

## Faculty Promoted through CAS conducted on 01.06.2019

Career Advancement Scheme (CAS)-2019 interviews were conducted successfully on 01.06.2019 to promote eligible faculty members to the next cadre. A total of 21 applications from various disciplines or departments were received. A preliminary screening committee headed with Rector as Chairman, scrutinized the applicants eligibility as per UGC rules and regulations 2018 guidelines and identified nine applicants suitable for representation before final selection committee (CAS committee) on 01.06.2019. The committee considered the below criteria for evaluating their suitability for promotion.

Criterion 1: Academic Qualification

Criterion 2: Teaching & Research Experience

Criterion 3: Research Score

Criterion 4: Completion of FDP/MOOCs/any refresher course

Criterion 5: List of Publications (UGC/SCI/Peer-Reviewed)

Criterion 6: Evidence of one successfully guided a Ph.D. candidate

Criterion 7: Satisfactory or Good grade in annual performance assessment.

Criterion 8: Selection committee recommendations.

Out of the nine shortlisted applicants, only seven applicants represented before final selection committee. The committee recommended the under mentioned four applicants for promotion to next higher cadre.
