SRUJANANKURA
National Level Tech Extravaganza

Srujanankura 2023 - A National Level Technical Fest is Organized by Vignan's Foundation for Science, Technology, and Research-Deemed to be University. It gives the students a platform to showcase their technical skills in a proficient manner across a range of disciplines. Major Activities include Project Expo, Technical Poster Presentation, Hackathon, and Ideathon. Srujanakura 2023's principal objective is to assist the community of scientific students who are eager to transform the world through their technical prowess.
