**NSS DAY**

Date: 23.09.2017

The UEAC unit of VIGNAN'S DEEMED TO BE UNIVERSITY every year conducts awareness programs on many events like tree plantation, swatch Bharat, health awareness etc. in many places. This year also (23<sup>rd</sup> Sept 2017) on UEAC day, a tree plantation program in university premises has been organised by the UEAC volunteers. The basic objective of these programs is to create awareness among people about surroundings cleanliness and to create hygienic environment. Trees plantation helps the environment by providing oxygen, improving air quality, and climate amelioration. All UEAC Volunteers are involved in this activity. This program provides an opportunity to all the students to get self motivated about cleanliness and hygienic environment. The program has brought awareness among ourselves about cleanliness and hygiene in surroundings.

As the university has UEAC in order to celebrate its glory UEAC student volunteers have organized the UEAC day. The volunteers created awareness on UEAC day, in the university on 23<sup>rd</sup> September 2017

**Blood donation camp on the occasion Republic day**

**EVERY BLOOD DONOR IS A DEMI GOD**

**Date: 27.02.2018**

Giving blood saves lives. The blood you give is a lifeline in an emergency and for people who need long-term treatments. Many people would not be alive today if donors had not generously given their blood. A blood donation occurs when a person voluntarily has blood drawn and used for transfusions. A blood transfusion can be a life saving treatment for patients with cancer, patients undergoing surgery, children with severe anemia, women who have complications with their pregnancy, and accident victims. Today in the developed world, most blood donors are unpaid volunteers who donate blood for a community supply .By donating blood there are many benefits like burning calories, better blood flow, and balances iron levels. So by considering all these needs and advantages our university conducted a BLOOD DONATION CAMP making 69th Republic Day as occasion, in the university premises at U-Block and Library on 27<sup>th</sup> of this month. It had been a great event which was organized by the UEAC Volunteers with the help of NEEDS BLOOD BANK from Guntur under the guidance of UEAC Program Officer Dr.K.V.Krishna Kishore. The students from various branches had taken an active part in the event and made the event successful. Nearly 170 students and some of the faculty donated their blood for a big cause.

On the other hand, the temple administration also made elaborate arrangements to ensure smooth and timely conduct of all rituals on the occasion. Hindus all over India and abroad are celebrating Maha Shivaratri, the 'Great night of Shiva' is celebrated with great fervour by the Hindu community. Celebrated on the 13th night and the 14th day of February, devotees wait for the auspicious day to appease Lord Shiva by praying, fasting and offering a bevy of fruits and flowers. According to Shiva Purana, the devotees bathe the linga with milk, honey, ghee, curd, and sandalwood paste while chanting 'Om Namaha Shivay'. Traditionally, bael leaves are kept on top of the linga. Ber or jujube fruit is also given as a special offering to the God on this day.
