**University Extension Activity Council (UEAC)**

**Annual Report – 2024-25**

**Conducting Competitions at ZPH School Sangamjaglamudi**

Date: 24.07.2024

Venue: ZPH School Sangam jagarlamudi.

The UEAC (University Extension Activities Council) volunteers of VFSTR conducted a Quiz and Drawing competition at ZPH School Sangam Jagarlamudi on our beloved Chairman Sir's birthday celebrations.

A total of 120 members who enthusiastically participated in the quiz on General Awareness and Current affairs enrolled for the quiz which were divided into 12 teams. And quiz included a total of 4 rounds i.e. elimination round, anagram-based round and the final deciding round being the rapid fire out of which 3 teams emerged victorious by bagging the 1st, 2nd and 3rd places. Participation certificates were distributed to all the top 10 teams who made it through the qualifying round. A total of 35 UEAC volunteers from various departments participated in this program.

Team UEAC believes that it would be a small yet significant step forward in developing an understanding and spreading awareness in the community.

**Annual Report – 2024-25**  
**Conducting Competitions at ZPH School Vejudla**

Date: 24.07.2024

Venue: ZPH School Vejudla

In the honour of our esteemed Chairman Sir's birthday, the University Extension Activities Council (UEAC) of VFSTR organized a quiz and drawing competition at ZPH School, Vejudla. The event saw a remarkable turnout, with 40 individuals signing up for the quiz, which was divided into ten teams. Additionally, 120 participants eagerly engaged in the general awareness and current events sections of the event.

The quiz competition featured four rounds: an elimination round, an anagram-based round, followed by a rapid-fire round that ultimately determined the winners. At the end of the competition, the top three teams have won, securing first, second, and third places. To encourage participation and acknowledge the effort of all, the ten teams that advanced past the qualifying round received participation certificates.

This initiative was supported by 35 dedicated UEAC volunteers, representing various departments. According to Team UEAC, the event was designed as a modest yet meaningful step toward increasing awareness and fostering a deeper understanding of general knowledge within the community. The event not only celebrated Chairman Sir's birthday but also contributed positively to community engagement and education.

Annual Report – 2024-25  
Groceries, Blankets and Clothing Distribution**

Date: 25.07.2025

Venue: Kalabharati Residential School Chuttugunta, Guntur.

As a part of Chairman Sir's birthday, the UEAC unit of VFSTR distributed Groceries, Blankets and Clothing to Kalabharati Residential School Chuttugunta, Guntur on 25.07.2024. The satisfaction of meeting people's fundamental needs brings a unique emotion that is indescribable. They spend the cold without a blanket and lack clothing to cover their bodies. Every year during the winter months, thousands of people die because of this. Every time we go to such places, we ask ourselves if it is not our duty to help these needy and impoverished people to lead lives full of opportunities and a sense of hope

some folks see multiple individuals and provide them with clothing and blankets. Additionally, we provide clothing, blankets, and groceries to destitute individuals who are living a life devoid of hope, and we work to provide a glimmer of light in their lives. Participating in this activity were 80 UEAC volunteers, Associate Dean Dr. J. Nitchal Kiran, UEAC Coordinator Mr. Suresh Babu, and UEAC activity Officer Dr. Vijayababu Palukuri.

**Distribution of Groceries, Blankets and Clothing Supplies at old age and orphanage homes at Kalabharati Residential School Chuttugunta, Guntur on 25.07.2024**

Annual Report – 2024-25  
Groceries, Blankets and Clothing Distribution**

Date: 25.07.2024

Venue: Koyavaripaalem old age home, Koyavaripaalem

As part of Chairman Sir’s birthday celebrations, the UEAC unit of VFSTR distributed groceries, blankets, and clothing to Koyavaripaalem old age home, Koyavaripaalem, on 25th July 2024. The satisfaction that comes from meeting people's fundamental needs brings a unique and indescribable emotion.

Many children endure the cold without blankets and lack sufficient clothing to cover themselves. Every year, during the harsh winter months, thousands of people lose their lives due to these basic shortages. Each time we visit such places, we reflect on our responsibility to support these needy and impoverished individuals, helping them lead lives filled with opportunities and hope.

While some people see multiple individuals and provide clothing and blankets, we go a step further by also distributing groceries. We aim to offer not just physical warmth but also a glimmer of hope to those living a life devoid of it.

This meaningful activity was carried out by 80 UEAC volunteers, alongside Associate Dean Dr. J. Nitchal Kiran, UEAC Coordinator Mr. Suresh Babu, and UEAC Activity Officer Dr. Vijayababu Palukuri.

**Distribution of Groceries, Blankets and Clothing Supplies at old age and orphanage homes at Koyavaripaalem old age home, Koyavaripaalem on 25.07.2024.**

 Groceries, Blankets and Clothing Supplies Distribution**

Date: 26.07.2024

Venue: Gandhi Ashramam Burrupalem road, Tenali

UEAC unit of VFSTR distributed Groceries, Blankets and Clothing to Gandhi Aashramam Tenali, on 27.07.2024. The satisfaction of meeting people's fundamental needs brings a unique emotion that is indescribable. They spend the cold without a blanket and lack clothing to cover their bodies. Every year during the winter months, thousands of people die because of this. Every time we go to such places, we ask ourselves if it isn't our duty to help these needy and impoverished people to lead lives full of opportunities and a sense of hope. Some folks see multiple individuals and provide them with clothing and blankets. Additionally, we provide clothing, blankets, and groceries to destitute individuals who are living a life devoid of hope, and we work to provide a glimmer of light in their lives. Participating in this activity were 55 UEAC volunteers, Associate Dean Dr. J. Nitchal Kiran, UEAC Coordinator Mr. Suresh Babu, and UEAC activity Officer Dr. Vijayababu Palukuri.

**Distribution of Groceries, Blankets and Clothing Supplies at old age Gandhi Ashramam on 26.07.2024**

**University Extension Activity Council (UEAC)  
Annual Report – 2024-25**

**Groceries, Blankets and Clothing Supplies, Distribution**

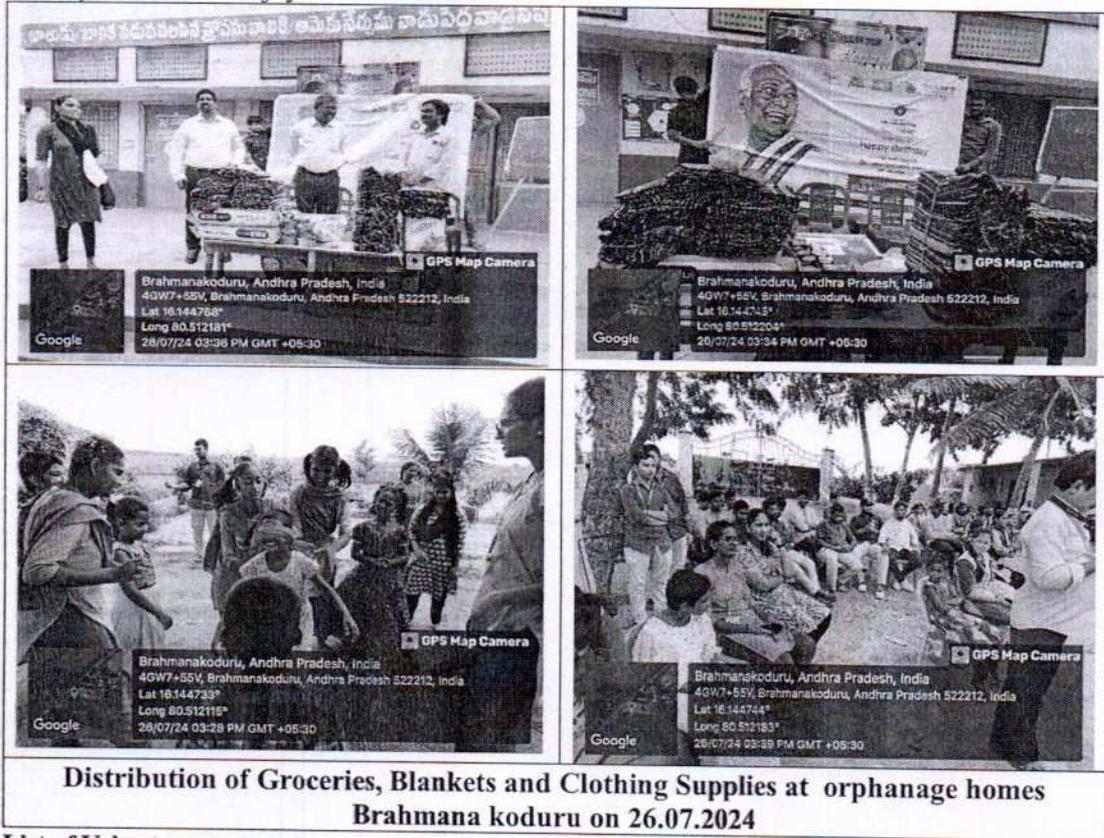

Date: 26.07.2024

Venue: Child Orphanage Home Brhmanakoduru

As a part of Chairman Sir's birthday, the UEAC unit of VFSTR distributed Groceries, Blankets and Clothing to Child Orphanage home Brahmana Koduru, on 26.07.2024.

The satisfaction of meeting people's fundamental needs brings a unique emotion that is indescribable. They spend the cold without a blanket and lack clothing to cover their bodies. Every year during the winter months, thousands of people die because of this. Every time we go to such places, we ask ourselves if it isn't our duty to help these needy and impoverished people to lead lives full of opportunities and a sense of hope

Some folks see multiple individuals and provide them with clothing and blankets. Additionally, we provide clothing, blankets, and groceries to destitute individuals who are living a life devoid of hope, and we work to provide a glimmer of light in their lives. Participating in this activity were 55 UEAC volunteers, Associate Dean Dr. J. Nitchal Kiran, UEAC Coordinator Mr. Suresh Babu, and UEAC activity Officer Dr. Vijayababu Palukuri.

**Groceries, Blankets and Clothing Supplies, Distribution**

Date: 26.07.2024

Venue: Yelcuri Amma Charitabule Trust, Tenali

As a part of our Chairman Sir's birthday, the UEAC unit of VFSTR visited and distribute the Groceries, Blankets and Clothing to Yelcuri Amma Charitabule Trust, Tenali on 26.07.2024. Our UEAC volunteers distribute Groceries, blanket and clothes distribution in different regions of Tenali and other places. The pleasure in fulfilling the basic requirement of people carries a different feeling that can not be explained in words. They do not have clothes to cover their body, and they spend their winter without a blanket. And that's the reason behind the death of thousands of people every year in the winter season. Whenever we visit such places with our volunteers, we get a question in our mind that is not our responsibility to assist such poor and needy people in living a life full of hope and opportunities. Some people come across several people and give them blankets along with clothes. Also, we distribute Groceries, Blankets, Clothing and food on that day (26.07.2024) to abandoned people living a hopeless life, and we are endeavouring to bring some shadows of hope in their lives.

**Distribute the Groceries, Blankets and Clothing to Yelcuri Amma Charitabule Trust, Tenali on 26.07.2024**

Blood Donation Camp**

Date: 27.07.2024  
Venue: VFSTR.

On 27th July 2024, a blood donation camp was organized at Vignan University by the Team UEAC as a noble service initiative to mark the celebrations of Chairman Sir's birthday. The program was conducted with the support of a professional medical team, ensuring safe and efficient collection of blood units.

The event witnessed an overwhelming response from faculty, students, and volunteers, with a total of 360 units of blood donated. This large-scale contribution stands as a testament to the collective spirit of service and humanity within the Vignan community.

A team of 94 dedicated volunteers actively assisted in organizing, coordinating, and supporting the donors throughout the camp. Their efforts ensured smooth execution and comfort for all participants. The program concluded successfully, embodying the values of compassion, social responsibility, and community welfare envisioned by Chairman Sir – Dr. Lavu Rathaiah.

Eye Checkup Camp**

Date: 28.07.2024  
Venue: Vadlamudi Village

On July 28, 2024, the UEAC team celebrated the birthday of our Chairman, Dr. L. Rathaiah sir, by holding an eye check-up camp in our adopted hamlet, Vadlamudi. A group of eye specialists from Dr. Agarwal's Eye Hospital in Guntur paid the locals a visit to perform eye - examinations.

The villagers benefited from the camp since it gave them a chance to learn more about many facets of eye care. To properly assess the people, the doctors brought advanced eye examination equipment. They also discussed raising awareness and expanding access to eye healthcare services with the villagers. The purpose of this program was to raise awareness among the villages about eye conditions, their early identification, and how to identify refractive errors and other Eye conditions. Both Dr. M.S.S. Rukmini, Dean of Student Affairs, and Dr. Vijayababu Palukuri, UEAC Program Officer, visited the Eye camp and gave the student volunteers encouragement. The event was organized by Mr. D. Suresh Babu, UEAC Coordinator. A total of 30 volunteers from various departments had participated in the event.

The Villagers also asked the queries they had in their mind which were solved by eye specialists. Attendees with eye problems requiring continued medical attention were given referral slips. A total of 120 spectacles were given to villagers. The camp proved to be incredibly helpful and for about 245 villagers.

**Visit to GGH for Food Distribution**

Date: 28.07.2024

Venue: Tenali

On 28th July 2024, the student volunteers of Team UEAC of Vignan University visited the Government General Hospital, Tenali, to extend care and happiness to the patients and children. The primary objective of the program was to share food, kindness, and joy with those in need.

During the visit, freshly prepared food packets were distributed to patients and attendants across different wards. A special highlight of the program was the cake distribution to them, which brought wide smiles and festive spirit to the hospital environment.

A total of 55 volunteers actively participated in this initiative, coordinating the distribution and interacting warmly with the children and patients. Their presence and efforts reflected compassion, service, and a sense of responsibility towards the community.

The event was a memorable tribute to the vision of Chairman Sir – Dr. Lavu Rathaiah, spreading happiness and humanity on his birthday.

Awareness on Cyber Attacks**

Date: 17.08.2024

Venue: Sangam Jagarlamudi, ZPHS

The Department of ACSE organized an event titled "Awareness on Cyber Attacks" on 17th August 2024 at Sangam Jagarlamudi, ZP High School. The aim of this event was to create awareness about cyber-attacks and to educate students on preventive measures.

The team engaged with students of classes 8 and 9 from Sangam Jagarlamudi, ZP High School. The session highlighted the importance of cybersecurity, which involves protecting computers, networks, and data from unauthorized access, attacks, and damage. It emphasized the need for strong passwords, regular software updates, and awareness of threats such as phishing. Ensuring cybersecurity is essential for safeguarding personal and organizational information in the digital age.

The event began at 2:00 PM with a brief introduction about the NSS program and the significance of the event. A total of 32 members (NSS coordinators and volunteers) attended. The NSS team returned to the university by 4:00 PM.

Awareness on Dengue

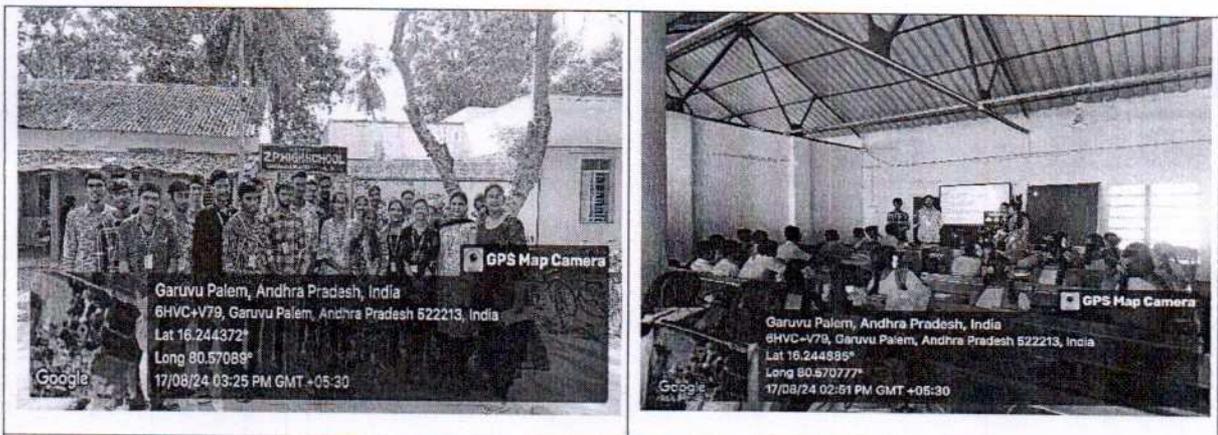

Date: 17.08.2024

Venue: Sangam Jagarlamudi, ZPHS

The Department of ACSE organized an event titled "Awareness on Dengue" on 17th August 2024 at Sangam Jagarlamudi, ZP High School. The aim of this event was to create awareness about dengue and to educate students on preventive measures.

The team engaged with students of classes 8 and 9 from Sangam Jagarlamudi, ZP High School. The session highlighted that dengue is a mosquito-borne viral infection prevalent in tropical regions, transmitted by mosquitoes. Prevention includes eliminating mosquito breeding sites, using repellents, and wearing protective clothing. Early detection of symptoms such as high fever, headache, and severe pain is crucial for effective treatment.

The event began at 2:00 PM with a brief introduction about the NSS program and the significance of the event. A total of 32 members (NSS coordinators and volunteers) attended. The NSS team returned to the university by 4:00 PM.

Community Relief Drive: Food Distribution and Support for Flood-Affected Areas in Vijayawada

Date: 03.09.2024

Venue: Vijayawada

The team UEAC organized an event on September 3rd, 2024, in the Vijayawada region in response to the devastating floods caused by heavy rainfall. The aim of this initiative was to support the flood-affected residents by providing essential food packets to those in need. The visit highlighted the importance of active participation of all young individuals in socially responsible activities and underscored the significance of the National Service Scheme's (NSS) initiatives. The NSS volunteers & coordinators, Mr.Mohan,Mr.Dhanunjay, Mr.Suresh and Mr.Veeranjaneyulu from VFSTR together have coordinated with the government officials Krishna district collector, Mr.Kathilal Dhande , Mr.Sasi Bhushan ,Assistant executive engineer (R&B) , Mr.Srinivasa Reddy ,CE,R&B, in providing aid to the needy.

The main agenda was to offer immediate relief to the victims by ensuring that they had access to necessities. Floods at Vijayawada washed away everything from hundreds of families, leaving countless victims. During this plight situation, NSS has stepped forward to help victims with help of University management. The UEAC have provided food for over 5000 members of Vijayawada, ensuring that the affected families received much-needed aid. This event was a powerful reminder of the impact that such efforts can have during times of crisis.

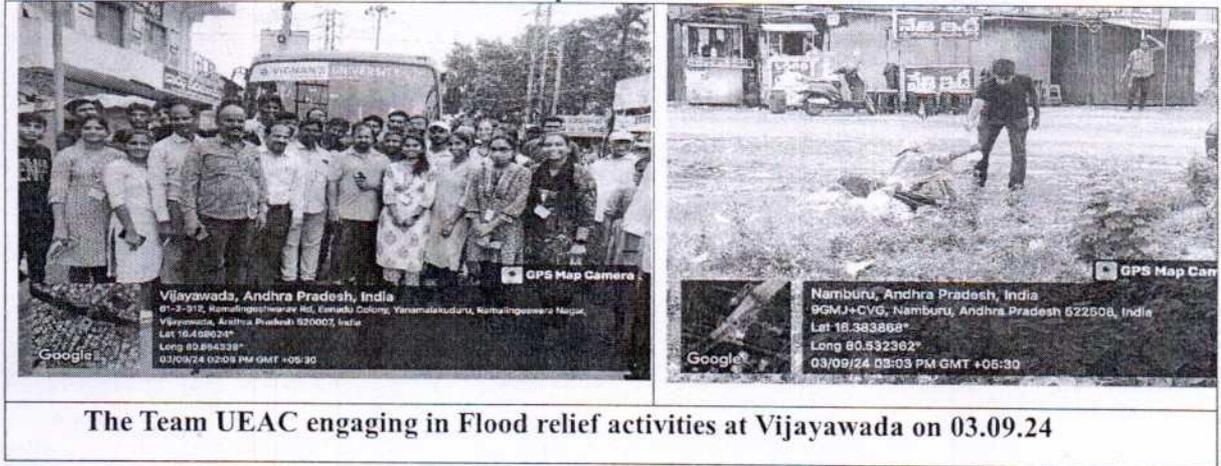

The event started at 11:00 AM and concluded at 3:00 PM, with active participation of 30 NSS members (Coordinators and volunteers).

**Awareness on Dengue**

Date: 04.09.2024

Venue: Vejendla

The Department of Biotechnology organized an event titled "Awareness on Dengue" on 4th September 2024 at Vejendla. The aim of the event was to create awareness about dengue among the villagers.

The NSS team engaged with the community, highlighting that dengue is a mosquito-borne disease prevalent in tropical regions, transmitted by mosquitoes. Prevention measures include eliminating mosquito breeding sites, using mosquito repellents, and wearing protective clothing. Early recognition of symptoms such as high fever, headache, and severe pain is important for effective treatment.

The event started at 2:00 PM and concluded by 4:00 PM. A total of 31 members (NSS coordinators and volunteers) participated.

**Awareness on Malaria**

Date:04.09.2024

Venue: Vejendla

The Department of Biotechnology organized an event titled “Awareness on Malaria” on 4th September 2024 at Vejendla. The aim of the event was to create awareness about malaria among the villagers.

The NSS team engaged with the villagers, explaining that malaria is a disease caused by the bite of an infected mosquito and is prevalent in many rural areas. If left untreated, it can lead to fever, chills, and serious health problems. However, malaria is both preventable and treatable. To protect themselves and their families, participants were advised to sleep under insecticide-treated mosquito nets, remove stagnant water to eliminate mosquito breeding grounds, and seek immediate medical attention if symptoms occur. Through awareness and community cooperation, the spread of malaria can be reduced, ultimately saving lives.

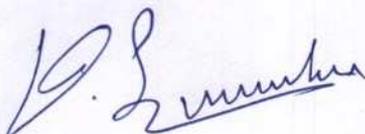

The event started at 2:00 PM and concluded by 4:00 PM. A total of 31 members (NSS coordinators and volunteers) participated.

Annual Report – 2024-25  
Community Relief Drive**

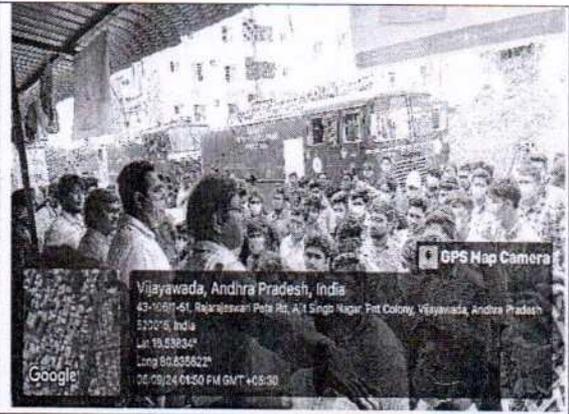

Date:06.09.2024

Venue: Vijayawada

The UEAC team organized an event on 6th September 2024 in the Vijayawada region in response to the devastating floods caused by heavy rainfall. The aim of this initiative was to support flood-affected residents by providing essential food packets and other necessary items to those in need. The visit highlighted the importance of active participation by young individuals in socially responsible activities and emphasized the role and responsibilities of the National Service Scheme (NSS) initiatives.

The main objective was to offer immediate relief to victims by ensuring they had access to basic necessities. The event served as a powerful reminder of the impact such efforts can have during times of crisis. All members, along with UEAC lead faculty, student coordinators, and volunteers, worked together to ensure the smooth distribution of aid to affected families. Additionally, one-on-one interactions with victims were conducted to understand their problems and gather information for further support. Government-provided relief supplies were distributed by the volunteers, ensuring that essential needs were met efficiently.

The event started at 10:00 AM and concluded at 8:00 PM, with 193 students and UEAC officials participating.

Annual Report – 2024-25  
Bread Donation Drive**

Date:09.09.2024  
Village: Vijayawada

In response to the recent floods, on 9th September 2024, the UEAC team actively participated in a bread distribution program aimed at helping those who lost their shelter during the floods. This initiative reflects UEAC's commitment to community service and social responsibility. Volunteers worked effectively to distribute bread packets to affected families, ensuring that those impacted by the floods received necessary support during this challenging time.

Suresh Sir and Ashok Sir were committed to delivering excellence throughout the event. UEAC's involvement in such flood relief activities engages students in meaningful public service, enhancing their social consciousness and sense of responsibility, and showcasing their dedication to making a positive impact in society.

The event commenced at 8:00 AM and concluded at 4:00 PM, with a total of 66 NSS student volunteers participating in the relief efforts. Almost all people from the affected area benefited from this program, receiving bread packets for basic sustenance. The program ended on a positive note, with expressions of gratitude from the affected people towards the student volunteers.

University Extension Activity Council (UEAC)  
Annual Report – 2024-25

**Survey and Food distribution at Vijayawada Flood (DAY -4)**

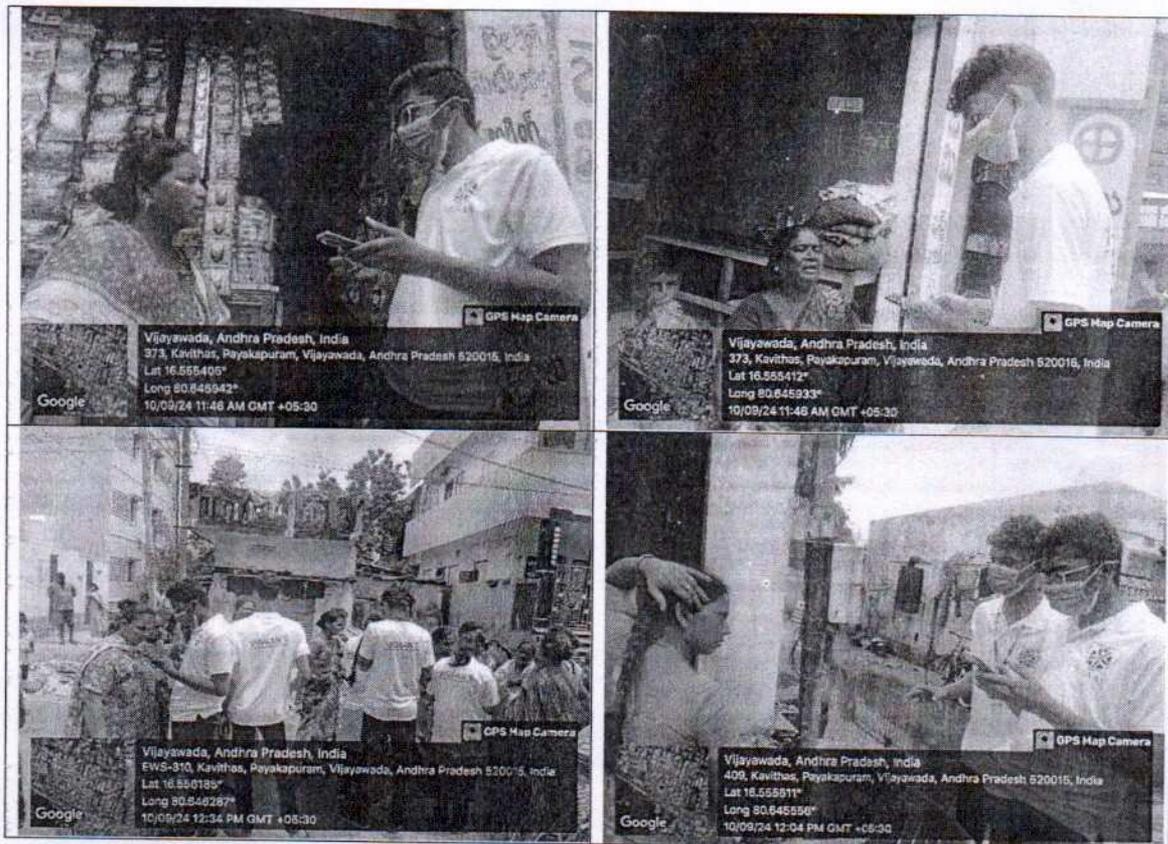

Date: 10.09.2024

Venue: Vijayawada

On 10th September 2024, the UEAC (University Environmental Awareness Committee) team from Vignan organized a survey and food packet distribution event in Vijayawada. The primary purpose of this initiative was to assess the needs of families affected by the recent floods and provide them with essential food supplies.

Around 194 volunteers participated in the event, conducting surveys to identify the most affected families and ensure the efficient distribution of food packets. The team worked closely with local authorities to guarantee that relief reached those in greatest need. Their careful approach to both surveying and distributing food ensured that help was provided where it was most needed, bringing much-needed relief to the flood-stricken community.

The volunteers departed from the university at 10:00 AM and, after a full day of service, returned by 8:00 PM. Their dedication and hard work in both survey and distribution tasks demonstrated their strong commitment to supporting flood-affected families in Vijayawada.

Survey at Vijayawada Flood(DAY -5)

Date:11.09.2024

Venue: Vijayawada

On 11th September 2024, volunteers from the Department of MBA and NSS coordinators of Vignan University organized a community outreach program in Vijayawada to aid residents affected by the recent floods. The initiative aimed to provide essential relief, with a team of dedicated students visiting flood-affected areas to distribute food packets and supplies. This effort ensured that timely aid reached those in dire need and underscored the university's commitment to supporting affected communities.

In addition to distributing supplies, the volunteers conducted a comprehensive survey to assess the flood's impact on local residents. They collected data on housing damage, access to clean water, health issues, and other urgent concerns. This information will assist the university and local authorities in understanding the situation better and devising targeted solutions for effective long-term recovery.

This initiative highlighted the students' strong sense of social responsibility and the university's dedication to community welfare. By directly engaging with affected residents, the volunteers aimed to provide immediate relief and contribute to Vijayawada's future rebuilding efforts. The volunteers left the university at 10:00 AM and, after a full day of service, returned by 8:00 PM. A total of 65 members actively participated in the event.

Legal Aid Programme**

Date: 14.09.2024

Venue: Raithu Barosa Kendram, Vejandla Village

The Free Legal Aid Programme was conducted by the UEAC team in collaboration with the District Legal Service Authority and Vignan Institute of Law on 14th September 2024. The aim of the event was to provide legal support and raise awareness among villagers about their rights and available legal services.

The programme addressed common legal issues faced by the villagers, such as land disputes, property rights, and social welfare schemes. Advocate K. Sriram, the Panel Advocate for Vignan's Legal Aid Clinic, guided the participants on legal matters and shared valuable insights on the measures they can take to protect their rights. This programme highlighted the importance of legal literacy in rural areas, empowering the local community with knowledge and access to free legal services.

The event started at 10:00 AM and concluded at 12:30 PM. A total of 19 students and 2 faculty members from Vignan Institute of Law participated in the programme. It was an interactive session where the villagers engaged with the advocates and students to resolve their legal queries.

**Awareness on Women Safety Measures**

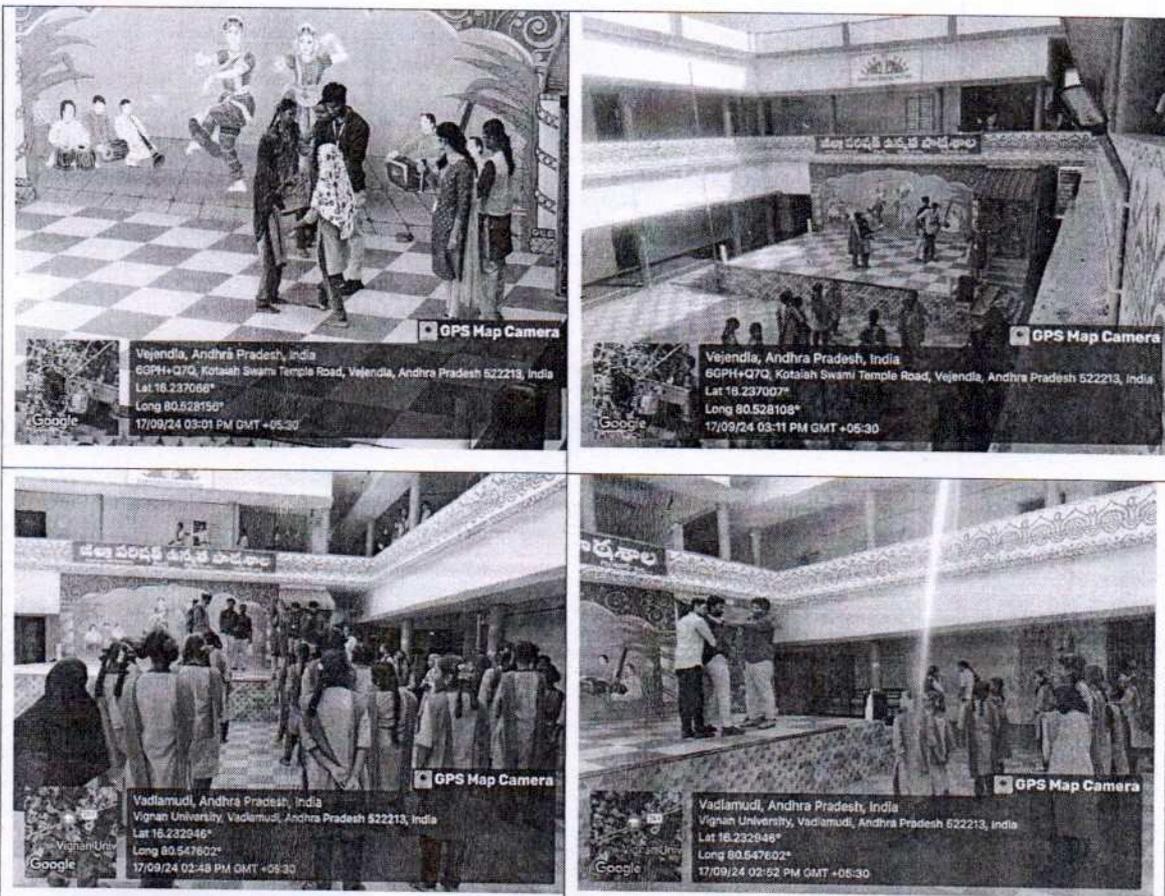

Date: 17.09.2024

Venue: ZPHS, Vejjandla

The Department of ECE organized an event, "Awareness on Women Safety Measures," on 17th September 2024 at Vejjandla. The aim of this event was to educate students on self-defence techniques and enhance their awareness about personal safety.

The team engaged with girl students of classes 6 and 7 from ZPHS during the event. The focus was on teaching self-defence techniques and providing practical demonstrations to help students practice them effectively. The session offered hands-on training, ensuring that the students understood and could apply the techniques with confidence.

This event began at 2:00 PM with an introduction about the importance of women's safety and self-defence, with a total attendance of 30 members. The UEAC team concluded the event and returned to the university by 4:00 PM.

## University Extension Activity Council (UEAC) Annual Report – 2024-25 Tree Plantation Programme

Date: 17.09.2024

Venue: Back side of the Lara, VFSTR

In alignment with the vision of the Hon'ble Prime Minister of India for the 'Ek Ped Maa Ke Naam' campaign, launched on World Environment Day to promote a greener and more sustainable environment, the UEAC team organized a Mega Tree Plantation Drive on 17th September 2024. This initiative supports the campaign's goal of planting 80 crore saplings by September 2024 and 140 crore by March 2025.

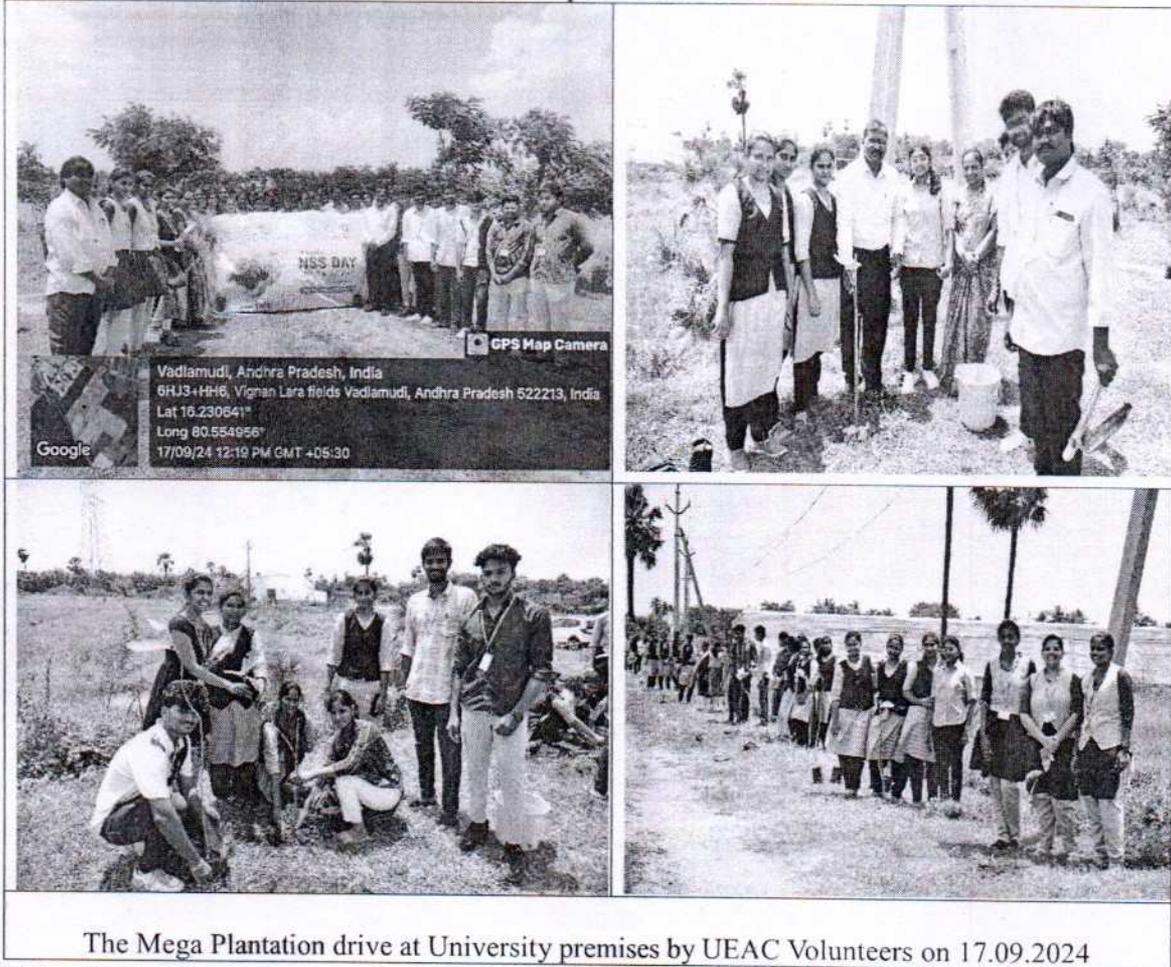

The event took place behind the Lara building, near the football ground, with the aim of enhancing the campus's green cover and promoting environmental sustainability. Active participation from both students and staff was encouraged to instill a sense of responsibility towards nature.

The drive was graced by Dr. M.S.S. Rukmini, Dean of Student Affairs; Dr. Vijayababu Palukuri, UEAC Programme Officer; and Mr. D. Suresh Babu, NSS Coordinator. They highlighted the importance of tree plantation in improving air quality and fostering a healthier ecosystem, and their presence motivated participants to contribute actively to environmental preservation.

The event commenced at 11:30 AM and concluded at 12:30 PM, during which 70 saplings were successfully planted. The enthusiastic involvement of students played a key role in the success of the program, reaffirming the institution's commitment to environmental conservation. Details of the plantation activities will be uploaded to the MeriLife portal to further contribute to the ongoing campaign and its broader goals of sustainable development.

**Advantages and Disadvantages of AI**

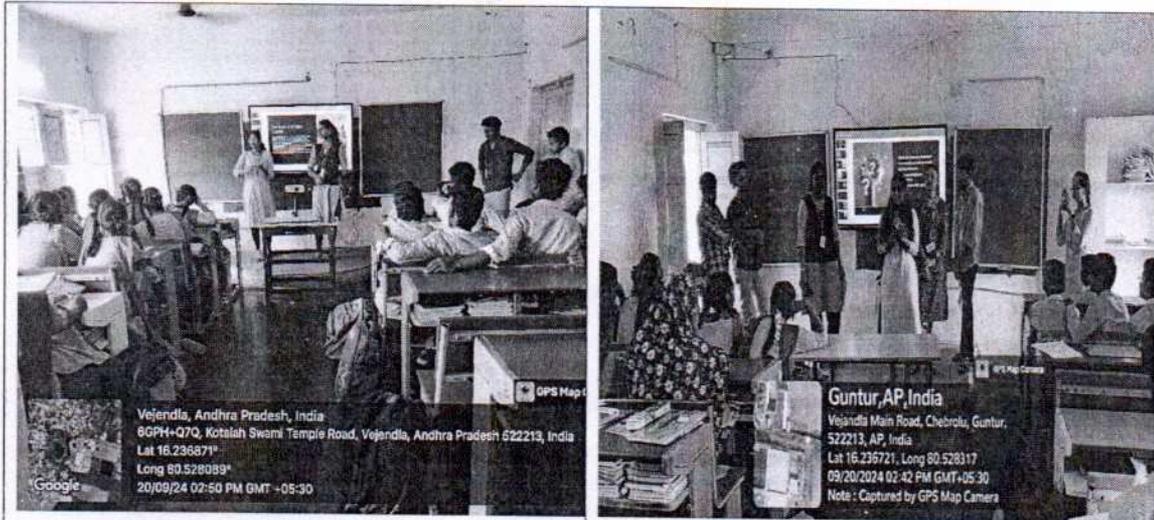

Date: 20.09.2024

Venue: ZPHS, Vejandla

The ACSE Department of Team UEAC conducted a campaign on "The Impact of Artificial Intelligence" on 20th September 2024 at ZPHS, Vejandla. The session educated students on how AI is transforming areas like education, healthcare, and transportation, with a focus on smart cities, where AI improves traffic, energy efficiency, and public safety.

Students were encouraged to imagine a future where AI fosters creativity and innovation while also considering ethical challenges and responsible use. The session aimed to provide a balanced view of AI's benefits and risks.

The event, attended by 25 students, began at 2:00 PM and concluded at 4:00 PM, inspiring students to approach AI with enthusiasm and responsibility.

## University Extension Activity Council (UEAC) Annual Report – 2024-25 Girls Awareness

Date: 20.09.2024

Venue: ZPHS, Vejjandla

The ACSE Department of Team UEAC conducted a campaign on girls' awareness in Vejjandla on 20th September 2024. The team introduced themselves and engaged the audience in discussions about the vital role of education in empowering girls and uplifting communities.

The campaign highlighted the importance of self-care, confidence building, and understanding rights while addressing issues like online safety and personal hygiene. It aimed to instill resilience and inspire girls to see themselves as future leaders in fields such as science, medicine, and technology.

The event ran from 2:00 PM to 4:00 PM, with the team affirming their commitment to future awareness campaigns that empower young girls. A total of 25 members attended the event.

Awareness on Agricultural Engineering**

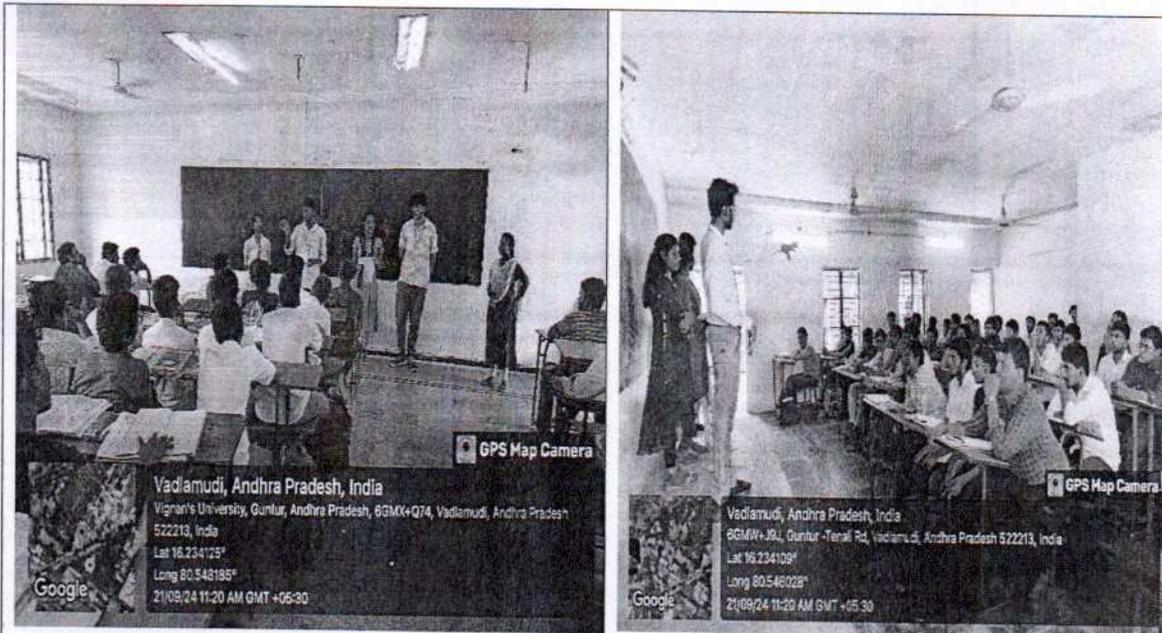

Date:21.09.2024

Venue: Vignan Junior College

The Agricultural Engineering Department of Team UEAC conducted a campaign on "Awareness on Agricultural Engineering" on 21st September 2024 at Vignan Junior College, Vadlamudi. We began by introducing the concept of Agricultural Engineering and its significance in modern farming practices. Our team emphasized the importance of efficient irrigation systems, crop management, and farm mechanization in increasing agricultural productivity.

Through an engaging presentation and interactive quiz, we encouraged the students to think critically about sustainable agriculture practices and their role in ensuring food security. The students showed keen interest and enthusiastically participated in the discussion, asking pertinent questions about Agricultural Engineering and its applications.

We concluded the program by inspiring the students to consider Agricultural Engineering as a viable career option and emphasizing their potential to contribute to India's agricultural growth and development. The event, attended by 35 students, began at 10:00 AM and concluded at 12:30 PM, inspiring students to approach Agricultural Engineering with enthusiasm and responsibility.

Quiz Competition

Date: 21.09.2024

Venue: ZPHS, Jagarlamudi

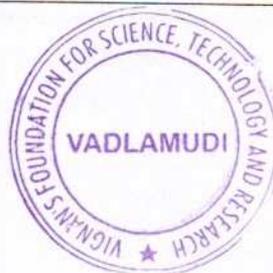

The ECE Department organized a quiz competition at ZPHS, Jagarlamudi, on 21st September 2024. The event was designed for 7th-grade students to encourage academic curiosity and engage them in a fun, competitive environment.

During the quiz, students showcased their knowledge, and the top three performers were selected based on their scores. Prizes were awarded to the winners, recognizing their efforts and motivating other students to excel academically.

The event, held from 2:00 PM to 4:00 PM, was supported by 30 volunteers from the team. Their efforts contributed to the smooth organization and success of the initiative, promoting learning and enthusiasm among the students.

**Awareness and safety measures on electricity**

Date: 21.09.2024

Venue: Vejudla

The EEE Department of Team UEAC conducted a campaign on "Safety Measures and Usage of Electricity" on 21st September 2024 at Vejudla. The event aimed to educate the community on the importance of using electricity safely in their daily lives.

The students raised awareness about the potential dangers of electricity and shared vital safety precautions to prevent electrical accidents. Emphasizing the importance of being alert to electrical hazards, the session encouraged people to adopt preventive measures to ensure safety at home and in their surroundings.

The event, attended by 29 students, commenced at 11:00 AM and concluded at 1:00 PM. It successfully spread awareness on the safe and efficient use of electricity in daily life.

Awareness on Digital Addiction and Screen Time**

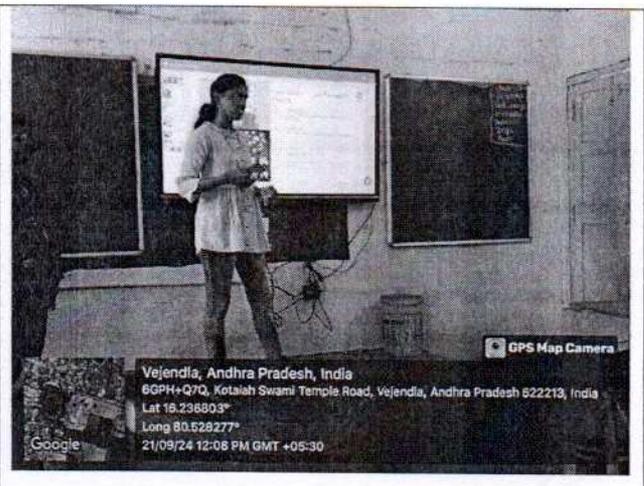

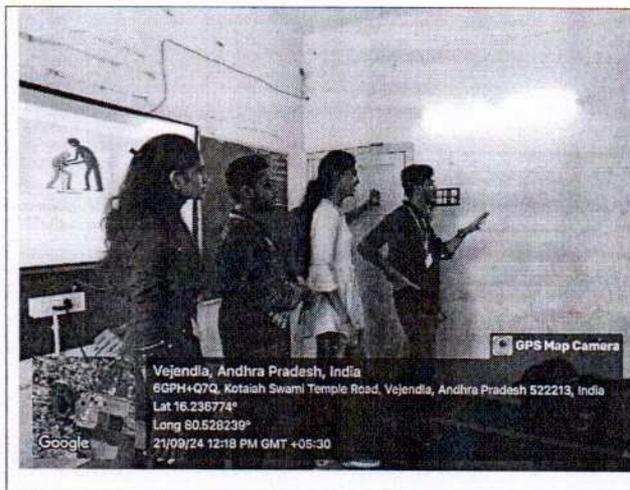

Date: 21.09.2024

Venue: ZPHS, Vejjandla

On September 21, Vignan student volunteers from NSS conducted an impactful event at Vejjandla High School centered on "Digital Addiction and Screen Time." This session aimed to educate students about the rising concerns regarding excessive technology use and its potential effects on their well-being. Through engaging presentations and interactive discussions, students explored the physical, mental, and social consequences of excessive screen time.

The volunteers emphasized strategies for developing healthy digital habits, including setting screen time limits, participating in offline activities, and recognizing signs of digital addiction. Students responded enthusiastically, demonstrating a keen understanding of the importance of balancing technology with other life aspects. They actively participated in discussions about incorporating mindful usage into their daily routines and committed to practicing digital withdrawal techniques.

The program commenced at 11:30 AM and concluded at 1:30 PM, with a total of 17 student volunteers participating in the event. Overall, the event was a resounding success. Students left with a deeper awareness of their digital habits and a commitment to healthier technology use. This initiative not only educated them about the risks associated with excessive screen time but also empowered them to take control of their digital lives, ensuring a balanced approach to technology in their everyday activities.

### Empowering Girls: Cultivating Safety and Confidence

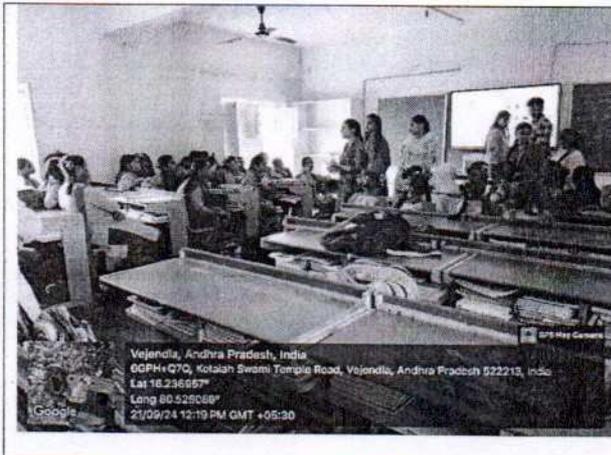

Date: 21.09.2024

Venue: ZPHS, Vejjandla

On September 21, students from the IT Department of Vignan University organized an event at ZPHS, Vejjandla focused on empowering girls through awareness about safety, menstrual hygiene, and well-being. This initiative aimed to educate and inform young women about important health and safety issues, promoting their confidence and security in daily life.

The event included discussions and activities designed to engage not only girls but also boys, raising awareness about these critical topics. Such efforts reflect a commitment to fostering a supportive environment for girls in the community. The program addressed the importance of promoting health, hygiene, and empowerment, as well as challenging the stigma surrounding menstruation, which can lead to misinformation and inadequate practices.

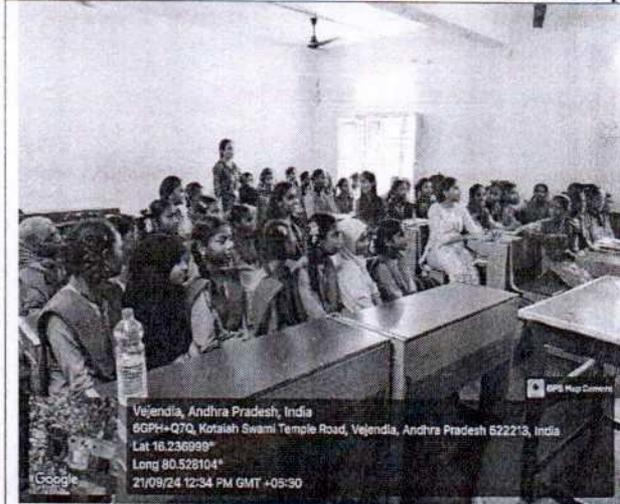

The program commenced at 11:30 AM and concluded at 1:30 PM, with a total of 17 student volunteers participating in the empowerment session on girls' safety and hygiene. Almost all high school girls benefited from this program, receiving the necessary knowledge to educate themselves. The program ended on a positive note, with expressions of gratitude from the schoolgirls towards the volunteers for providing accessible resources and education on this sensitive topic.

**Precautions to Be Taken During Rainy Season**

Date: 23.09.2024

Venue: Narakoduru

The Department of Biotechnology, in collaboration with the NSS team, organized an awareness event on 23rd September 2024 at Narakoduru village. The aim of the event was to educate the villagers on the necessary precautions to take during the rainy season. The session was designed to address the health risks associated with monsoon-related diseases.

The session highlighted preventive measures, such as avoiding water stagnation to reduce mosquito breeding and using insecticide-treated mosquito nets. Emphasis was placed on maintaining hygiene and consuming safe drinking water to prevent waterborne diseases. Immediate medical attention for symptoms like fever was also stressed to control the spread of diseases such as malaria and dengue.

The event took place from 2:00 PM to 4:00 PM with 37 participants, including NSS coordinators and volunteers, actively engaging the community. This collaborative awareness effort aimed to minimize disease spread during the rainy season, ensuring the health of the village residents.

**Effects of passive smoking**

Date: 23.09.2024

Venue: Narakoduru Village

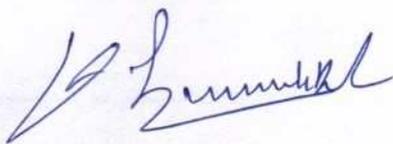

The Department of Biotechnology organized an event titled “Effects of Passive Smoking” on 23rd September 2024 at Narakoduru. The aim of this event was to create awareness about the effects of passive smoking among people.

The team engaged with the residents of Narakoduru village, highlighting the harmful consequences of passive smoking. Passive smoking increases the risk of respiratory illnesses, heart disease, and lung cancer. It harms children's development and can trigger asthma attacks. By educating individuals on the risks associated with second-hand smoke exposure, we can work towards ensuring a healthier environment for all, particularly for vulnerable groups such as children and the elderly. This collective approach promotes awareness and encourages behavioural changes that help protect non-smokers from the dangers of inhaling smoke, fostering a smoke-free and healthier community.

The event was conducted from 2:00 PM to 4:00 PM with 37 participants, including NSS coordinators and volunteers. Engaging the community in such collaborative awareness efforts is essential to minimizing the harmful effects of passive smoking.

Health Camp**

Date: 23.09.2024

Village: Selapadu

On September 23, the NSS unit of Vignan University organized a health camp in Selapadu village, where students came together to provide essential medical services to the local community. Student volunteers campaigned in the village to promote the health camp, focusing on engaging with residents to encourage participation in the health initiatives aimed at improving local health standards.

The camp offered free medical check-ups, including blood pressure and blood sugar assessments, in the presence of a retired doctor, which enhanced the quality of care provided. In addition, valuable health education was delivered to promote preventive care and healthy lifestyle choices. This camp ultimately contributed to the overall well-being of residents. This initiative not only addressed immediate health concerns but also raised awareness about the importance of regular health monitoring, significantly benefiting the residents of Selapadu.

The program commenced at 08:00 AM and concluded at 01:30 PM, with a total of 88 student volunteers participating in this comprehensive community care initiative. Overall, the event was a resounding success. Villagers left with greater awareness and tools to enjoy a healthier life while minimizing health-related concerns. The positive impact of this camp extends beyond the immediate health services provided, as it encourages health and wellness in Selapadu.

NSS DAY - 2024**

Date: 24.09.2024

Venue: Sangamam seminar hall

NSS Day was celebrated on September 24 at Sangamam Seminar Hall with great enthusiasm and commitment. It was an energetic event marked by the presence of Chief Guest Bhargava Teja Garu, the Joint Collector of Guntur. The day commenced with a video presentation highlighting the extensive efforts and achievements of the NSS unit, showcasing a total of 107 events conducted during the academic year 2023–24. This was followed by a ceremonial cake-cutting, symbolizing the spirit of community service and commitment to social responsibility.

The event also featured the launch of the yearbook, aimed at further inspiring students in their community-oriented work. In addition to these highlights, the Chief Guest delivered a speech emphasizing the importance of volunteerism and social engagement among students. The Chairman, Vice Chairman, Chancellor, and Dean of Student Affairs also gave speeches, encouraging students to engage in activities that foster social responsibility and personal growth.

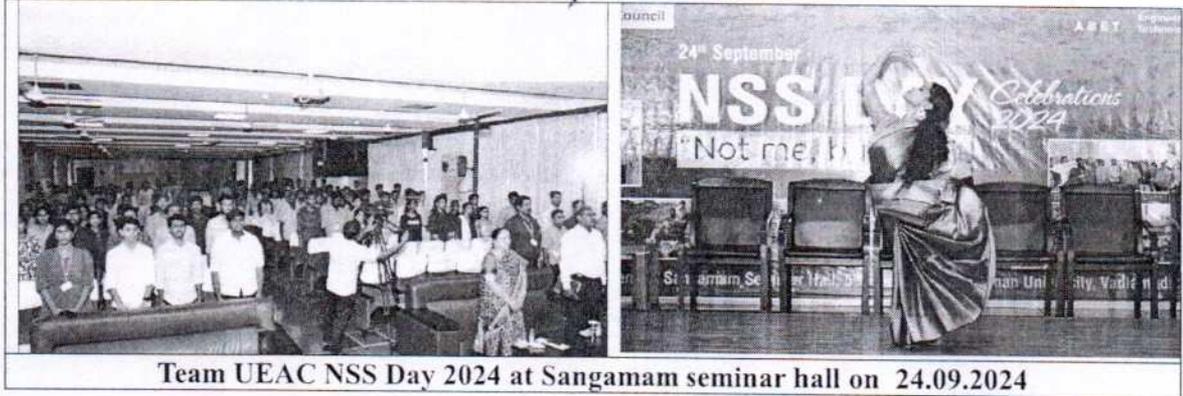

The celebration included several stage performances that entertained and engaged the attendees. In the end, certificates were distributed to the dedicated members in recognition of their contributions to various community service initiatives.

The celebration started at 02:00 PM and concluded at 05:00 PM. It was well-attended by the entire NSS core team, leads, members, and coordinators, creating a vibrant atmosphere of brotherhood and shared purpose. As the event drew to a close, the Chairman extended his blessings to all members, encouraging them to continue their impactful work.

Annual Report – 2024-25  
Gas Stove Distribution**

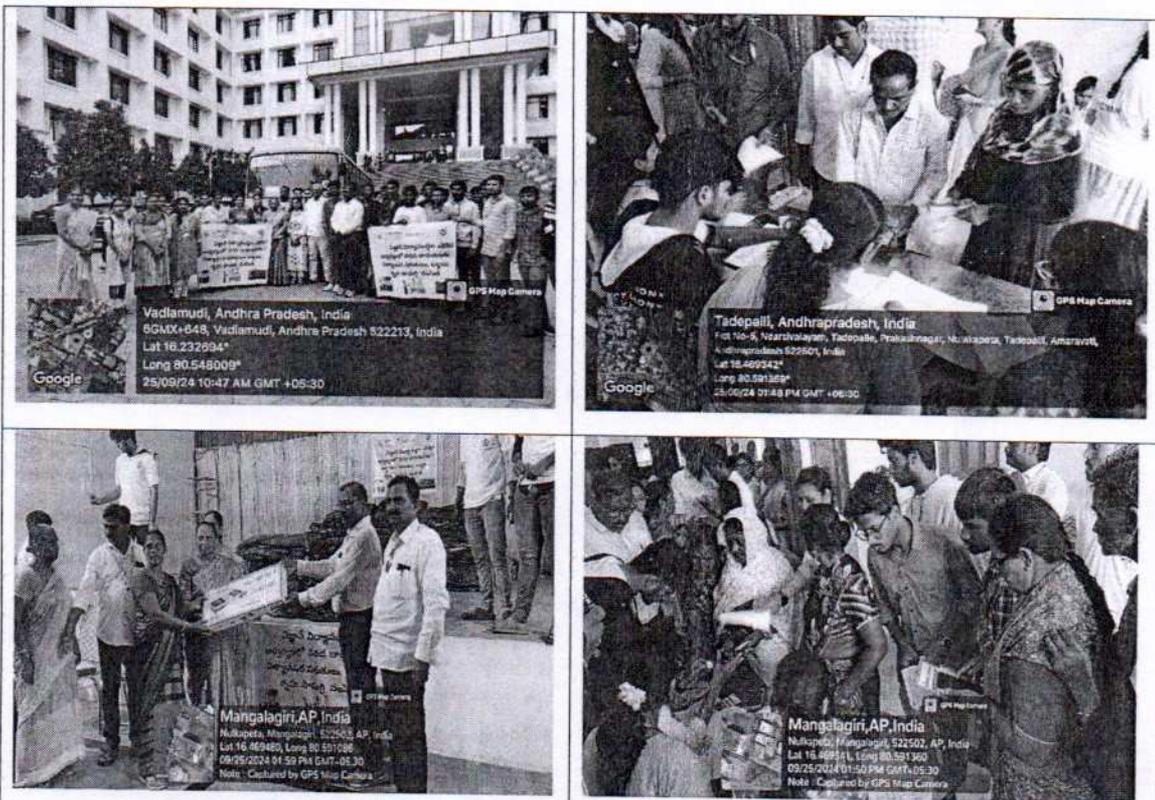

Date: 25.09.2024

Village: Thadepalle

On 25th September 2024, Team UEAC organized a gas stove distribution event at Thadepalli, a flood-affected area where many residents lost their belongings and are struggling to rebuild their lives. After consulting with the local Tahsildar the team identified a critical need for gas stoves among the community members.

With support from the VFSTR management, Team UEAC distributed 250 gas stoves to families in need, ensuring they could resume cooking and meet their daily requirements. The Tahsildar assistance was instrumental in making the distribution process smooth and effective, providing essential relief to those most affected by the floods.

The event, held from 10:30 AM to 4:00 PM, saw the active participation of 40 volunteers, whose dedication ensured the smooth execution of the distribution. This effort underscored the collaborative commitment to helping flood-affected communities regain stability and comfort in their lives.

**Annual Report – 2024-25**  
**Awareness on CPR**

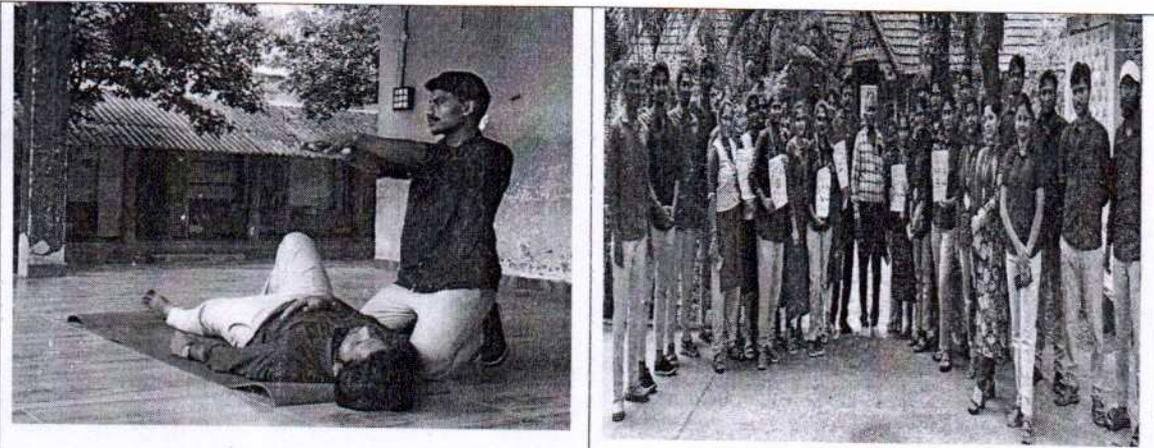

Date: 27.09.2024

Venue: ZPHS, Narakoduru

The Food Technology Department of Team UEAC conducted a campaign on Awareness of CPR on 27th September 2024 at ZPHS, Narakoduru. The session educated students on how CPR helps needy people by saving lives during heart strokes. Cardiopulmonary resuscitation (CPR) is an emergency procedure that can help save a life when someone's heart stops beating or their breathing has stopped.

Students of the Food Technology Department performed and demonstrated scenarios showing how CPR works in emergency cases and explained that CPR is especially important in the case of cardiac arrest, which can occur when someone has a heart attack or nearly drowns.

The event, attended by 29 students, began at 1:00 PM and concluded at 3:00 PM. Students were inspired by learning that for every minute without intervention, the chance of survival drops for a person experiencing sudden cardiac arrest.

Awareness on BMI (Body Mass Index)**

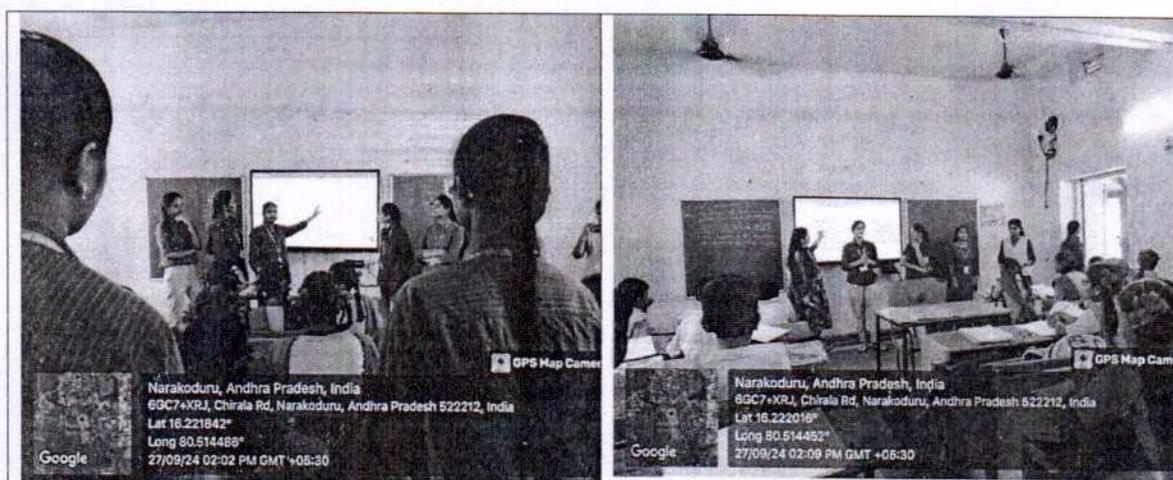

Date: 27.09.2024

Venue: ZPHS, Narakoduru

The Food Technology Department of Team UEAC conducted a campaign on Awareness of BMI on 27th September 2024 at ZPHS, Narakoduru. The session educated students that BMI is an estimate of body fat and a good gauge of the risk for diseases that can occur with more body fat.

Students of the Food Technology Department explained that the higher the BMI, the higher the risk for certain diseases such as heart disease, high blood pressure, type 2 diabetes, gallstones, breathing problems, and certain cancers. They conducted a check-up on height and weight readings of the students, noted them, and calculated the BMI.

The event, attended by 29 students, began at 1:00 PM and concluded at 3:00 PM. Nongovernmental organizations and the media can work with individuals and communities to educate and spread key messages on the root causes of obesity, the importance of prevention and treatment, as well as the impact of adopting healthy behaviours like keeping physically active.

## University Extension Activity Council (UEAC) Annual Report – 2024-25 Digital Literacy

Date: 28.09.2024

Venue: Sangam Jagarlamudi

The Department of CSE organized an event titled “Digital Literacy” on 28th September 2024 at Sangam Jagarlamudi. The aim of this event was to educate students on digital education and enhance their awareness of AI applications.

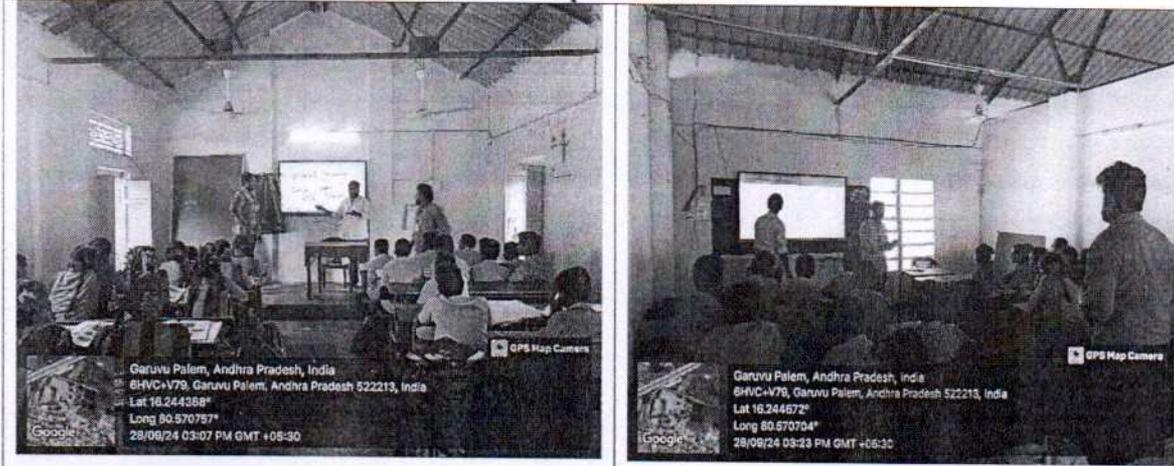

The team engaged with students of classes 8 and 9 from ZPHS during this event. The focus was on teaching digital techniques and providing practical demonstrations to help students practice these techniques. The session also provided knowledge on AI applications, ensuring students understood and could apply these features effectively.

The event began at 2:00 PM with an introduction about the importance of digital literacy and its application to daily life. A total of 12 members attended. The UEAC team concluded the event and returned to the university by 4:00 PM.

Awareness on ChatGPT.

Date: 28.09.2024

Venue: Vejjandla

The Department of CSE organized an event titled “Awareness on ChatGPT” on 28th September 2024 at Vejjandla. The aim of this event was to educate students about ChatGPT, including its advantages and disadvantages.

The team engaged with students of classes 8 and 9 from ZPHS during this event. The focus was on introducing ChatGPT and providing practical demonstrations to help students understand its uses and limitations. The session began with an explanation of how ChatGPT, as an AI application, can act as a tutor or teaching assistant—explaining concepts, answering questions, and grading simple assignments. However, potential drawbacks such as generating incorrect or misleading information were also discussed, along with the risks of relying on AI for critical tasks.

The event commenced at 2:00 PM with an introduction about the importance of ChatGPT and its relevance to daily life. A total of 9 members attended. The Department of CSE concluded the event and returned to the university by 4:00 PM.

Women Empowerment**

Date: 28.09.2024

Venue: Vadlamudi

The Department of CSE organized an awareness camp on September 28th, 2024, at Sangam Jagarlamudi, aimed at uplifting and supporting women in the community. The event focused on raising awareness about women's rights, leadership, and the importance of self-reliance. Through discussions and educational sessions, the camp encouraged women to take an active role in shaping their personal and professional lives, promoting confidence and empowerment.

The Women Empowerment Camp also provided moral support to women, encouraging them to take charge of their growth through discussions on entrepreneurship, financial literacy, and healthcare. The session sought to inspire confidence and leadership while fostering a sense of community. Faculty, UEAC members, and volunteers offered guidance and encouragement to help women overcome challenges and pursue their goals.

The program began at 2:00 PM with an introduction about the importance of women's empowerment and its practical implications in daily life. A total of 15 members attended. The team concluded the event and returned to the university by 4:00 PM.

Awareness on Chat GPT.

Date: 28th September 2024

Venue: Vajandla.

The Department of CSE organized an event titled “Awareness on ChatGPT” on 28th September 2024 at Vajandla. The aim of this event was to educate students about ChatGPT, including its advantages and disadvantages.

The team engaged with students of classes 8 and 9 from ZPHS during the event. The focus was on explaining ChatGPT and providing practical demonstrations to help students understand the benefits and potential drawbacks of this AI application. The session began with a discussion on how ChatGPT can act as a tutor or teaching assistant, explaining concepts, answering questions, and grading simple assignments. However, it was also highlighted that ChatGPT may sometimes generate incorrect or misleading information, which can be problematic if relied upon for critical tasks. The session was successful, with active participation and interaction from the students.

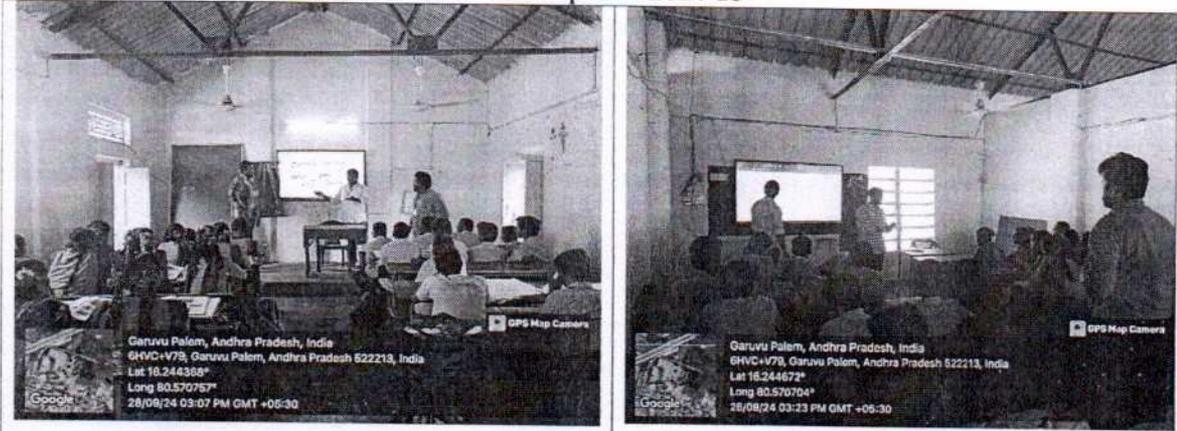

The event began at 2:00 PM with an introduction about the importance of ChatGPT and its relevance to daily life. Attendance totaled 9 members. The Department of CSE concluded the event and returned to the university by 4:00 PM.

Awareness on Self Employment**

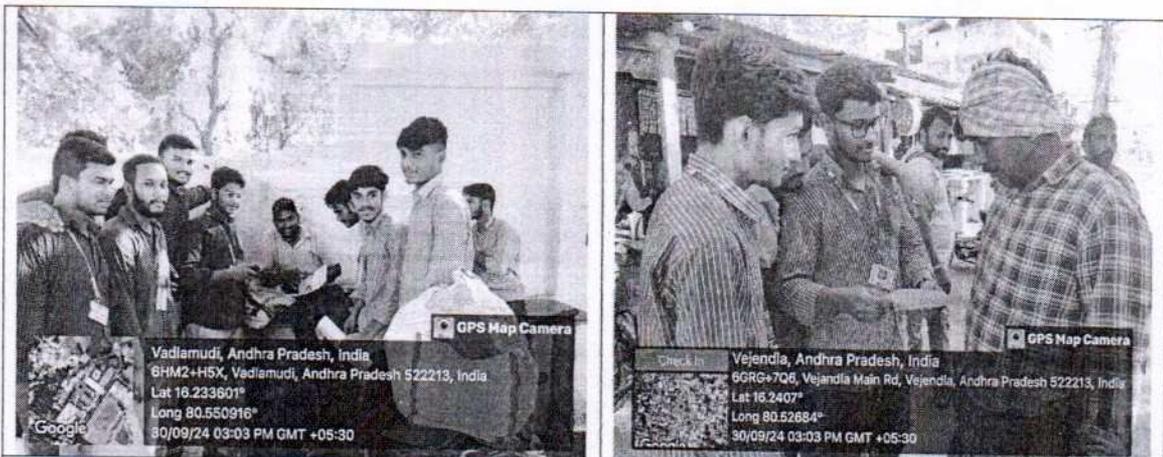

Date: 30.09.2024

Venue: Vejandla.

The Mechanical Department of Team UEAC conducted a campaign on "Awareness on Self Employment" on 30th September 2024 at Vejandla. The session aimed to educate participants on entrepreneurial opportunities, business planning, and financial management, emphasizing the importance of innovation and risk-taking.

The program featured expert speakers who shared inspiring success stories, guiding attendees on transforming ideas into viable ventures. Key topics covered included market research, funding options, and effective marketing strategies. Interactive sessions allowed participants to engage with the speakers, clarifying doubts and gaining valuable insights.

The event, attended by 40 participants, began at 2:00 PM and concluded at 4:00 PM. Team UEAC appreciates the Mechanical Department's efforts in promoting entrepreneurship, job creation, and economic growth. By empowering individuals to take charge of their financial futures, this initiative contributes to community development and self-reliance.

Awareness on Human Nutrition for Woman**

Date:30.09.2024

Venue: Vejjandla.

The Mechanical Department of Team UEAC organized an awareness program on "Human Nutrition for Women" on 30th September 2024 at Vejjandla. The session aimed to educate women about essential nutrients and healthy eating habits for overall well-being.

The program covered crucial topics such as balanced diets, combating nutritional deficiencies, and healthy lifestyle choices. Experts emphasized the importance of whole foods, fruits, vegetables, and whole grains in maintaining women's health.

The event, attended by 40 participants, began at 2:00 PM and concluded at 4:00 PM. Team UEAC appreciates the Mechanical Department's efforts in promoting women's health and wellness, empowering women with knowledge on human nutrition for a healthier lifestyle.

**Awareness on Health and Hygiene**

Date: 01.10.2024

Venue: Suddapalli

On 1st October 2024, Team UEAC from the Department of Biomedical Engineering conducted a Health & Hygiene Awareness Campaign at Suddapalli. This initiative demonstrated UEAC's dedication to community service and commitment to fostering social responsibility.

The volunteers emphasized important health practices such as washing hands before meals, maintaining a balanced diet, avoiding junk food, and exercising daily. They also advised the community to walk at least 5 km daily, avoid ice cream during the rainy season, and focus on both personal and environmental hygiene. Proper waste disposal and keeping surroundings clean were also key points of the awareness session. This initiative aimed to improve health standards and build a sense of unity and shared responsibility between students and the community.

The program, held from 12:10 PM to 3:50 PM, saw the participation of 20 dedicated volunteers who contributed to making a positive impact on the community's well-being.

Awareness on Road Accidents

Date:01.10.2024  
Venue: Suddapalli

In response to the rise in accidents, Team UEAC from the Department of Biomedical Engineering organized a Road Safety Awareness Campaign at Suddapalli on 1st October 2024. This initiative underlined UEAC's commitment to social responsibility and community service.

Volunteers provided crucial guidance on road safety, emphasizing the importance of obeying traffic rules, avoiding driving under the influence, refraining from mobile phone use while driving, and wearing helmets and seat belts. They also stressed maintaining vehicles, checking their condition before long trips, crossing roads safely, and adhering to speed limits under 60 km/h.

The program aimed not only to promote immediate safety practices but also to foster a collective responsibility between students and the community. The event ran from 12:30 PM to 3:50 PM, with 20 NSS student volunteers from the Department of Biomedical Engineering actively participating.

The campaign positively impacted local residents, who appreciated the essential safety tips shared. The session concluded on a high note, with the community expressing gratitude for the volunteers' dedication.

On 1st October 2024, the Department of EEE of Team UEAC conducted a Women Empowerment session for Class 6 students at Sangam Jagarlamudi High School. The session focused on educating young girls about the importance of self-confidence, education, and equal opportunities in shaping their future.

Volunteers discussed key topics, including the significance of education for girls, gender equality, and the role of women in various professional fields. The session aimed to inspire young girls to dream big and equip them with the knowledge that they can achieve success in any field, from science to sports, leadership, and beyond.

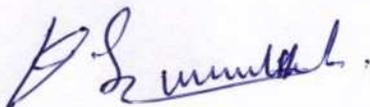

A total of 30 volunteers participated in this impactful event, which was held from 2:00 PM to 4:00 PM. The session fostered a sense of empowerment among the students, encouraging them to take charge of their future and contribute positively to society.

Quiz and Essay Competitions**

Date:01.10.2024

Venue: Sangam Jagarlamudi,ZPHS

In celebration of Gandhi Jayanti, the Department of EEE of Team UEAC organized quiz and essay writing competitions for Class 6 students at Sangam Jagarlamudi High School on 1st October 2024. The event aimed to honor the values of Mahatma Gandhi and encourage students to learn more about his life, principles, and contributions to India's independence.

The quiz competition tested students' knowledge of Gandhi's life and important historical events, while the essay writing competition allowed them to reflect on Gandhian values such as non-violence, truth, and simplicity. Both competitions encouraged critical thinking and creativity, helping the students engage deeply with the theme of Gandhi Jayanti.

As a reward for their participation and achievements, the winners were presented with skipping ropes and exam pads, encouraging a balance of physical activity and academic focus. A total of 30 volunteers actively participated in organizing and facilitating the event, which took place from 2:00 PM to 4:00 PM. The event was not only educational but also inspiring, leaving students with a greater appreciation of Gandhi's legacy.

Awareness on dengue fevers

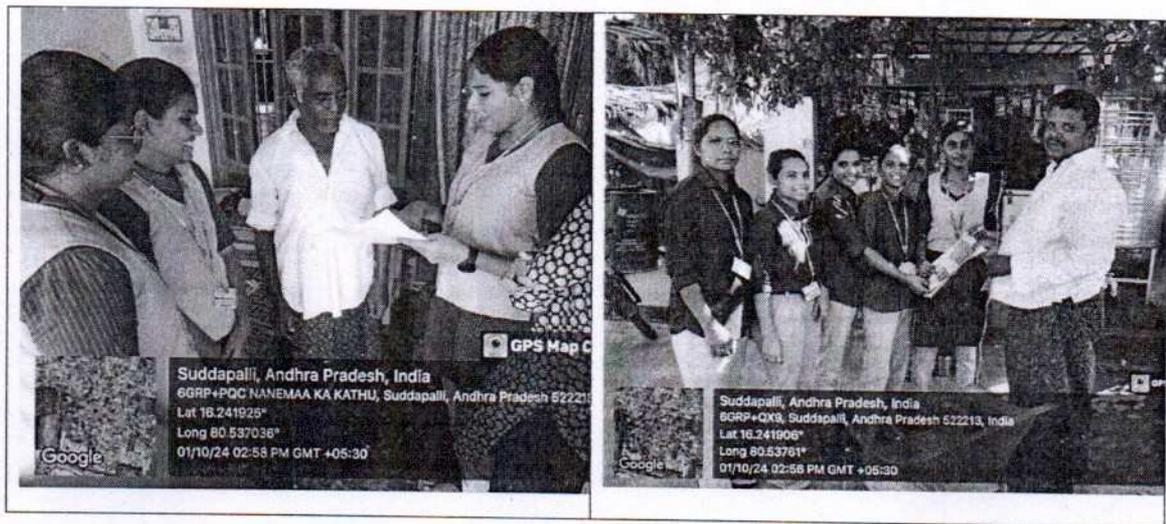

Date: 01.10.2024

Venue: Sekuru

On 1st October 2024, the Department of IT of Team UEAC organized a Dengue Fever Awareness Campaign at Sekuru. The campaign aimed to educate the community on the dangers of dengue fever and the preventive measures to avoid infection.

During the session, volunteers emphasized the importance of maintaining cleanliness, eliminating stagnant water sources, and using mosquito repellents to protect against the spread of dengue. The program also provided practical tips on identifying symptoms and seeking early medical intervention to prevent complications.

A total of 34 volunteers participated in the event, which was held from 2:00 PM to 4:00 PM. The campaign was a vital step toward increasing awareness and encouraging the community to adopt preventive measures to combat the spread of dengue fever.

## University Extension Activity Council (UEAC) Annual Report – 2024-25 Awareness on Organic Farming

Date: 01.10.2024  
Venue: Sekuru

On 1st October 2024, the Department of IT of Team UEAC organized an Organic Farming Awareness Campaign at Sekuru. The event aimed to promote the benefits of organic farming, highlighting its positive impact on health, the environment, and sustainable agricultural practices.

Volunteers engaged with the local community, educating them about organic farming methods such as the use of natural fertilizers, crop rotation, and pest control without harmful chemicals. The session also focused on how organic farming helps preserve soil quality, reduce environmental damage, and produce healthier food.

A total of 34 volunteers participated in this event, contributing to spreading knowledge about sustainable farming techniques and encouraging the adoption of eco-friendly practices. The event was a significant step toward fostering environmentally conscious agricultural practices within the community.

Swachhta Pledge Taking Ceremony**

Date: 03.10.2024

Venue: A Block OAT, Vignan University

On 3rd October 2024, Team UEAC of Vignan University (VU) organized a “Swachhta Pledge Taking Ceremony” at A Block OAT on the university premises, bringing together students from all departments to reinforce their commitment to cleanliness as part of the Swachh Bharat Mission. The event, inspired by Mahatma Gandhi’s vision of a clean and developed India, aimed to encourage students to take active roles in maintaining personal and community hygiene. During the ceremony, participants took the following Swachhta Pledge:

“Mahatma Gandhi dreamt of an India which was not only free but also developed. Gandhi secured freedom for Mother India. Now it is our duty to serve Mother India by keeping the country neat and clean. I take this pledge that I will remain committed towards cleanliness and devote time for this. I will devote 100 hours per year, that is two hours per week, to voluntarily work for cleanliness. I will neither litter nor let others litter. I will initiate the quest for cleanliness with myself, my family, my locality, my village, and my workplace. I believe that the countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen. With this firm belief, I will propagate the message of Swachh Bharat Mission in villages and towns. I will encourage 100 other persons to take this pledge which I am taking today. I will endeavour to make them devote their 100 hours for cleanliness. I am confident that every step I take towards cleanliness will help in making my country clean.” The event commenced at 3:00 PM and concluded at 4:00 PM. A total of 100 participants, under the guidance of Team UEAC, pledged to dedicate 100 hours a year to voluntary cleanliness work, motivating themselves and others to take steps towards a cleaner, greener India. This initiative reflects Vignan University's dedication to community service and its continuous efforts in supporting national missions like Swachh Bharat.

Plantation of Sapling

Date: 05.10.2024

Venue: VFSTR

Team UEAC of the Department of ECE conducted an event titled "Plantation of Sapling" as part of Swachhatha activities at Vignan University premises on 5th October 2024. This event was organized by the ECE Department with the aim of protecting nature by removing plastic waste from green areas. This effort benefits both the environment and human health.

During the event, many participants actively and wholeheartedly contributed. Several faculty members also assisted in making the event successful. Participants removed plastic waste from green spaces, planted saplings, and watered them to increase greenery. The event was held from 11:00 AM to 12:00 PM and was supported by 30 volunteers from the team. Their efforts contributed to the smooth organization and success of the initiative, promoting environmental awareness among participants.

Awareness about bioenergy usage

Date:07.10.2024

Venue: Vadlamudi

The EEE Department of Team UEAC conducted a campaign on "Bio-waste Usage Awareness campaign" on 7th October 2024 in Vadlamudi. The event aimed to educate the community on the importance of bioenergy and various ways to produce it using available resources.

Students raised awareness about recycling waste generated from households, fields, and other sources. They highlighted information on materials that can be used to produce biogas and explained the procedure. The students also took an oath to help villagers learn about the various methods of producing biogas.

The event, attended by 28 students, commenced at 11:00 AM and concluded at 1:00 PM. It successfully raised awareness about how efficiently people can manage their household waste to make Biogas and Fertilizers.

**Benefits Of Nutraceuticals**

Date:08.10.2024

Venue: Selapadu

On 8th October 2024, Team UEAC from the Department of Biotechnology organized an awareness program on the benefits of nutraceuticals at Selapadu. This event aimed to raise awareness among the local community about nutraceuticals, which enhance health benefits and help ameliorate diseases.

Volunteers explained to the villagers the numerous health benefits of nutraceuticals, including improved physical and mental well-being. They discussed how different food items positively affect health and how nutraceuticals support weight management, sports performance, bone health, as well as men's and women's health.

A total of 39 volunteers from the Department of Biotechnology participated in this campaign, which was conducted between 10:00 AM and 12:00 PM. The volunteers engaged the local community effectively, providing valuable health care tips and information.

Awareness on Common Diseases of Winter Season

Date:08.10.2024

Venue: Selapadu

On 8th October 2024, Team UEAC from the Department of Biotechnology organized an awareness campaign at Selapadu focusing on common diseases prevalent during the winter season. The event aimed to educate villagers on prevention and management of illnesses such as colds, coughs, influenza, and respiratory infections.

Volunteers discussed preventive measures including maintaining good hygiene, dressing warmly, ensuring good nutrition to boost immunity, staying hydrated, getting vaccinated, and avoiding exposure to cold environments.

A total of 39 volunteers from the Department of Biotechnology participated in this campaign, held from 10:00 AM to 12:00 PM. The event was well received by the local community, who appreciated the health tips and information shared.

Say No to Plastic

Date: 16.10.2024

Venue: Selapadu

The Department of IT organized an awareness camp titled "Say No to Single Use Plastic" on 16th October 2024 at Selapadu. The primary aim of the event was to educate the community about the adverse effects of single-use plastics on the environment and promote sustainable practices through a roadshow and banner display.

The significance of this event lies in fostering awareness about cleanliness and environmental conservation. Single-use plastics are major contributors to pollution, harming wildlife and ecosystems. By engaging the community in proactive discussions about alternatives, the event aimed to inspire sustainable habits. The roadshow served as a dynamic platform to disseminate information, encourage discussions, and motivate participants to act against plastic pollution.

The awareness camp commenced at 2:00 PM and concluded at 4:00 PM, successfully involving 18 dedicated volunteers. The event highlighted the importance of collective efforts in promoting environmental sustainability and left a positive impact on attendees.

Awareness on Sanitation Measures**

Date: 17.10.2024

Venue: Sekuru

On 17th October 2024, Vignan Institute of Law hosted an awareness program in Sekuru village. The aim of this event was to educate the community about the importance of sanitation and to raise awareness about diseases caused by poor sanitation.

Volunteers interacted with villagers to highlight the need for sanitation, especially in the aftermath of heavy rains that cause filth and promote mosquito breeding. They discussed various sanitation methods essential for good health and preventing disease.

A total of 21 participants attended the event, which ran from 2:00 PM to 4:00 PM. The program covered key topics regarding the importance of sanitation and its role in preventing health issues following heavy rainfall.

Mindfulness and Mental Health**

Date: 18.10.2024

Venue: Vignan Junior College, Vadlamudi

The Department of IT organized an awareness camp titled "Mindfulness and Mental Health" on 18th October 2024 at Vignan Junior College. The primary aim of the event was to help students improve their mental health by providing tools to manage stress, anxiety, and emotions through mindfulness exercises.

The session engaged students with practical exercises for managing stress and anxiety. The students showed great enthusiasm and eagerness, creating a lively atmosphere. Their positive feedback underlined the importance of making mindfulness relatable, empowering students to cultivate self-awareness and emotional resilience for better mental health. The awareness camp commenced at 3:00 PM and concluded at 4:00 PM, successfully involving 15 dedicated volunteers. The event effectively introduced mindfulness practices, highlighting their role in enhancing mental health.

Awareness on Information Technology**

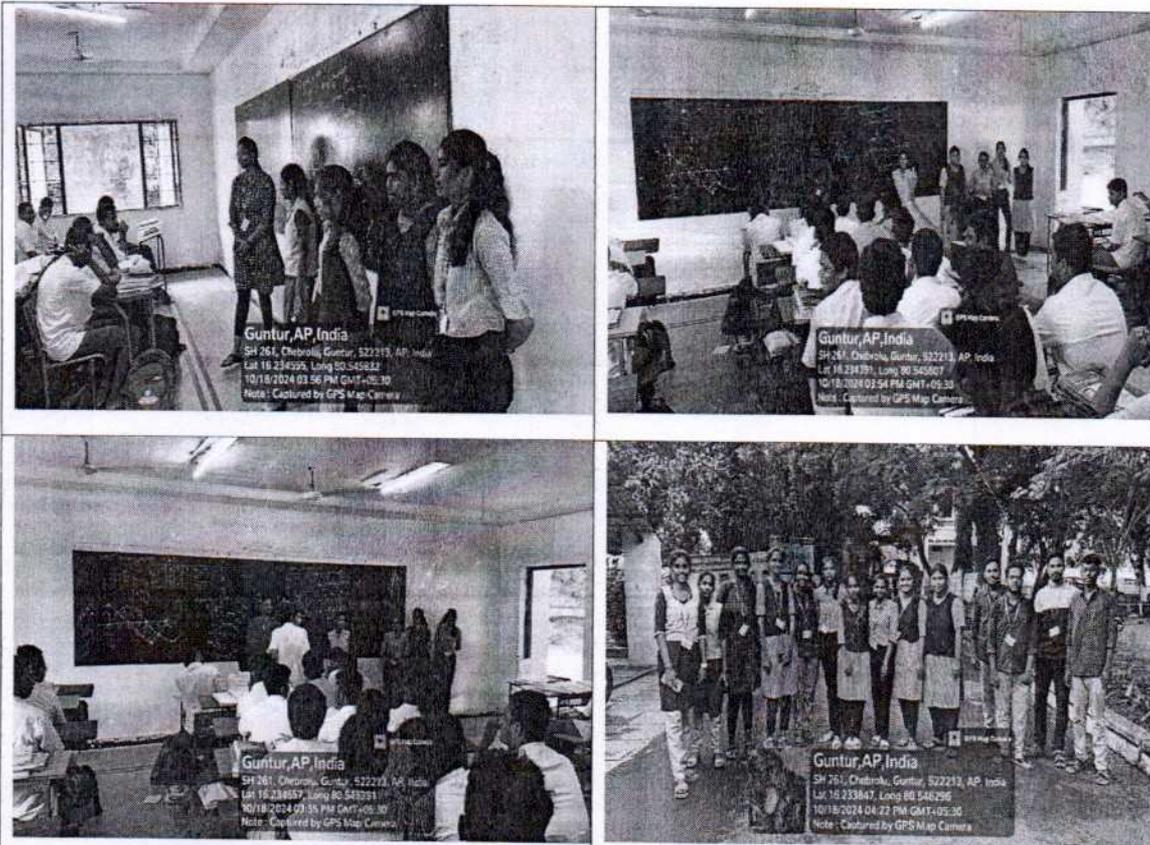

Date: 18.10.2024

Venue: Vignan Junior college, Vadlamudi

The Department of IT organized an awareness camp titled "Information Technology: Building a Better Future" on 18th October 2024 at Vignan Junior College. The primary aim of the event was to communicate the advantages of studying information technology and encourage students to pursue careers in IT.

Volunteers engaged with the students, highlighting the benefits of information technology and raising awareness about career opportunities and job prospects in the field. The session also focused on how software development helps, as well as the impact of the internet on daily life.

A total of 15 participants attended the session from 3:00 PM to 4:00 PM. The program covered essential topics like technology, hardware and software development, the internet and its uses, and the importance of information technology.

Talk Show on Swachhta**

Date: 21.10.2024

Venue: ZPHS, Vejandla

The Department of CSE organized a “Talk Show on Swachhta” on 21st October 2024 at ZPHS, Vejandla. The aim of the event was to create awareness among students about swachhta (cleanliness) and its benefits.

The team engaged students from classes 8, 9, and 10 during the event. The focus was on raising awareness about various aspects of swachhta including personal, physical, mental, environmental, and societal cleanliness. The session provided valuable insights with the help of posters, ensuring students understood and could apply the concept for their personal benefit.

The event began at 2:00 PM with an introduction about the importance and benefits of swachhta in daily life. A total of 21 members attended. The UEAC team concluded the event and returned to the university by 4:00 PM.

**Awareness of water conservation**

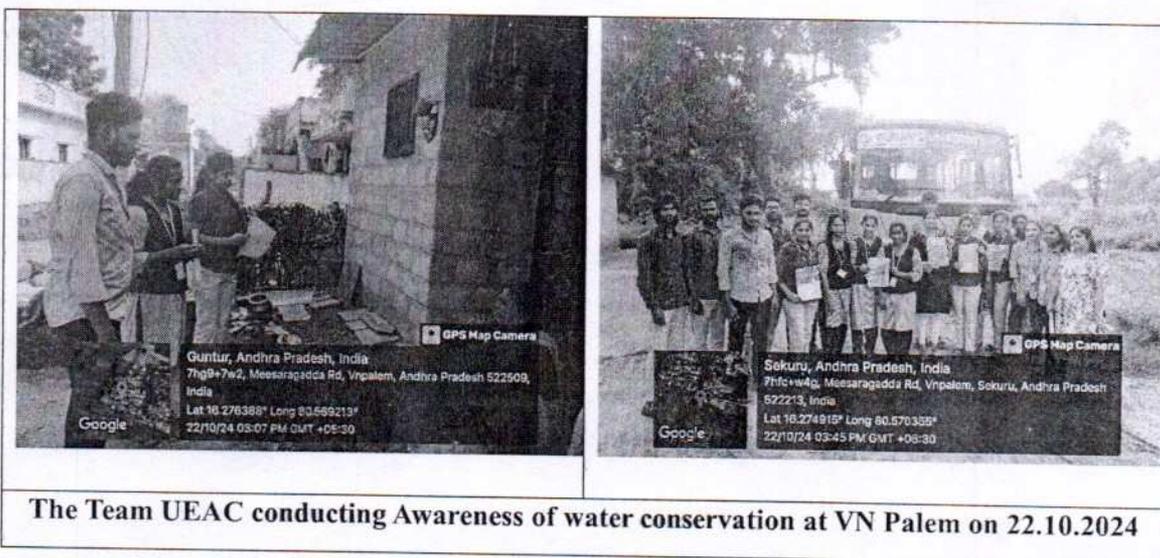

Date: 22.10.2024

Venue: VN PALEM

The Food Technology Department of Team UEAC organized a campaign on Awareness of Water Conservation on 22nd October 2024 at VN Palem. The session aimed to raise awareness about the importance of conserving water and ensuring access to clean and pure water for the community. Emphasis was placed on understanding the necessity of water conservation for the future and respecting natural resources.

During the event, students educated the participants on various methods of water conservation, encouraging the community to adopt practices that reduce water waste. They also highlighted the broader impact of pollution on water sources and the urgent need for sustainable water use to ensure the survival and well-being of future generations.

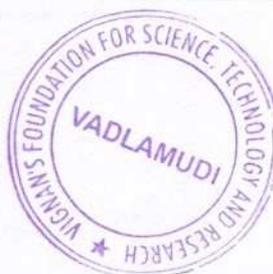

The event, attended by 22 students, began at 2:00 PM and concluded at 4:00 PM. The campaign used creative visuals and interactive discussions to engage the audience, aiming to inspire long-term action in preserving water resources.

Importance of food technology**

Date: 22.10.2024

Venue: Vignan Jr Collage, Vadlamudi

On 22nd October 2024, the Food Technology Department of Team UEAC organized an informative session on the Importance of Food Technology at Vignan Junior College, Vadlamudi. The session focused on how food technology ensures a constant, safe food supply by applying scientific principles and innovations to food processing and preservation.

The presentation highlighted key benefits of food technology courses, such as applied learning, an engineering perspective on food processing, and industry readiness. These aspects equip students with practical skills to tackle challenges like short shelf life, nutrient loss, and inefficient processing in the food industry.

The event, attended by 8 students, ran from 2:00 PM to 4:00 PM. The session underscored how advancements in food technology are crucial to maintaining food safety standards and solving common issues faced by the food sector in India.

**Awareness on self-hygiene**

Date: 23.10.2024  
Venue: Suddapalli

On 23rd October 2024, the Department of Law organized an awareness campaign focusing on the importance of self-hygiene and maintaining clean surroundings. The primary objective was to educate villagers about personal hygiene practices and the harmful effects of an unclean environment on public health.

During the session, students explained the importance of body hygiene, emphasizing the need to wash hands before meals, cook food properly, and maintain overall cleanliness to prevent bacterial infections. Special attention was given to children and elderly individuals, who are more vulnerable to diseases caused by unhygienic environments. The campaign was conducted from 2:00 PM to 4:00 PM with the active participation of 21 volunteers who engaged with the villagers. The event successfully raised awareness, encouraging people to adopt better hygiene habits and contribute to a cleaner and healthier environment.

**Community Relief Drive: Food Distribution and Support for Flood-Affected  
Areas at Vijayawada**

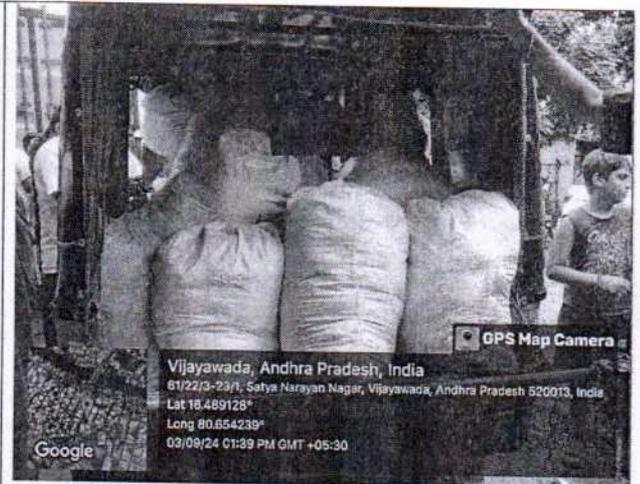

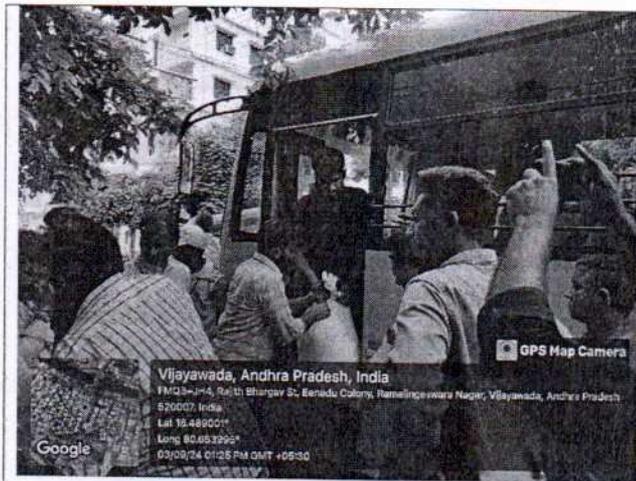

Date: 25.10.2024

Venue: Vijayawada

The team UEAC organized an event on October 25, 2024, in the Vijayawada region in response to the devastating floods caused by heavy rainfall. The aim of this initiative was to support the flood-affected residents by providing essential food packets to those in need. The visit highlighted the importance of active participation of all young individuals in socially responsible activities and underscored the significance of the National Service Scheme's (NSS) initiatives. The NSS volunteers & coordinators, Mr. Mohan, Mr. Dhanunjay, Mr. Suresh and Mr. Veeranjanyulu from VFSTR together have coordinated with the government officials Krishna district collector, Mr. Kathilal Dhande, Mr. Sasi Bhushan, Assistant executive engineer (R&B), Mr. Srinivasa Reddy, CE, R&B, in providing aid to the needy.

The main agenda was to offer immediate relief to the victims by ensuring that they had access to basic necessities. Floods at Vijayawada washed away everything from hundreds of families, leaving countless victims. During this plight situation NSS has stepped forward to help victims with help of University management. The UEAC have provided food for over 5000 members of Vijayawada, ensuring that the affected families received much-needed aid. This event was a powerful reminder of the impact that such efforts can have during times of crisis.

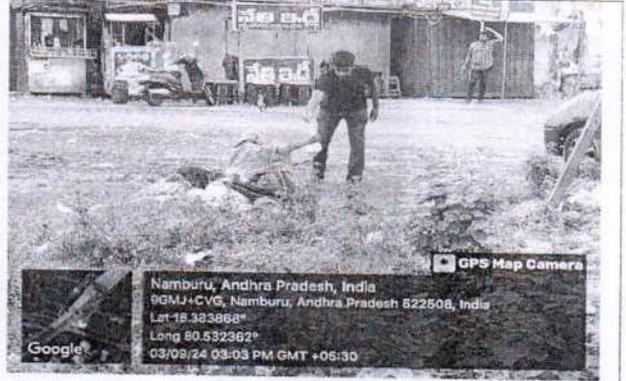

The event started at 8:00 AM and concluded at 6:00 PM, with active participation of 30 NSS members (Coordinators and volunteers).

Venue: Sangam Jagarlamudi

Team UEAC of the Department of ECE conducted the event “Awareness of Good Touch and Bad Touch” as part of women’s safety activities on 26th October 2024. This event, designed by the ECE Department, aimed to protect women in society. It also provided guidance for men on appropriate behavior towards women.

The event received a tremendous response from villagers, with many participants actively and wholeheartedly engaging, especially parents with daughters. Presentations were delivered via PowerPoint, and some participants demonstrated key points during the session.

A total of 30 volunteers supported the event, which was held from 2:00 PM to 4:00 PM. Their efforts contributed to the smooth organization and success of the initiative, promoting the safety and well-being of women in society

Awareness on Mobile addiction**

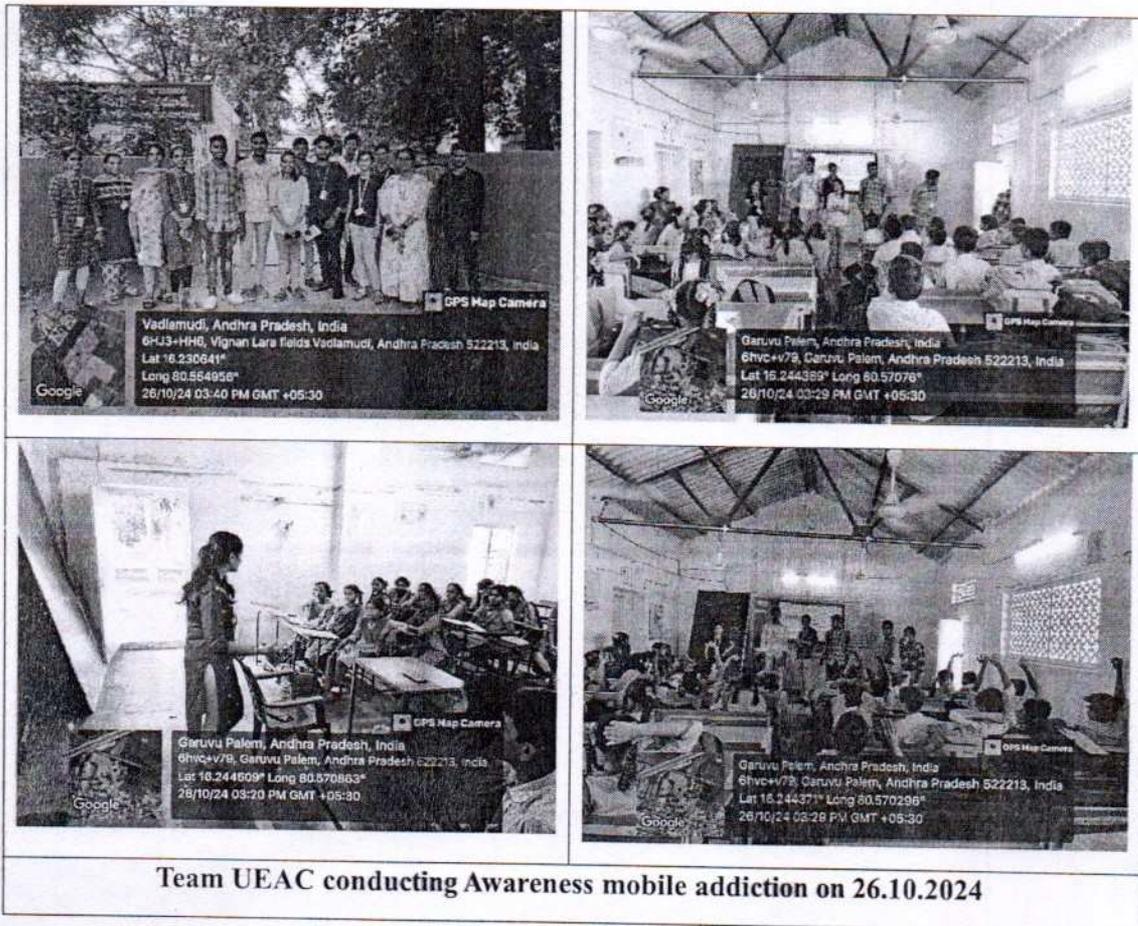

Date: 26.10.2024

Venue: Sangam Jagarlamudi

Team UEAC of the Department of ECE conducted an event titled “Awareness on Mobile Addiction” as part of future readiness activities on 26th October 2024. Designed by the ECE Department, the event aimed to educate children about the dangers of mobile addiction. It also encouraged healthy family interactions.

The event received a positive response from school children, many of whom participated actively and wholeheartedly. Participants raised awareness about how excessive mobile usage can cause numerous problems in daily life.

The event, held from 2:00 PM to 4:00 PM, was supported by 30 volunteers who contributed to the smooth organization and success of the campaign promoting awareness about mobile addiction.

**Mobilize Community to Build Compost Pits**

Date: 28.10.2024

Venue: Suddapally

On 28th October 2024, the Department of Management organized a community-driven initiative to mobilize residents in building compost pits. The objective was to educate the community on organic waste management and the benefits of composting, which supports sustainable agriculture and reduces waste accumulation.

During the event, students demonstrated how organic matter decomposes to form manure and explained its role in improving soil fertility. They also engaged with villagers, encouraging them to adopt composting practices as a simple yet effective method to manage household and agricultural waste. The event took place from 2:00 PM to 4:00 PM with the active participation of 23 volunteers. Their collective efforts successfully guided the community in constructing compost pits, fostering environmental responsibility and sustainable waste management practices.

Essay Writing Competition

Date: 29.10.2024

Venue: ZPHS, Vejudla

The Agricultural Engineering Department of Team UEAC organized an essay writing competition at ZPHS, Vejudla, specifically for students in grades 6 to 9 on 29th October 2024. The event aimed to inspire students to reflect on environmental issues and propose practical solutions through written expression.

The essays discussed the importance of saving water, practical tips for reducing water usage at home and school, and the impact of water scarcity on communities. Students also highlighted the critical role forests play in maintaining ecological balance, the threats posed by deforestation, and the significance of afforestation efforts. The essays were evaluated based on clarity, creativity, structure, and relevance to the themes provided. Prizes were awarded to winners and participants to recognize their efforts.

A total of 14 volunteers supported the event, which took place at ZPHS, Vejudla from 2:00 PM to 4:00 PM.

**Speeches on Swachhtha Activities**

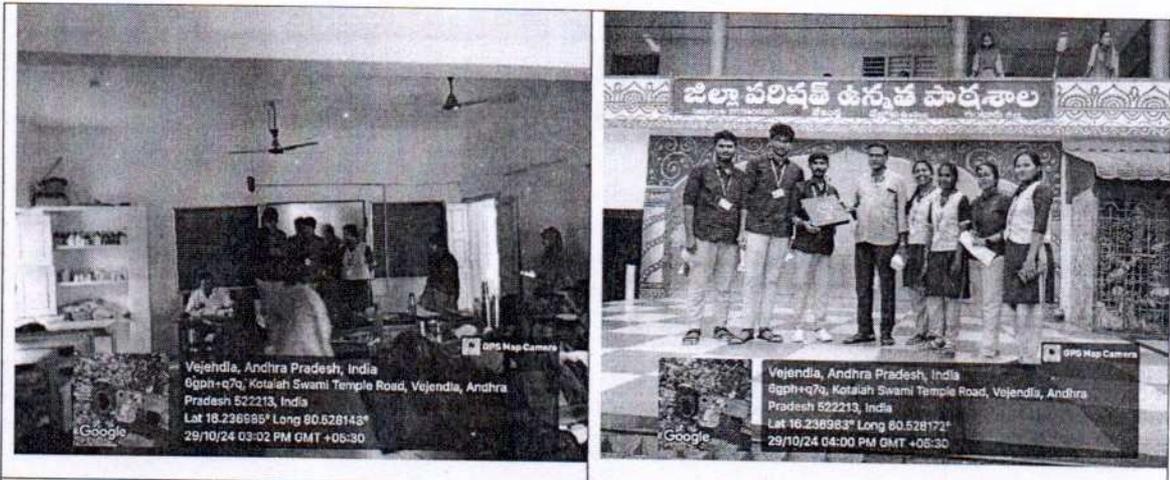

**Date:** 29.10.2024  
**Venue:** ZPHS, Vejendla

On 29th October 2024, Team UEAC conducted an inspiring event on Swachh Bharat (Clean India) activities at ZP High School, Vejendla. This event provided a platform for 7th-grade students to deliver speeches highlighting the importance of cleanliness and the positive impact of Swachh Bharat initiatives on communities and the environment.

The students spoke enthusiastically and insightfully, sharing ideas on how maintaining cleanliness benefits health and contributes to a sustainable future. Through these speeches, students encouraged their peers to adopt cleanliness as a daily habit, fostering civic responsibility and environmental awareness.

The event, supported by 14 volunteers, took place from 2:00 PM to 4:00 PM. The volunteers' dedication played a crucial role in facilitating this impactful event, promoting awareness and encouraging the younger generation to actively participate in the Swachh Bharat mission.

The event was organized under the Agricultural Engineering Department.

**Awareness on Crackers and Atmospheric pollution**

Date: 29.10.2024

Venue: Sangam Jagarlamudi

On 29th October 2024, Team UEAC from the Department of ECE conducted an event titled "Awareness on Crackers and Atmospheric Pollution" at Sangam Jagarlamudi as part of Diwali festivities. Organized by the ECE Department, this event aimed to promote environmental preservation and reduce pollution levels by raising awareness about the environmental impact of excessive firecracker usage.

During the event, participants divided into five groups and visited every street in the village. Each group engaged with residents, going door-to-door to explain the harmful effects of extensive firecracker use on air quality and overall health. The initiative was met with a positive response, with villagers showing keen interest in adopting environmentally conscious practices. The event, held from 2:00 PM to 4:00 PM, was supported by 25 volunteers. Their dedicated efforts ensured the smooth and effective execution of this initiative, fostering a deeper understanding of sustainable practices and the importance of atmospheric care during festive celebrations.

**Essay writing competition on Swachhta.**

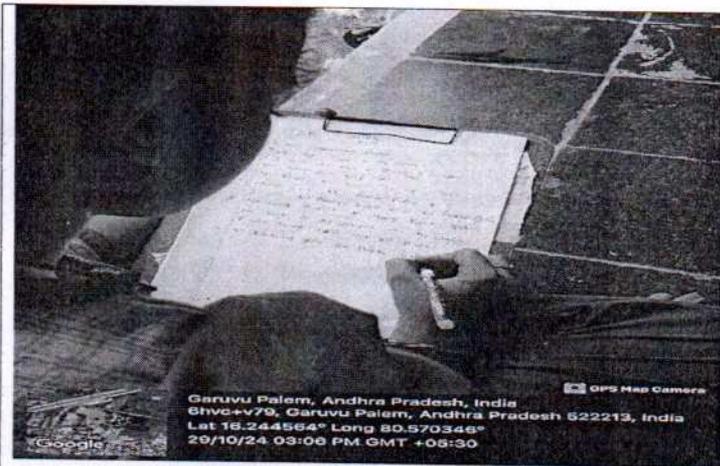

Date: 29.10.2024,

Venue: Garuvupallem Sangam Jagarlamudi.

On 29th October 2024, the Mechanical Department organized an essay writing competition on the theme "Swachhta." This event aimed to inspire students to contemplate cleanliness in both their surroundings and personal lives, prompting them to articulate these insights through writing.

Participants conveyed their thoughts on various aspects of "Swachhta," exploring the importance of health and hygiene, environmental care, and individual civic duties. Their essays highlighted that a society committed to cleanliness is better equipped to ensure the health and well-being of its members, promoting an orderly and sanitary environment.

The event, which ran from 2:00 PM to 4:00 PM, saw the dedicated involvement of 14 volunteers from the Mechanical Department.

Speech competition on Swachhta

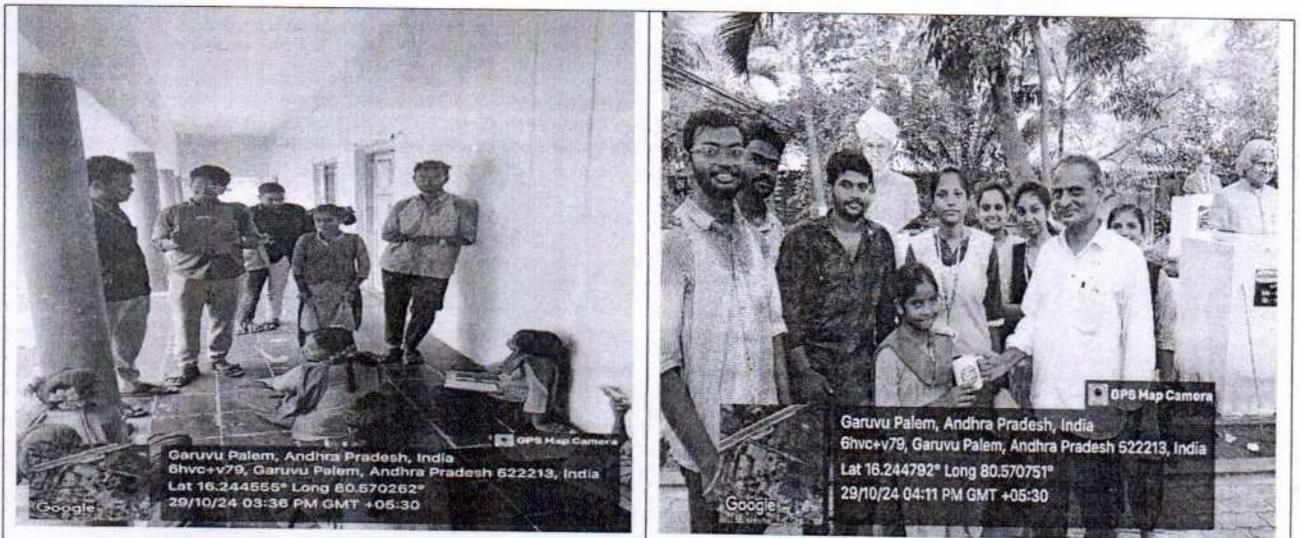

Date:29.10.2024,

Venue:Garuvupallem Sangam Jagarlamudi.

On October 29, 2024, Team UEAC from the Mechanical Department organized an insightful speech competition on Swachhta to encourage students to embrace cleanliness in both their environment and personal lives. The event fostered reflection on the essential role cleanliness plays in promoting a healthy, vibrant community.

The competition featured inspiring speeches on topics such as personal hygiene, environmental responsibility, and societal wellness, each emphasizing cleanliness as a foundation for a healthier society. Participants highlighted the value of daily habits that contribute to health and social harmony.

This impactful event saw 14 dedicated volunteers actively engaging in the cause, with the program running from 2:00 PM to 4:00 PM.

Awareness on Crackers and Atmospheric Pollution**

Date:30.10.2024

Venue: Vejendla

On 30th October 2024, the University Extension Activity Council (UEAC) from the Bsc organized an Awareness on Crackers and Atmospheric Pollution event at Vejendla. With Diwali approaching, this initiative aimed to educate the community on reducing air pollution by limiting cracker usage, encouraging traditional practices, and promoting safe and eco-friendly celebrations.

Participants highlighted the benefits of using oil lamps (diyas) over fireworks to minimize pollution. The session included practical tips on celebrating Diwali responsibly, emphasizing the importance of securing a healthier environment by reducing harmful emissions from fireworks.

The event, held from 2:00 PM to 4:00 PM, was attended by 29 students who engaged with locals and shared valuable insights on environmental conservation during festive occasions. Their efforts contributed significantly to raising awareness on sustainable practices during Diwali.

## University Extension Activity Council (UEAC) Annual Report – 2024-25 Emergency Helplines

Date: 01.11.2024

Venue: ZPHS, Angalakuduru

On 1st November, the Biotechnology Department of Team UEAC organized an insightful session titled "Insights into Pharmacy Careers" for Intermediate BiPC students at ZPHS, Angalakuduru. This event aimed to provide young students with a deeper understanding of the pharmacy field, highlighting diverse career paths, the critical role of pharmacists in healthcare, and the transformative impact of pharmaceuticals on public health and well-being.

Throughout the session, students learned about the pathways to becoming a pharmacist, explored various specialization options, and gained insights into the practical aspects of working in pharmacy. Volunteers shared knowledge on how pharmacists contribute to healthcare beyond dispensing medications, including patient counseling, pharmaceutical research, and involvement in public health initiatives.

The event, held from 10:00 AM to 12:00 PM, was supported by 36 volunteers who actively engaged with students through discussions and interactive Q&A sessions. Their efforts ensured that students gained a well-rounded understanding of pharmacy as a career choice.

Awareness on Sanitization**

Date: 01.11.2024

Venue: ZPHS, Angalakuduru

On 1st November, the Biotechnology Department of Team UEAC organized an "Awareness on Sanitization" program at ZPHS, Angalakuduru. This session aimed to highlight the importance of hygiene and proper sanitation practices, educating students on creating a clean and healthy environment.

Volunteers shared insightful discussions on cleanliness, emphasizing how proper hygiene can help prevent illness and promote public health. The interactive session encouraged students to adopt habits that support personal and community well-being.

The event, held from 10:00 AM to 12:00 PM, saw active participation from 36 volunteers who contributed to the program's success by spreading essential knowledge on sanitation.

Relief Kit Distribution Drive**

Date: 25.10.2024

Venue: Kotikalapudi

Team UEAC successfully organized a relief kit distribution drive for 3,000 flood-affected families in Kotikalapudi village, NTR District. A total of 1,300 kits, each containing essentials like a saree, dhoti, towel, and blanket, were distributed to support families in immediate need, offering vital resources for recovery and resilience.

Vice Chancellor P. Nagabhushan emphasized the initiative's importance, highlighting how each relief kit aimed to bring comfort to those affected by the recent flooding.

The event, attended by 82 volunteers, began at 8:00 AM and concluded at 6:00 PM. Their dedicated efforts ensured the smooth distribution of relief kits, reflecting Team UEAC's commitment to supporting the community in times of crisis.

Swachhata Awareness**

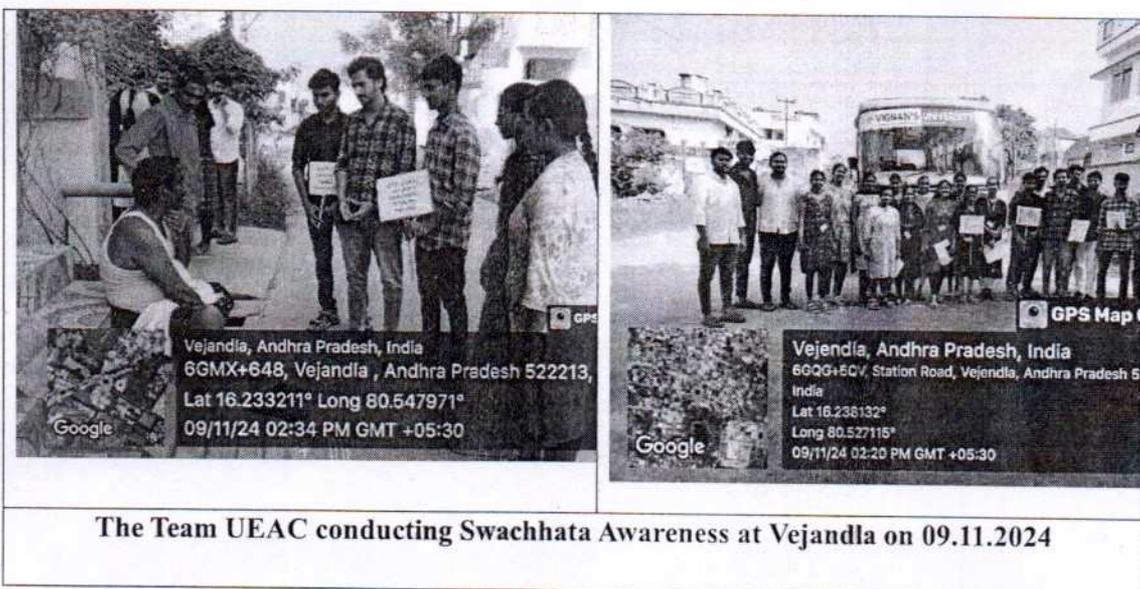

Date:09.11.2024

Venue: Vejjandla

On 9th November 2024, the Department of ACSE organized a Swachhata (Cleanliness) awareness event at Vejjandla. Themed "Cleanliness is Next to Godliness," the initiative aimed to educate residents about the significance of cleanliness in creating a healthy environment and uplifting the community.

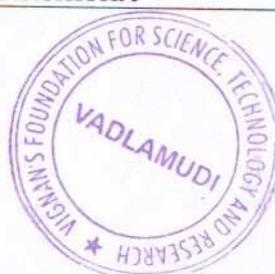

The event covered essential topics, including practical steps to maintain cleanliness, waste management practices, and the importance of hygiene for public health. Participants learned about impactful actions they could take to keep their surroundings clean and contribute to a healthier society.

Held from 2:00 PM to 4:00 PM, the session saw 23 students actively engaging with the community to spread the message of cleanliness.

**Awareness on PCOD's and PCOS**

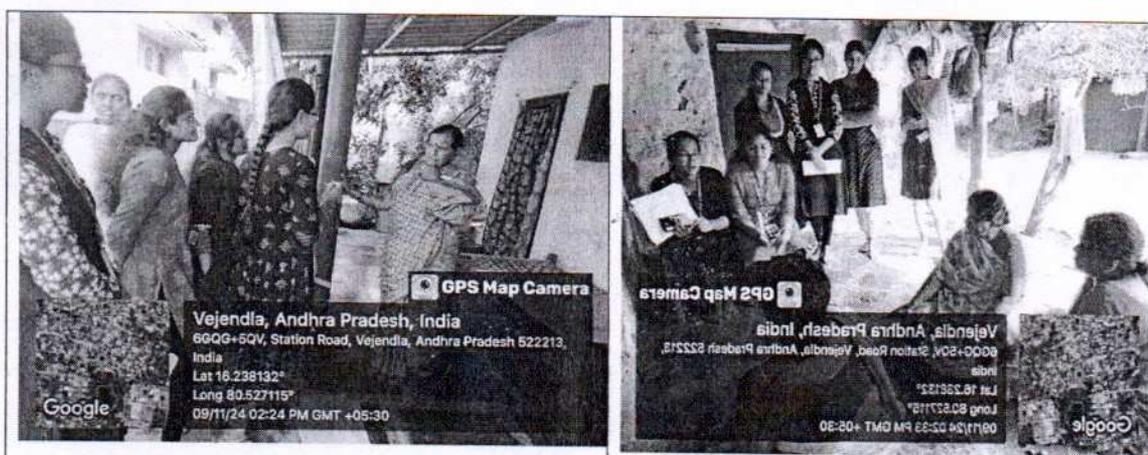

Date:09.11.2024

Venue: Vejjandla

On 9th November 2024, the ACSE Department of Team UEAC held a campaign titled "Awareness on PCOD and PCOS" at Vejjandla. This educational event aimed to increase awareness of Polycystic Ovarian Disorder (PCOD) and Polycystic Ovary Syndrome (PCOS), focusing on understanding these conditions and the impact they can have on long-term health.

Students emphasized the importance of early recognition, lifestyle management, and preventive measures for PCOD and PCOS, sharing practical tips for leading a healthier life. Participants learned about both the risks associated with these conditions and essential steps for maintaining well-being.

The event, attended by 23 students, ran from 1:00 PM to 4:00 PM and effectively engaged the community in promoting awareness and preventive care surrounding PCOD and PCOS.

Legal Aid Programme

Date: 14.09.2024

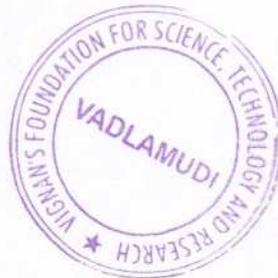

Venue: Raithu Barosa Kendram, Vejandla Village

The Free Legal Aid Programme was conducted by the UEAC team with collaboration with District Legal Service Authority and Vignan institute of law on 14.09.2024. The aim of the event was to provide legal support and raise awareness among the villagers about their rights and available legal services.

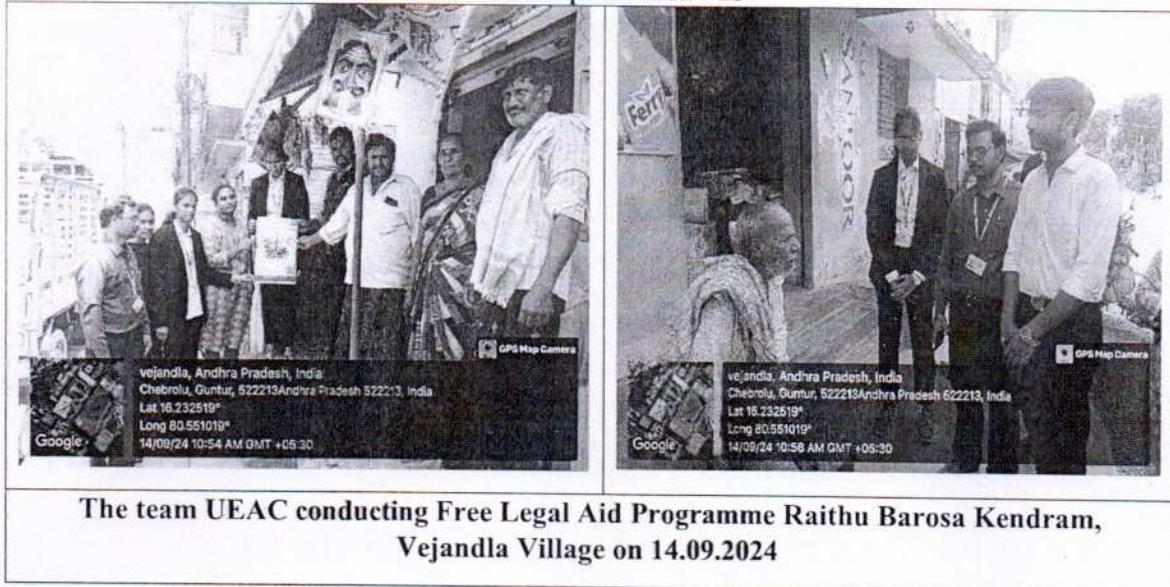

The purpose of the event was to address common legal issues faced by the villagers, such as land disputes, property rights, and social welfare schemes. Advocate K. Sriram, the Panel Advocate for Vignan's Legal Aid Clinic, guided the participants on legal matters and shared valuable insights on the measures they can take to protect their rights. This programme highlighted the importance of legal literacy in rural areas, empowering the local community with knowledge and access to free legal services.

*G. Srinivasulu Reddy*

**University Extension Activity Council (UEAC)  
Annual Report – 2024-25**

The event started at 10:00 AM and concluded at 12:30 PM. A total of 19 students and 2 faculty members from Vignan Institute of Law participated in the programme. The event was an interactive session where the villagers engaged with the advocates and students to resolve their legal queries.

JOY OF GIVING**

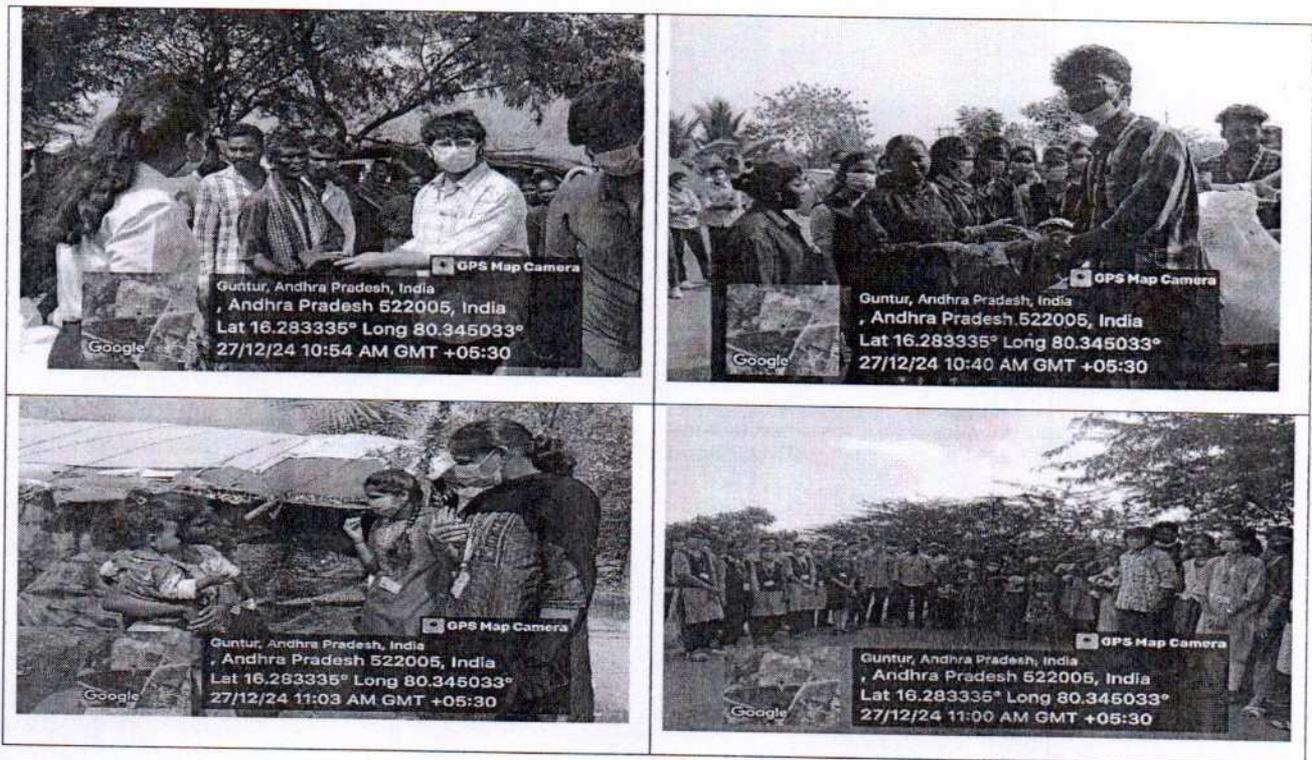

Date: 27.12.2024

Venue: Guntur-Naidupet

On December 27 the Vignan UEAC has made significant contribution to community service by providing clothing to underprivileged children and families. This initiative reflects a strong commitment to enrich humanity. Volunteers distributed clothes to both men and women at Naidupet in Guntur, This event combined the meaningful outreach to abandoned individuals from society. This initiative addressed immediate needs of poor people while fostering a sense of hope and dignity among themselves.

Many families faced hardships, especially during harsh cold weathers when warm clothing is essential. As the UEAC team were distributing the clothes, tears welled up in the parents' eyes, not just of gratitude, but of restored dignity. The children's faces lit up with unprecedented joy, wearing new shirts that fit perfectly, feeling warm and protected after many days.

The program commenced at 08.00 AM and concluded at 01.00 PM, with a total of 58 student volunteers participated in this comprehensive community care initiative at Naidupet. Overall, the event was a resounding success. Families left with great joy and gratitude. The positive impact of this event extends beyond the immediate need, as it encourages and remains humanity. Our team didn't just bring clothes, they brought hope and love.

**Essay Writing Competition**

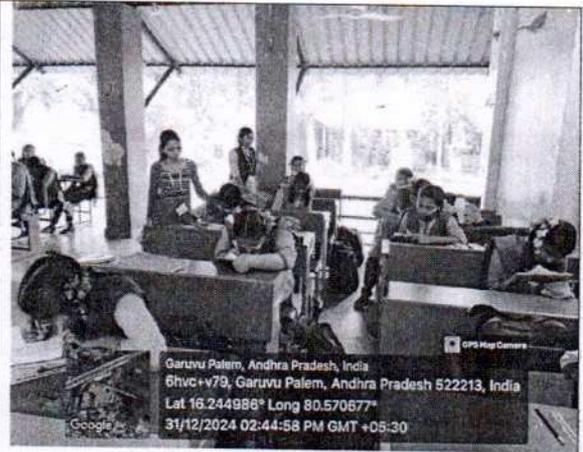

Date: 31.12.2024

Venue: ZPHS, Sangam jagarlamudi

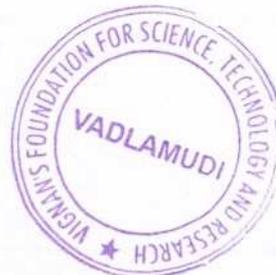

The Department of IT organized a program at Z.P. HIGH SCHOOL, Sangam Jagarlamudi, on 31.12.2024, featuring an essay competition on the theme "New Year Resolutions." The competition was conducted for 9<sup>th</sup> class students, with the aim of inspiring them to think about their goals, aspirations, and personal growth for the year ahead.

The competition saw strong participation from the students, who displayed impressive creativity and deep thought in their essays. It provided them with a wonderful opportunity to express their ideas, sharpen their writing skills, and reflect on their personal growth. The students engaged with enthusiasm, creating an uplifting atmosphere, and many shared thoughtful and inspiring resolutions, demonstrating their eagerness for positive change in the future.

The program was conducted from 2:00 P.M to 4:00 P.M successfully with the dedicated support of 25 enthusiastic volunteers, who provided guidance and encouragement throughout the competition. To recognize the outstanding efforts of the participants, gifts were distributed to those who performed exceptionally well. The feedback from both the students and school staff was overwhelmingly positive, highlighting the importance of fostering reflection and goal-setting in young minds.

**Awareness on Caution in the Kitchen**

Date: 03.01.2025  
 Venue: Vejendla

The Team UEAC organized an event on “Caution in The Kitchen” in Vejandla on 03.01.2025. This event is organized to bring awareness on the elements like usage of salt, sugar, oils, and processed food.

The team divided into smaller groups to educate the community about the health risks associated with consuming excessive amounts of salt, sugar, oils, and processed foods. They effectively raised awareness among the villagers and engaged in productive discussions. This collaborative effort allowed the team to share their knowledge while also learning about the villagers' dietary habits.

The event commenced at 10:00 AM and concluded at 12:30 PM, with a total of 51 participants. The teams effectively communicated the event's significance to the people.

Effects of Breathe Rate**

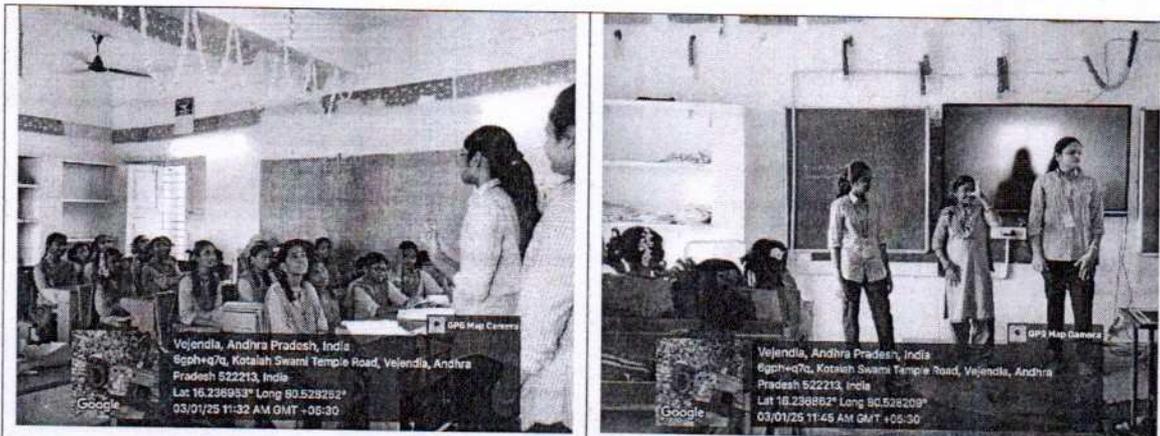

Date: 03.01.2025

Venue: ZPHS, Vejudla

On 3rd January 2025, Team UEAC from the Department of Biotechnology organized an insightful awareness campaign titled "Caution in the Effects of Breathe Rate" at ZPHS, Vejudla for the students of classes-6,7,8. The primary objective of this initiative was to shed light on the importance of monitoring breathing patterns and their role in maintaining physical and mental well-being to the students.

The event emphasized the physiological significance of breathing and how irregularities in breathing rates could lead to stress, anxiety, and respiratory complications. Volunteers conducted interactive sessions, explaining techniques to enhance lung capacity, improve oxygen circulation, and promote relaxation. The campaign also included live demonstrations of breathing exercises and stress-relief practices, empowering participants to incorporate these techniques into their daily lives. Additionally, the importance of early diagnosis and timely medical intervention for respiratory distress was highlighted.

Held from 10:00 AM to 12:00 PM, the campaign witnessed enthusiastic participation from 51 volunteers of the Department of Biotechnology. The interactive and hands-on approach of the event left a lasting impression on attendees, who expressed gratitude for the knowledge and skills imparted by the volunteers.

What Will You Do After 10<sup>th</sup>?

Date: 04.01.2025  
Venue: ZPHS, Vejedla

The Department of Mathematics and Statistics, B.Sc. branch, organized an insightful session titled "What Will You Do After 10th" on January 4, 2024, at ZPHS, Vejedla. This event was designed to provide students with a comprehensive understanding of the diverse career pathways and educational opportunities available after completing their 10th-grade education.

The session focused on various possibilities, including intermediate education, polytechnic courses, ITI (Industrial Training Institutes), paramedical programs, and short-term certification courses. Each option was explored in depth, highlighting its unique advantages and the career pathways it could lead to. The event aimed to guide students in making informed decisions based on their interests and future aspirations.

The program ran successfully from 2:00 PM to 4:00 PM and witnessed the participation of 18 students. Through engaging discussions and detailed insights, the session empowered attendees with the knowledge to choose the most suitable path for their individual goals.

Awareness on Cyber crimes**

Date:09.01.2025  
Venue: angalakuduru

On 09th January 2025, Team UEAC from the Department of ACSE organized an informative awareness campaign titled "Caution in the Effects of Cyber Crimes." The primary objective of this initiative was to shed light on the growing threats of cybercrime and the importance of digital safety in the modern age.

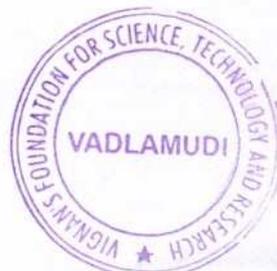

The event emphasized the significance of understanding online risks and how negligence in digital security could lead to identity theft, financial fraud, and privacy breaches. Volunteers conducted interactive sessions with students of class 8,9 from the angalakuduru high school for this event, and explaining techniques to enhance cybersecurity, protect personal data, and recognize phishing scams. The campaign also included live demonstrations of safe online practices and tools for secure browsing, empowering participants to implement these measures in their daily digital activities. Additionally, the importance of reporting cybercrimes and seeking timely help from authorities was highlighted.

Held from 02:00 PM to 04:00 PM, the campaign witnessed enthusiastic participation from 25volunteers of the Department of ACSE. The interactive and practical approach of the event left a lasting impression on attendees, who expressed gratitude for the awareness and strategies shared by the volunteers.

Career options after 10th**

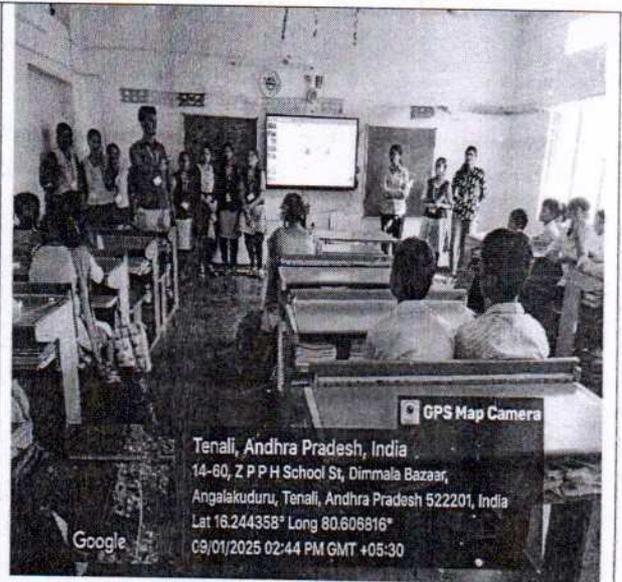

Date:09.01.2025

Venue: Angalakuduru

On 9th January 2025, Team UEAC from the ACSE Department organized an insightful session titled "Exploring Pathways Career Horizons After 10th" at ZPHS School, Angalakuduru for students of classes 8,9 th. The primary objective of this event was to guide students on the various career options available after completing their 10th grade and provide them with necessary insights for future decision-making.

The session highlighted various career pathways such as higher education, vocational courses, and skill development programs. Experts and volunteers discussed the importance of understanding one's interests and skills to make informed decisions. In addition to the discussion, interactive activities were conducted to help students understand the practical aspects of different fields. Volunteers shared success stories and tips for exploring different careers, fostering enthusiasm among the students to pursue their passion.

Held from 2:00 PM to 4:00 PM, the session witnessed enthusiastic participation from 25 volunteers from the ACSE Department. The event ended with an interactive Q&A session, where students asked questions regarding career choices, further education, and related fields, gaining valuable guidance from the experts and volunteers.

Blanket Distribution**

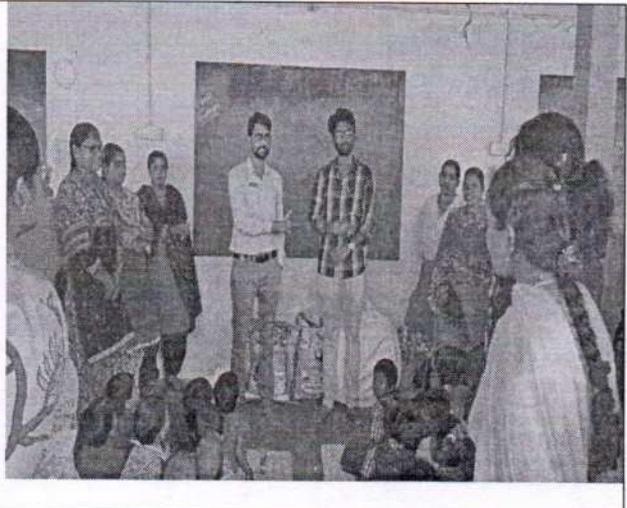

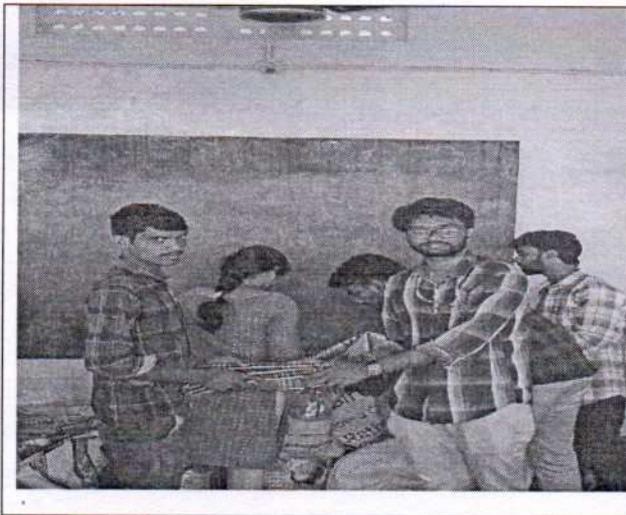

Date: 11.01.2025

Venue: Tenali

As part of the Republic Day Celebrations, the University Extension Activity Council (UEAC), organized a heartfelt Blanket Donation Drive at Tenali. The initiative aimed to extend warmth and compassion to underprivileged children while fostering the values of unity, service, and patriotism.

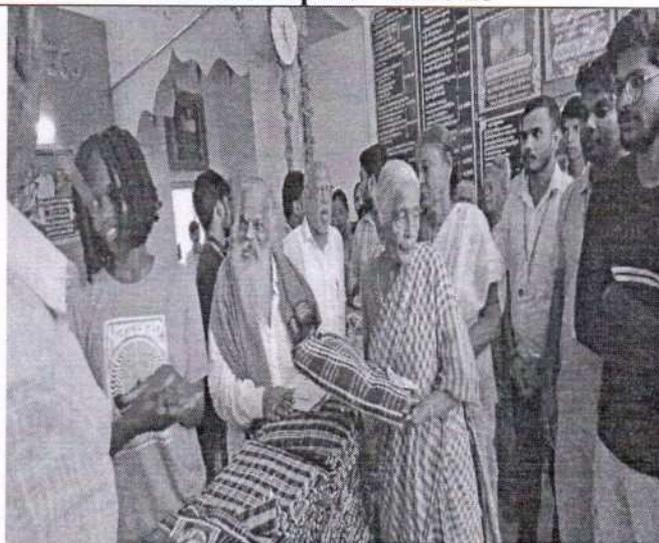

The event focused not only on distributing essentials but also on engaging with the children through meaningful interactions. A total of 70 shawls, along with snacks for children, were distributed. Volunteers took the time to interact with the children, sharing stories, playing games, and encouraging them with positive messages. The joyful atmosphere created a memorable experience for both the volunteers and the children.

The event took place from 10:00 AM to 12:00 Noon and witnessed the enthusiastic participation of 26 dedicated volunteers. Their collective efforts brought smiles to the faces of the children and demonstrated the university's dedication to meaningful outreach programs. The event concluded on a positive note, leaving a lasting impact on both the volunteers and the children, reinforcing the spirit of compassion and national service integral to Republic Day celebrations.

**Awareness on HMPV virus**

Date: 21.01.2025  
Venue: Vadlamudi

The Department of Biotechnology organized an informative Awareness Program on the HMPV Virus on January 22, 2025, at Vadlamudi. The primary objective of the event was to educate the villagers about the Human Metapneumo virus (HMPV), its symptoms, transmission, and prevention methods.

The program emphasized the importance of early detection and maintaining hygiene to prevent the spread of the virus. It also provided practical tips on boosting immunity and protecting vulnerable populations, particularly children and the elderly. The initiative aimed to empower the community with knowledge to take proactive measures for their health and well-being.

The event was held from 2:00 PM to 4:00 PM, with active participation and engagement from the villagers. The department's efforts were well-received, making a positive impact on the local community by fostering awareness about this crucial health concern.

Doodle Art Competition**

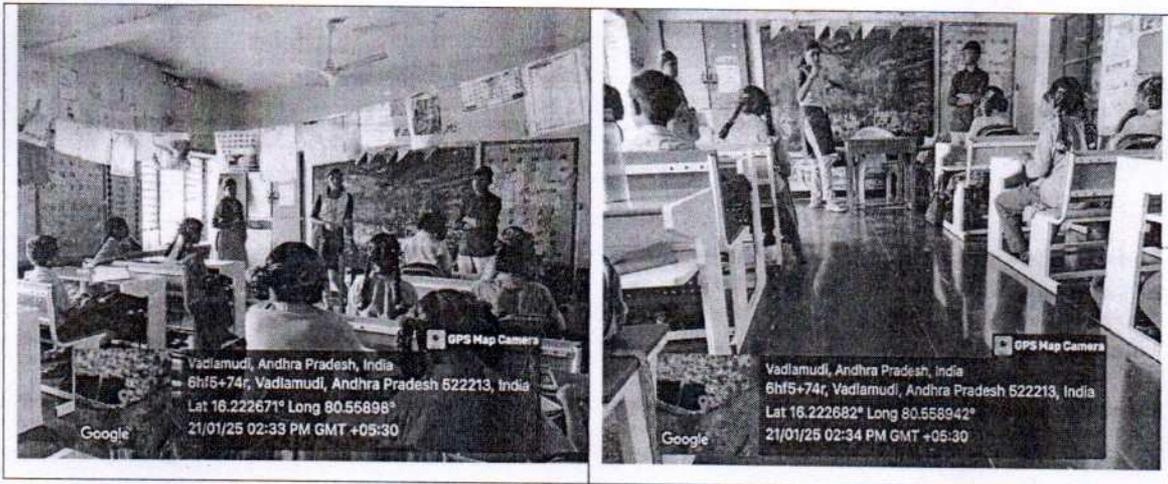

Date: 21.01.2025

Venue: Vadlamudi Primary School

The Department of Information Technology (IT) organized a vibrant Doodle Art Competition on January 22, 2025, at Vadlamudi Primary School. The event aimed to encourage creativity and artistic expression among 5th-grade students, fostering their imagination through doodling.

Each participant was rewarded with chocolates as a token of appreciation for their efforts, while the winners were presented with bottles as special prizes for their exceptional work. The event was filled with energy and excitement as young minds showcased their creativity through unique and colorful doodles.

The competition was held from 2:00 PM to 4:00 PM and saw the enthusiastic participation of 23 students. The initiative by the IT Department not only nurtured artistic talents but also brought joy and a sense of achievement to the children.

**Medical Camp on Healthy Numbers – Healthy You**

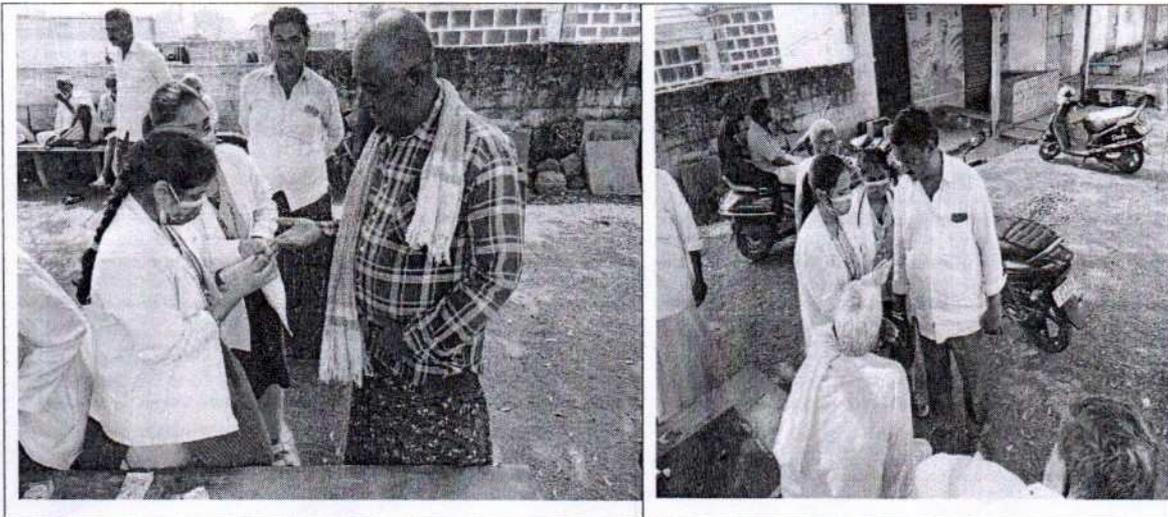

Date: 23.01.2025

Venue: Vejendla

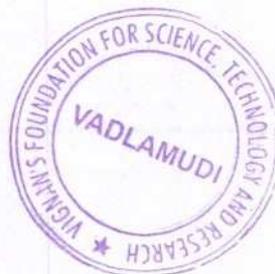

On January 23, 2025, the Department of Biomedical Engineering at Vignan University, in collaboration with the UEAC, successfully conducted a medical camp titled "Healthy Numbers – Healthy You" in Vejendla. This event was part of the university's ongoing efforts to spread health awareness and provide essential healthcare services to the community.

The medical camp focused on two key aspects of health: blood testing and manual blood pressure monitoring. The biomedical engineering students demonstrated the process of identifying blood groups using the ABO blood typing method, highlighting its importance in emergencies. Villagers were educated on how knowing their blood type could be crucial for safe medical procedures, especially blood transfusions. Additionally, the students showed the community how to manually measure blood pressure using a sphygmomanometer and stethoscope. They emphasized the significance of regular blood pressure checks and how monitoring could help in the early detection of hypertension, which could otherwise lead to serious health complications.

The program commenced at 10.00 AM to 1.30 PM, with a total of 13 volunteers and the subjective of vejendla who actively participated are 35 members for blood testing and 40 members for blood pressure. The event not only provided valuable healthcare services but also strengthened the bond between the students and the local community. The students shared useful tips on maintaining a healthy lifestyle, including proper diet, regular exercise, and the importance of hygiene. The camp concluded on a positive note, with many villagers expressing gratitude for the information provided.

Awareness on Plastic Free Future

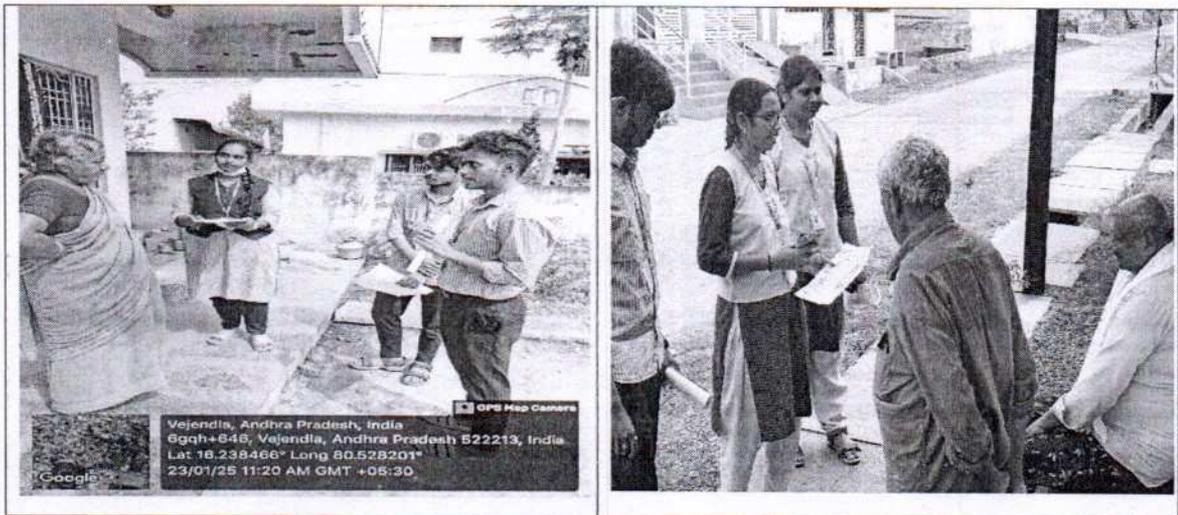

Date: 23.01.2025

Venue: Vejendla

In response to the growing concerns over plastic and its impact on the environment, the UEAC at Vignan University, Department of Biomedical Engineering, organized an awareness program titled "A Plastic-Free Future" at Vejendla village on 23.01.2025. This initiative underscores the UEAC's dedication to environmental sustainability and community welfare.

The volunteers actively educated the community on the harmful effects of plastic use and emphasized adopting eco-friendly alternatives. Key instructions included avoiding single-use plastics, switching to cloth bags, practicing proper waste segregation, recycling, and opting for biodegradable materials. The program not only aimed to spread awareness but also fostered a sense of collective responsibility among students and the local population, highlighting their commitment to creating a cleaner and healthier environment.

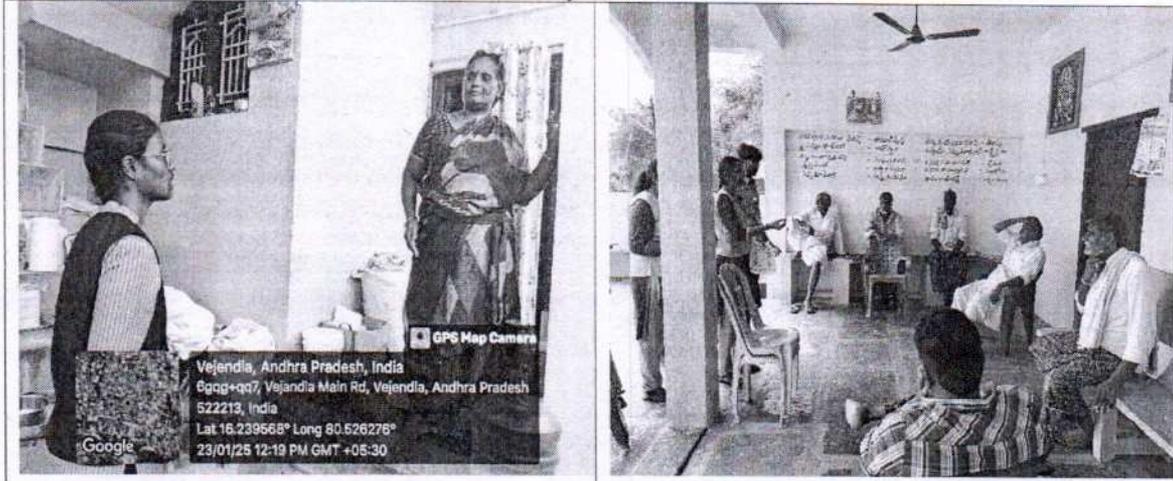

The event began at 10:10 AM and concluded at 1:30 PM, featuring participation from 08 student volunteers from the NSS unit. Residents from the area showed immense interest, gaining valuable insights into reducing plastic dependency and promoting sustainable practices. The program concluded with positive feedback and pledges from the attendees to adopt a plastic-free lifestyle.

Awareness on Overuse of Medicines**

Date: 23.01.2025  
Venue: Narakoduru

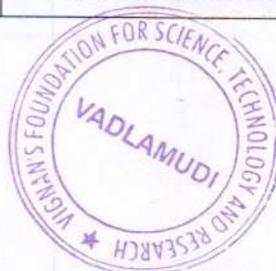

The Department of Biotechnology (BT) organized an awareness session on the "Overuse of Medicines" on January 23, 2025, at Narakoduru. The event aimed to educate participants, especially local villagers, on the dangers of excessive medication use, promoting responsible practices for better health and well-being.

Volunteers conducted a door-to-door campaign and interacted with the villagers, explaining the effects of overusing medicines and precautions to avoid health risks. These interactions helped raise awareness in a personalized and effective manner, encouraging the community to adopt safer practices.

The event was conducted from 2:00 PM to 4:00 PM and highlighted the importance of reducing unnecessary medication while fostering a healthier lifestyle. The participation of 20 students and their proactive engagement made the initiative impactful, ensuring the message reached a wide audience in the village.

Quiz, Elocution, and Essay Competitions**

Date: 24.01.2025  
Venue: Garuvupalem, Vejandla

As part of the Republic Day Celebrations, the University Extension Activity Council (UEAC), with the support of University Management, organized a series of competitions, including Quiz, Elocution, and Essay Writing, at ZPHS, Garuvupalem and Vejandla. The event aimed to foster patriotism and encourage critical thinking among students.

The competitions focused on topics related to India's history, culture, and the significance of Republic Day. Participants showcased their knowledge, creativity, and public speaking skills, making the event highly engaging and educational.

The event took place from 2:00 PM to 4:00 PM, involving the enthusiastic support of 30 dedicated volunteers. Their efforts contributed to the success of the program, which inspired a sense of national pride and intellectual curiosity among the attendees.

Sports Competitions**

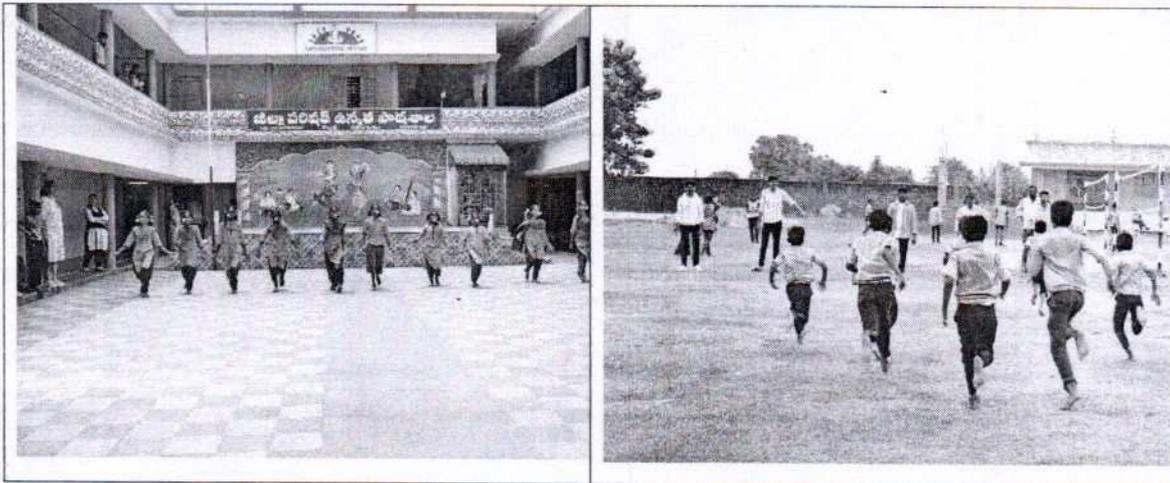

Date: 25.01.2025

Venue: ZPHS, Vejandla

In celebration of NSS Day, Team UEAC organized a series of competitions at ZPHS, Vejandla, on 25st January 2025. The event was led by Dr. M.S.S. Rukmini, Dean of Student Affairs, alongside Psychologist Ms. Shabana and NSS Faculty Coordinator Mr. Suresh, with support from UEAC Programme Officer, Dr. Vijaya Babu. The initiative aimed to promote personal development among students through active participation in social service and community activities.

Students enthusiastically participated in various competitions, including the lemon and spoon race, running race, and frog jump. These engaging activities were designed to foster teamwork, perseverance, and physical coordination. The winners were awarded water bottles as prizes to acknowledge their efforts. As part of the event's conclusion, the winners joined the volunteers in a symbolic tree plantation ceremony, emphasizing the importance of environmental stewardship and community involvement.

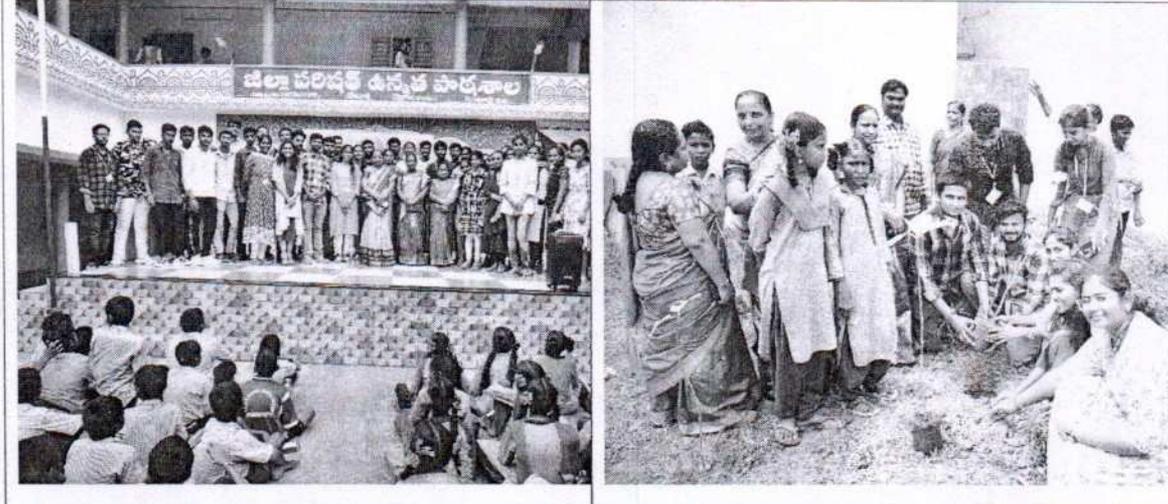

The event, which featured the participation of 36 volunteers, commenced at 10:30 AM and concluded at 1:00 PM. It not only inspired students to partake in extracurricular activities but also reinforced the value of contributing to social and environmental causes, aligning with the core principles of NSS.

Swatch Vignan**

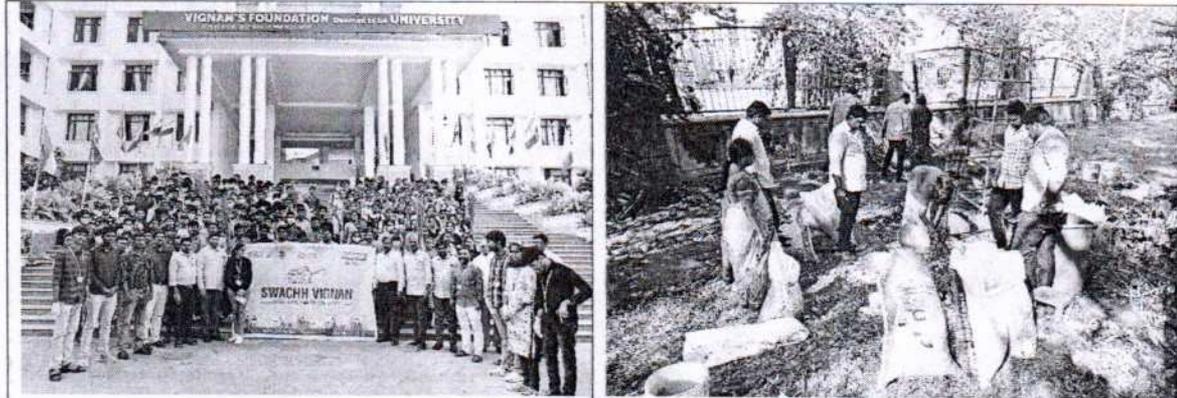

Date: 25.01.2025

Venue: Vignan University

On 22nd March 2025, as part of the SWATCH VIGNAN initiative, the UEAC team of Vignan University took a proactive step towards ensuring a clean and hygienic campus environment. This cleanliness drive was aimed at promoting the values of discipline, responsibility, and respect for shared spaces among the university community.

A total of 87 student volunteers actively participated in the drive, covering multiple key areas of the campus including N Block, U Block, H Block, A Block, the Library, and the Guest House. The students worked together to remove litter, dust, and unnecessary waste, restoring the spaces to a neat and welcoming condition.

The event served as a strong reminder of the importance of cleanliness and teamwork. It also reflected Vignan University's commitment to maintaining an inspiring learning environment while instilling civic responsibility in its students.

Tree Plantation Programme**

Date: 26.01.2025

Venue: Back side of the Lara, VFSTR

In alignment with the vision of the Hon'ble Prime Minister of India on the 'Ek Ped Maa Ke Naam' campaign, launched on World Environment Day to promote a greener and sustainable environment, the team UEAC organized a Mega Tree Plantation Drive on 26 January, 2025. This initiative supports the campaign's goal of planting 80 crore saplings and 140 crores by March 2025.

The event took place behind the Lara building near the football ground, aiming to enhance the campus's green cover and promote environmental sustainability. Active participation from both students and staff was encouraged to in still a sense of responsibility towards nature.

The drive was graced by Dr. M.S.S. Rukmini, Dean of Student Affairs; Dr. Vijayababu Palukuri, UEAC Programme Officer; and Mr. D. Suresh Babu, NSS Coordinator. They highlighted the importance of tree plantation in improving air quality and fostering a healthier ecosystem. Their presence motivated participants to contribute actively to environmental preservation.

The event commenced at 11:30 AM and concluded at 12:30 PM, during which 70 saplings were successfully planted. The enthusiastic involvement of students played a key role in the success of the program, reaffirming the institution's commitment to environmental conservation. Details of the plantation activities will be uploaded to the merilife portal to further contribute to the ongoing campaign and its broader goals of sustainable development.

Blood Donation Camp**

Date: 28.01.2025  
Venue: Vignan University

As part of the Republic Day celebrations, the University Extension Activity Council (UEAC) organized a heartfelt Blood Donation Drive at Vignan University in Guntur. The initiative aimed to save lives and promote the spirit of community service and patriotism by encouraging voluntary blood donation among students and volunteers.

Volunteers actively participated in the drive, ensuring proper donor registration, screening, and care throughout the process. The event emphasized the importance of donating blood to meet the critical demand for safe blood transfusions and support patients in need. Alongside medical support, volunteers engaged with donors by providing refreshments, sharing awareness about blood donation benefits, and addressing concerns to create a positive and reassuring environment.

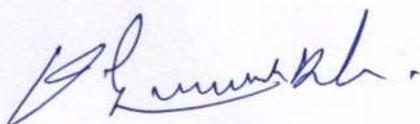

The blood donation drive was held from 8:00 AM to 4:00 PM, with enthusiastic participation from 100 dedicated volunteers. Their commitment ensured the smooth organization and success of the program, reflecting the university's dedication to impactful outreach programs. The event concluded on a positive note, leaving a lasting impression on both donors and recipients, strengthening the community's resolve for life-saving acts aligned with the spirit of Republic Day.

Blanket Donation Drive**

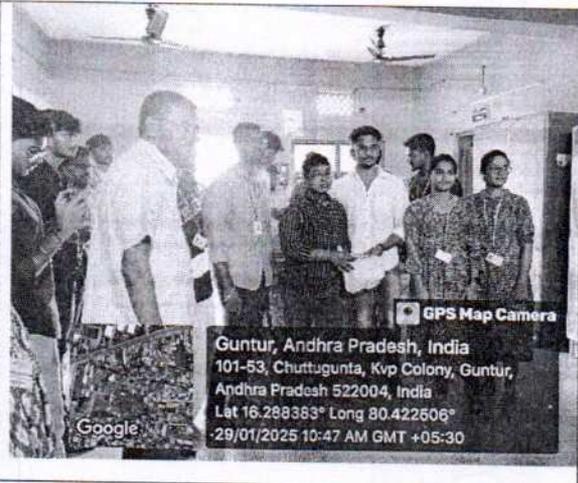

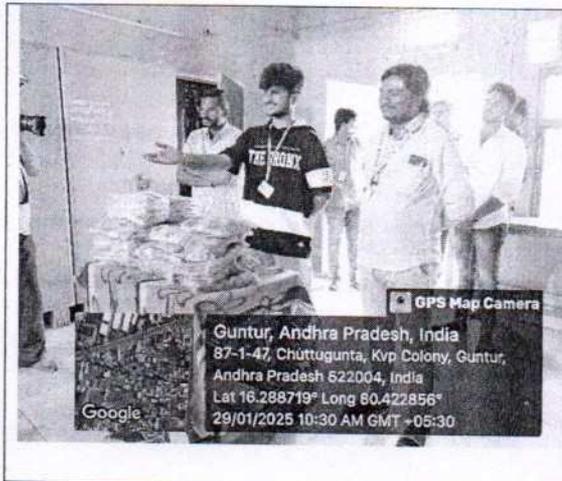

Date: 29.01.2025

Venue: Kala Social Welfare, Guntur

As part of the Republic Day Celebrations, the University Extension Activity Council (UEAC), organized a heartfelt Blanket Donation Drive at Kala Social Welfare, a child orphanage in Guntur. The initiative aimed to extend warmth and compassion to underprivileged children while fostering the values of unity, service, and patriotism.

The event focused not only on distributing essentials but also on engaging with the children through meaningful interactions. A total of 70 blankets, along with shawls and packets of biscuits, were distributed. Volunteers took the time to interact with the children, sharing stories, playing games, and encouraging them with positive messages. The joyful atmosphere created a memorable experience for both the volunteers and the children.

The event took place from 8:00 AM to 1:00 PM and witnessed the enthusiastic participation of 66 dedicated volunteers. Their collective efforts brought smiles to the faces of the children and demonstrated the university's dedication to meaningful outreach programs. The event concluded on a positive note, leaving a lasting impact on both the volunteers and the children, reinforcing the spirit of compassion and national service integral to Republic Day celebrations..

Awareness Program on HMPV Virus

Date: 01.02.2025  
Venue: Vadlamudi

The Department of Biotechnology organized an informative Awareness Program on the HMPV Virus on february 01, 2025, at Vadlamudi. The primary objective of the event was to educate the villagers about the Human Metapneumo virus (HMPV), its symptoms, transmission, and prevention methods.

The program emphasized the importance of early detection and maintaining hygiene to prevent the spread of the virus. It also provided practical tips on boosting immunity and protecting vulnerable populations, particularly children and the elderly. The initiative aimed to empower the community with knowledge to take proactive measures for their health and well-being.

The event was held from 2:00 PM to 4:00 PM, with active participation and engagement from the villagers. The department's efforts were well-received, making a positive impact on the local community by fostering awareness about this crucial health concern.

**What Will You Do After 10<sup>th</sup>**

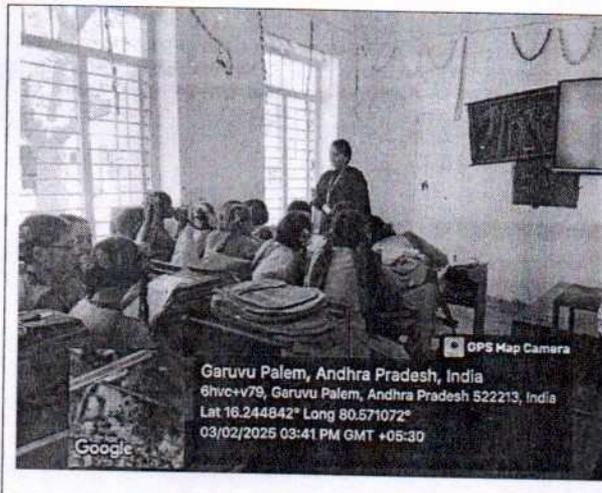

Date: 03.02.2025

Venue: ZPHS, Sangam Jagarlamudi

The Department of Mathematics and Statistics (B.Sc.) organized an insightful Career Guidance Session titled "What Will You Do After 10th?" on February 3, 2025, at Sangam Jagarlamudi. The session aimed to provide 10th-grade students with clarity on various educational and career paths available after their board exams.

Students were introduced to multiple options, including Intermediate (MPC, BiPC, MEC, CEC, etc.), Polytechnic courses, ITI (Industrial Training Institute), Paramedical courses, and short-term vocational programs. The session also covered future career prospects for each stream, helping students make informed decisions based on their interests and aspirations.

The event was conducted from 2:00 PM to 4:00 PM, with the participation of 22 enthusiastic students. The interactive nature of the session, along with expert guidance, made it a valuable and engaging experience, equipping students with the knowledge needed for a successful academic and professional journey.

Awareness on soil health management**

Date: 05.02.2025

Venue: Vejandla

Today i.e. 05.02.2025 The team UEAC (AHS) organised a campaign on SOIL HEALTH MANAGEMENT to enlighten the farmers on soil health and its management practices. Our dear students along with the faculty members of Soil science dept. interacted with the farmers.

While this interaction session we enlightened farmers about the importance of soil health and also the importance of soil testing . We collected the soil samples for different plots in the field, which are to be tested by our members in the lab, and we would give a detailed report on the soil sample to the farmers. The event was started at 2pm and took place nearly for 2hrs with the support of 13 volunteers along with 2 faculty members. The event was pleasantly held by coordination of farmers and enlightening skills of the volunteers. Finally, the event was successfully completed by educating the farmers on the importance of soil health and it's management practices and the importance of soil testing.

**Cervical Cancer Prevention – Importance of HPV Vaccine**

Date: 15.02.2025  
Venue: Suddapalli

The BBA & MBA Departments, of University Extension Activity Council (UEAC), organized an awareness campaign on Cervical Cancer Prevention and the Importance of the HPV Vaccine at Suddapalli on 15th February 2025. The initiative aimed to educate villagers about cervical cancer risks, prevention methods, and the crucial role of the HPV vaccine in reducing its prevalence.

The volunteers divided into groups, visited individual households, and interacted with villagers, explaining the importance of early vaccination, regular medical check-ups, and a healthy lifestyle. The discussions helped dispel myths and encouraged people to take proactive steps in protecting their health.

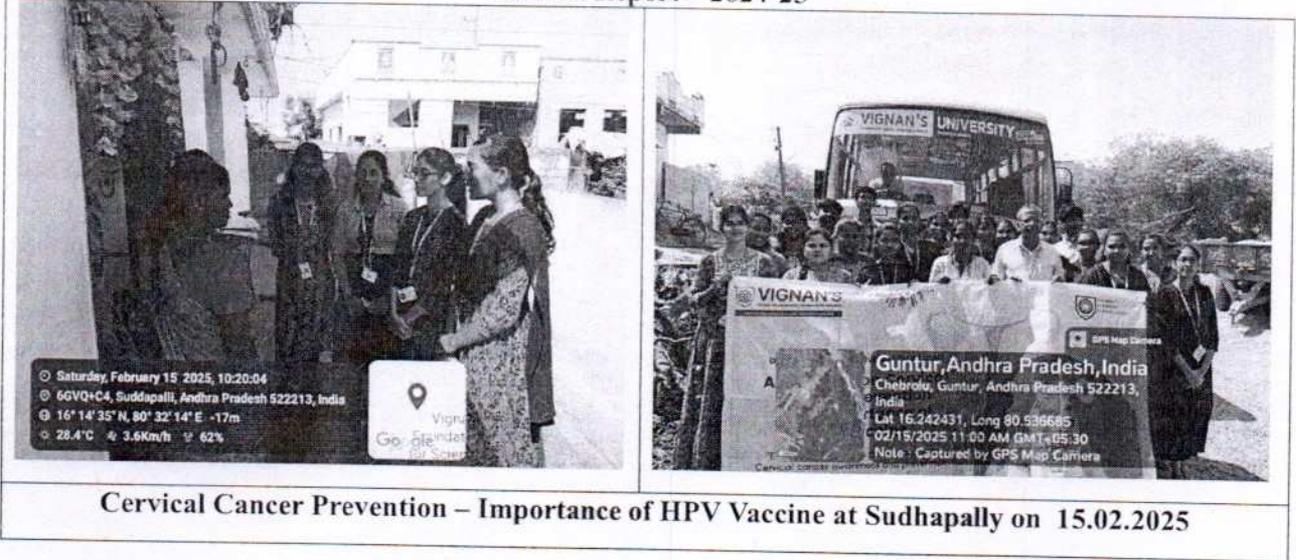

This initiative played a significant role in raising awareness about women's health and preventive care. A total of 22 students participated in the campaign, which took place from 10:00 AM to 1:00 PM.

Grocery Drive**

Date: 15.02.2025  
Venue: Brahmanakoduru

The Department of Mathematics and Statistics (B.Sc.) organized a Grocery Drive at a Child Orphanage Home in Brahmanakoduru to support underprivileged children with essential supplies. The initiative aimed to provide necessities and foster a sense of social responsibility among students.

A total of 2 rice bags, 10 liters of oil, 20 bathing soaps, 20 clothes soaps, 4 biscuit packets, 6 Colgate toothpaste packs, 2 kg of tamarind, 5 kg dal, and 50 shawls were distributed to the orphanage. Beyond material support, students engaged with the children, sharing conversations and moments of warmth. Moved by the experience, they also contributed funds voluntarily to further support the orphanage.

The drive took place from 2:00 PM to 4:00 PM, with 22 student volunteers actively participating. Their collective efforts not only provided essential items but also reinforced values of compassion and generosity, making the event deeply impactful.

Thalassemia Awareness Campaign**

Date: 18.02.2025

Venue: Thalassemia Needs Blood Centre, Guntur

On 18th February 2025, Thalassemia Needs Blood Centre, in collaboration with Janavaradhi Service Society, organized “Thalassemia Awareness Campaign” at Guntur. The event was attended by Dr. M.S.S. Rukmini Dean, Student Affairs, Dr. Vijayababu Palukuri UEAC Programme Officer, and 70 student volunteers of the team UEAC.

Thalassemia is a blood disorder that requires regular blood transfusions, and Vignan University has been a consistent contributor to Thalassemia Needs Blood Centre by organizing blood donation drives, for which they have expressed their appreciation. During the campaign, Thalassemia Needs Blood Centre, in association with Sankalp India Foundation, Janavaradhi Service Society, Companionship conducted HLA tests to identify suitable donors for bone marrow transplantation, which is considered a potential cure for thalassemia and 6 patients found their match. The program included discussions on early diagnosis, treatment options, and the significance of blood donation in managing thalassemia.

Team UEAC reaffirmed its commitment to social responsibility, pledging to continue raising awareness about thalassemia and supporting patients through blood donation drives in collaboration with the Thalassemia Needs Day Care Centre. Their ongoing efforts reflect the university’s dedication to making a tangible impact on public health and community welfare.

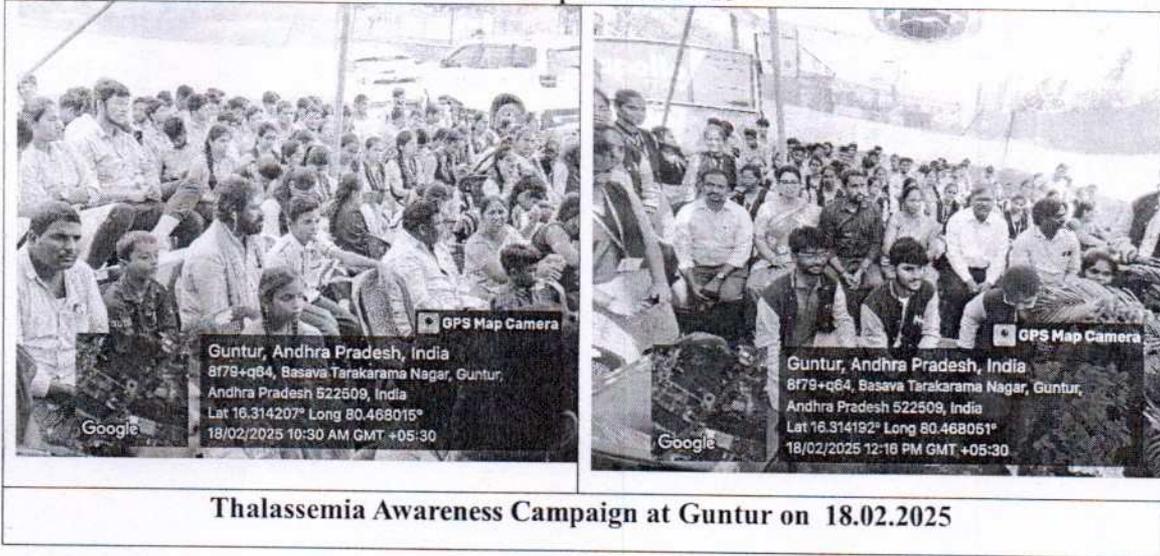

The program, conducted from 8:00 AM to 1:00 PM.

Awareness about Modern day Scams**

Date: 21.02.2025

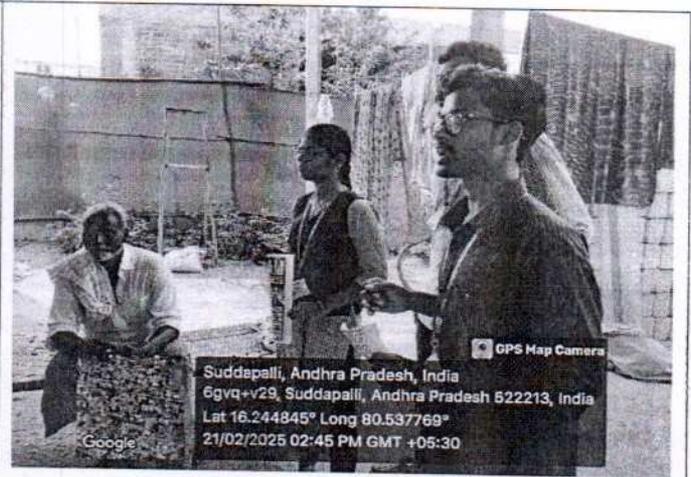

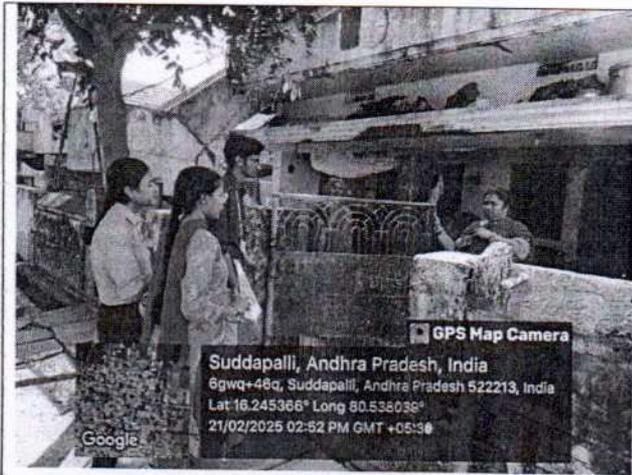

Venue: Suddapalli

The EEE Department of Team UEAC conducted an awareness campaign on "Modern Scams" on 21st February 2025 at Suddapalli. The primary objective of the event was to educate the community about the increasing number of fraudulent activities and scams that target individuals in various ways, including online fraud, phone scams, and financial fraud.

During the session, students actively engaged with the local residents, providing valuable information about different types of scams, such as phishing attacks, OTP frauds, fake investment schemes, and cyber threats.

The students demonstrated real-life examples of scams and explained preventive measures to ensure safety in financial transactions. Additionally, pamphlets and informational materials were distributed to help the villagers remember key takeaways from the session. An interactive Q&A session allowed attendees to clarify doubts and share their experiences related to fraudulent activities.

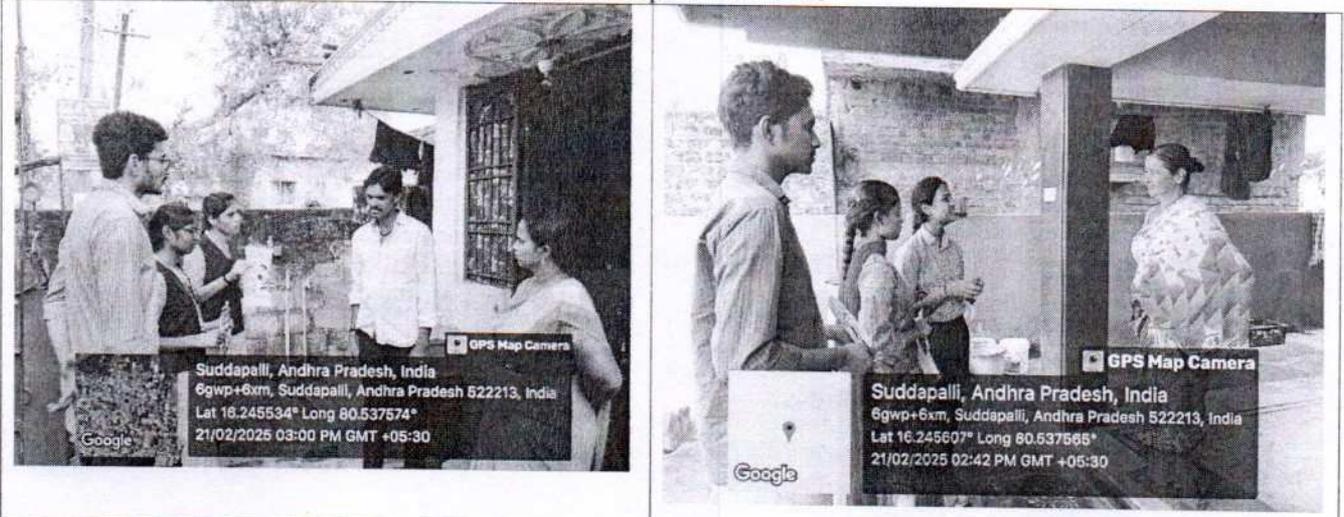

The event, attended by 22 students and local residents, commenced at 2:00 PM and concluded at 4:00 PM. The initiative successfully spread awareness about modern scams and emphasized the importance of vigilance and cybersecurity in everyday life. The campaign concluded with the participants taking an oath to stay informed and educate others about scam prevention strategies. The event was a great success in creating awareness and ensuring that the villagers are better equipped to protect themselves from potential scams in the future.

Eshram cards Awareness Campaign

Date: 21.02.2025

Venue: Vejandla

On 21st February 2025, the Department of Law organized an awareness campaign on E-Shram Cards for agricultural laborers and daily wage workers. The event aimed to educate them about the importance and benefits of these cards, which provide social security and financial assistance in times of crisis. Law students, along with faculty members, conducted an interactive session, explaining how workers under the age of 59 can avail government benefits through E-Shram Cards.

During the session, workers were informed that E-Shram Cards play a crucial role in supporting unorganized sector workers, especially during financial crises like the COVID-19 pandemic. The law students also assisted the workers in the registration process free of cost, ensuring they could easily access the benefits.

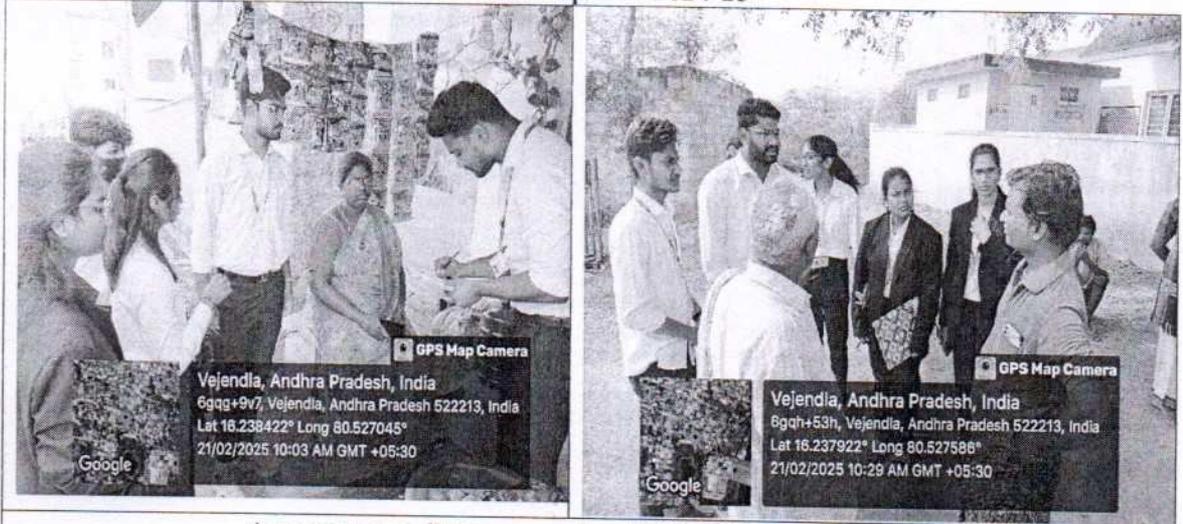

The event took place from 9:00 AM to 12:00 PM, with the participation of 21 volunteers and a faculty member. The campaign was successfully executed with the coordination of volunteers and village members, leaving a lasting impact by empowering workers with essential financial security knowledge.

Awareness on Self-Hygiene and Clean Surroundings

Date: 21.02.2025

Venue: Vejandla

On 21st February 2025, the Department of Law organized an awareness campaign on the importance of self-hygiene and maintaining clean surroundings. The primary objective was to educate the villagers about personal hygiene practices and the harmful effects of an unclean environment on public health.

During the session, students explained the importance of body hygiene, emphasizing the need to wash hands before meals, cook food properly, and maintain overall cleanliness to prevent bacterial infections. Special attention was given to children and elderly individuals, as they are more vulnerable to diseases caused by unhygienic surroundings.

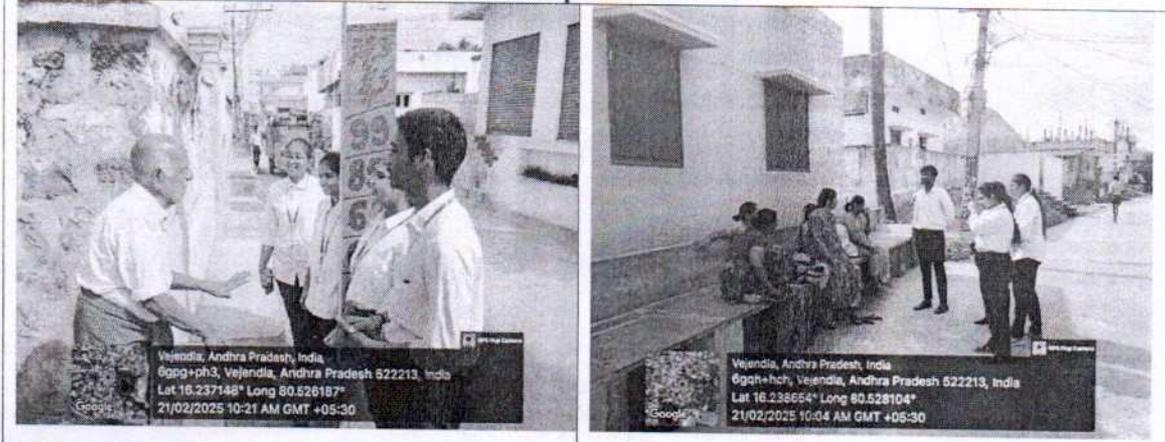

The campaign was conducted from 9:00 AM to 12:00 PM, with the participation of 21 volunteers who actively engaged with the villagers. The event successfully raised awareness, encouraging people to adopt better hygiene habits and contribute to a cleaner and healthier environment.

## University Extension Activity Council (UEAC) Annual Report – 2024-25 Swachh Vignan

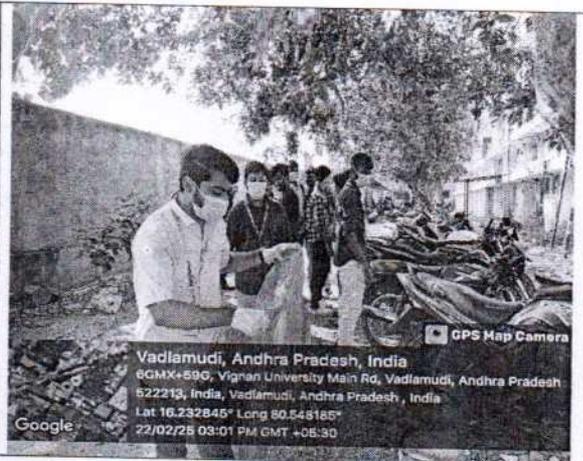

Date: 22.02.2025

Venue: VFSTR

“A clean India would be the best tribute India could pay to Mahatma Gandhi,” said Shri Narendra Modi. With such spirit, VFSTR UEAC team organized a "Cleanliness Drive" on 22nd Feb 2025. Surroundings of A Block, Library, H Block, H OAT, Bick parking place, staff mess point, U block and sports grounds on campus. First year UEAC faculty coordinator Dr. Veeranjanyulu had delivered the speech mentioning the importance of sanitation. He told the saying ‘Cleanliness is next to Godliness’ to the students. “It plays a vital role in our daily lives. It the state of keeping clean and remains away from dirt to achieve and maintain the good physical and mental health.

The University UEAC Coordinator, Mr.D. Suresh Babu, S&H UEAC faculty coordinator Dr. Veeranjanyulu and ECE UEAC faculty coordinator Mr.G.Ganga Prasad and few faculty members along with 640 students of B. Tech actively participated in the drive. The volunteers cleaned the back-side corners of the A Block, Library, H Block, H OAT, Bick parking place, staff mess point, U block and sports grounds on campus, wearing gloves and masks collected all the litter in big bags for disposal. The volunteers were instructed to clean their hands with soap at the end. The main purpose of this programme is to create cleanliness awareness among the students and its benefits. Under this programme, the UEAC volunteers, some maintenance staff actively participated. The UEAC Programme Officer Dr. Vijayababu Palukuri encouraged the students by giving some facts about the importance of hygiene and cleanliness of our surroundings. Every one keeping clean and remains away from dirt to achieve and maintain good physical and mental health". The UEAC Volunteers, the maintenance staff have done noble job successfully.

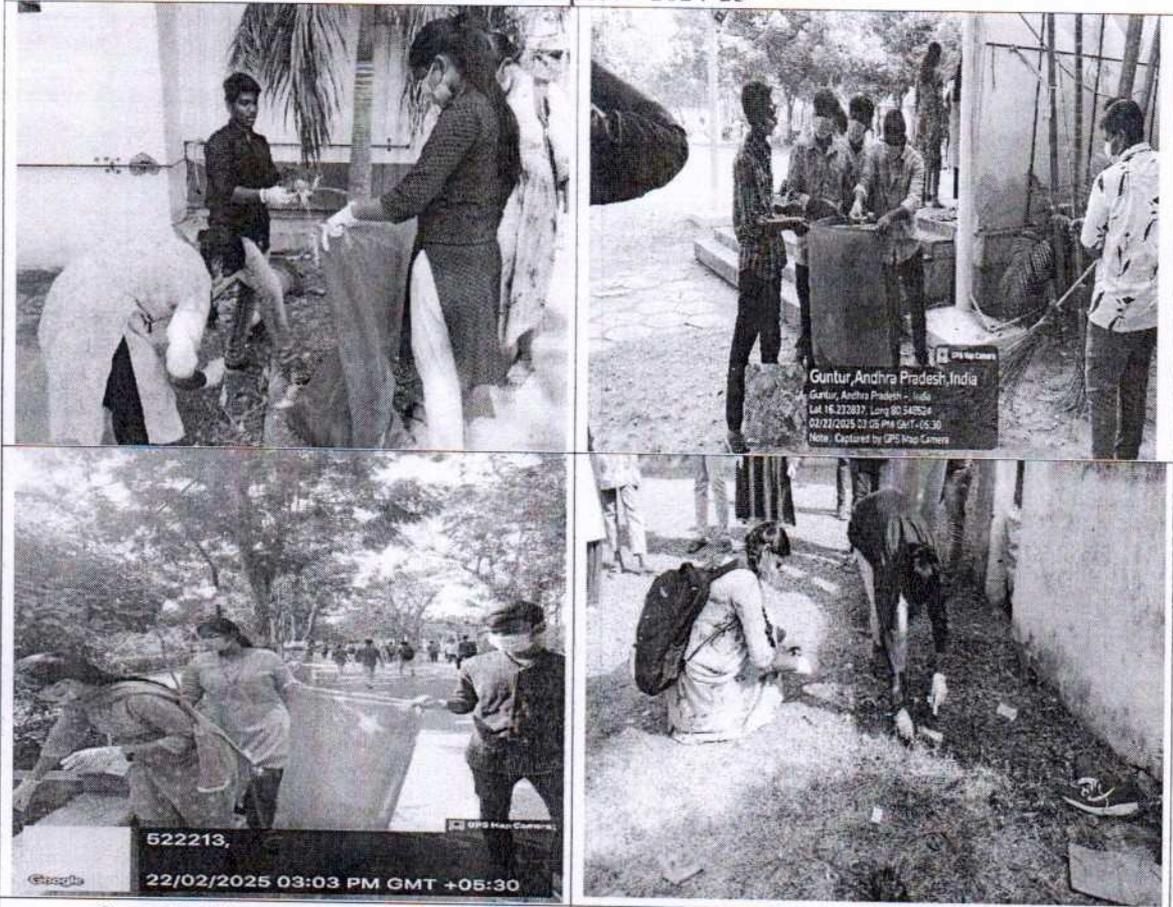

**Outcome of the event:** By this Swachh Vignan event, the 640 students got to know about the importance of cleanliness and its benefits. With the cleanliness on campus students don't get affected by any diseases as most of the time they live on the campus, if they keep campus surroundings neat and clean, in return, it keeps us healthy and strong.

Exam pad ditstribution drive**

Date:01.03.2025

Venue:Vejudla

Team UEAC organized an Exam Pad Distribution Drive on March 1, 2025, at ZPHS High School, Vejudla – Guntur. This initiative aimed to support 10th-grade students by providing them with essential exam pads for their board exams, ensuring they have the necessary resources to write with ease and confidence.

During the event, volunteers encouraged the students, offering motivation and exam preparation tips to help them perform their best. The distribution of exam pads symbolized a gesture of support and confidence in their academic journey. The event took place from 2:00 PM to 4:00 PM and was led by 40 dedicated volunteers from Team UEAC, reflecting their commitment to educational empowerment and community support.

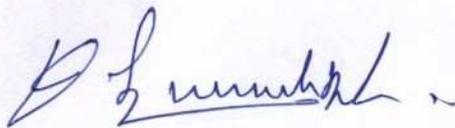

**Team UEAC is conducting an Exam Pad Distribution Drive at SCSC on 01.03.2025 to support 10th-grade students for their board exams.**

Awareness on Plastic Usage**

Date:01.03.2025

Venue: Sangam jagarlamudi

The food technology department of Team UEAC conducted a campaign on Awareness of plastic usage on 1st march 2025, at Sangam jagarlamudi. The session shares the stories of waste pioneers like Taslima with your social network. Post about your own efforts to reduce, reuse and recycle your plastics. Or team up with others in your community to call on local businesses to take positive action to reduce plastic waste.

Introduced and came up with 5 Good Things About Plastic that Help the Environment:

- Reduced Weight, Increased Fuel Economy. Plastic components are being used increasingly often in new vehicles, mainly because they help make our vehicles safer.
- Reduced Packaging.
- Lower Impact than Paper.
- Energy Savings.
- Strength and Durability.

Students of food tech department has explained to the people about the Plastics can cause numerous health implications like cancer, diabetes, several organ malfunctions, impacts on eyes, skin, and other sensory organs, as well as cause birth defects in babies. Plastic can leach into food, especially if food is placed in plastic while it is still hot.

The event, attended by 17 students, began at 2:00 PM and concluded at 4:00 PM, For every minute without Intervention, Plastics are negatively affecting people and the environment at each stage of their lifecycle – extraction of fossil fuel, production, manufacturing, use, recycling, and disposal.

Empowering Women's Health & Iron Deficiency

Date: 01.03.2025

Venue: Sangam jagarlamudi

The food technology department of Team UEAC conducted a Empowering Women's Health & Iron Deficiency on 1st march 2025, at Sangam jagarlamudi.

Iron important for women's health: Your body uses iron to make hemoglobin, the protein in your blood that carries oxygen to all your tissues and muscles. If you are iron deficient, your whole body can't get the amount of oxygen it needs. Furthermore, even mild iron deficiency can be harmful. "The biggest sign is fatigue.

Students of food tech department has explained to the people Eating more foods that contain iron. Good sources of iron include meat, fish, eggs, beans, peas, and fortified foods (look for cereals fortified with 100% of the daily value for iron). Eating more foods with vitamin C. Vitamin C helps your body absorb iron.

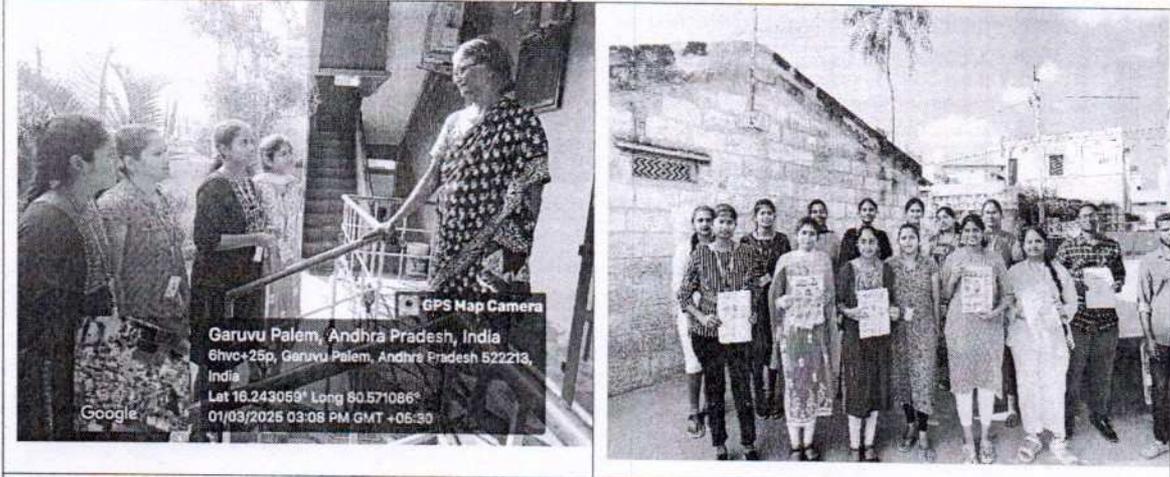

The event, attended by 17 students, began at 2:00 PM and concluded at 4:00 PM About The National Nutritional Anemia Prophylaxis Programme initiated in 1970, was revised and expanded to include beneficiaries from all age groups namely children aged 6-59 months, 5-10 yr, adolescents aged 10-19 yr., pregnant and lactating women and women in reproductive age group under the National Iron Plus Initiative.

**Thalassemia Awareness Program**

Date: 05.03.2025

Venue: Vejjandla

On 5th March 2025, Team UEAC conducted an awareness program on Thalassemia at Vejjandla, aiming to educate the community about the causes, prevention, and management of this inherited blood disorder. The program emphasized the importance of early diagnosis, genetic counselling, and treatment options to help individuals make informed health decisions.

The event covered essential topics, including symptoms, available treatments, carrier screening, and the role of nutrition in managing Thalassemia. Volunteers also highlighted the significance of regular blood transfusions and bone marrow transplants as potential treatment methods for severe cases. During the campaign, the team identified a Thalassemia patient in Vadlamudi who is currently undergoing treatment at the Thalassemia Blood Center, Guntur.

A total of 65 students attended the program, which took place from 9:30 AM to 11:00 AM. Their active participation and engagement made the session highly informative and impactful, reinforcing the importance of awareness in preventing and managing Thalassemia effectively.

Thalassemia Awareness Program**

Date: 05.03.2025

Venue: Vadlamudi

On 5th March 2025, Team UEAC conducted a Thalassemia Awareness Program at Vadlamudi, aiming to educate the community about the causes, prevention, and management of this genetic blood disorder. The session emphasized the importance of early diagnosis, genetic counselling, regular blood transfusions, and bone marrow transplants as potential treatment options.

During the campaign, volunteers explained symptoms, risk factors, and the role of nutrition in managing Thalassemia. Special attention was given to carrier screening and preventive measures to reduce the transmission of the disorder. The session also highlighted the ongoing efforts in supporting Thalassemia patients, including regular blood donation drives and awareness initiatives.

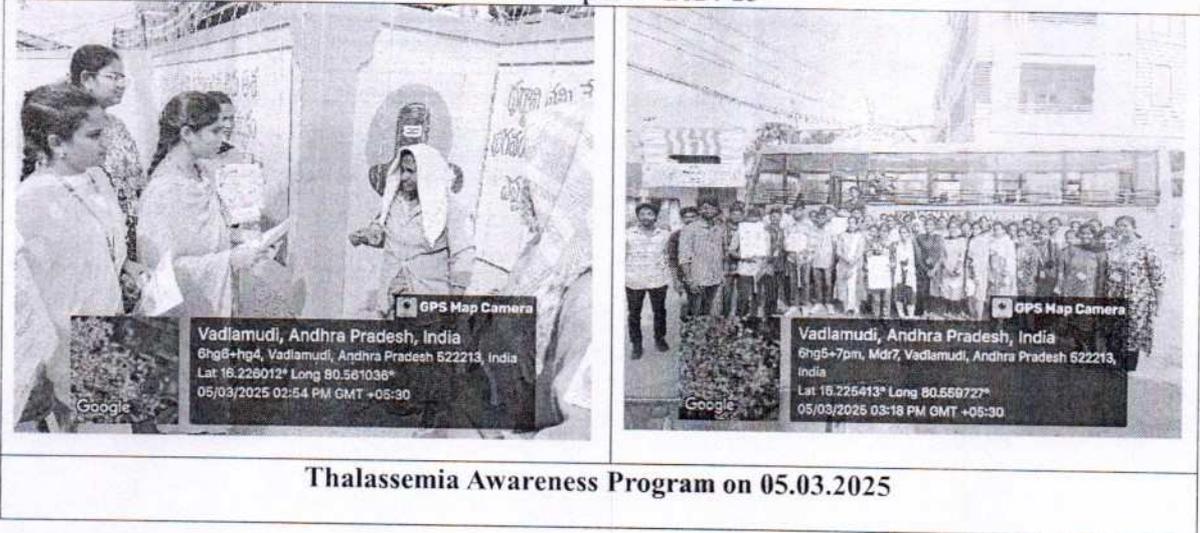

The program took place from 1:00 PM to 3:00 PM, with the participation of 70 volunteers. Their efforts helped in spreading crucial awareness, ensuring that the local community is well-informed about this serious health condition.

**Outreach Activity on Azolla as Bio fertilizer and Value-Added Products**

Date: 06.03.2025

Venue:Vejudla

The University Extension Activity Council (UEAC) from the Department of Biotechnology conducted an outreach activity on Azolla as a bio fertilizer and value-added products on 6th March 2025. The event aimed to educate students and local farmers about the benefits of Azolla in sustainable agriculture and its applications in improving soil fertility.

During the event, volunteers participated in hands-on training sessions on Azolla cultivation, processing, and its use as a bio fertilizer. Practical demonstrations displayed its role in sustainable farming, and discussions were held on developing value-added products from Azolla. Participants engaged with local farmers, sharing insights on its economic and environmental advantages.

The event took place from 10:00 AM to 12:30 PM and witnessed the enthusiastic participation of 52 volunteers. Their collective efforts facilitated knowledge sharing and practical demonstrations, helping promote eco-friendly farming practices. The event successfully created awareness and encouraged the adoption of sustainable agricultural techniques.

**Awareness on Self-Defence for Women**

Date: 12.03.2025

Venue: ZPHS, Garuvupalem

As part of Women's Day celebrations, Team UEAC conducted an Awareness Program on Self-Defence for Women at ZPHS, Garuvupalem aimed at empowering 8th and 9th-grade students with essential self-defence skills on 13<sup>th</sup> March. The session was led by M. Dinesh Kumar, a 2nd-year MBA student and a Black Belt in Taekwondo, who provided practical demonstrations and guidance on personal safety.

The program covered basic self-defence moves, escape techniques, and situational awareness, ensuring that young girls are equipped to protect themselves in challenging situations. The session also emphasized mental preparedness, confidence building, and preventive measures to handle potential threats. The students have showed immense enthusiasm in practicing these skills.

Held from 1:00 PM to 3:00 PM, the event witnessed enthusiastic participation from 65 students. This initiative played a crucial role in fostering self-reliance and security awareness, reinforcing the importance of self-defence in daily life.

Awareness on Self-Defence for Women**

Date: 12.03.2025

Venue: ZPHS, Vejendla

As part of Women's Day celebrations, Team UEAC conducted an Awareness Program on Self-Defence for Women at Vejendla School, aimed at empowering 8th and 9th-grade students with essential self-defence skills on 13<sup>th</sup> March. The session was led by M. Dinesh Kumar, a 2nd-year MBA student and a Black Belt in Taekwondo, who provided practical demonstrations and guidance on personal safety.

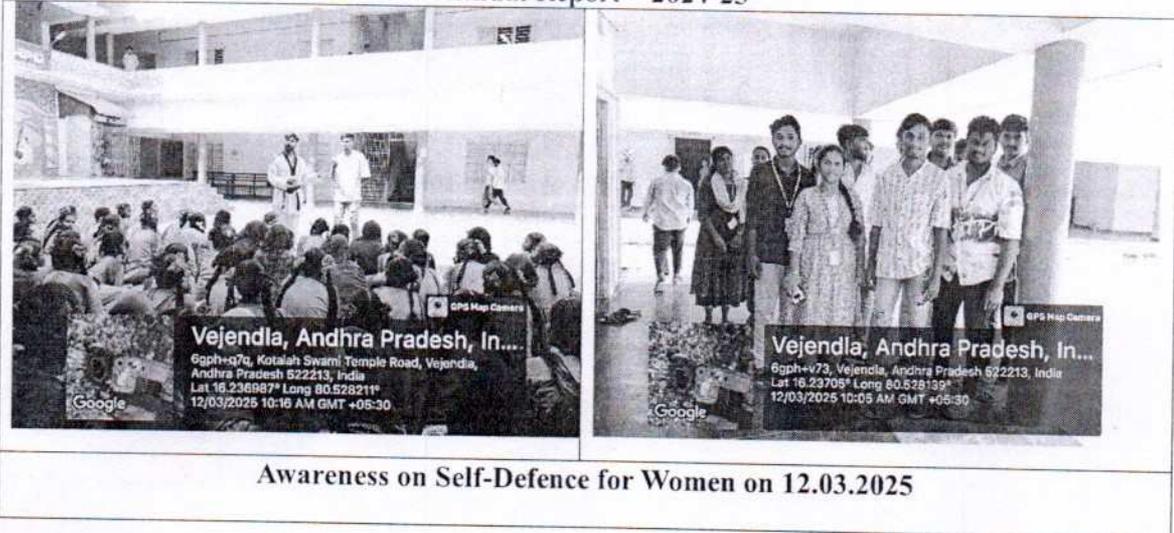

The program covered basic self-defence moves, escape techniques, and situational awareness, ensuring that young girls are equipped to protect themselves in challenging situations. The session also emphasized mental preparedness, confidence building, and preventive measures to handle potential threats. The students have showed immense enthusiasm in practicing these skills.

Held from 9:00 AM to 11:00 AM, the event witnessed enthusiastic participation from 65 students. This initiative played a crucial role in fostering self-reliance and security awareness, reinforcing the importance of self-defence in daily life.

**Summer Awareness Camps**

Date: 12.03.2025

Venue: Vejandla

Team UEAC conducted Summer Awareness Camps at Vejandla to educate the local community on essential precautions to be taken during extreme summer conditions. The initiative aimed to spread awareness about heatstroke prevention, hydration, proper diet, and ways to stay cool during high temperatures.

As part of the campaign, students went door-to-door, engaging with locals and providing valuable information on how to protect themselves and their families from heat-related illnesses. The team emphasized the importance of drinking adequate water, avoiding direct sun exposure, and recognizing early signs of dehydration and heat exhaustion. The event took place on 13th March from 9:00 AM to 11:00 AM, with 65 volunteers actively participating. Their efforts helped raise awareness among the residents, ensuring better preparedness for the summer season.

## University Extension Activity Council (UEAC) Annual Report – 2024-25 Summer Awareness Camps

Date: 12.03.2025

Venue: Garuvupalem

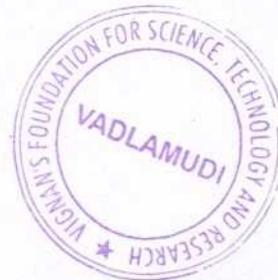

On 13th March 2025, Team UEAC conducted a Summer Awareness Camp at Garuvupalem to educate the local community on essential summer safety measures. The initiative focused on preventing heat-related illnesses, maintaining hydration, and adopting healthy practices during extreme temperatures.

Students interacted with residents, explaining the importance of drinking sufficient water, avoiding prolonged sun exposure, wearing light clothing, and recognizing early signs of heat exhaustion. The awareness session emphasized practical steps to protect oneself and promote a healthier summer lifestyle.

The campaign took place from 1:00 PM to 3:00 PM, with the active participation of 65 volunteers. Their dedicated efforts ensured that crucial summer health information reached the community, fostering awareness and preparedness.

**TELEHEALTH – A WAY TO WEALTHY SOCIETY**

Date: 13.03.2025

Venue: Selapadu

On March 13, 2025, the Department of Biomedical Engineering at Vignan University, in collaboration with the NSS unit, successfully conducted an awareness event titled “*Telehealth – A Way to a Wealthy Society*” in the village of Selapadu. This initiative aimed to educate the local community on the significance of telehealth services in improving healthcare access, reducing medical expenses, and promoting overall well-being.

The event focused on introducing villagers to telehealth solutions, including remote consultations, digital health monitoring, and online medical assistance. Volunteers demonstrated how telehealth services allow patients to connect with healthcare professionals without the need for frequent hospital visits, making medical care more affordable and accessible. The session also covered the role of telehealth in managing chronic conditions, reducing travel costs for treatment, and ensuring timely medical intervention.

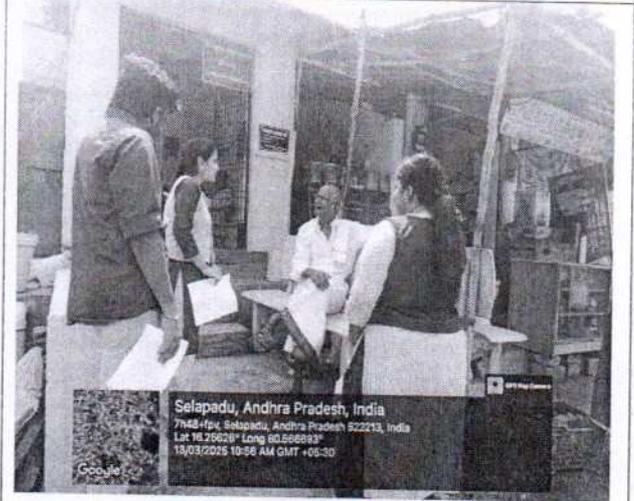

The program was conducted from 10:00 AM to 1:00 PM, with the participation of 9 dedicated NSS volunteers. A total of 30 villagers attended the session, engaging in interactive discussions and practical demonstrations. The volunteers guided the attendees on how to use mobile applications for teleconsultations and explained the importance of maintaining digital health records for effective medical management.

In addition to spreading awareness about telehealth, the volunteers shared valuable health tips, emphasizing the importance of regular check-ups, preventive care, and healthy lifestyle choices. The event concluded on a positive note, with many villagers expressing their appreciation and willingness to explore telehealth services for their medical needs.

This initiative not only promoted digital healthcare solutions but also reinforced the university’s commitment to serving rural communities through technological advancements. The NSS unit and the Department of Biomedical Engineering aim to continue conducting such impactful programs to improve healthcare accessibility for all.

**AWARENESS ON STRONG KNEES FOREVER**

Date: 13.03.2025

Venue: Selapadu

In response to the increasing concerns about joint health and knee-related issues, the UEAC at Vignan University, Department of Biomedical Engineering, organized an awareness program titled "Strong Knees Forever" at Selapadu on 13.03.2025. This initiative highlights the UEAC's commitment to promoting health and well-being among individuals of all age groups.

The volunteers actively educated the community on the importance of maintaining strong and healthy knees. Key instructions included regular physical activity, adopting a balanced diet rich in calcium and vitamin D, practicing proper posture, avoiding prolonged sitting, and incorporating knee-strengthening exercises. The program not only aimed to spread awareness but also encouraged a proactive approach towards knee care and mobility preservation.

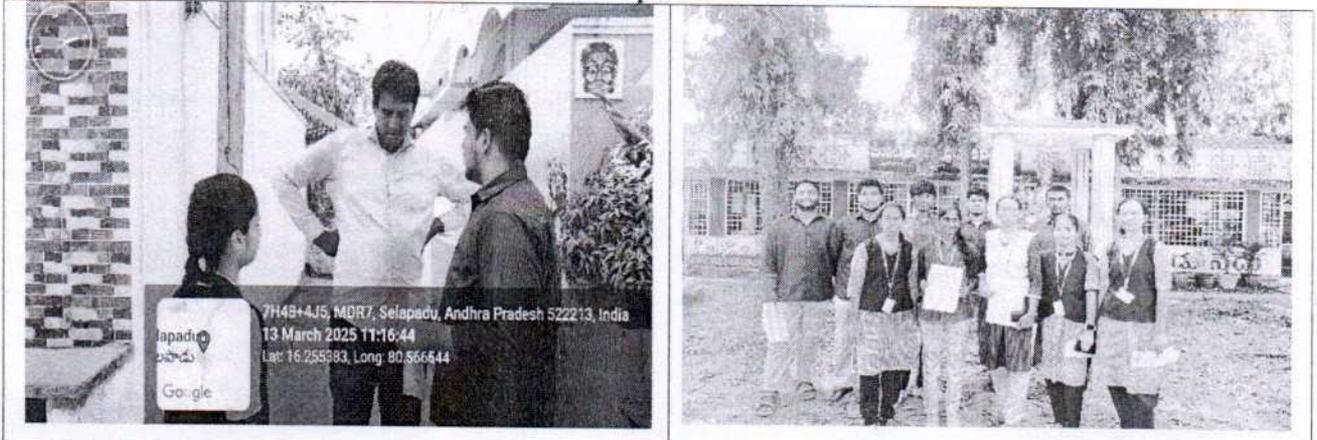

The event began at 10:00 AM and concluded at 1:00 PM, featuring participation from 9 student volunteers from the NSS unit. Residents from the area showed immense interest, gaining valuable insights knee health, injury prevention, and effective rehabilitation strategies. The program concluded with positive feedback and pledges from the attendees knee-friendly habits into their daily lives.

Awareness on E-Waste**

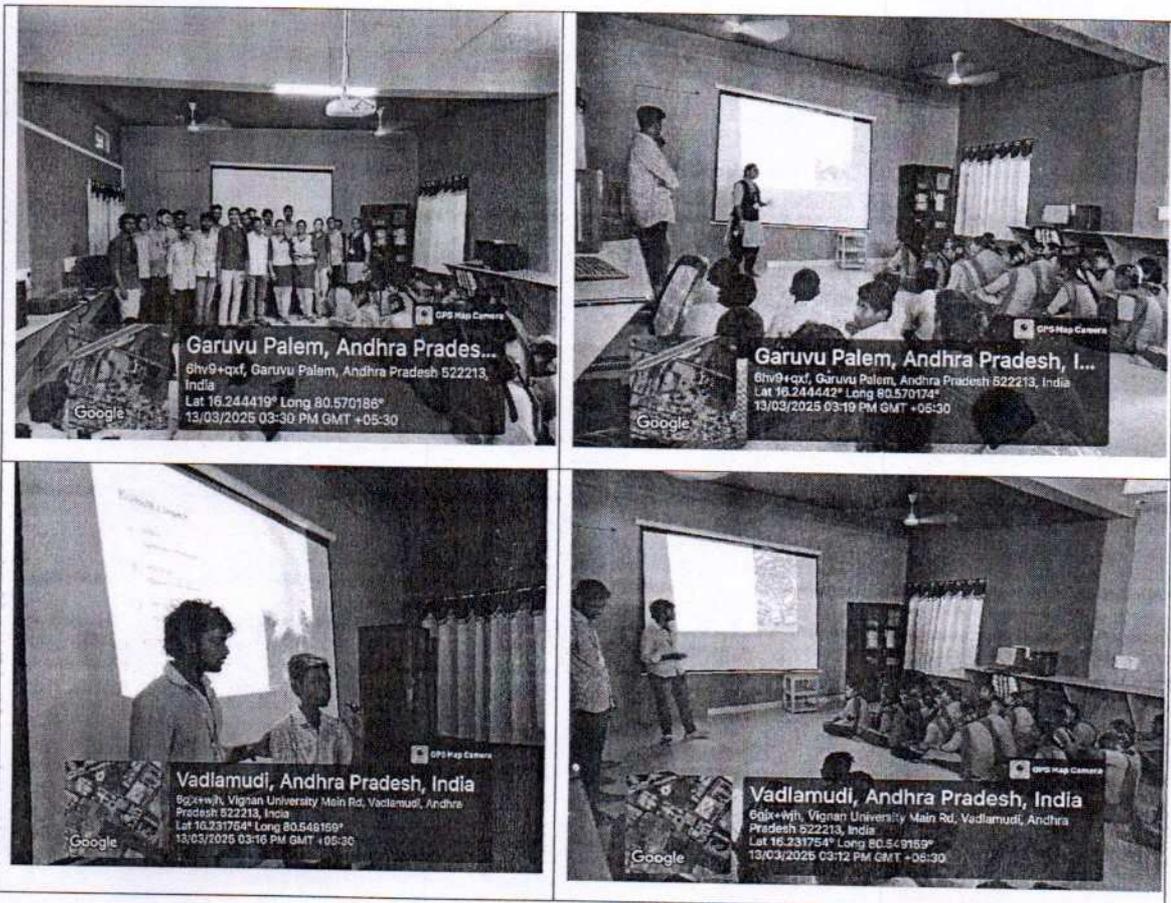

Date: 13.03.2025

Venue: Sangam Jagarlamudi

Team UEAC of the Department of ECE have conducted an event “Awareness on E-Waste” as part of saving nature on 13<sup>th</sup> March 2025. This event is designed by the ECE Department. This event aimed to reduce the electronic wastage in society.

In this event, all participants were divided into 2 groups, explained about electronics, and explained about the consequences we will face by E waste in school. Students have participated very actively and listened carefully to volunteers.

Nearly 25 volunteers from the team supported the event, held from 02:00 PM to 04:00 PM. Their efforts contributed to the smooth organization and success of the initiative, promoting awareness on E-waste.

Summer Precautions Awareness Program**

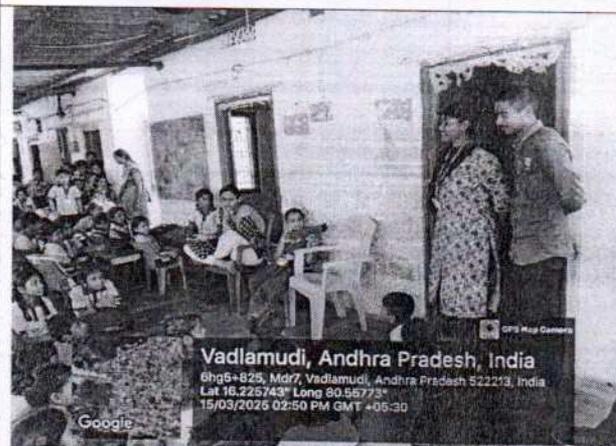

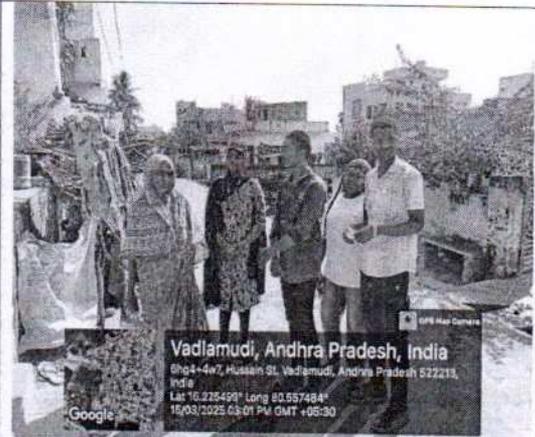

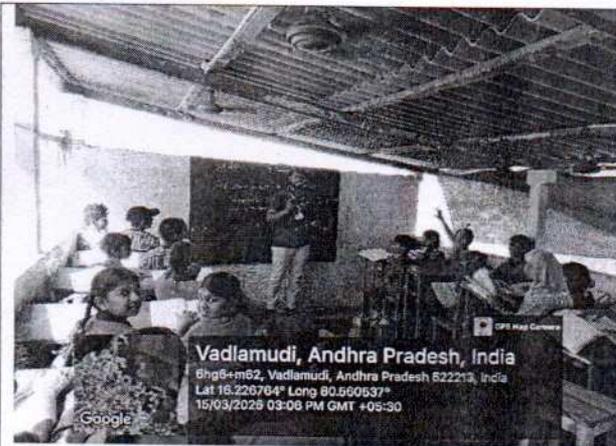

Date: 15.03.2025

Venue: Vadlamudi

On 15<sup>th</sup> March 2025, the Department of Mathematics and Statistics organized an awareness program on Summer Precautions at Vadlamudi. The event aimed to educate the local community and students on staying safe during the hot summer months by following essential health and safety measures.

Students engaged with residents, highlighting the importance of staying hydrated, avoiding direct sun exposure, consuming a balanced diet, and recognizing symptoms of heat-related illnesses. They also emphasized preventive measures such as wearing light-colored clothing and maintaining proper ventilation at home.

The program was conducted from 2:00 PM to 4:00 PM, with the participation of 21 students. Their dedicated efforts helped spread valuable awareness, ensuring that the community stays informed and protected during extreme summer conditions.

Azolla as Bio fertilizer**

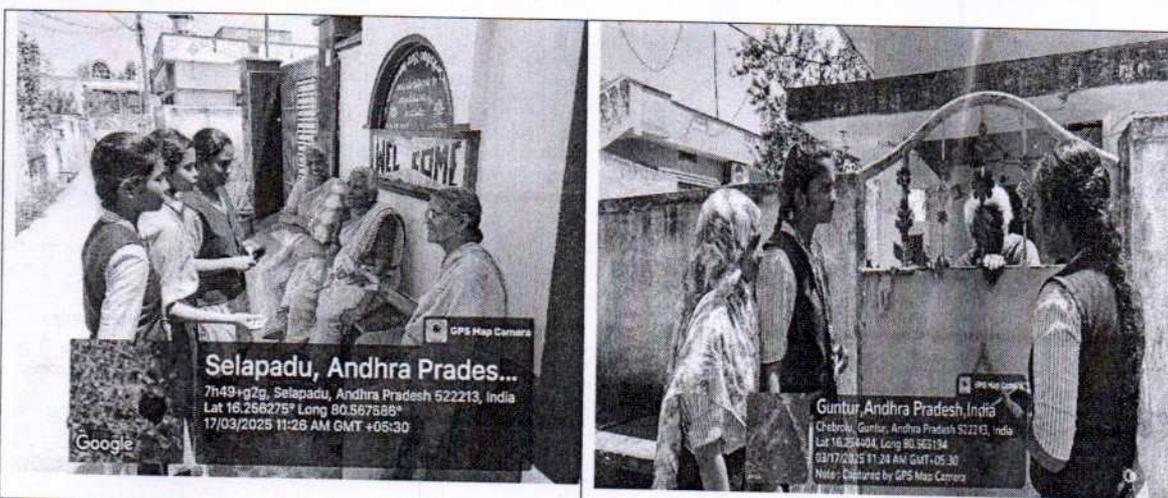

Date: 17.03.2025

Venue: Selapadu

The Biotechnology Department of Team UEAC conducted an awareness campaign on "Azolla Bio fertilizer" to highlight its benefits and promote its usage among people. The event took place on 17<sup>th</sup> March from 10:30AM to 12:00 PM.

The team was divided into two groups, each engaging with the villagers to explain the advantages of Azolla as a sustainable and eco-friendly bio fertilizer. Participants learned about its role in improving soil fertility, enhancing crop yield, and reducing dependence on chemical fertilizers.

Through interactive discussions, the event aimed to educate and encourage people to adopt Azolla as a cost-effective and environmentally beneficial agricultural solution. 33 volunteers support the event.

Awareness on HPV Vaccine

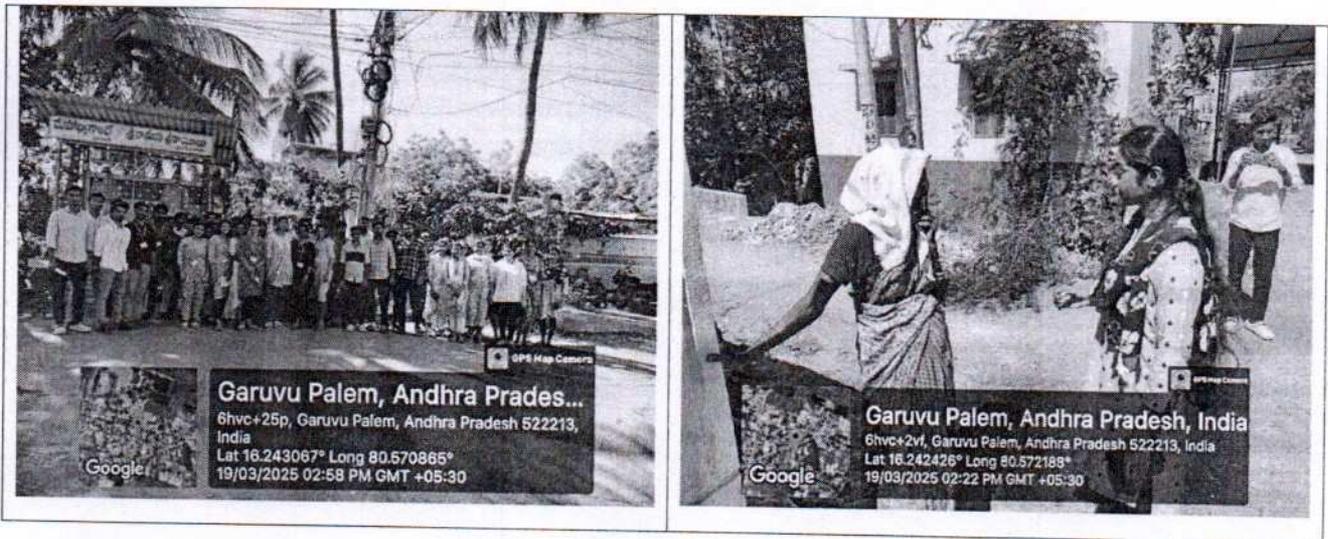

Date:19.03.2025

Venue:Garuvapalem

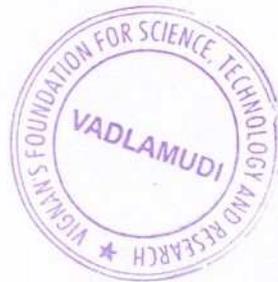

On 19<sup>th</sup> March 2025, an Awareness Program on the HPV (Human Papillomavirus) Vaccine was conducted at Garuvapalem. The program aimed to educate the community about the importance of the HPV vaccine in preventing cervical cancer and other HPV-related diseases.

Key topics covered during the session included the benefits of early vaccination, eligibility criteria, dosage schedules, and the role of vaccination in reducing the risk of cervical cancer. The program also highlighted the significance of regular health check-ups and maintaining overall reproductive health.

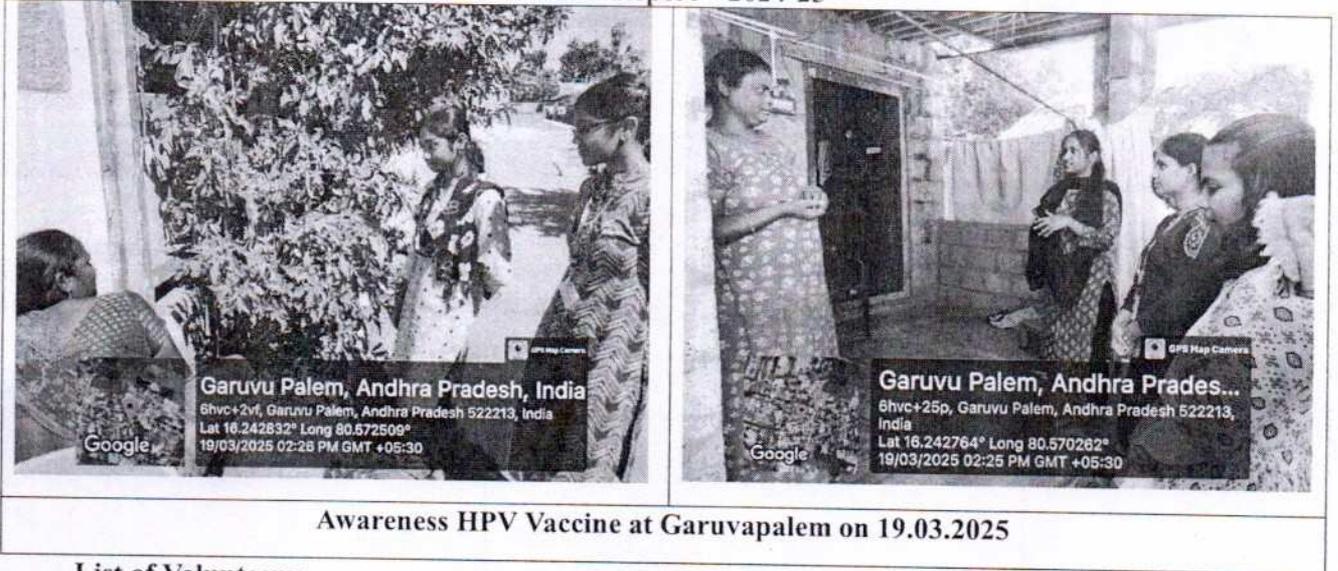

The event took place from 2:00 PM to 4:00 PM, with the active participation of 48 attendees. The session successfully raised awareness and encouraged community members to take proactive steps toward better health.

## University Extension Activity Council (UEAC) Annual Report – 2024-25 Awareness on Human Rights

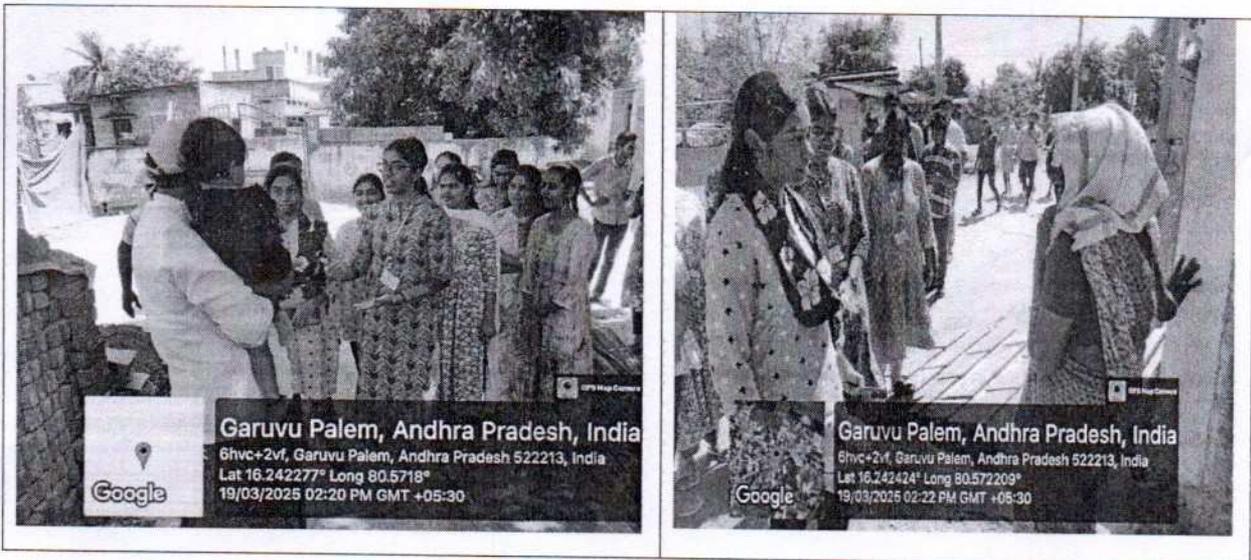

Date:19.03.2025

Venue:Garuvapalem

On 19<sup>th</sup> March 2025, Team UEAC conducted an Awareness Program on Human Rights at Garuvapalem to educate the local community about fundamental human rights and their significance in everyday life. The session aimed to create awareness about individual rights, equality, and the importance of respecting others' dignity.

During the event, key topics such as basic human rights, constitutional rights, gender equality, and the role of law in protecting human rights were discussed. The speakers emphasized the need for individuals to be aware of their rights to foster a just and equitable society.

The program took place from 2:00 PM to 4:00 PM, with the active participation of 48 students. Their efforts in engaging with the community played a crucial role in promoting awareness and encouraging residents to stand up for their rights.

Awareness on Energy Conservation**

Date:19.03.2025  
Venue:Garuvapalem

The UEAC team organized an event in Garuvapalem village aimed at raising awareness about energy conservation. The primary goal of this initiative was to educate the local community on the significance of energy and practical methods for conserving it. Volunteers of UEAC led the event, which inspired villagers to take action towards energy conservation and understand its critical importance. Local people learned how to manage their energy consumption effectively and reduce unnecessary waste by utilizing fewer energy services.

The discussions addressed common issues faced by the villagers, particularly regarding electricity supply, and introduced alternative solutions such as energy-efficient appliances and renewable energy sources like solar panels and wind turbines. The total of 48 volunteers, along with key organizers and coordinators, visited the village to convey the crucial message of energy conservation. They engaged with the local people, explaining how adopting renewable energy sources could empower them to generate their own clean energy.

The program commenced with the assembly of UEAC members and organizers at 1:30 PM. After being divided into groups, they departed from the college at 2:00 PM and arrived in the village by 2:20 PM. Each group then presented their insights to the villagers before returning to college by 4:00 PM.

**Awareness on Water Conservation**

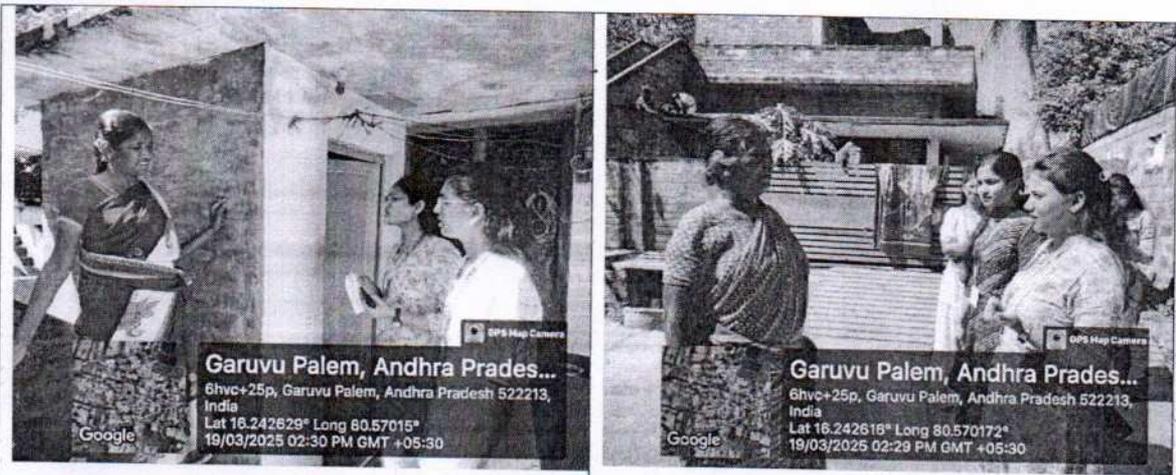

Date: 19.03.2025

Venue: Garuvapalem

The UEAC team recently conducted an event in Vejendla village to raise awareness about water conservation. The primary goal of this initiative was to educate the local community on the critical importance of water and various effective methods for conserving it. Total of 48 volunteers of UEAC participated in organizing this event, which aimed to inspire residents to actively participate in water preservation efforts.

The program provided insights into managing freshwater resources, minimizing waste, and safeguarding water supplies to prevent scarcity. Participants learned about practical solutions, including the implementation of rainwater harvesting techniques, which can significantly alleviate local water challenges. The UEAC volunteers, accompanied by chief organizers and coordinators, engaged with the villagers to discuss the urgent need for water conservation. They emphasized how adopting sustainable practices could enhance the community's overall water management strategies.

The event commenced with the gathering of NSS volunteers and organizers at 1:30 PM. After dividing into groups, they departed from the college at 2:00 PM and arrived at Garuvapalem by 2:20 PM. Each group had the opportunity to address the villagers, sharing valuable information on water conservation before returning to college by 4:00 PM. This initiative not only educated the community but also fostered a sense of responsibility towards preserving their vital water resources.

World Water Conservation Day**

Date: 21.03.2025

Venue: Suddapalli

On 21st March 2025, the department of Agricultural & Horticultural Sciences organized an interaction session with the students of Z.P.H.S School, Suddapalli regarding “World Water Conservation Day”. This event aimed to ignite the students on importance of water conservation and the major constraints in future due to over exploitation of natural water resources.

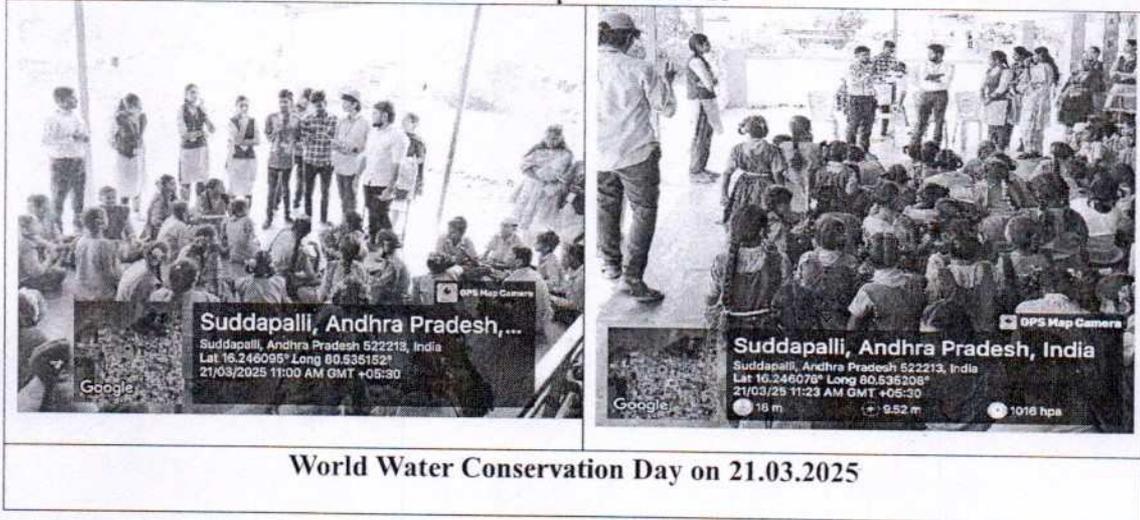

The interaction began with briefing the importance of natural water resources and their management practices, and then the volunteers conducted an essay writing competition among the students of 7th & 8th classes. Furthermore, a rally was conducted with the greatly sounding slogans like “save water save future”. Later a ‘G.K.’ based quiz competition was held among the students of 7th & 8th classes and funny game for the students of primary classes. Finally, the prize distribution took place by the faculty of AHS Dr.N.Harisha and MD. Rehman . The event took place from 9:00 Am and rolled up by 12:30PM, with the active participation of 25 volunteers and two members from faculty . The session was joyfully held and succeeded in sharing them with knowledge, lit up the competitive spirit and enthusiasm to know about new things among the students.

### University Extension Activity Council (UEAC) Annual Report – 2024-25 Swatch Vignan

Date: 22.03.2025

Venue: VFSTR

On 22<sup>nd</sup> March 2025, as part of the SWATCH VIGNAN initiative, the UEAC team of Vignan University took a proactive step towards ensuring a clean and hygienic campus environment. This cleanliness drive was aimed at promoting the values of discipline, responsibility, and respect for shared spaces among the university community.

A total of 90 student volunteers actively participated in the drive, covering multiple key areas of the campus including N Block, U Block, H Block, A Block, the Library, and the Guest House. The students worked together to remove litter, dust, and unnecessary waste, restoring the spaces to a neat and welcoming condition.

The event served as a strong reminder of the importance of cleanliness and teamwork. It also reflected Vignan University's commitment to maintaining an inspiring learning environment while instilling civic responsibility in its students, in line with the vision of cleanliness.
