& Humanities

EVENT WILL BE CONDUCTED IN 2 PHASES

PHASE 1

AI Meets Constitution

(9:00 am – 10:30 am)

- Participants will get one topic; a Fundamental Right, Duty, or Directive Principle.
- Participants have to use any free AI tool to make a poster related to these themes clearly.
- Participants also have to justify the respective theme in the form of a presentation for two minutes.
- No pre-made posters and no outside help is allowed.
- Best posters win, based on how clear, accurate, and creative they are.

PHASE 2

Decoding Heritage

(10:30 am – 12:00 pm)

- In teams of 3, participants have to guess famous Indian monuments or historical figures from AI-generated images shown on the screen.
- The image gets clearer step by step — buzz in as soon as you know the answer.
- The faster you guess correctly, the more points you get.
- No phones or internet allowed.
