The Vignan's Foundation for Science Technology and Research Entrepreneurship Cell event "E-gnition2021" on 8th Jan 2021 was another successful one! E-gnition is the kickstart event of entrepreneurship cell to spread awareness of entrepreneurship spirit among the freshers and gives a platform to showcase entrepreneurial skills with in them.

The event started with the lighting of the lamp by Director of IES (E-cell), Dr.B. Nageswara Rao along with the team. Followed by guest Introduction through Zoom platform. We had the honour of having Mr Sai Raja Veera as the chief guest for the event. Mr Raja is currently the managing director of Naavigo Hyderabad, managing director of FNB Overseas Hyderabad and co-founder of Fest N Fiesta Guntur. He is an alumnus of the university. He graduated in the year 2016 with a bachelor's degree in Mechanical Engineering.

During the event Mr Raja spoke about how he had initiated startup's such as "We You Print Service (WYPS)" and event "Checkerboard" during his college days. His brief explanation on how to begin a startup in college motivated the students to start one of their own. Mr Raja gave valuable insights on how students should maintain their attitude while working on a startup. Sir warmly interacted with the students and there were many exchanges of sweet memories and advices.

E-gnition 2021 was filled with enthusiasm, entrepreneurship prospects and nostalgia. More than 180 students participated across the university and run the entire session with strict COVID-19 Norms.As a vote of thanks by Director of IES (E-cell) appreciated the team E-cell to made it grand success also conveyed the thanks to the VFSTR Management, Vice chancellor, Registrar and all the H.O.S's for their kind support and encouragement.
