Stakeholder	Comments/Suggestions	Action Taken or Suggested
Employer	R20 Curriculum is good but there need some more inclusions in Detailed studies	It is keenly observed in all the courses and transforming non detailed studies to detailed study is initiated
	Programming skills need to be improved	Weekly time slot is given
	Students should be given some credits for extracurricular activities that will help the students to improve their communication skills.	One extra hour is created for students individual learning by selecting one activities of themselves and participate in it
Student	Provide extra hour for activities and library	Library hour and posting the journals are separately created and monitored by faculty to enhance all round developing of communication skills
	More case studies on speaking skills	Already flexibility is given to join Activity Based Learning and Teaching , a NPTEL course suggested to the students
	Remove weekly tests	In the view of Active Learning, this suggestion is ignored.
Faculty	Add more case studies for every laboratory course to enable the skills in students	Suggested to include additional case studies
Parent	Faculty is student supportive and also helpful to the students	

The following suggestions need to be discussed more in the next CDMC.

- ✓ Inclusion Shakespeare Tragic Drama in the curriculum
- ✓ Minor modifications in the Curriculum
- ✓ Suggested to discuss on Detailed and non-detailed texts in the curriculum
- ✓ Discussion on Weekly tests
