- **Scholarships to assist students**

FEED THE HUNGER

Date: 22.09.2023

Venue: Naidupet, Guntur

Vignan University's UEAC Team has conducted the Feed the Hunger event in a slum area at Naidupet in Guntur rural. A team of volunteers visited and observed the conditions of the people who were living near the dump yard area and came up with the idea of food distribution. It was conducted on 22-09-2023 on the NSS day celebration by the team University Extension Activities Council.

In a world of abundant wealth and resources, where enough food is produced to feed everyone on the planet, it is unacceptable that hundreds of millions of people suffer from hunger. Feeding the hungry and giving food to the needy is one of the simplest ways of helping them to sleep without an empty stomach.

Our UEAC team of 67 volunteers, including core, leads, and vertical members went to a slum area and distributed around 250 food packets to the people. Finally, we returned to college by 8:00 PM. UEAC Program Officer Dr. Vijayababu Palukuri motivated the volunteers and UEAC coordinator Mr. D.SureshBabu coordinated the entire camp. Dr. Vijayababu Palukuri and Dr. M.S.S. Rukmini Dean of Student Affairs appreciated every volunteer.

Feed The Hunger On 22.09.2023

Groceries, Blankets and Clothing Supplies Distribution

Date:27.07.2023

Venue: Brahmana Koduru and Tenali

As a part of Chairman Sir's birthday, the UEAC unit of VFSTR distributed Groceries, Blankets and Clothing to Child Orphanage home Brahmana Koduru, Gandhi Aashramam Tenali, Night Shelter for Urban Homeless Tenali and Smile orphanage home Tenali on 27.07.2023. Our UEAC volunteers distribute Groceries and blanket distribution in different regions of Guntur including Brahmana Koduru and Tenali.

The satisfaction of meeting people's fundamental needs brings a unique emotion that is indescribable. They spend the cold without a blanket and lack clothing to cover their bodies. Every year during the winter months, thousands of people die because of this. Every time we go to such places, we ask ourselves if it isn't our duty to help these needy and impoverished people to lead lives full of opportunities and a sense of hope

Some folks see multiple individuals and provide them with clothing and blankets. Additionally, we provide clothing, blankets, and groceries to destitute individuals who are living a life devoid of hope, and we work to provide a glimmer of light in their lives. Participating in this activity were 62 UEAC volunteers, Associate Dean Dr. J. Nitchal Kiran, UEAC Coordinator Mr. Suresh Babu, and UEAC activity Officer Dr. Vijayababu Palukuri.

Distribution of Groceries, Blankets and Clothing Supplies at old age and orphanage homes at Tenali and Brahmana koduru on 27.07.2023

Description	<p>DA SWMS (Sustainable Waste Management System) presents an integrated, technology-driven model that combines custom-designed Material Recovery Facilities (MRFs), bio-enzyme composting, and solid fuel generation from single-use plastics to produce Poly Solid Fuels (PSF). This system enables efficient waste segregation, resource recovery, and transformation of organic and plastic waste into valuable, reusable products, thereby minimizing landfill dependency and reducing environmental pollution.</p> <p>With its modular and scalable design, DA SWMS can be implemented across municipalities and communities, fostering local employment, sustainability awareness, and a circular economy. By turning waste into resources, the initiative exemplifies innovation in environmental stewardship and sustainable urban development.</p>

VFSTR funded ₹4 lakhs for Anvesh Smart Waste Management System Private Limited under the Technology Business Incubator program

Honourable Vice Chancellor reviewing the DA SWMS, an integrated waste-to-value model developed by the team.

Description	<p>ResilientShield is a comprehensive cybersecurity platform that integrates a “Made in India” firewall with hands-on training, consulting, and digital protection services. The platform offers a range of solutions, including ethical hacking workshops, phishing simulations, malware analysis, and incident response planning, tailored to meet the needs of both individuals and businesses. They also conduct cyber security trainings to create awareness for the rural people and students to protect against cyber-attacks and phishing scams.</p> <p>ResilientShield empowers users with practical cybersecurity skills and real-world defense tools, enabling them to proactively prevent and mitigate cyberattacks. By combining technology, education, and awareness, the platform demystifies cybersecurity and makes it accessible, actionable, and effective for all.</p>

VFSTR funded ₹6.5 lakhs for Resilient Shield Cyber Solutions Private Limited under the Technology Business Incubator program

Honourable Vice Chairman reviewing the ResilientShield cybersecurity platform developed by the team.

Description	<p>Millions of women, particularly in rural and low-income communities, continue to face challenges in accessing affordable, hygienic, and eco-friendly menstrual products. Most commercially available sanitary pads are costly, non-biodegradable, and made from synthetic materials that pose risks to both human health and the environment.</p> <p>To address these issues, this initiative introduces 100% biodegradable sanitary pads made from banana fibre, a sustainable and locally available agricultural by-product. These pads provide a safe, comfortable, and environmentally responsible alternative to conventional products. In addition to promoting menstrual hygiene and reducing plastic pollution, this solution supports rural employment opportunities and fosters women's empowerment through local production and distribution networks.</p>

VFSTR conducted interactions with CPY Solutions Private Limited under the Technology Business Incubator program.

Honourable Vice Chancellor reviewing banana-fibre-based sanitary pads developed by the team.

Groceries, Blankets and Clothing Supplies Distribution

Date: 27.07.2023

Venue: Brahmana Koduru and Tenali

As a part of Chairman Sir's birthday, the UEAC unit of VFSTR distributed Groceries, Blankets and Clothing to Child Orphanage home Brahmana Koduru, Gandhi Aashramam Tenali, Night Shelter for Urban Homeless Tenali and Smile orphanage home Tenali on 27.07.2023. Our UEAC volunteers distribute Groceries and blanket distribution in different regions of Guntur including Brahmana Koduru and Tenali.

The satisfaction of meeting people's fundamental needs brings a unique emotion that is indescribable. They spend the cold without a blanket and lack clothing to cover their bodies. Every year during the winter months, thousands of people die because of this. Every time we go to such places, we ask ourselves if it isn't our duty to help these needy and impoverished people to lead lives full of opportunities and a sense of hope

Some folks see multiple individuals and provide them with clothing and blankets. Additionally, we provide clothing, blankets, and groceries to destitute individuals who are living a life devoid of hope, and we work to provide a glimmer of light in their lives. Participating in this activity were 62 UEAC volunteers, Associate Dean Dr. J. Nitchal Kiran, UEAC Coordinator Mr. Suresh Babu, and UEAC activity Officer Dr. Vijayababu Palukuri.

Distribution of Groceries, Blankets and Clothing Supplies at old age and orphanage homes at Tenali and Brahmana koduru on 27.07.2023

Distribution of Protection kit to farmers

Date: 16.10.2023

Venue: Vadlamudi

On October 16, 2023, team UEAC organized an event to promote awareness on the effects of fertilizer and pesticide spraying to farmers and helping them by distributing Protection kits.

Our Respective Dignitaries, Dr. T. Ramesh Babu (Dean of Agriculture and Horticulture Sciences), Dr. M.S.S.Rukmini (Dean of Student Affairs) and Dr Vijaybabu Palukuri (UEAC Programming Officer) gave their valuable insights to farmers about the harmfulness of fertilizers and pesticides while spraying without any precautionary measures and also explained the uses of Kit. They also appreciate the students for conducting such a socially helpful event for farmers. The event took place throughout the sprawling Vadlamudi Village. The primary objective of the Distribution of kits was to create awareness about the importance of farmers' health while spraying. The heart of "Kit Distribution" was the active participation of students. 63 students from the Agriculture Engineering Department came forward with zeal to make a positive impact on their Program. They were organized into teams, each assigned specific areas to make a program enthusiastically.

As the Event organization place shines brighter and greener, the spirit of Students will continue to inspire positive change in the days and years to come. The event was done between 2 PM and 5 PM.

Old Cloth Distribution

Date: 19.10.2023

Venue: Child Orphanage Home, Bramanakodur

The Department of S&H (BSc. Computers) organized an event on “Old Cloth Distribution” in Bramanakoduru. The event aimed to donate old cloth continuing to help children in need.

The event commenced with an impressive distribution. This captured the attention of both orphans and volunteers, setting a positive tone for the event. Following the demonstration, participants, especially the orphanage children, were actively involved. Following the interactive practice session, the volunteers delivered old clothes and some health tips to the orphans. The “old cloth distribution” event was a success. The participation of both orphanage children and volunteers of 16 has added to the effectiveness of the event.

The Department of S&H (BSC.COMPUTERS), along with its partners, remains committed to conducting such events to promote the well-being and health of young individuals in our community. The event was held from 2PM to 4PM. A total of 35 students participated in this event.

A Book from you

Date:05.10.2023

Venue: Brahmanakoduru

We the team UEAC have conducted a book distribution event at Brahmanakodur orphanage home. Our university students have donated around 1100 books for distribution. The main aim of the event is to encourage students to engage actively in the learning process.

Our team UEAC members collected books from the university students and distributed them to needy ones. They have collected around 1100 Notebooks and distributed 200 notebooks in the Brahmanakodur orphanage home, and the remaining books will be distributed soon. Notebook distribution plays a crucial role in improving educational access and quality for underprivileged students. Notebooks are essential tools for learning. They provide a platform for students to write, practice and consolidate their knowledge. This is one of the best events to improve the quality of education.

Our UEAC team members including core leads, vertical members, chief organizers and 65 volunteers gathered in college by 2:40 PM. The event started at 3:00 PM by assembling the members in the orphanage home. They started distributing the books to all the students present there. Finally, the event was completed at 5:00 PM.

A BOOK FROM YOU

Date: 30.12.2023

Venue: Narakoduru, Chebrolu

This event “A Book from You” was conducted in the indication of helping the School kids by the University on 30 Dec 2023 by the team UEAC.

This event is held once or twice a semester each year to donate books to the children to aid in their future education. At 2:00 PM, the ceremony took place at Narakoduru, Chebrolu. 65 members participated in this event in total. All of the first-year section coordinators, volunteers, vertical leads, and core members are included in this. A Book from You's goal is to gather books from students, which will then be given to the schools where the children are growing up and graduating, assisting them with their academic needs. Three hundred of the 600 books were given out to the kids at Narakoduru Z.P.H. School, and 300 notes were given to the pupils at SURYADEVARA GOVERNMENT.HIGH SCHOOL Chebrolu. The children received excellent cooperation from the school's headmaster. A total of 300 books—250 notes and 50 textbooks—were given to Suryadevaranarasiah High School pupils. According to Sir, A Book from You is a program that collects books to give to pupils in order to help them succeed. By sharing his expertise and engaging in several activities with the kids, our core team member Sankeerthan taught them how to speak in front of large crowds. Following Sankeerthan's insightful speech, many of the students in the classroom bravely moved to the front of the room. The Program commences with an assembly of NSS (Volunteers and coordinators) and at 1:30 PM the dividing of groups takes place according to their disciplines and each branch has contributed their efforts to make the “A Book from You” event successful. By the time of 4:00 PM, all are gathered at the V Tree for a small interaction with the NSS core team and an appreciation for the accomplishment of the event further proceeded by clicking a few photos and finally, everyone has been dispersed with a thank you note.

Eco Friendly- Cloth Bag Distribution

Date: 23.01.2024

Venue: VeeranayakuniPalem

The VFSTR NSS-UEAC wing arranged a distribution event with cloth bags.

The purpose of this event was to raise awareness on the negative environmental consequences of plastic and to encourage the usage of cloth bags as an alternative to plastic bags. Poor residents of Vignan's University's surrounding neighbourhoods who couldn't purchase pricey eco-friendly bags were the event's target demographic.

An overview of the NSS program and the event's importance was given at the start of the event. Following the introduction, cloth bags were distributed. The cotton bags were sponsored by IOCL. The bags featured the IOCL emblem printed on them and were composed of environmentally friendly materials. A briefing regarding this event was given to the guests, explaining the value of utilizing cloth bags and the negative consequences of single-use plastics.

This event also raises awareness on the value of protecting the environment and the part that each person can play in lowering the use of plastic. The total of 65 volunteers and NSS coordinators who gave the presentation stressed the value of protecting the environment for coming generations and the necessity of sustainable living.

In summary, Vignan University's UEAC team, working with IOCL, successfully planned a cloth bag distribution event that raised awareness on the negative environmental consequences of plastic and encouraged the usage of eco-friendly bags. The occasion was a step toward environmental preservation and sustainable life.
