Agenda of the DAAC:

8. Review on Results Analysis for the academic year 2024-25 II Sem.
9. Review of question paper standards as per Bloom's Taxonomy for the academic year 2024-25 II Sem.
10. Identification of NPTEL courses for R22 students
11. Approval of attainment values of PO's, PSO's and SO's for the 2020-24 batch students.
12. Revision of B.Tech. CSE Course Curriculum with inclusion of Ethical Principles, Local and Global impact of computing etc.
13. Discussion and finalization of the tentative schedule/date for the next BoS meeting.
14. Any other point with the permission of chair.

The following members were present:

Name of the Member	Designation	Role	Signature
Dr. K.V. Krishna Kishore	Professor & Dean SoC&I	Member	
Dr. S. V. Phani Kumar	HoD,CSE	Chairperson	
Dr. M. Umadevi	Associate Professor	Member	
Dr. D. Yakobu	Associate Professor	Member	
Dr. S. Deva Kumar	Associate Professor	Member(Programme Coordinator)	
Dr. S.Satish Kumar	Assistant Professor	Internal Member	
Dr.P.SivaPrasad	AssociateProfessor	Secretary(Ex-officio)	

Chairperson Dr. S. V. Phani Kumar, Head, department of CSE, VFSTR opened the meeting by welcoming the internal members. Chairperson presented about the agenda points of DAAC.

The following resolutions are made after the thorough discussion:

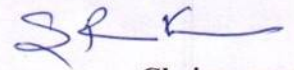

1. The committee reviewed the formative and summative assessment results of the Academic Year 2024-25 II Semester and discussed measures to improve student performance and reduce the number of R-grades and I-grades through remedial and mentoring activities.

2. The Chairperson Dr. S.V. Phani Kumar, discussed about the procedures adopted in the preparation of summative assessment question papers and also presented the comments given by the external audit team to the committee. standards as per Bloom's Taxonomy for the academic year 2024-25 II Sem
3. Dr. K.V. Krishna Kishore presented the attainment of POs, PSOs and PEOs for the 2020-24 batch students and take the approval in BOS meeting.
4. The member secretary Dr.P.SivaPrasad presented a list of identified SWAYAM-NPTEL courses for B. Tech CSE students to choose as additional courses under open elective/department elective/honors/add-on certification. It was emphasized that encouraging students towards self-learning and lifelong learning is a regular practice, and the credits earned from the SWAYAM platform will be included in their B.Tech. CSE degree credits. The NPTEL coordinator of the department must give the list of probable NPTEL courses suitable for our students and take the approval in BOS meeting.
5. With reference to the ABET Peer Team Suggestions and ACM Course Syllabi, the Chair suggested to include Professional Ethics as a major course with two credits in place of two floating credits.
6. Further, few courses like OOPS through Java, Web Technologies, Cryptography and Network Security, Database Management Systems, Design and Analysis of Algorithms, Operating Systems, Introduction to Artificial Intelligence, Data Mining Techniques, Software Engineering, and Cloud Computing are revised by including the local and global impacts of computing and ethical considerations.
7. In addition to that, the committee suggested to include Privacy Preserving and Parallel & Distributed Computing courses in major course stream in place of elective stream.
8. All the committee members have given their consent for the revised Programme Educational Objectives of B.Tech. CSE Program. Dr. S Deva Kumar, Programme Coordinator has presented the views and feedback on revised PEOs of various stakeholders to committee members. After thorough discussions and deliberations, committee approved the revised PEOs and put forward the revised PEOs for the approval of Board of Studies.
9. Discussion on the schedule of the next BoS meeting was presented by Dr. S. V. Phani Kumar, and the committee finalized to conduct the Board of Studies (BoS) meeting on 16-05-2025 for obtaining formal approvals on the proposed academic matters.
10. Having discussed all the points, and put forward the discussions to the approval of BoS scheduled in the last week of December, 2025. Finally, the meeting was adjourned.
