

NBA Accreditation to Vignan's University

The National Board of Accreditation (NBA), New Delhi, has granted Tier-1 accreditation to the five branches of Vignan's University for a period of 3 years up to 2023 which is yet another feather in the cap of Vignan's University. The five programmes are: Biotechnology, Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering and Mechanical Engineering.

An Expert Team comprising of 11 members nominated by NBA visited Vignan's University during February 14-16, 2020 to carry out the assessment of the programmes. The team reviewed the quality of education being imparted by Vignan's University in these five branches rigorously. They examined the syllabus content, incorporation of latest technologies. Outcomes of the University in terms of academic achievement of students, placements of its students in good companies with higher pay packages are cross checked and appreciated. The team also reviewed the facilities available in University and the latest equipment and laboratories.

The NBA accreditation provides many advantages to the institute like recognition of its excellence and its contributions to the development of students. There is also a scope for better ranking in national and international ranking platforms. The degrees issued by the university will be given higher weightage to the students while applying for higher studies abroad as NBA accreditation is according to "Washington accord" where many other countries are partners. This accreditation will also enable Vignan's University to start new branches in the emerging engineering fields like Artificial Intelligence, Cyber Security, Robotics etc.

Dr. LavuRathaiah, Chairman Vignan Group and Dr. MYS Prasad, Vice-Chancellor congratulated all the employees of Vignan's University for the high achievement.
