**VIGNAN'S LARA and VIGNAN PHARMACY COLLEGE**

Srujanankura 2023 - A National Level Technical Fest is Organized by Vignan's Foundation for Science, Technology, and Research-Deemed to be University. It gives the students a platform to showcase their technical skills in a proficient manner across a range of disciplines. Major Activities include Project Expo, Technical Poster Presentation, Hackathon, and Ideathon. Srujanankura 2023's principal objective is to assist the community of scientific students who are eager to transform the world through their technical prowess.

2.	Technical Poster Presentation	2	Department wise	5+2 min	Dr. A. Siva Sankar - 8333037989
3	Hackathon	3	University Level	24 hrs	Dr. S. V. Phani Kumar - 9912514034
4	Ideathon	4	University Level	5+10 min	Dr. B. Nageswara Rao - 8074151944

## Project EXPO

**Event Description:** This is a competition held for all the UG and PG students to present their project models in the following categories. The categories are evaluated with respect to the department wise.

### Invited Categories:

Automation	Mechanical / Automobile / Mechatronics / Robotics
Infra Engineering	Civil / Architecture
Food Processing	Agriculture / Food Technology
Chemicals and Textile	Chemical Engineering / Textile Technologies / Petroleum Engineering
Computer Engineering	Computer Science & Engineering / Advanced Computer Engineering / Information Technology.
Pharma and Life Sciences	Biotechnology / Bioinformatics / Pharmacy / Life Sciences
Electronics	Electronics & Communication Engineering / Biomedical Engineering / Electrical & Electronics Engineering
Management Studies	BBA / MBA / Law
Basic Sciences	Mathematics / Physics / Chemistry

### Rules and Regulations:

- A maximum of 4 members are allowed to form a team per project.
- Inter-department members can form a team but not inter-college.
- The project should be a working model.
- A poster should be prepared to represent the project of dimensions 3Wx2H (in ft).
- Students can register their project among any one of the specified categories.
- Prizes will be awarded department-wise.
- All the participants will get the Participation Certificate.
- Judges decision will be final.

CASH PRIZES	
1 <sup>st</sup> Prize	Rs. 7,000
2 <sup>nd</sup> Prize	Rs. 5,000
3 <sup>rd</sup> Prize	Rs. 3,000
Consolation Prize	Rs. 1,000

## Ideathon

**Event Description:** The competition is open for teams comprising of UG and PG. The ideas should be novel, feasible, and helpful for the common public.

### Rules and Regulations:

- Ideathon is a team-based 3 - level competition opened to YOUNG INNOVATORS.
- A team can be formed by 2-4 members irrespective of departments.
- All the members of the team must come with bonafide certificates from their respective colleges.
- All the members who registered for Srujanankura are allowed to participate in the competition.
- The proposed idea should be different from the existing idea.
- Everyone can bring their own ideas to participate in the competition.
- They can participate in solving the challenges/problem statements given by some of the top companies.
- On any level plagiarism is not allowed.
- The competition consists of 3 levels.

**LEVEL-1:** The team should create a PowerPoint presentation and a video that explains their approach to the idea and upload it in the provided google form below.

**LEVEL-2:** The shortlisted teams should explain their idea/solution along with their approach orally to the judges. (5 min)

**LEVEL-3:** The team should build and submit a prototype/model for their respective ideas along with the business model. (10 min).

- The video and ppt should contain information regarding their inspiration for the idea and an explanation for their approach.
- Each and every level is an elimination level.
- The challenges/problem statements will be released by different schools of Vignan by 08/03/2023. Everyone can check those challenges/PS on the official page of **SRUJANANKURA**
- The students are requested to submit their solutions for challenges by the 16th of March and are not allowed spot registrations for solving the challenges.
- The students are allowed spot registrations for their own ideas and can submit their own ideas before the competition starts.
- All the teams must register at <https://forms.gle/RTtfsQSa52mq5iBV8>
- If any two teams appeared with the same idea, then the scores will be calculated based on the approach they chose, the way they presented, and the difficulty level of the solution proposed.
- All the teams will be provided with a wi-fi facility, charging sockets and all other required basic technical facilities
- The best idea shall be given an opportunity to incubate through Vignan E-cell and i-TBI council based on the jury recommendations.
- All the team members will be provided with participation certificates.
- At each stage decisions made by judges will be finalized.
- If you are facing any issues or having any queries, then you can contact the nearby organizer of the Ideathon.

### CASH PRIZES

1 <sup>st</sup> Prize	Rs. 20,000
2 <sup>nd</sup> Prize	Rs. 10,000
3 <sup>rd</sup> Prize	Rs. 5,000
Consolation Prize	Rs. 1,000
