Education Loans

More than 14 banks, comprising both public and private institutions across India, to offer customized education loan solutions suited to your requirements. Eligibility for loan applications requires individuals who have attained a minimum of 60% in their board exams in a single attempt. These loans cover various expenses such as tuition fees, hostel charges, transportation, and book purchases. UCO Bank, conveniently located on campus, facilitates these loan services. Students have the flexibility to repay their loans after graduation, upon embarking on their professional journeys, adhering to RBI regulations and prescribed guidelines.
