To,
The Vice Chancellor/ Directors/ Principals
All India Technical Universities/ Institutions

Sub: Promoting Indian authored books in AICTE Model Curriculum as a part of "Atma nirbhar Bharat Abhiyan"-reg

Dear Sir/ Madam,

Your kind attention is invited on our circular dated 29th May 2019 regarding promoting books by our Indian Authors & Publishers in your universities/ institutions.

As you may be aware that AICTE launched the Model Curriculum of UG and PG courses in Engineering & Technology in 2018; which is widely accepted by all Indian Universities and Institutions. Thereafter, based on the industry needs and AICTE Model Curriculum, AICTE with the help of eminent experts prepared a "List of Suggested Books of Indian Authors & Publishers".

AICTE strongly believes that such high quality and cost-effective books will definitely aid the students in their better learning of concepts, and in turn improve their quality and simultaneously fulfil the aim of "Atmanirbhar Bharat Abhiyan".

"Atmanirbhar Bharat Abhiyan", which translates to 'Self-Reliant India' or 'Self-Sufficient India', is the vision of the Hon. Prime Minister of India of making India "a bigger and more important part of the global economy" and being self-sustaining and self-generating.

Under this "Atmanirbhar Bharat Abhiyan", AICTE believes that effective and large-scale use of these Indian Authored books by faculties and students will not only promote many Indian authors globally but will also be a strong step towards fulfilling the mission of "Self-Reliance and Self-Sufficient India".

So, in view of above, you are kindly requested to make this "AICTE list of Books by Indian Authors/ Publishers" available on your university/ institute website, and contribute your might towards "Atmanirbhar Bharat Abhiyan".

The list of Indian author's books is attached herewith and also available on the AICTE website at <https://www.aicte-india.org/sites/default/files/list-suggested-books-indian-authors-publishers.pdf>

Librarian

Yours sincerely,

Prof (Dr.) Rajive Kumar
