

**Memorandum of Understanding**  
**Academic and Research Collaboration between**  
**Vignan's University (VFSTRU), Guntur**  
**and**  
**Resins and Allied Products (RAP), Vijayawada**

Vignan's University (VFSTRU), Guntur and Resins and Allied Products (RAP), Vijayawada have mutually agreed upon the below mentioned protocols governing their collaboration on academic and research activities.

Scope:

In general, RAP will support and augment the facilities in the "Centre of Excellence in Composite Technology", VFSTRU based on their rich experience in this field over the last three decades. The expertise, equipment and testing facilities available shall be shared on mutual agreement for the benefit of both the partners towards research and development.

**The scope of MOU covers the following category of activities:**

- 1) Academic and Research collaboration in the areas of mutual interest
- 2) Student and faculty of VFSTRU visiting RAP for project internship and practical training
- 3) Using of experimental and testing facilities on mutually agreed terms and conditions
- 4) Organizing conferences, seminars, lectures and workshops jointly for mutual benefits

**Academic and Research Collaboration:**

The Resins and Allied Products (RAP) and the Centre of Excellence(COE) in Composite Technology, VFSTRU have a lot of common interest, therefore, there is a plenty of scope for research and developmental activities which could be achieved through regular mutual visits, conducting technical events etc. Therefore, these activities shall be organized on regular basis on a mutually agreed upon schedule to sustain the cooperation.

## Student and Faculty visit:

A few students of VFSTRU will be selected and they will undergo project internship under the joint supervision of faculty of VFSRU and technical experts of RAP, on mutually agreed upon terms and conditions.

Commencement, Renewal, termination and amendment:

The MOU will come in to effect from the day of signing the same by both the parties and will remain in effect for a period of three years.

If any one of the partners wishes to terminate the MOU, it shall be done with a prior one month advance notice served to the other, but not in the period less than six months after the commencement of the agreement.

The modifications of any amendment or agreement, renewal and extension of MOU shall be carried out between the partners and may be formally implemented based on exchange of letters or discussions between the partners at any point of time during the period.
