Why Vignan?

Placements: The University placed 1641 students (90% Placements) in the academic year 2022-23, the highest number in the region. Planned academic curricula interspersed with proper Campus Recruitment Training program realised this number of placements.

Campus Recruitment Training: The University has a tie-up with reputed finishing schools for making students industry ready. 250 Hrs of training spread from Second year to Final year.

Teaching-Learning Process: Learning Management System (LMS) Moodle provides a dynamic environment for the students by way of interactive teaching-learning process, 6000 Hrs video content, group discussions, seminars etc.

Project based curicullum: Skill based education, industrial exposure and fruitful internships are integral of project based curricula. One project in every semester from 2nd year onwards.

English Proficiency Course: A 100 hrs. English Proficiency Course (EPC) for effective communication: listening, speaking, reading and writing skills

Cambridge Certification Courses: PET (Preliminary English Test) for I year students; BEC (Business English Communication) for III year students to have international recognition.

Innovative Courses: Cloud Computing, Machine learning, Internet of Things (IOT), Cyber Security, Data Science, Artificial Intelligence, Robotics, Rapid Prototyping, Nanotechnology, Biotechnology – Immunology, Immuno-informatics are carefully designed and implemented in the curriculum of appropriate programmes.

International Internship: VFSTR students are undergoing semester long internships in the leading Universities in France, South Korea, Taiwan, Japan, Singapore etc.

Annual National Level Youth Fest – Every year Srujananukura - is organised in Techno, Sports, Literary and Cultural events to develop leadership skills.

Merit Scholarships: Merit scholarships worth of 16 crores to all the deserving meritorious students is unparalleled in the region. This encourages the studious ones to make VFSTR University as their first choice.

Balanced Discipline: A balanced approach in being liberal towards the freedom of students and dispelling the undesirable trends in their development at once is one unique feature of the University.

Psychological Support: is offered with professional counselling by experienced and caring faculty bears fruits of success every year.

Personality Development Programme: PDP is organized to groom the students in soft skills such as 'selfawareness, body language, time management, social etiquette and presentation skills'

Life Skills Activities: 13 student clubs, including music, Yoga, dramatics, photography, heritage, film and environment clubs offer students a rich exposure through diverse activities and helps them shape into versatile professionals

Value addition of Vignan's University Courses

Courses in great demand by industry: Based on a series of industry-institute interfaces, Vignan has identified the Technical and Soft skills essential for the industry and inculcate the same in the students.

Industrial Tie-ups: MoUs have been with several industries to enable for curriculum development, collaborative research and skill transfer to faculty and students.

Promoting Research activity: ★ 4 Centres of Excellence, 15 exclusive Research Centres and 88 spacious Laboratories with computer and internet connectivity. \bigstar Advanced Wireless Communication Lab in Collaboration with M/s Key Sight Technology, Bangalore. ★ 7 Skill Development Centres in Collaboration with Andhra Pradesh State Skill Development Centre (APSSDC) for providing additional technical skills to students

Incubation Centers: MoUs to promote innovation and entrepreneurial spirit among students, and collaboration with a number of industries for the start of incubation centres.

Faculty: 40% of faculty are picked from reputed institutes like IITs, NITs and IIITs. Continuous and sustained efforts are made to recruit faculty with Ph.D from reputed institutions.

Access to e-journals and books: VFSTR has membership with National Mission on Education through ICT, MHRD with 1 Gbps connectivity to access e-journals and books.

Practice School: For industry exposure, students are deputed to industries for practical experience during summer through internships as well as regular industrial visits.
