Dr. Harish emphasized the importance of early detection and prevention.

Dr. Harish provided a detailed description of breast cancer, discussing its origin in the breast tissue. He explained the difference between malignant (cancerous) and benign (non-cancerous) tumors, highlighting the potential dangers of malignancy and the need for accurate diagnosis. Malignant tumors are characterized by uncontrolled cell growth. Cancer cells divide rapidly and uncontrollably, leading to the formation of a mass of abnormal cells. Benign tumors, in contrast, exhibit controlled and regulated cell growth. The cells in benign tumors resemble normal cells and do not invade nearby tissues or spread to distant parts of the body.The methods for detecting breast cancer, such as mammograms, ultrasound, and biopsy, were explained in detail. Dr. Harish stressed the significance of regular screenings and early diagnosis in improving treatment outcomes.

The session covered various treatment options for breast cancer, including surgery, chemotherapy, radiation therapy, targeted therapy, and hormone therapy. He discussed how treatment plans are tailored to each patient's specific condition.

Dr. Harish also organized a Zoom meeting where Dr. Chinnababu provided an in-depth presentation on cervical cancer awareness. The topics covered included cervical cancer risk factors, symptoms, prevention strategies, and the importance of regular screenings.

The training session was aimed at students and was part of a "train the trainers" initiative. The goal was to equip future trainers with comprehensive knowledge about cancer, its types, detection, and treatment. By sharing this knowledge, participants could raise awareness among a wider audience and contribute to early cancer detection and prevention efforts.

Dr. Harish N L's training session was highly informative, covering a wide range of topics related to cancer. Participants gained insights into the intricacies of cancer cells, their differences from normal cells, and the factors contributing to cancer development. The detailed overview of breast cancer, its detection, and treatment options provided valuable information for the participants. Additionally, the Zoom meeting on cervical cancer awareness enhanced the participants' understanding of different cancer types and prevention strategies. The session successfully empowered future trainers to educate others about cancer awareness and contribute to the fight against cancer.

AWARENESS ON GENDER SENSITIZATION – September 2024

The session aimed to sensitize students towards gender equality, mutual respect, and the importance of maintaining a safe and inclusive campus atmosphere.

The programme was conducted by **WEDC members** —

- **Dr. N. Jalaja**
- **Mrs. Nazma**
- **Dr. P. Lakshmi Narayanamma**

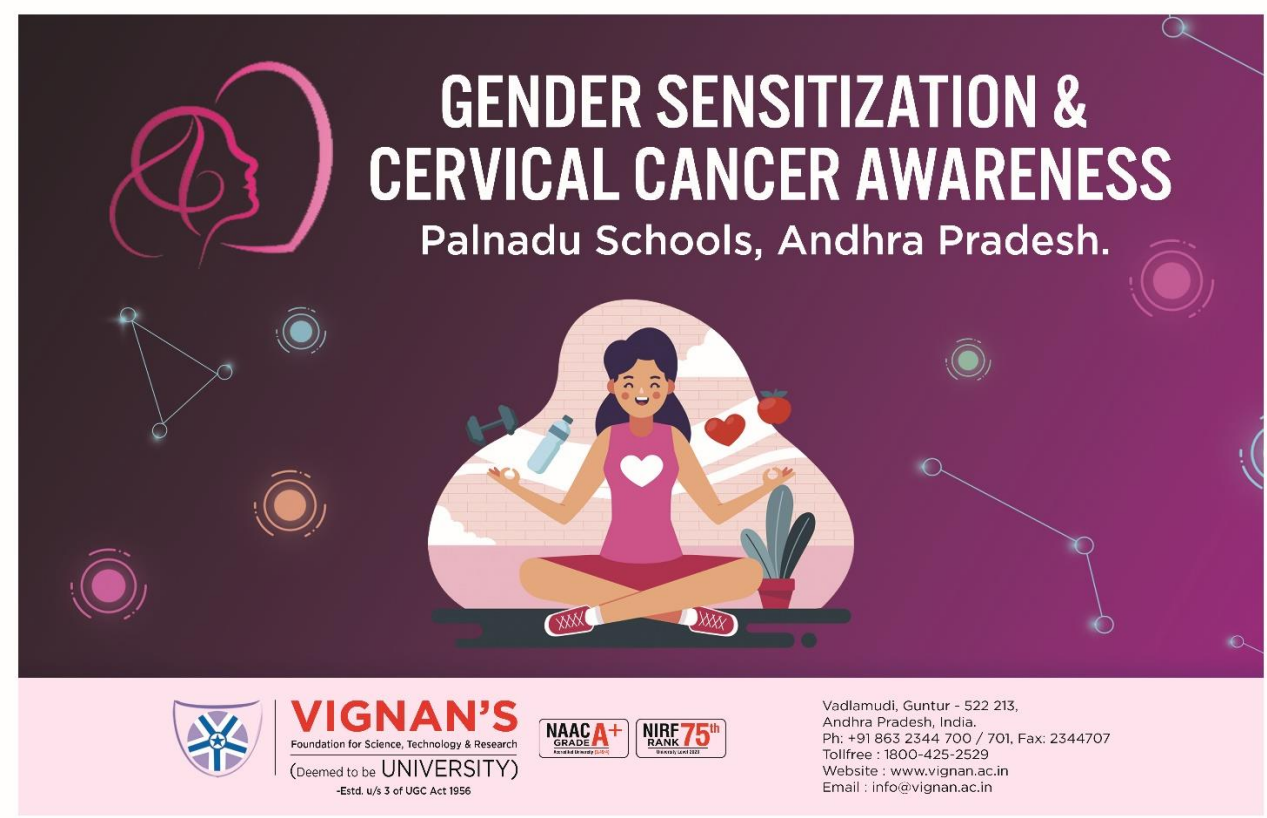

The speakers emphasized the relevance of gender sensitization in educational and professional environments, discussed prevalent stereotypes and biases, and encouraged students to adopt respectful and empathetic attitudes in their interactions.

The session was highly interactive, with students actively participating in discussions and sharing their perspectives on promoting gender equity within the university community.

The event concluded with a message to uphold inclusiveness and equality as key values of campus life.

Venue: Sangamam Hall, A-Block
Organized by: Women Empowerment and Development Cell (WEDC)
Participants: I B.Tech Students

WOMEN'S DAY CELEBRATION

Date: 7th March ,2024

Venue: Sangam
Seminar Hall, A block

ABOUT INTERNATIONAL WOMEN'S DAY

With well over a century of history and change, the first International Women's Day (IWD) was held in March 1911. IWD isn't country, group or organization specific. It's a day of collective global activism and celebration that belongs to all those committed to forging women's equality.

World-renowned feminist, journalist and activist, Gloria Steinem, reportedly once explained: "*The story of women's struggle for equality belongs to no single feminist nor to any one organization but to the collective efforts of all who care about human rights."*

Theme for the year 2024 : International Women's Day

To **inspire inclusion** means to celebrate diversity and empowerment on International Women's Day 2024 and beyond. Organizations, groups, and individuals worldwide can all play a part - in the community, at work, at home, and beyond. To truly include women means to openly embrace their diversity of race, age, ability, faith, body image, and how they identify. Worldwide, women must be included in all fields of endeavour.

In 2024, the campaign theme **Inspire Inclusion** emphasizes the importance of diversity and empowerment in all aspects of society.

Imagine a gender equal world. A world free of bias, stereotypes, and discrimination. A world that's diverse, equitable, and inclusive. A world where difference is valued and celebrated. Together we can forge women's equality. Collectively we can all #InspireInclusion.

Celebrate women's achievement. Raise awareness about discrimination. Take action to drive gender parity.

International Women's Day (IWD) is a global celebration of the social, economic, cultural, and political achievements of women. Each year, this day serves as a powerful reminder of the progress made towards gender equality and highlights the work that still needs to be done.

This year's campaign theme underscores the crucial role of inclusion in achieving gender equality. It calls for action to break down barriers, challenge stereotypes, and create environments where all women are valued and respected. **Inspire Inclusion** encourages everyone to recognize the unique perspectives and contributions of women from all walks of life, including those from marginalized communities.

"International Women's Day is celebrated every year on March 8 to honour the social, economic, cultural, and political achievements of women.

As part of the "International Women's Day-2024" celebrations, The Women Empowerment and Development Cell (WEDC) organised Women's Day celebrations with many competitions, fun games for women staff.

On the occasion of women's day many events were planned. The competitions Dance, singing, anthyakshari, dumb charades and many games like tug of war, musical chair, shotput and Mrs and Ms. Vignan for Women staff and scholars, Catch, To Grab some gifts for Men staff. The Women's Day celebration began with a report of WEDC 2023 by Dr. Jalaja and speech on highlighting the importance of women in society, tributing a video as a great memory which was heart touching and constant support of WEDC with Dr. N Usha Rani as the Chairperson. The Guest of Honors were Mrs. Balakrishna Koduru, Director, Avinya Pvt Ltd., Vijaywada and Mrs. Madhumitha Chakravarthi, Director DRDO, Hyderabad with the presence of internal dignitaries our register Cmde. Non-Discrimination Policy for Transgender

Vignan's Foundation for Science, Technology and Research (Deemed to be University), Guntur, with University Grants Commission, Ministry of Education, Govt. of India clearly states that "The University shall be open to persons of either sex and of whatever race, creed, caste or class and no test or condition shall be imposed as to religious belief or profession in admitting or appointing members, students, teachers, workers or in any other connection whatsoever."

Anti-Discrimination Policy for Transgender Members

In addition to the general gender equality and anti-discrimination policies of the University, the following specific provisions are made for transgender members of the Vignan community:

1. The University policies will align with the definitions and guidelines outlined in the Transgender Persons (Protection of Rights) Act, 2019.
2. Access to washrooms, hostel rooms, and other facilities shall be aligned with the gender identity of the student, staff, or faculty member.
3. The University will consider creating gender-neutral washrooms and accommodations for transgender individuals who do not subscribe to binary gender identities.
4. Access to physical and mental healthcare is ensured through the University's healthcare system or insurance coverage. Confidentiality and anonymity regarding such matters will be strictly maintained.
5. Regular sensitization and awareness programs will be organized regarding rights and challenges faced by the transgender community. Members of grievance redressal committees will also be trained to understand specific issues concerning transgender persons.
6. Scholarships, fellowships, and mentoring opportunities shall be provided irrespective of gender status, with possible special provisions to promote the participation and empowerment of transgender individuals.

Implementation Authority

The Human Resource Department will implement this policy for staff and faculty members, and for students through various activities such as awareness programs, workshops, and seminars.

Monitoring

Monitoring will be carried out by the Human Resource Department for staff-related issues and by the Student Affairs Department for student-related matters. Oversight will be provided through the University's Internal Complaints Committee and Grievance Redressal Committee to ensure compliance and continual improvement of inclusion measures.

WOMEN EMPOWERMENT AND DEVELOPMENT CELL

Cervical Cancer Training 5-6 August 2023

Training Session Report

Conducted by Dr. Harish N L - Consultant Surgical Oncologist and Robotic Surgeon

*Date: August 5th,2023

*Venue: Srujana Seminar Hall

The training aimed to educate attendees, primarily students, as part of a "train the trainers" session on various aspects of cancer. The session covered essential topics such as cell biology, differences between normal and cancer cells, the genesis of cancer, its types, factors influencing cancer, a detailed exploration of breast cancer, and a separate discussion on cervical cancer awareness presented by Dr. Chinnababu.

Cancer is a complex and multifaceted disease that affects millions of lives worldwide. Understanding its basics, causes, and prevention is crucial. Dr. Harish N L, with over ten years of experience in surgical oncology, conducted a training session to equip attendees with the knowledge necessary to educate others about cancer and its various aspects. Dr. Harish N L, an accomplished Consultant Surgical Oncologist and Robotic Surgeon with a rich academic background and over ten years of experience, conducted an enlightening training session. This session was designed to equip medical professionals with advanced knowledge and techniques in the field of Surgical Oncology. Dr. Harish's qualifications, including MBBS, MS (Gen Surg), MRCS (A), MCh (Surg Onco-GCRI), FMAS, and SIF (Korea), make him a highly esteemed expert in the realm of cancer surgery and treatment.

Dr. Harish initiated the session by providing a comprehensive overview of Surgical Oncology, its significance in modern medicine, and its role in the multidisciplinary approach to cancer treatment. Then discussed by providing an overview of cells and their fundamental characteristics. He emphasized the key differences between normal cells and cancer cells, highlighting their abnormal growth, uncontrolled division, and ability to invade surrounding tissues.

The session delved into the mechanisms underlying cancer formation, discussing genetic mutations and factors that contribute to the development of cancer. He explained the various types of cancer, such as carcinoma, sarcoma, lymphoma, and leukemia, and elaborated on their distinct characteristics. The factors that influence the onset of cancer were discussed, including genetic predisposition, environmental factors (like smoking and exposure to carcinogens), and lifestyle choices (diet and physical activity). Dr. Harish emphasized the importance of early detection and prevention.

Dr. Harish provided a detailed description of breast cancer, discussing its origin in the breast tissue. He explained the difference between malignant (cancerous) and benign (non-cancerous) tumors, highlighting the potential dangers of malignancy and the need for accurate diagnosis. Malignant tumors are characterized by uncontrolled cell growth. Cancer cells divide rapidly and uncontrollably, leading to the formation of a mass of abnormal cells. Benign tumors, in contrast, exhibit controlled and regulated cell growth. The cells in benign tumors resemble normal cells and do not invade nearby tissues or spread to distant parts of the body.The methods for detecting breast cancer, such as mammograms, ultrasound, and biopsy, were explained in detail. Dr. Harish stressed the significance of regular screenings and early diagnosis in improving treatment outcomes.

The session covered various treatment options for breast cancer, including surgery, chemotherapy, radiation therapy, targeted therapy, and hormone therapy. He discussed how treatment plans are tailored to each patient's specific condition.

Dr. Harish also organized a Zoom meeting where Dr. Chinnababu provided an in-depth presentation on cervical cancer awareness. The topics covered included cervical cancer risk factors, symptoms, prevention strategies, and the importance of regular screenings.

The training session was aimed at students and was part of a "train the trainers" initiative. The goal was to equip future trainers with comprehensive knowledge about cancer, its types, detection, and treatment. By sharing this knowledge, participants could raise awareness among a wider audience and contribute to early cancer detection and prevention efforts.

Dr. Harish N L's training session was highly informative, covering a wide range of topics related to cancer. Participants gained insights into the intricacies of cancer cells, their differences from normal cells, and the factors contributing to cancer development. The detailed overview of breast cancer, its detection, and treatment options provided valuable information for the participants. Additionally, the Zoom meeting on cervical cancer awareness enhanced the participants' understanding of different cancer types and prevention strategies. The session successfully empowered future trainers to educate others about cancer awareness and contribute to the fight against cancer.

WOMEN'S DAY CELEBRATION

Date: 7th March ,2024

Venue: Sangam
Seminar Hall, A block

ABOUT INTERNATIONAL WOMEN'S DAY

With well over a century of history and change, the first International Women's Day (IWD) was held in March 1911. IWD isn't country, group or organization specific. It's a day of collective global activism and celebration that belongs to all those committed to forging women's equality.

World-renowned feminist, journalist and activist, Gloria Steinem, reportedly once explained: "*The story of women's struggle for equality belongs to no single feminist nor to any one organization but to the collective efforts of all who care about human rights."*

Theme for the year 2024 : International Women's Day

To **inspire inclusion** means to celebrate diversity and empowerment on International Women's Day 2024 and beyond. Organizations, groups, and individuals worldwide can all play a part - in the community, at work, at home, and beyond. To truly include women means to openly embrace their diversity of race, age, ability, faith, body image, and how they identify. Worldwide, women must be included in all fields of endeavour.

In 2024, the campaign theme **Inspire Inclusion** emphasizes the importance of diversity and empowerment in all aspects of society.

Imagine a gender equal world. A world free of bias, stereotypes, and discrimination. A world that's diverse, equitable, and inclusive. A world where difference is valued and celebrated. Together we can forge women's equality. Collectively we can all #InspireInclusion.

Celebrate women's achievement. Raise awareness about discrimination. Take action to drive gender parity.

International Women's Day (IWD) is a global celebration of the social, economic, cultural, and political achievements of women. Each year, this day serves as a powerful reminder of the progress made towards gender equality and highlights the work that still needs to be done.

This year's campaign theme underscores the crucial role of inclusion in achieving gender equality. It calls for action to break down barriers, challenge stereotypes, and create environments where all women are valued and respected. **Inspire Inclusion** encourages everyone to recognize the unique perspectives and contributions of women from all walks of life, including those from marginalized communities.

"International Women's Day is celebrated every year on March 8 to honour the social, economic, cultural, and political achievements of women.

As part of the "International Women's Day-2024" celebrations, The Women Empowerment and Development Cell (WEDC) organised Women's Day celebrations with many competitions, fun games for women staff.

Order

Policy Protecting those Reporting Discrimination

Scope

This policy applies to all members of Vignan University, including students, faculty, administrative and technical staff, contractual employees, research scholars, and visitors across all campuses.

Policy Statement

Vignan University promotes a culture of transparency, integrity, and accountability. The institution strictly prohibits any form of retaliation or victimization against individuals who:

- Report discrimination, harassment, or bias in good faith.
- Participate or cooperate in any investigation, inquiry, or hearing.
- Provide evidence, testimony, or support to a complainant or respondent during proceedings.

Any such retaliation will be treated as a serious violation of university policy, and disciplinary action will be taken.

Protection Against Retaliation

The following actions are strictly prohibited as retaliation under this policy:

- Termination, demotion, or suspension of employment or scholarship.
- Academic disadvantages, such as lower grades, denial of evaluation, or exclusion from opportunities.
- Intimidation, threats, coercion, or harassment of any kind.
- Negative performance evaluation or denial of promotion.

Any adverse action that may discourage an individual from reporting discrimination or participating in related proceedings.

Reporting Mechanism

- Reports of discrimination or retaliation can be filed with the Internal Complaints Committee (ICC), Equal Opportunity Cell, or Human Resources Department.
-

- The University ensures confidentiality of the complainant's identity and case details throughout the process.

Investigation Process

- All complaints will be handled promptly, fairly, and confidentially.
- The respective committee will conduct a fact-based inquiry and submit its findings with recommendations for action.
- Proven cases of retaliation or discrimination will result in disciplinary measures such as a warning, suspension, or termination, depending on the severity.

Responsibilities

- The Gender Equity & Inclusion Committee and Equal Opportunity Cell will promote awareness and monitor policy enforcement.
- The Human Resources Department will ensure no employee suffers retaliation or discrimination against reporting.
