

Report on Today's Webinar :

Title: "Higher education services offered by INFLIBNET Centre, IUC of UGC"

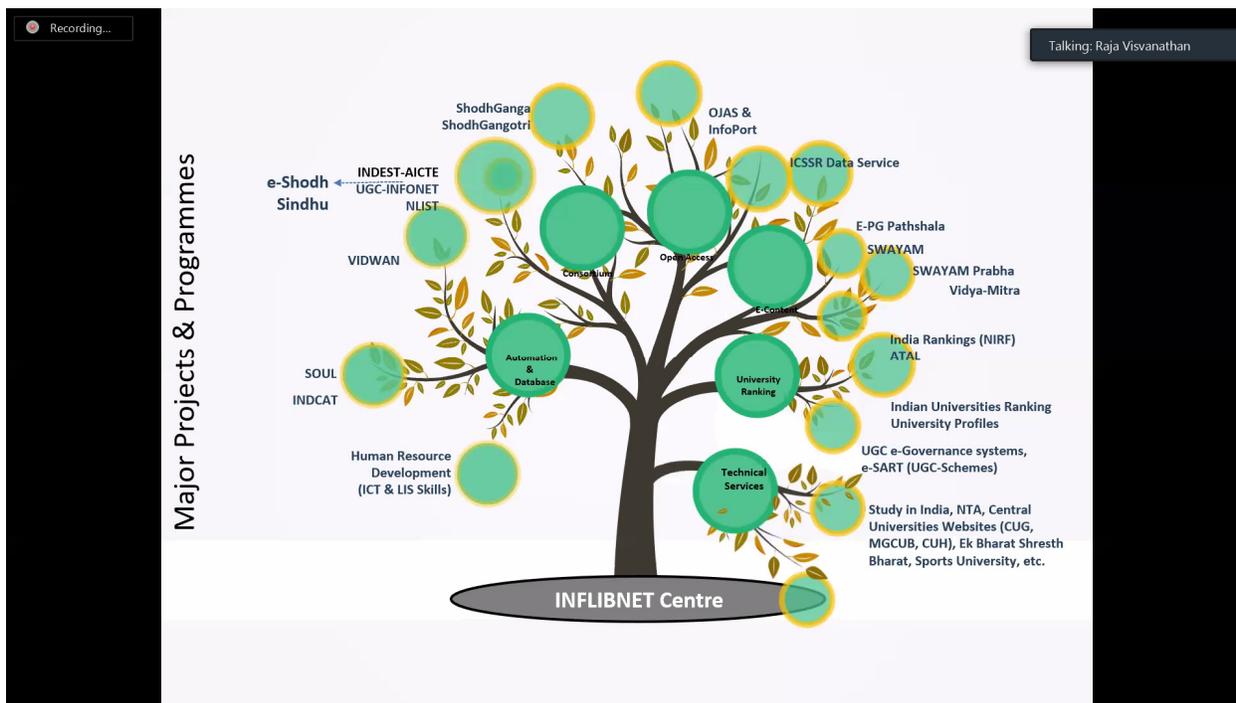

Date: 05th August, 2021 at 11 AM to 12 PM

Internal Quality Assurance Cell (IQAC), VFSTR has organized a webinar on "Higher education services offered by INFLIBNET Centre, IUC of UGC". For this webinar, the resource person is Mr. Raja V, Scientist-C, INFLIBNET, Ahmedabad, Gujarat, India. The webinar begins at 11 AM through zoom platform. Almost 100 participants have attended this webinar from various institutions. The webinar begins with the Vignan prayer song. Dr. V. Srinivasadesikan as organizing secretary for this webinar welcome all the participants and resource person. During his welcome address mentioned that the Information and Library Network (INFLIBNET) Centre, Gandhinagar is an Autonomous Inter-University Centre (IUC) of University Grants Commission, New Delhi (Ministry of Education, Govt. of India). It is a major National Programme initiated by the UGC in March 1991 as a project under the IUCAA, it became an independent Inter-University Centre in June 1996. INFLIBNET is involved in modernizing university libraries in India using the state-of-art technologies for the optimum utilization of information. To promote and establish communication facilities to improve capability in information transfer and access, that provide support to scholarship, learning, research and academic pursuit through cooperation and involvement. In the center Mr. Raja V is an expert in cloud computing, NIRF ranking parameters. He is the responsible person for remote access of the library (INFED) and multiple activities at INFLIBNET. VIGNAN University has also implemented the INFED and utilizing the services. Further, Dr. Ramakrishna was address the gathering. He mentioned that VFSTR has conducted 15000 hours online classes during COVID 19 first and second waves. The traditional way of class room approach is shifted to online digital of teaching learning process. Online mode of teaching helps and fulfil the requirement of life-long learning. He said that the list of scholarly resources were provided by INFLIBNET center like "ShodhGanga", "ShodhGangotri", "ShodhSagar", "OJAS", "Info Portal" etc., He said that as per new education policy ICT facility will be adopted by all the institution. Then, the speaker profile was read by Dr. Jyothi, Associate Dean IQAC. Mr. Raja has started his talk and explain the establishment of INFLIBNET. He said that one of the purpose of the INFLIBNET center is to provide the facilities to institution to access the library facilities from one institute to another institute through inter library loan. He also explained the importance of VIDWAN database. Mr. Raja explained the INDIAN Access Management Federation (INFED), manages the trust between all the parties, including member institutions and publishers. The INFED is being set-up as a centralized agency to coordinate with member institutions in the process of implementation of user authentication and access control mechanism distributed across participating institutions using standardized rules and metadata for exchange of attributes. He also explained the other services provided by INFLIBNET like e-PG pathsala, IRNS, SwayamPrabha,

Vidyamithra, NIRF etc.,. One can check the Sherpa Romeo europeancommission to know more about the open access policies. He also advised that the institution may open the repository database to keep the accepted manuscript to increase their H-index. Finally he thank the organizing committee for the invitation to deliver the talk. Then he address the questions raised by the audience. Finally, the vote of thanks was delivered by Dr. Jyothi Y, Associate Dean IQAC.
