

Sl. No.	Author Name	Journal/Conference Name	Title of Article	Volume	ISSN	Paper Type
1	Dr. T.C. Venkateswarlu	3 Biotech	Modeling and optimization of fermentation variables for enhanced production of lactase by isolated <i>Bacillus subtilis</i> strain VUVD001 using artificial neural networking and response surface methodology	7	2190-5738	SCIE
2	Dr. T.C. Venkateswarlu	3 Biotech	Optimization of nutritional components of medium by response surface methodology for enhanced production of lactase	7	2190-5738	SCIE
3	A. Ranganadha Reddy	Research Journal Of Pharmacy And Technology	Isolation and Identification of PolyHydroxyButyrate (PHB) producing bacteria from Sewage sample	10	0974-360X	SCOPUS
4	A. Ranganadha Reddy	Research Journal Of Pharmacy And Technology	Influence of Different Doses of Vermicompost on Growth of Herb <i>Ocimum tenuiflorum</i> var. CIM-Ayu	10	0974-360X	SCOPUS
5	Dr. S. Krupanidhi	Acta Physiologiae Plantarum	recombinant pharmaceutical protein production in plants: unraveling the therapeutic potential of molecular pharming	39	1375881	SCIE
6	Dr. S. Krupanidhi	3 Biotech	Evluation of haplotype diversity of <i>Achatina fulica</i> from indian sub-continent by menas of 16S r DNA sequence and its phylogenetic relationships with other global population	7	21905738	SCIE
7	Dr. S. Krupanidhi	Environmental Science And Pollution Research	monitoring and assessment of heavy metal contamination in a constructed weland in Shaoguan : bioaccumulation of pb, zn, cu and cd in aquatic and terrestrial components	24	9441344	SCI
8	Dr. S. Krupanidhi	Infectious Diseases, Research And Treatment	an update on clinical burden, diagnostic tools, and therapeutic options of <i>staphylococcus aureus</i>	10	11786337	INDEXED
9	D. John Babu	Journal Of Pharmaceutical Sciences And Research	Biosorption of Cu (II) onto the adsorbent prepared from sea urchin test: Equilibrium and Thermodynamic studies	9	9751459	SCOPUS
10	M. Indira	International Journal Of Biotechnology And Bioengineering	Simplified Method for the Cultivation of <i>Spirulina</i> for Domestic Use	3	ISSN 2475-3432	INDEXED
11	Dr. Md Nazneen Bobby	Global Journal For Research Analysis	Phytochemical evaluation and antimicrobial efficacy of <i>Entada rheedii spreng.</i>	6	2277 - 8160	INDEXED
12	Dr. Md Nazneen Bobby	Global Journal For Research Analysis	Prospecting antimicrobial potential of <i>Tinospora cordifolia</i> (thunb.) Miers. And its phytochemical evaluation	6	2777- 8160	INDEXED
13	Dr. Vijaya Ramu Dirisala	Current Pharmaceutical Analysis	Novel Validated RP-HPLC Method for Simultaneous Estimation of Valsartan & Gliclazide in Bulk and Dosage Forms	13	15734129	SCIE
14	Dr. Vijaya Ramu Dirisala	Current Pharmaceutical Design	Congenital Hypothyroidism: Facts, Facets & Therapy	23	13816128	SCIE
15	Dr. T.C. Venkateswarlu	Current Trends In Biotechnology And Pharmacy	Optimization of Variables for Lactase Production from Isolated <i>Bacillus subtilis</i> strain VUVD001 Through Submerged Fermentation	11	9738916	SCOPUS
16	A. Venkata Narayana	Asian Journal Of Science And Technology	Fed-batch and CSTR studies for l-methionine production by <i>C. glutamicum</i> using agricultural products	8	9763376	INDEXED
17	A. Venkata Narayana	Journal Of Pharmaceutical Sciences And Research	Optimization of fermentation and nutritional parameters for the production of L-Methionine by <i>C.glutamicum</i> using agriculture products	9	9751459	SCOPUS
18	Dr. S. Krupanidhi	National Academy Of Science Letters	Molecular phylogenetic relations of <i>Achatina fulica</i> based on partial sequence of COI gene	40	2250-1754	SCIE
19	Dr. S. Krupanidhi	Proceedings Of Zoological Society	In silico construction of phylogenetic relationships between ampullariidae and viviparidae families (gastropoda: caenogastropoda) using partial mitochondrial coi sequences	70	0373-5893	UGC APPROVED
20	Dr. S. Krupanidhi	National Academy Of Science Letters	Optimization of the isolation procedure of genomic dna from a mucus laden pulmonate gastropd, <i>achatina fulica</i>	40	2250-1754	SCIE
21	Dr. S. Krupanidhi	Systems Research And Behavioural Science	The leaf as a sustainable and renewable system	34	1099-1743	SCOPUS

22	Dr. Ranga Rao Ambati	Novel Techniques In Nutrition And Food Science	Secondary Metabolites from Algae for Nutraceutical Applications	1	Google Scholar	INDEXED
