Agenda of the BoS Meeting:

1. Reviewing the R25 course structure and content of I, II, III, IV year syllabus.
2. Discussion on L-T- P-SL-C structure of various courses
3. SWAYAM-NPTEL courses identification
4. Any other points based on the requirements with the permission of Chair

The following members were present either thorough offline or online:

Dr. Arun Agarwal, External member could not able to join the meeting due to some personal urgency.

Chairperson Dr. Venkatesulu Dondeti, Professor and Additional Dean, Department of ACSE, VFSTR initiated the meeting by welcoming and introducing the board members. Secretary Dr. Arul Elango, Associate Professor, Department of ACSE, VFSTR presented the program curriculum along with course content on the board.

The following points were discussed in the BoS meeting:

1. Reviewed the R25 CSE-AIML program course structure and curriculum.
2. Discussed on L-T- P-SL-C structure of various courses.
3. SWAYAM-NPTEL courses identification for department, open electives and honors.
4. Discussed on CO-PO-PSO

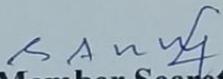

5. CO-PO-PSO-PEO target values finalization.

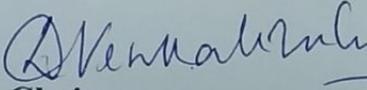

The following resolutions are incorporated after the discussion:

1. Dr. Arul Elango, Member Secretary initiated the presentation on the R25 CSE-AIML course structure and Curriculum. The R25 regulation was presented which adopts NEP 2020-aligned academic structure featuring a pre-semester module and a revised credit requirement of 160 + 10 additional binary graded credits emphasising Indian knowledge systems, Human Values, Life Skills, and Societal Awareness. More importance is given to experiential learning and self-learning. The Regulation allows for Honours or Minor degrees through an additional 16 credits. Significant changes include the restructuring of course content and assessment patterns to focus on continuous and skill-based evaluation.
2. The External Board members expressed their opinion that the overall course structure of the program and the content of the courses are well-designed and for the program at under graduate level.
3. In the meeting, the external board members reviewed the program elective courses, Honors courses, and SWAYAM-NPTEL courses offered to AIML students. Prof. D. S Guru suggested that the list of NPTEL courses mentioned in the course structure should be indicated as 'NPTEL courses-subject to modification' since the availability of courses on the SWAYAM NPTEL platform may change at the time of course commencement and the new courses may be added as per the relevance.
4. The allocation of Self Learning (SL) hours and the plan regarding conduction of this SL hours were discussed. The internal BOS members clarified the concerns about mentorship for self-learning hours. It was suggested to solve the assignment problems during SL hours beyond the college working hours.
5. The number of **L+T+P+SL** components allocated for Module 1 and Module 2 for all courses having one credit, two credits, three credits and four credits courses are discussed and they suggested to cross verify the number of hours allotted for each modules in the syllabus.
6. The board members clarified about the early exit option outlined in NEP 2020 and it is noted that this has been incorporated in R25 regulations, which provides the flexibility to exit the course in the middle of the studies.

Based on the suggestions given by the members, the Chairperson of BoS told that, these fruitful suggestions would be considered.

There being no further points for discussion, Member Secretary thanks all the external, internal, invited members and announced that the meeting was adjourned.
