INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement. 801 I Street NW Stop 5800, Washington, DC 20536-5800. - Refund Conditions for Off-shore

The University reserves the right to apply specific and different fee refund conditions to students enrolled in off-shore programs delivered with the assistance of off-shore partner organisations. Any such specific and different fee refund conditions will be outlined in the offer letter.

- Program Transfer

If the student transfers from one program to another, the student is liable for the tuition fee related to the new program. Where the student has already paid the tuition fee for the first program, and the new program has a higher tuition fee, the student must pay the additional tuition fee. Where the new program has a lower tuition fee, any tuition fees in credit will be credited towards the remaining tuition fees, or refunded as provided in section 3.10.

- Withdrawal from Course

If the student withdraws from a course but does not withdraw from the program, and the withdrawal is affected prior to the census date (refer to Schedule H), the tuition fee for that course will normally be credited towards the remaining or future tuition fees

Alternatively, on application from the student, approval may be given for the tuition fee to be refunded as provided in section 3.10.

- Withdrawal from course on granting of credit

If a student receives credit for a course in which they are enrolled, the full tuition fee paid by the student for that course will be treated according to section 3.6.4, even if notification of credit approval is received after the census date.

- Withdrawal in Compassionate Circumstances - Grounds for Refund

Withdrawal in compassionate circumstances may be accepted as grounds for a full or partial refund of tuition fees. Compassionate circumstances may include but are not limited to:

serious illness or disability which prevents the student from being able to study; or

death of a close family member (parent, grandparent, sibling, spouse or child); or

political or civil event or natural disaster which prevents payment of fees;

These reasons may be accepted as grounds for a full or partial refund of fees for any of the reasons prescribed in section 3.6, provided that adequate documentary evidence is provided to support the application for a refund.

The student may also be eligible for withdrawal without academic penalty.

The process for applying for a refund and withdrawal without academic penalty in compassionate circumstances, including the time period within which an application must be lodged, is set out in the Student Administration Policy.

- Permanent Residency

If a student provides evidence of becoming a

permanent resident of Australia prior to their commencement of study in the program and they subsequently apply for a place as an Australian resident student either as a Commonwealth supported student or a fee-paying student through the normal processes the offer of an international student place will be withdrawn and all tuition fees will be refunded.

- If, after commencing study in the program, a student obtains permanent resident status in Australia and provides evidence of permanent resident status prior to the census date, the student will be provided with a domestic fee-paying place. The student will be eligible for a refund of the difference between the fee as an international student and the fee for a domestic fee-paying student for the period of study in which the residency status changed.
- If a student obtains permanent resident status but does not fulfil the conditions set out in section 3.8.2 by the census date, the student will not be eligible for a full or partial refund of tuition fees paid for the period of study in which the residency status changed. On continuing their enrolment in the next period of study, the student will be enrolled as an Australian resident student in a domestic fee-paying place.
- A student who is enrolled as a domestic fee-paying student because of a change of residency status may apply for a Commonwealth supported place at the next admission period, provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place, as set out in the Undergraduate Programs Admission Policy.

The above processes also apply to an international student who becomes a New Zealand citizen during the course of their study.

- Remittance of Refund

Students must use the University's online or hard copy refund application form and attach any required supporting documents.

In the event that the information provided in the refund application is not complete and further information is required, the processing timeline will not commence until the requested information has been submitted.

All refunds for which students are eligible, with the exception of refunds arising from withdrawal from a course (refer to sections 3.6.5, 3.6.6 and 3.6.7), will be

Refunded to the student via the original payment method to the student's home country, less any costs associated with the refund process; or

Upon application by the student, remitted to another Australian education institution to which the student is approved to transfer, subject to the receipt of documentary evidence from the education institution regarding the student's transfer.

An application by a student for a refund to be paid to them at an Australian address will only be considered in exceptional circumstances.

Student refunds are normally paid to the person or organisation

which originally paid the fees unless documentary evidence is available to justify payment to a third party.

Refunds cannot be paid until Griffith University is in receipt of the monies into its account as cleared funds.

Any debts to Griffith University must be paid in full or the outstanding amounts will be deducted from the refund which is due.

- Review of the Refund Assessment Decision

If a student is dissatisfied with the refund assessment decision, the student may forward an application for review of the decision to the Associate Director, International Administration, Griffith International, using the Review of a Decision form in accordance with the University's Student Review and Appeals Policy and Student Review and Appeals Procedures. The decision of the Associate Director, International Administration is final.

Note: This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.

POUCZENIE

Od niniejszej decyzji przysługuje wniosek o ponowne rozpatrzenie sprawy do Rektora UPWr w terminie 14 dni od dnia jej doręczenia.

A request for reconsideration of the case may be filed against this decision to the Rector of the WUELS within 14 days of its delivery.

Jeżeli strona nie chce skorzystać z prawa do zwrócenia się z wnioskiem o ponowne rozpatrzenie sprawy, na podstawie art. 52 §3 ustawy z dnia 30 sierpnia 2002 r. Prawo o postępowaniu przed sądami administracyjnymi (tekst jedn. Dz. U. z 2018 r. poz. 1302) może wnieść do Wojewódzkiego Sądu Administracyjnego we Wrocławiu skargę na decyzję w terminie 30 dni od dnia doręczenia decyzji stronie. Skargę wnosi się za pośrednictwem Rektora Uniwersytetu Przyrodniczego we Wrocławiu. Wysokość opłat określa Rozporządzenie Rady Ministrów w sprawie wysokości oraz szczegółowych zasad pobierania wpisu w postępowaniu przed sądami administracyjnymi (Dz. U. nr 221, poz. 2193 z 16.12. 2003 r.). Skarżący może ubiegać się o zwolnienie od kosztów sądowych i przyznanie prawa administracyjnymi (tekst jednolity Dz. U z 2018 r., poz. 1302).

The complaint is laid by proxy of the Rector of the Wroclaw university of Environmental and Life Sciences.

The complainant may apply for exemption from court costs and the granting of the right to assistance on the terms specified in the Act dated 30th of August 2002 Law on Administrative Court proceedings (consolidated text Journal of Laws from 2018, item 1302).

Na podstawie art. 127a Kodeksu postępowania administracyjnego strona może zrzec się prawa do złożenia wniosku o ponowne rozpatrzenie sprawy w trakcie biegu terminu od jego wniesienia. Z dniem doręczenia Rektorowi oświadczenia o zrzeczeniu się prawa do wniesienia ww. wniosku, decyzja staje się prawomocna, co skutkuje brakiem możliwości zaskarżenia jej do Wojewódzkiego Sądu Administracyjnego.

On the basis of art. 127a of the Administrative Procedure Code the party may waive a right to submit an application regarding reconsideration of the case during the currency of the time of its submitting. With the day of serving a declaration of renouncement of a right to submit the above mentioned application to the Rector, this decision becomes valid and binding, which takes effect in the lack of possibility of appealing against this decision in Voivodship Administrative Court.

Commencing students who enrol from 2017 will be charged the relevant tuition fees as per the approved schedule for that year, and fees may increase each year. Units from a different discipline area will attract tuition fees at the applicable rate: this may increase/decrease your annual tuition fees. The other non-tuition fees applicable for the course are outlined in the CQUniversity Handbook at https://handbook.cqu.edu.au/programs . ** Please note that the fees mentioned in the acceptance table are the minimum standard deposit payable and are an indicative figure that is required to obtain the Confirmation of Enrolment (COE). Students will still need to meet the Genuine Temporary Entrant (GTE) criterion which includes the Financial Assessment prior to finalisation of Acceptance of Offer.

I accept and acknowledge any recognition of prior learning indicated in my offer of admission. I further acknowledge that any credit is conditional upon the presentation of the original or certified copies of academic transcripts, any testamurs and other documents at enrolment.

This may result in forfeiting all or a portion of any fees paid (see also refund summary).

I understand that information is collected on this form and during my enrolment in accordance with the Privacy Act 1988, and in order to meet CQUniversity's obligations under the ESOS Act and the National Code 2018 and the Vocational Education, Training and Employment (VETE) Act 2000; to ensure student compliance with the conditions of their visas and their obligations under Australian immigration laws generally. The authority to collect this information is contained in the Education Services for Overseas Students Act 2000, the Education Services for Overseas Students Regulations 2001 and the National Code 2018. Information collected about me on this form and during my enrolment can be provided, in certain circumstances, to the Commonwealth and State Government Agencies and designated authorities and, if relevant, the Director of the Tuition Protection Service. In other instances information collected on this form or during my enrolment can be disclosed without my consent where authorised or required by law.

Further information regarding the University's grievance and dispute resolution procedures can be found at

https://www.cqu.edu.au/policy/all-policies

I understand that If I do not commence my studies with CQUniversity Australia for any reason, or breach a condition of this agreement or my student visa, or the University is unable to offer my course of study, that refunds are only payable under limited circumstances upon receipt of a fully documented and complete Refund Request form and in accordance with the legislated timeframes and the refund policy in effect at the time of lodging a request for refund. A copy of the current policy is attached to my offer for reference.

I understand and agree that should I need to apply for a refund, that the refund can only be paid to me (the student), or the person specified by me in this agreement. If I am the recipient of government sponsorship or an education loan, I acknowledge that refunds may only be paid to my sponsor or loan institution (unless the sponsor or loan institution

acknowledges otherwise).

I have read the refund policy and I understand that full refunds (i.e. 100% of the tuition fees paid) are only applicable if CQUniversity withdraws my offer or is unable to provide the course or where I am able to demonstrate compassionate/compelling circumstances that prevent me from commencing my studies. Partial refunds i.e. an administrative charge of 5% or \$500 will apply if my student visa application is refused or I cannot satisfy admission/English language requirements, or I transfer provider after having completed 6 months of my principal course. No refund will be payable to me if I breach this agreement in any way. I understand that in the event that I cancel my studies with CQUniversity prior to census date, that I may be eligible for a partial refund of unspent fees only. If I cancel my studies at any time after census date, I understand and agree that I am still liable for any outstanding fees that remain unpaid.

I understand and agree that if I transfer provider or cancel my course prior to the completion of my course/s as per my letter of offer and confirmation of enrolment/s then I will be required to repay in full all waived administrative fees (if applicable) and/or all CQUniversity scholarship amounts (if student is a recipient of a CQUniversity Scholarship) from each term enrolled and studied as per the International Student Scholarship and International Student Scholarship - Regional Terms and Conditions and the CQUniversity Refund Policy.

Further information regarding the CQUniversity refund policy can be found at:

https://www.cqu.edu.au/policy/all-policies

By requesting a CAS, you are confirming that you are fully aware of your responsibility to abide by the conditions of your Tier 4 visa, should a CAS be issued to you. This includes not exceeding working hour restrictions as stated on your visa/BRP, registering with the police (if applicable) and also your obligation to leave the UK when your visa expires. If you are a applying to study as a student visa holder, the Australian Department of Immigration and Border Protection requires that you have Overseas Student Health Cover (OSHC) for the entire duration of your student visa. This means that the OSHC insurance must commence from approximately one month (4 weeks) prior to commencement of term and must be in effect until you leave Australia or move to a non-student visa subclass. CQUniversity's preferred OSHC provider is Allianz Global Assistance. The OSHC amount included in your offer is estimated on your expected visa duration. You will be required to finalise payment of any variation to this amount when you arrive on campus to enrol. Please note: if you plan to arrive prior to the start of your OSHC cover, you must immediately contact your health insurance provider to request that the cover starts earlier. This may mean that there are additional costs.

Tuition Fees

Tuition fees will be calculated in accordance with the fee schedule applicable to your admit year. Fees for your principal program or course/formal degree progam will be calculated according to your admit year and held at that rate for the duration of the program. Courses or units from a different discipline area will attract tuition fees at the applicable rate; this may increase/decrease your annual tuition fees. ** Please note that the fees mentioned in the acceptance table is the minimum standard deposit payable and is an indicative figure that is required to obtain the Confirmation of Enrolment (COE). However a student's acceptance fees is subject to a student meeting the Genuine Temporary Entrant (GTE) criterion which includes the financial assessment condition.
